

AMENDED IN ASSEMBLY DECEMBER 17, 2007

AMENDED IN ASSEMBLY DECEMBER 13, 2007

AMENDED IN ASSEMBLY NOVEMBER 8, 2007

CALIFORNIA LEGISLATURE—2007—08 FIRST EXTRAORDINARY SESSION

ASSEMBLY BILL

No. 1

Introduced by Assembly Member Nunez
(Principal coauthor: Senator Perata)

September 11, 2007

An act to amend Section 2069 of, to add Sections 4040.1, 4071.2, 4071.3, and 4071.4 to, and to add and repeal Section 2838 of, the Business and Professions Code, to add Section 49452.9 to the Education Code, to add Sections 12803.2, 12803.25, 22830.5, and 22830.6 to, and to add Chapter 15 (commencing with Section 8899.50) to Division 1 of Title 2 of, the Government Code, to amend Sections 1357.54, ~~1363, 1365, 124900, 124905, 124910, 124920,~~ 128745, and 128748 of, *to amend, repeal, and add Section 1399.56 of,* to add Sections 1262.9, 1342.9, 1347, 1356.2, 1367.16, 1367.205, 1367.38, 1368.025, 1378.1, 1395.2, ~~104376 1399.58, 104376, 124905.1, 124946,~~ and 130545 to, to add Chapter 1.6 (commencing with Section 155) to Part 1 of Division 1 of, to add ~~Article 3.11 (commencing with Section 1357.20)~~ and Article 11.6 (commencing with Section 1399.820) to Chapter 2.2 of Division 2 of, to add Article 1 (commencing with Section 104250) to Chapter 4 of Part 1 of Division 103 of, to add Article 3 (commencing with Section 104705) to Chapter 2 of Part 3 of Division 103 of, and to add Chapter 4 (commencing with Section 128850) to Part 5 of Division 107 of, the Health and Safety Code, to amend Sections ~~10607,~~ 12693.43, 12693.70, 12693.73, and 12693.76 of, *to amend, repeal, and add Section 796.02 of,* to add Sections 796.05, 10113.10, 10113.11, 10123.56, 10176.15, 10273.6, 12693.56, 12693.57, 12693.58, 12693.59, 12693.766, ~~12694.5,~~

12886, and 12887 to, to add ~~Chapter 8.1 (commencing with Section 10760)~~ and Chapter 9.6 (commencing with Section 10919) to Part 2 of Division 2 of, and to add Part 6.45 (commencing with Section 12699.201) and Part 6.7 (commencing with Section 12739.50) to Division 2 of, the Insurance Code, to add Section 96.8 to the Labor Code, ~~to add Section~~ *to amend Sections 19167 and 19611 of, to add Sections 17052.31, 17052.32, 19528.5, and 19553.5 to, and to add and repeal Section 17052.30 of, the Revenue and Taxation Code, to add Sections 301.1 and 1120 to, and to add Division 1.2 (commencing with Section 4800) to, the Unemployment Insurance Code, and to amend Sections ~~14005.30~~ 12306.1, 14005.30, and 14011.16 of, to add Sections ~~14005.01,~~ 14005.301, 14005.305, 14005.306, 14005.310, 14005.311, 14005.331, 14005.333, 14011.16.1, 14074.5, 14081.6, 14092.5, 14132.105, and 14137.10 to, and to add Article 5.215 (commencing with Section 14167.22) to, and to add and repeal Article 5.21 (commencing with Section 14167.1) of, Chapter 7 of Part 3 of Division 9 of, the Welfare and Institutions Code, relating to health care coverage; ~~and making an appropriation therefor.~~*

LEGISLATIVE COUNSEL'S DIGEST

AB 1, as amended, Nunez. Health care reform.

(1) Existing law creates the California Health and Human Services Agency.

This bill would require the agency, in consultation with the Board of Administration of the Public Employees' Retirement System (PERS), to assume lead agency responsibility for professional review and development of best practice standards for high-cost chronic diseases that state health care programs would be required to implement upon their adoption. The bill would additionally require the agency, in consultation with PERS and health care provider groups, to develop health care provider performance measurement benchmarks, as specified.

The bill, effective July 1, 2008, would create the California Health Care Cost and Quality Transparency Committee in the California Health and Human Services Agency, with various powers and duties, including the development and periodic review of a health care cost and quality transparency plan. The bill would require the Office of Statewide Health Planning and Development to assist the committee in that regard. The bill would require the Secretary of California Health and Human

Services to track and assess the effects of health care reform and to report to the Legislature by March 1, 2012, and biennially thereafter. The bill would also create the California Health Benefits Service within the State Department of Health Care Services, with various powers and duties relative to creation of joint ventures between certain county-organized health plans and various other entities. The bill would require these joint ventures to be licensed as health care service plans and would create a stakeholder committee.

(2) Existing law does not provide a system of health care coverage for all California residents. Existing law does not require employers to provide health care coverage for employees and dependents, other than coverage provided as part of the workers' compensation system for work-related employee injuries, and does not require individuals to maintain health care coverage. Existing law provides for the creation of various programs to provide health care coverage to persons who have limited incomes and meet various eligibility requirements. These programs include the Healthy Families Program, administered by the Managed Risk Medical Insurance Board, and the Medi-Cal program, administered by the State Department of Health Care Services and county welfare departments.

This bill would require California residents, subject to certain exceptions, to enroll in and maintain at least minimum creditable health care coverage, as determined by the Managed Risk Medical Insurance Board, for themselves and their dependents, as defined. The bill would require the board to establish, by regulation, the definition and standards for minimum creditable coverage, including an affordability standard and hardship exemptions, by March 1, 2009, and would require the board to facilitate enrollment in public or private coverage and to establish an education and awareness program, by January 1, 2010, relating to the requirement to obtain minimum creditable coverage. The bill would enact related provisions, including authorizing a school district, on and after January 1, 2010, to provide parents and guardians information explaining these health care coverage requirements.

The bill would, as of January 1, 2009, create the California Cooperative Health Insurance Purchasing Program (Cal-CHIPP), which would function as a statewide purchasing pool for health care coverage and be administered by the Managed Risk Medical Insurance Board. The bill would specify eligibility for Cal-CHIPP and would require the board to develop and offer a variety of benefit plan designs, including the Cal-CHIPP Healthy Families plan in which enrollment would be

restricted to specified low-income persons. The bill would authorize an employer to pay all or a part of the premium payment required of its employees enrolled in Cal-CHIP. The bill would make it an unfair labor practice for an employer to refer an employee, or his or her dependent, to Cal-CHIP or to arrange for their application to that program to separate them from group coverage provided through the employment relationship, and for an employer to change the share-of-cost ratio or modify coverage in order for an employee or his or her dependents to enroll in that program. Because an unfair labor practice may be punishable as a crime, the bill would impose a state-mandated local program. The bill would create the California Health Trust Fund in the State Treasury, ~~and moneys in the fund would be continuously appropriated to the board~~ for the purposes of Cal-CHIP *this act*. The bill would require the State Department of Health Care Services to seek any necessary federal approval to enable the state to receive federal Medicaid funds for specified persons who could otherwise be made eligible for Medi-Cal benefits, with the state share of funds to be provided from the California Health Trust Fund. The bill, on and after July 1, 2010, would also extend Medi-Cal benefits to parents and caretaker relatives and various other persons meeting certain eligibility requirements. The bill would require certain of these individuals to receive their benefits in the form of a benchmark package, which would be the Cal-CHIP Healthy Families benefit package. The bill would provide for the benchmark benefits to be administered by the Managed Risk Medical Insurance Board, pursuant to an interagency agreement with the department. The bill would make these provisions subject to federal financial participation and approval, as specified.

The bill would require the State Department of Health Care Services to establish a Healthy Action Incentives and Rewards Program to be provided as a covered benefit under the Medi-Cal program, subject to federal financial participation and approval. The bill would also require the Director of Health Care Services to establish a local coverage option program for low-income adults that would be the exclusive Medi-Cal coverage for a ~~5-year~~ 4-year period beginning with the program's commencement, for county residents who, among other requirements, have a family income at or below 100% of the federal poverty level and are not otherwise eligible for the Medi-Cal program. The bill would specify that the program would become operational for services rendered on or after July 1, 2010. The bill would specify that coverage under the program would be provided at a county's option and only by a county

that operates a designated public hospital, subject to approval by the State Department of Health Care Services and contingent on establishment of a county share of cost. The bill would require the State Department of Health Care Services, by January 1, 2010, to contract with an independent 3rd party to develop an assessment tool to measure the care provided under the program. The bill would require the department, after 3 years of the program's operation, to evaluate the program using the assessment tool and would extend the program for an additional 2 years if the program substantially met certain criteria and would terminate the program if it did not. The bill would enact other related provisions.

The bill, subject to future appropriation of funds, would expand the number of children eligible for coverage under the Healthy Families Program on and after July 1, 2009. The bill would, on and after July 1, 2009, delete as an eligibility requirement for a child under the Healthy Families Program and the Medi-Cal program that the child satisfy citizen and immigration status requirements applicable to the programs under federal law, thereby creating a state-only element of the programs. The bill would additionally, on and after July 1, 2009, disregard all income over 250% but less than or equal to 300% of the federal poverty level and would apply Medi-Cal program income deductions to a family income greater than 300% of the federal poverty level in determining eligibility for the Healthy Families Program. The bill would authorize the board to provide, or arrange for the provision of, an electronic personal health record under the Healthy Families Program, to the extent funds are appropriated for that purpose, and would provide for the confidentiality of information obtained pursuant to the program.

The bill would require the department to exercise its federal option as necessary to simplify Medi-Cal eligibility by exempting all resources for *certain* applicants and recipients, commencing July 1, 2010. ~~The bill would authorize the department to make statewide determinations of Medi-Cal eligibility, as specified.~~

The bill would enact the Medi-Cal Physician Services Rate Increase Act, which would establish, with respect to services rendered to Medi-Cal beneficiaries on and after July 1, 2010, to the extent funds are appropriated in the annual Budget Act, increased reimbursements of up to 100% of the Medicare rate for physicians, physician groups, as defined, and others that are enrolled Medi-Cal providers eligible to receive payments for Medi-Cal services. The bill would permit some of these rate increases to be linked to specified performance measures

and would provide that these rate increases would be implemented only to the extent that state funds are appropriated for the nonfederal share of these increases. The bill would require the Director of Health Care Services to seek federal approval of the rate methodology set forth in the act and would prohibit the methodology from being implemented if federal approval is not obtained.

Because each county is required to determine eligibility for the Medi-Cal program, expansion of program eligibility would impose a state-mandated local program.

This bill would also enact the Medi-Cal Hospital Rate Stabilization Act, which would revise the methodology by which safety net care pool funds are paid to designated public hospitals for providing uncompensated care to the uninsured. The bill would require the State Department of Health Care Services to determine an outpatient base rate and an inpatient base rate, as defined, for various types of hospitals. The bill would also, commencing July 1, 2010, establish specified reimbursement rate methodologies under the Medi-Cal program for hospital services, as defined, that are rendered by designated public hospitals and for managed health care plans, as specified, and would require managed health care plans to expend 100% of moneys received under the increased rates for payments to hospitals for providing services to Medi-Cal patients. The bill would make implementation of certain of these provisions contingent on the establishment of certain requirements under which counties pay a share of cost for persons enrolled in the Medi-Cal program, and would make implementation of all of these provisions contingent on the imposition of a 4% fee on the net patient revenue of general acute care hospitals.

This bill would also require a portion of the nonfederal share of the reimbursement for designated public hospitals be transferred to the Workforce Development Program Fund, which the bill would create in the State Treasury. Moneys in the fund would, upon appropriation, be used exclusively for retraining county hospital and clinic systems' health care workers and be allocated by the Office of Statewide Health Planning and Development.

(3) Existing law provides for the county administered In-Home Supportive Services (IHSS) program, under which qualified aged, blind, and disabled persons are provided with services in order to permit them to remain in their own homes and avoid institutionalization.

Existing law permits services to be provided under the IHSS program either through the employment of individual providers, a contract

between the county and an entity for the provision of services, the creation by the county of a public authority, or a contract between the county and a nonprofit consortium.

Existing law provides that when any increase in provider wages or benefits is negotiated or agreed to by a public authority or nonprofit consortium, the county shall use county only funds for the state and county share of any increase in the program, unless otherwise provided in the Budget Act or appropriated by statute.

Existing law establishes a formula with regard to provider wages or benefits increases negotiated or agreed to by a public authority or nonprofit consortium, and specifies the percentages required to be paid by the state and counties, beginning with the 2000–01 fiscal year, with regard to the nonfederal share of any increases.

This bill would revise the formula for state participation in provider health benefit increases. The bill would also authorize a county employee representative to elect to provide health benefits through a trust fund, as specified.

(3)

(4) Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act a crime. Existing law also provides for the regulation of health insurers by the Department of Insurance.

This bill would enact various health insurance market reforms, to be operative on specified dates, including requirements for guarantee issue of individual health care service plan contracts and health insurance policies and other requirements relating to individual coverage, ~~modified small employer coverage~~, modified disclosures, and other related changes. The bill, on and after July 1, 2010, would require at least 85% of full-service health care service plan dues, fees, and other periodic payments and health insurance premiums to be spent on health care benefits and not on administrative costs. The bill would allow a health care service plan and a health insurer to provide notices by electronic transmission using specified procedures.

The bill would require a health care service plan providing prescription drug benefits and maintaining a drug formulary to, commencing on or before January 1, 2010, make the most current formularies available electronically to prescribers and pharmacies and would require health care service plans that provide services to certain beneficiaries under a Medi-Cal managed care program to be subject solely to the filing,

reporting, monitoring, and survey requirements established by the State Department of Health Care Services for the Medi-Cal managed care program for designated subjects. The bill would require the department and the State Department of Health Care Services to develop a joint filing and review process for medical quality surveys.

The bill would also require group health care service plan contracts and group health insurance policies offered, amended, or renewed on or after January 1, 2009, to offer to include a Healthy Action Incentives and Rewards Program, as specified. The bill would also authorize an employer to provide health coverage that includes a Healthy Action Incentives and Rewards Program to his or her employees.

Because a willful violation of the bill's requirements relative to health care service plans would be a crime, the bill would impose a state-mandated local program.

(5) The Personal Income Tax Law authorizes various credits against the taxes imposed by that law.

This bill would, for taxable years beginning on or after January 1, 2010, and before January 1, 2015, allow to a qualified taxpayer, as defined, a refundable credit against those taxes in an amount equal to those qualified health care plan premium costs, as defined, that are in excess of 5.5% of a qualified taxpayer's adjusted gross income for the taxable year, except as provided. This bill would, upon appropriation by the Legislature, require that all amounts deposited into the California Health Trust Fund be transferred to the Managed Risk Medical Insurance Board for purposes of advancing the refundable credit and to the Franchise Tax Board for purposes of recovering amounts expended for the refunds, as provided.

(6) Existing law creates the Employment Development Department in the Labor and Workforce Development Agency and vests that department with the duties, purposes, responsibilities, and jurisdiction previously exercised by the State Department of Benefit Payments or the California Health and Human Services Agency with respect to job creation activities.

This bill would require the department to establish data collection and reporting methods and requirements, as specified, to collect and report information related to employer health expenditures on behalf of their employees. The bill would require the department to report on that data to the Managed Risk Medical Insurance Board and the Legislature on an annual basis commencing April 1, 2011, and would

authorize the department to adopt regulations to implement these provisions.

(4)

(7) Under existing federal law, a cafeteria plan is a written plan through which employees choose among 2 or more benefits consisting of cash and qualified benefits. Existing federal law provides that, except as specified, no amount is included in the gross income of a participant in a cafeteria plan solely because the participant may choose among the benefits of the plan.

This ~~plan~~ bill would, beginning January 1, 2010, require an employer to adopt and maintain a cafeteria plan to allow employees to pay premiums for health care coverage to the extent amounts for that coverage are excludable from the gross income of the employee, as specified. The bill would require an employer who fails to establish or maintain a cafeteria plan to pay a penalty of \$100 or \$500 per employee, as specified.

(5)

(8) Existing law authorizes the Board of Administration of the Public Employees' Retirement System to contract with carriers offering health benefit plans for coverage for eligible employees and annuitants.

This bill would require the board, on or before January 1, 2010, to provide or arrange for the provision of an electronic personal health record for enrollees receiving health care benefits.

(6)

(9) Existing law establishes the State Department of Public Health, which licenses and regulates health facilities and also administers funds for programs relating to smoking cessation. Under existing law, a noncontracting hospital is required to contact an enrollee's health care service plan to obtain the enrollee's medical record information prior to admitting the enrollee for inpatient poststabilization care, as defined, or prior to transferring the enrollee, if certain conditions apply. Existing law prohibits the hospital from billing the enrollee for poststabilization care if it is required to, and fails to, contact the enrollee's health care service plan. Under existing law, a violation of any of these provisions is punishable as a misdemeanor.

This bill would prohibit a noncontracting hospital, as defined, from billing a covered patient for emergency health care services and poststabilizing care except for applicable copayments and cost shares. By changing the definition of an existing crime, this bill would impose a state-mandated local program.

The bill would also require the department to maintain the California Diabetes Program to provide information and assistance pertaining to the prevention and treatment of diabetes. The bill would also establish the Comprehensive Diabetes Services Program in the State Department of Health Care Services to provide diabetes prevention and management services to certain beneficiaries in the Medi-Cal program, to the extent funding is available for this purpose. The bill would also require the department, in consultation with the Department of Managed Health Care, the State Department of Health Care Services, the Managed Risk Medical Insurance Board, and the Department of Insurance, to annually identify the 10 largest providers of health care coverage in the state, to ascertain and summarize the smoking cessation benefits provided by those coverage providers, to publish the benefit summary on the department's Internet Web site, to include the benefit summary as part of its preventive health education against tobacco use campaign, and to evaluate any changes in connection with the smoking cessation benefits provided by the coverage providers, as provided. The bill would also require the department, to the extent that funds are available and appropriated for this purpose, to increase the capacity of effective smoking cessation services available from, and expand the awareness of, services available through, the California Smokers' Helpline, as prescribed.

The bill would also create the Community Makeover Grant program that would be administered by the department and would require it to award grants to local health departments in cities and counties, which would serve as the local lead agencies in administering the program, for the purpose of developing new programs or improving existing programs that promote active living and healthy eating. The bill would require the department to issue guidelines and to specify data reporting requirements for local lead agencies to comply with various requirements relating to the administration of the program. The bill would also require the department to develop a sustained media campaign to educate the public about the importance of obesity prevention.

(10) Existing law requires the State Department of Health Care Services to select certain primary care clinics to be reimbursed for delivering medical services, including preventive health care and smoking prevention and cessation health education, to program beneficiaries, based upon specified criteria. Existing law requires that a clinic meet specified requirements in order to receive a reimbursement.

Under existing law, a program beneficiary is a person whose income is at or below 200% of the federal poverty level. Existing law requires the department to utilize existing contractual claims processing services to promote efficiency and maximize the use of funds.

This bill would additionally require that, in order receive a reimbursement, a clinic serve as a designated primary care medical home for program beneficiaries, as specified. The bill would also revise the definition of program beneficiary to mean a person whose income is at or below 250% of the poverty level and who either does not have private or employer-based health care coverage or is not enrolled in or is ineligible for public health care coverage programs. This bill would delete the provision requiring the department to utilize existing contractual claims processing services and instead authorize the department to contract with public and private entities or utilize existing health care service provider enrollment and payment mechanisms in order to perform its duties, as specified. The bill would additionally require that the department maximize the availability of federal funding for services provided pursuant to these provisions. The bill would make related changes.

~~(7)~~

(11) Existing law provides for the Office of Statewide Health Planning and Development, which has specified powers and duties. Existing law requires the office to publish specified reports.

This bill would require the office to publish risk-adjusted outcome reports for percutaneous coronary interventions, commencing January 1, 2010, and would require the office to establish a clinical data collection program to collect data on percutaneous coronary interventions and establish by regulation the data to be reported by each hospital.

~~(8)~~

(12) Existing law provides for the certification and regulation of nurses, including nurse practitioners and nurse-midwives, by the Board of Registered Nursing and for the licensure and regulation of physician assistants by the Physician Assistant Committee of the Medical Board of California. Existing law provides that a medical assistant may administer medication upon the specific authorization and supervision of a licensed physician and surgeon or licensed podiatrist or, in specified clinic settings, upon the specific authorization and supervision of a nurse practitioner, nurse-midwife, or physician assistant.

This bill would remove the requirement that a medical assistant's administration of medication upon the specific authorization and supervision of a nurse practitioner, nurse-midwife, or physician assistant occur in specified clinic settings, and would make related changes.

(9)

(13) Existing law, the Nursing Practice Act, provides for the licensure and regulation of nurse practitioners by the Board of Registered Nursing which is within the Department of Consumer Affairs.

This bill would, until July 1, 2011, create the Task Force on Nurse Practitioner Scope of Practice that would consist of specified members appointed by the Governor, the Speaker of the Assembly, and the Senate Committee on Rules. The bill would make the task force responsible for developing a recommended scope of practice for nurse practitioners and would require the task force to report the recommended scope of practice to the Governor and the Legislature on or before June 30, 2009. The bill would require the Director of Consumer Affairs, on or before July 1, 2010, to promulgate regulations that adopt the recommended scope of practice. The bill would require the aforementioned boards to pay the state administrative costs of implementing these provisions.

(10)

(14) Existing law, the Pharmacy Law, defines an electronic transmission prescription and sets forth the requirements for those types of prescriptions.

This bill would require electronic prescribing systems to meet specified standards and requirements and would require a prescriber or prescriber's authorized agent to offer patients a written receipt of information transmitted electronically, including the patient's name and the drug prescribed, and would require the State Department of Health Care Services to develop a pilot program to foster the adoption and use of electronic prescribing by health care providers that contract with the Medi-Cal program, as specified. The bill would require every licensed prescriber, or prescriber's authorized agent, or pharmacy operating in California, on or before January 1, 2010, to have the ability to transmit and receive prescriptions by electronic data transmission.

(11)

(15) This bill would give the State Department of Health Care Services, in consultation with the Department of Finance, authority to take various actions as necessary to implement the bill, including promoting flexibility of implementation and maximizing federal financial participation. The bill would require the Director of Health

Care Services to notify the Chair of the Joint Legislative Budget Committee prior to exercising this flexibility. The bill would declare the intent of the Legislature to implement the bill to harmonize and best effectuate the purposes and intent of the bill.

(12)

(16) This bill would declare the Legislature's intent that the act's provisions be financed by contributions from various sources, including payments by acute care hospitals and employers, and by increasing the taxes on cigarettes and other tobacco products. ~~The bill would also declare the Legislature's intent to increase the rates paid under the Medi-Cal program for inpatient and outpatient hospital services.~~

(13)

(17) The bill would make its provisions operative upon the date that the Director of Finance files a finding with the Secretary of State that, among other circumstances, sufficient state resources will exist in the Health Care Trust Fund to implement those provisions. The bill would also require the director to transmit that finding to the Chief Clerk of the Assembly, the Secretary of the Senate, and the chairs of the appropriate committees of the Legislature at least 90 days prior to implementation of its provisions.

(18) *The bill would require that all of its provisions become inoperative, as specified, if any portion of the bill is held to be invalid, as determined by a final judgment of a court of competent jurisdiction.*

(14)

(19) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: ~~yes-no~~. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. This act shall be known and may be cited as the
2 Health Care ~~Reform and Cost Control Act~~. *Security and Cost*
3 *Reduction Act*.

4 SEC. 2. It is the intent of the Legislature to accomplish the
5 goal of universal health care for all California residents. To
6 accomplish this goal, the Legislature proposes to take all of the
7 following steps:

8 (a) Ensure that all Californians have access to affordable,
9 comprehensive health care.

10 (b) Leverage available federal funds to the greatest extent
11 possible through existing federal programs.

12 (c) Maintain and strengthen the health insurance system and
13 improve availability and affordability of private health care
14 coverage for all purchasers through (1) insurance market reforms;
15 (2) enhanced access to effective primary and preventive services,
16 including management of chronic illnesses; (3) promotion of
17 cost-effective health technologies; and (4) implementation of
18 meaningful, systemwide cost containment strategies.

19 (d) Engage in early and systematic evaluation at each step of
20 the implementation process to identify the impacts on state costs,
21 the costs of coverage, employment and insurance markets, health
22 delivery systems, quality of care, and overall progress in moving
23 toward universal coverage.

24 SEC. 3. Section 2069 of the Business and Professions Code is
25 amended to read:

26 2069. (a) (1) Notwithstanding any other provision of law, a
27 medical assistant may administer medication only by intradermal,
28 subcutaneous, or intramuscular injections and perform skin tests
29 and additional technical supportive services upon the specific
30 authorization and supervision of a licensed physician and surgeon,
31 nurse practitioner, nurse-midwife, physician assistant, or licensed
32 podiatrist.

33 (2) The licensed physician and surgeon may, at his or her
34 discretion, in consultation with the nurse practitioner,
35 nurse-midwife, or physician assistant, provide written instructions
36 to be followed by a medical assistant in the performance of tasks
37 or supportive services. These written instructions may provide that
38 the supervisory function for the medical assistant for these tasks

1 or supportive services may be delegated to the nurse practitioner,
2 nurse-midwife, or physician assistant within the standardized
3 procedures or protocol, and that tasks may be performed when the
4 licensed physician and surgeon is not onsite, so long as the
5 following apply:

6 (A) The nurse practitioner or nurse-midwife is functioning
7 pursuant to standardized procedures, as defined by Section 2725,
8 or protocol. The standardized procedures or protocol shall be
9 developed and approved by the supervising physician and surgeon,
10 the nurse practitioner or nurse-midwife, and the facility
11 administrator or his or her designee.

12 (B) The physician assistant is functioning pursuant to regulated
13 services defined in Section 3502 and is approved to do so by the
14 supervising physician or surgeon.

15 (b) As used in this section and Sections 2070 and 2071, the
16 following definitions shall apply:

17 (1) “Medical assistant” means a person who may be unlicensed,
18 who performs basic administrative, clerical, and technical
19 supportive services in compliance with this section and Section
20 2070 for a licensed physician and surgeon or a licensed podiatrist,
21 or group thereof, for a medical, nursing, or podiatry corporation,
22 for a physician assistant, a nurse practitioner, or a nurse-midwife
23 as provided in subdivision (a), or for a health care service plan,
24 who is at least 18 years of age, and who has had at least the
25 minimum amount of hours of appropriate training pursuant to
26 standards established by the Division of Licensing. The medical
27 assistant shall be issued a certificate by the training institution or
28 instructor indicating satisfactory completion of the required
29 training. A copy of the certificate shall be retained as a record by
30 each employer of the medical assistant.

31 (2) “Specific authorization” means a specific written order
32 prepared by the licensed physician and surgeon, nurse practitioner,
33 nurse-midwife, physician assistant, or licensed podiatrist
34 authorizing the procedures to be performed on a patient, which
35 shall be placed in the patient’s medical record, or a standing order
36 prepared by the licensed physician and surgeon, nurse practitioner,
37 nurse-midwife, physician assistant, or licensed podiatrist,
38 authorizing the procedures to be performed, the duration of which
39 shall be consistent with accepted medical practice. A notation of
40 the standing order shall be placed on the patient’s medical record.

1 (3) "Supervision" means the supervision of procedures
2 authorized by this section by the following practitioners, within
3 the scope of their respective practices, who shall be physically
4 present in the treatment facility during the performance of those
5 procedures:

- 6 (A) A licensed physician and surgeon.
- 7 (B) A licensed podiatrist.
- 8 (C) A physician assistant, nurse practitioner, or nurse-midwife.

9 (4) "Technical supportive services" means simple routine
10 medical tasks and procedures that may be safely performed by a
11 medical assistant who has limited training and who functions under
12 the supervision of a licensed physician and surgeon, a licensed
13 podiatrist, a physician assistant, a nurse practitioner, or a
14 nurse-midwife.

15 (c) Nothing in this section shall be construed as authorizing the
16 licensure of medical assistants. Nothing in this section shall be
17 construed as authorizing the administration of local anesthetic
18 agents by a medical assistant. Nothing in this section shall be
19 construed as authorizing the division to adopt any regulations that
20 violate the prohibitions on diagnosis or treatment in Section 2052.

21 (d) Notwithstanding any other provision of law, a medical
22 assistant may not be employed for inpatient care in a licensed
23 general acute care hospital as defined in subdivision (a) of Section
24 1250 of the Health and Safety Code.

25 (e) Nothing in this section shall be construed as authorizing a
26 medical assistant to perform any clinical laboratory test or
27 examination for which he or she is not authorized by Chapter 3
28 (commencing with Section 1200). Nothing in this section shall be
29 construed as authorizing a nurse practitioner, nurse-midwife, or
30 physician assistant to be a laboratory director of a clinical
31 laboratory, as those terms are defined in paragraph (7) of
32 subdivision (a) of Section 1206 and subdivision (a) of Section
33 1209.

34 SEC. 5. Section 2838 is added to the Business and Professions
35 Code, to read:

36 2838. (a) The Task Force on Nurse Practitioner Scope of
37 Practice is hereby created and shall consist of the following
38 members:

1 (1) The Director of Consumer Affairs, who shall serve as an ex
2 officio member of the task force and shall cast the deciding vote
3 in any matter voted upon by the task force that results in a tie vote.

4 (2) Three members of the Medical Board of California, two of
5 whom shall be appointed to the task force by the Governor, and
6 one of whom shall be appointed to the task force by the Speaker
7 of the Assembly.

8 (3) Three members of the Board of Registered Nursing, two of
9 whom shall be appointed to the task force by the Governor, and
10 one of whom shall be appointed to the task force by the Senate
11 Committee on Rules.

12 (4) Two representatives of an institution of higher education,
13 who shall be appointed to the task force by the Governor as
14 nonvoting members.

15 (b) The duty of the task force shall be to develop a recommended
16 scope of practice for nurse practitioners.

17 (c) The task force shall report its recommended scope of practice
18 for nurse practitioners to the Governor and the Legislature on or
19 before June 30, 2009.

20 (d) On or before July 1, 2010, the Director of Consumer Affairs
21 shall promulgate regulations that adopt the task force's
22 recommended scope of practice.

23 (e) The Medical Board of California and the Board of Registered
24 Nursing shall pay the state administrative costs of implementing
25 this section.

26 (f) This section shall become inoperative on July 1, 2011, and,
27 as of January 1, 2012, is repealed, unless a later enacted statute,
28 that is enacted before January 1, 2012, deletes or extends the dates
29 on which it becomes inoperative and is repealed.

30 SEC. 7. Section 4040.1 is added to the Business and Professions
31 Code, to read:

32 4040.1. (a) Electronic prescribing shall not interfere with a
33 patient's existing freedom to choose a pharmacy, and shall not
34 interfere with the prescribing decision at the point of care.

35 (b) Notwithstanding subdivision (c) of Section 4040, "electronic
36 prescribing" or "e-prescribing" means a prescription or
37 prescription-related information transmitted between the point of
38 care and the pharmacy using electronic media.

39 SEC. 8. Section 4071.2 is added to the Business and Professions
40 Code, to read:

1 4071.2. (a) On or before January 1, ~~2010~~ 2012, every licensed
2 prescriber, prescriber’s authorized agent, or pharmacy operating
3 in California shall have the ability to transmit and receive
4 prescriptions by electronic data transmission.

5 (b) The Medical Board of California, the State Board of
6 Optometry, the Bureau of Naturopathic Medicine, the Dental Board
7 of California, the Osteopathic Medical Board of California, the
8 Board of Registered Nursing, and the Physician Assistant
9 Committee shall have authority with the California State Board of
10 Pharmacy to ensure compliance with this section, and those boards
11 are specifically charged with the enforcement of this section with
12 respect to their respective licensees.

13 (c) Nothing in this section shall be construed to diminish or
14 modify any requirements or protections provided for in the
15 prescription of controlled substances as otherwise established by
16 this chapter or by the California Uniform Controlled Substances
17 Act (Division 10 (commencing with Section 11000) of the Health
18 and Safety Code).

19 SEC. 9. Section 4071.3 is added to the Business and Professions
20 Code, to read:

21 4071.3. Every electronic prescription system shall meet all of
22 the following requirements:

23 (a) Comply with nationally recognized or certified standards
24 for data exchange or be accredited by a recognized accreditation
25 organization.

26 (b) Allow real-time verification of an individual’s eligibility for
27 benefits and whether the prescribed medication is a covered benefit.

28 (c) Comply with applicable state and federal confidentiality and
29 data security requirements.

30 (d) Comply with applicable state record retention and reporting
31 requirements.

32 SEC. 10. Section 4071.4 is added to the Business and
33 Professions Code, to read:

34 4071.4. A prescriber or prescriber’s authorized agent using an
35 electronic prescription system shall offer patients a written receipt
36 of the information that has been transmitted electronically to the
37 pharmacy. The receipt shall include the patient’s name, the dosage
38 and drug prescribed, the name of the pharmacy where the electronic
39 prescription was sent, and shall indicate that the receipt cannot be
40 used as a duplicate order for the same medicine.

1 SEC. 11. Section 49452.9 is added to the Education Code, to
2 read:

3 49452.9. (a) On and after January 1, 2010, the school district
4 may provide an information sheet regarding health insurance
5 requirements to the parent or guardian of all of the following:

6 (1) A pupil enrolled in kindergarten.

7 (2) A pupil enrolled in first grade if the pupil was not previously
8 enrolled in kindergarten.

9 (3) A pupil enrolled during the course of the year in the case of
10 children who have recently arrived, and intend to remain, in
11 California.

12 (b) The information sheet described in subdivision (a) shall
13 include all of the following:

14 (1) An explanation of the health insurance requirements under
15 Section 8899.50 of the Government Code.

16 (2) Information on the important relationship between health
17 and learning.

18 (3) A toll-free telephone number to request an application for
19 Healthy Families, Medi-Cal, or other government-subsidized health
20 insurance programs.

21 (4) Contact information for county public health departments.

22 (5) A statement of privacy applicable under state and federal
23 laws and regulations.

24 (c) By January 1, 2010, the State Department of Education shall,
25 in consultation with the State Department of Health Care Services
26 and the Managed Risk Medical Insurance Board, develop a
27 standardized template for the information sheet required by this
28 section. To the extent possible, the information provided pursuant
29 to this section shall be consolidated with the information listed in
30 subdivision (c) of Section 49452.8 into one document. The State
31 Department of Education shall make the template available on its
32 Internet Web site and shall, upon request, provide written copies
33 of the template to a school district.

34 SEC. 12. Chapter 15 (commencing with Section 8899.50) is
35 added to Division 1 of Title 2 of the Government Code, to read:

36

37 CHAPTER 15. MINIMUM HEALTH CARE COVERAGE

38

39 8899.50. (a) On and after July 1, 2010, every California
40 resident shall be enrolled in and maintain at least minimum

1 creditable coverage, as defined by the Managed Risk Medical
2 Insurance Board pursuant to Section 12739.50 of the Insurance
3 Code, unless otherwise exempt pursuant to subdivision (d).

4 (b) On and after July 1, 2010, a subscriber shall obtain and
5 maintain at least minimum creditable coverage, as defined by the
6 Managed Risk Medical Insurance Board, for any person who
7 qualifies as his or her dependent. For purposes of this chapter, the
8 term “dependent” means the spouse, registered domestic partner,
9 minor child of the subscriber, or a child 18 years of age and over
10 who is dependent on the subscriber, as defined by the Managed
11 Risk Medical Insurance Board.

12 (c) Notwithstanding subdivisions (a) and (b), compliance with
13 those subdivisions shall not be required until Sections 12739.50,
14 12739.51, and 12699.211.01 of the Insurance Code, *Section*
15 *17052.30 of the Revenue and Taxation Code*, and Sections
16 14005.301 and 14005.305 of the Welfare and Institutions Code
17 are implemented, *and only so long as these sections remain*
18 *operative*, and the Managed Risk Medical Insurance Board has
19 defined by regulation the minimum creditable coverage that will
20 satisfy the requirements of this section.

21 (d) An individual shall not be subject to the requirements of
22 subdivisions (a) and (b) if the Managed Risk Medical Insurance
23 Board, pursuant to Section 12739.501 of the Insurance Code,
24 determines that health care coverage meeting the definition of
25 minimum creditable coverage is not affordable for that individual
26 or that the purchase of minimum creditable coverage would
27 constitute an undue hardship *for that individual*, or if the person
28 or family has an income at or below 250 percent of ~~poverty~~ *the*
29 *federal poverty level* and the person’s or family’s share of the
30 premium for minimum creditable coverage exceeds 5 percent of
31 his or her family’s income.

32 (e) An individual shall not be subject to the requirements of
33 subdivisions (a) and (b) if the individual has been in California for
34 six months or less and is not eligible for guaranteed issue of health
35 care coverage under Section 1399.829 of the Health and Safety
36 Code or Section 10928 of the Insurance Code.

37 ~~(f) On and after July 1, 2010, individuals with incomes between~~
38 ~~250 and 400 percent of the federal poverty level shall be required~~
39 ~~to comply with subdivisions (a) and (b) only to the extent that a~~
40 ~~tax credit is enacted and is available for costs incurred in~~

1 ~~purchasing health care coverage to meet the requirements of this~~
2 ~~section.~~

3 ~~(g)~~

4 (f) “California resident” means an individual who is a resident
5 of the state pursuant to Section 244 or is physically present in the
6 state for at least six months, having entered the state with an
7 employment commitment or to obtain employment, whether or
8 not employed at the time of application for health care coverage
9 or after acceptance.

10 ~~(h)~~

11 (g) “Subscriber” means an individual with dependents, as
12 determined by the Managed Risk Medical Insurance Board
13 consistent with subdivision (b), who is generally eligible to enroll
14 dependents for health care coverage purposes, including, but not
15 limited to, an individual whose employment status, or status as
16 head of household, parent, spouse, or other status, makes the
17 individual eligible to enroll his or her dependents for health care
18 coverage purposes.

19 SEC. 13. Section 12803.2 is added to the Government Code,
20 to read:

21 12803.2. The California Health and Human Services Agency,
22 in consultation with the Board of Administration of the Public
23 Employees’ Retirement System, and after consultation with
24 affected health care provider groups, shall develop health care
25 provider performance measurement benchmarks and incorporate
26 these benchmarks into a common pay-for-performance model to
27 be offered in every state-administered health care program,
28 including, but not limited to, the Public Employees’ Medical and
29 Hospital Care Act, the Healthy Families Program, the Major Risk
30 Medical Insurance Program, the Medi-Cal program, and the
31 California Cooperative Health Insurance Purchasing Program.
32 These benchmarks shall be developed to advance a common
33 statewide framework for health care quality measurement and
34 reporting, including, but not limited to, measures that have been
35 approved by the National Quality Forum (NQF) such as the Health
36 Plan Employer Data and Information Set (HEDIS) and the Joint
37 Commission on Accreditation of Health Care Organizations
38 (JCAHO), and that have been adopted by the Hospitals Quality
39 Alliance and other national and statewide groups concerned with
40 quality. The provisions of Section 14167.25 of the Welfare and

1 Institutions Code shall be implemented in addition to the
2 requirements of this section in such a manner that they are
3 appropriately integrated with the pay-for-performance model
4 required under this section.

5 SEC. 14. Section 12803.25 is added to the Government Code,
6 to read:

7 12803.25. (a) The Secretary of California Health and Human
8 Services, in collaboration with other relevant state agencies, shall
9 track and assess the effects of health care reform as set forth in the
10 act enacting this section. The secretary shall either complete the
11 assessment or contract for its preparation. The secretary may seek
12 other sources of funding, including grants, to fund the assessment.
13 The assessment shall include, at minimum, the following
14 components:

15 (1) An assessment of the sustainability and solvency of the
16 program established pursuant to Part 6.45 (commencing with
17 Section 12699.201) of Division 2 of the Insurance Code. This
18 assessment shall include data regarding persons purchasing health
19 care coverage through that program.

20 (2) An assessment of the cost and affordability of health care
21 in California. This assessment shall include the cost of health care
22 coverage products for individuals and families obtained through
23 employers, city and county governments, the Medi-Cal program,
24 the Healthy Families Program, the Public Employees’ Medical
25 and Hospital Care Act, Medicare Advantage plans, and the
26 individual market.

27 (3) An assessment of the health care coverage market in
28 California, including a review of the various insurers and health
29 care service plans, their offerings, their efficiency in providing
30 health care services, and their financial conditions, including their
31 medical loss ratios.

32 (4) An assessment of the effect on employers and employment,
33 including employer administrative costs, employee turnover rate,
34 and wages categorized by the type of employer and the size of the
35 business. *The assessment shall also review if there have been*
36 *significant changes to the labor market and increased underground*
37 *economy activity.*

38 (5) *An assessment of the racial and ethnic disparities in access*
39 *and availability of health care, including cultural competency and*

1 *language access, and what effects the act adding this section has*
2 *had in reducing these disparities.*

3 ~~(5)~~

4 (6) An assessment of the change in access and availability of
5 health care coverage throughout the state, including tracking the
6 availability of health care coverage products in rural and other
7 underserved areas of the state and assessing the adequacy of the
8 health care delivery infrastructure to meet the need for health care
9 services. This assessment shall include a more in-depth review of
10 areas of the state that were determined to be medically underserved
11 in 2007.

12 ~~(6)~~

13 (7) An assessment of the impact on the county health care safety
14 net system, including a review of the amount of uncompensated
15 care and emergency room use.

16 ~~(7)~~

17 (8) An overall assessment of health care coverage.

18 ~~(8)~~

19 (9) An assessment of the capacity of the various health care
20 professions and facilities to provide care to Californians.

21 (b) An advisory body of individuals with knowledge and
22 expertise in health care policy and financing shall provide input
23 on the assessment described in subdivision (a). The Governor shall
24 appoint five members to the advisory body, the Senate Committee
25 on Rules shall appoint two members, and the Speaker of the
26 Assembly shall appoint two members.

27 (c) To the extent possible, the assessment described in
28 subdivision (a) shall maximize the use of current surveys and
29 databases.

30 (d) To the extent feasible, in order to track the effect of health
31 care reform on ongoing trends in the health care field, the
32 assessment described in subdivision (a) shall include data from
33 years prior to the enactment of the program established pursuant
34 to Part 6.45 (commencing with Section 12699.201) of Division 2
35 of the Insurance Code.

36 (e) All state agencies shall cooperate with the secretary in
37 implementing the provisions of this section.

38 (f) The Secretary of California Health and Human Services shall
39 submit the assessment described in subdivision (a) to the
40 appropriate policy and fiscal committees of the Legislature on or

1 before March 1, 2012. The secretary shall update the assessment
2 biennially.

3 SEC. 15. Section 22830.5 is added to the Government Code,
4 to read:

5 22830.5. (a) On or before January 1, 2010, the board shall
6 provide or arrange for the provision of an electronic personal health
7 record for enrollees receiving health care benefits. The record shall
8 be provided for the purpose of providing enrollees with information
9 to assist them in understanding their coverage benefits and
10 managing their health care.

11 (b) At a minimum, the personal health record shall provide
12 access to real-time, patient-specific information regarding
13 eligibility for covered benefits and cost sharing requirements. Such
14 access can be provided through the use of an Internet-based system.

15 (c) In addition to the data required pursuant to subdivision (b),
16 the board may determine that the personal health record shall also
17 incorporate additional data, such as laboratory results, prescription
18 history, claims history, and personal health information authorized
19 or provided by the enrollee. Inclusion of this additional data shall
20 be at the option of the enrollee.

21 (d) Systems or software that pertain to the personal health record
22 shall adhere to accepted national standards for interoperability,
23 privacy, and data exchange, or shall be certified by a nationally
24 recognized certification body.

25 (e) The personal health record shall comply with applicable
26 state and federal confidentiality and data security requirements.

27 SEC. 16. Section 22830.6 is added to the Government Code,
28 to read:

29 22830.6. On or before January 1, 2010, the board shall provide
30 or arrange for the provision of a Healthy Action Incentives and
31 Rewards Program, as described in subdivision (c) of Section
32 1367.38 of the Health and Safety Code, to all enrollees.

33 SEC. 17. Chapter 1.6 (commencing with Section 155) is added
34 to Part 1 of Division 1 of the Health and Safety Code, to read:

35

36 CHAPTER 1.6. CALIFORNIA HEALTH BENEFITS SERVICE

37

38 155. (a) The California Health Benefits Service Program is
39 hereby created within the State Department of Health Care Services
40 for the purposes of expanding cost-effective health coverage

1 options to purchasers governed by the Health Care Security and
2 Cost Reduction Act. The program shall do all of the following:

3 (1) Identify statutory, regulatory, or financial barriers or
4 incentives that should be addressed to facilitate the establishment
5 and maintenance of one or more joint ventures between health
6 plans that contract with, or are governed, owned, or operated by,
7 a county board of supervisors, a county special commission, a
8 county organized health system or a county health authority
9 authorized by Section 14018.7, 14087.31, 14087.35, 14087.36,
10 14087.38, 14087.96 or Article 2.8 (commencing with Section
11 14087.5) of Chapter 7 of Division 9 of Part 3 of the Welfare and
12 Institutions Code, as well as the County Medical Services Program.

13 (2) Identify statutory, regulatory, or financial barriers or
14 incentives that should be addressed before joint ventures among
15 these health plans may be formed, or existing health plans or the
16 County Medical Services Program may expand to serve other
17 geographic areas, for the purposes of providing public health care
18 services in counties where there is not a local initiative or county
19 organized health plan that contracts with the State Department of
20 Health Care Services, or the County Medical Services Program,
21 participating in these joint ventures.

22 (3) Report these initial findings to the committees of jurisdiction
23 in the Senate and Assembly on or before January 15, 2009.

24 (4) Provide technical assistance to local health care delivery
25 entities, including local initiatives, county organized health
26 systems, and the County Medical Services Program, to support
27 joint ventures and efforts by these entities to expand to serve other
28 geographic areas and specified populations, or to contract with
29 providers to provide health care services in counties where there
30 is not a local initiative or county organized health plan that
31 contracts with the State Department of Health Care Services that
32 opts to participate in such joint ventures, or participation from the
33 County Medical Services Program.

34 (5) Consistent with the report and recommendations provided
35 pursuant to this section and consistent with existing law, the
36 department is authorized to enter into contracts with joint ventures
37 authorized pursuant to this section to provide medical services to
38 specified populations, as determined by the program.

39 (b) Health plans that contract with or are governed, owned, or
40 operated by, a county board of supervisors, a county special

1 commission, a county organized health system, or county health
 2 authority authorized by Section 14018.7, 14087.31, 14087.35,
 3 14087.36, 14087.38, or 14087.96 or Article 2.8 (commencing with
 4 Section 14087.5) of Chapter 7 of Division 9 of Part 3 of the
 5 Welfare and Institutions Code, and the County Medical Services
 6 Program, are authorized to form joint ventures to create integrated
 7 networks of public health plans that pool risk and share networks.

8 (1) In forming joint ventures, participating health plans shall
 9 seek to contract with designated public hospitals, county health
 10 clinics, community health centers, and other traditional safety net
 11 providers.

12 (2) All joint ventures and health care networks established
 13 pursuant to this section shall seek licensure as a health care service
 14 plan consistent with the Knox-Keene Health Care Service Plan
 15 Act of 1975 (Chapter 2.2 (commencing with Section 1340) of
 16 Division 2 of the Health and Safety Code). Prior to commencement
 17 of enrollment, the joint venture or health care network shall be
 18 licensed pursuant to that act.

19 (c) There is hereby created the California Health Benefits
 20 Service Program Stakeholder Committee. The committee shall be
 21 comprised of 10 members appointed by the Director of Health
 22 Care Services, the Senate Committee on Rules, and the Speaker
 23 of the Assembly. The director shall appoint six members including
 24 two representatives of local initiatives authorized under the Welfare
 25 and Institutions Code, a representative of county organized health
 26 systems, a representative of the County Medical Services Program,
 27 a representative of health care providers, and a representative of
 28 employers. The Senate Committee on Rules shall appoint two
 29 members including a labor representative and a representative of
 30 health care consumers. The Speaker of the Assembly shall appoint
 31 two members, including a representative of local initiatives
 32 authorized under the Welfare and Institutions Code, and a
 33 representative of organized labor. The committee shall meet at
 34 least quarterly to provide input to the program and assist the
 35 program in carrying out its responsibilities as outlined in this
 36 section.

37 (d) On or before November 1, 2009, and annually thereafter,
 38 the department, with input from the committee, shall update the
 39 committees of jurisdiction in the Senate and Assembly on
 40 implementation of this section and make recommendations, as

1 applicable, on changes necessary to implement this section. The
2 update shall also include progress on fulfilling the intent of the
3 Health Care Security and Cost Reduction Act and recommendations
4 on resources, policy, and legislative changes necessary to build
5 and implement a system of public health coverage throughout
6 California. The update shall describe the projects proposed or
7 established pursuant to this section, including, but not limited to,
8 the participating providers, the groups covered, the physicians and
9 hospitals in the network, and the counties served.

10 (e) The program shall consult with relevant departments,
11 including the Department of Managed Health Care, in the
12 implementation of this section.

13 (f) Nothing in this section shall be construed to prohibit any
14 other licensed health care service plan not mentioned in
15 subdivisions (b) and (c) from entering in joint ventures or contracts
16 with the State Department of Health Care Services to provide
17 services in counties in which there is not a Medi-Cal managed care
18 health plan that contracts with the department.

19 SEC. 18. Section 1262.9 is added to the Health and Safety
20 Code, to read:

21 1262.9. (a) If a patient has coverage for emergency health care
22 services and poststabilizing care, a noncontracting hospital shall
23 not bill the patient for emergency health care services and
24 poststabilizing care, except for applicable copayments and cost
25 shares.

26 (b) The noncontracting hospital and the health care service plan
27 or health insurer shall each retain their right to pursue all currently
28 available legal remedies they may have against each other,
29 including the right to determine the final payment due.

30 (c) For the purposes of this section:

31 (1) “Noncontracting hospital” means a general acute care
32 hospital as defined in subdivision (a) of Section 1250 that has a
33 special permit to operate an emergency medical service and does
34 not have a contract with a health care service plan or a health
35 insurer for the provision of emergency health care services and
36 poststabilizing care to the patient, who is one of that health care
37 service plan’s or health insurer’s enrollees, members, or insureds.

38 (2) “Emergency health care services and poststabilizing care”
39 means emergency services and out-of-area urgent services provided
40 in an emergency department and a hospital through discharge in

1 compliance with Sections 1262.8 and 1317 and, in the case of
 2 health care service plans, the services required to be covered
 3 pursuant to paragraph (6) of subdivision (b) of Section 1345,
 4 subdivision (i) of Section 1367, Sections 1371.4, and 1371.5, of
 5 this code, and Sections 1300.67(g) and 1300.71.4 of Title 28 of
 6 the California Code of Regulations.

7 SEC. 19. Section 1342.9 is added to the Health and Safety
 8 Code, to read:

9 1342.9. (a) Notwithstanding any other provision of this chapter,
 10 a health care service plan that provides services to a beneficiary
 11 of the Medi-Cal program pursuant to Article 2.7 (commencing
 12 with Section 14087.3), Article 2.8 (commencing with Section
 13 14087.5), or Article 2.91 (commencing with Section 14089) of
 14 Chapter 7 of, or Article 1 (commencing with Section 14200) or
 15 Article 7 (commencing with Section 14490) of Chapter 8 of, Part
 16 3 of Division 9 of the Welfare and Institutions Code shall,
 17 regarding coverage for participants in a Medi-Cal managed care
 18 program, be subject solely to the filing, reporting, monitoring, and
 19 survey requirements established by the State Department of Health
 20 Care Services for the Medi-Cal managed care program as those
 21 requirements pertain to the following subjects: advertising and
 22 marketing; member materials, including member handbooks,
 23 evidences of coverage, and disclosure forms; and product design,
 24 including its scope and limitations. A health care service plan that
 25 satisfies any of the foregoing filing, reporting, monitoring, or
 26 survey requirements shall be deemed in compliance with
 27 corresponding provisions, if any, of this chapter.

28 (b) The department and the State Department of Health Care
 29 Services shall develop a joint filing and review process for medical
 30 quality surveys required pursuant to Section 1380 and pursuant to
 31 Chapter 8 (commencing with Section 14200) of Part 3 of Division
 32 9 of the Welfare and Institutions Code.

33 SEC. 20. Section 1347 is added to the Health and Safety Code,
 34 to read:

35 1347. The director ~~may~~ *is authorized to* provide regulatory and
 36 program flexibilities to facilitate new, modified, or combined
 37 licenses of local initiatives and county organized health systems,
 38 ~~created through pursuant to Section 155 or the California Health~~
 39 ~~Benefits Service Program pursuant to Chapter (Chapter 1.6~~
 40 (commencing with Section 155) of Part 1 of Division ~~1~~ 1), that

1 seek licensure for regional or statewide networks for the purposes
2 of contracting with the Managed Risk Medical Insurance Board
3 as a participating plan in the California Cooperative Health
4 Insurance Purchasing Program, or for the purposes of providing
5 coverage in the individual and group coverage markets. In
6 providing those flexibilities, the director shall ensure that the health
7 plans established pursuant to this section meet essential financial,
8 capacity, and consumer protection requirements of this chapter.

9 SEC. 20.5. Section 1356.2 is added to the Health and Safety
10 Code, to read:

11 1356.2. (a) It is the intent of the Legislature to establish
12 mechanisms by which the state may defray the costs of an
13 enrollee's public program participation. The state's efforts may
14 include, but shall not be limited to, creating mechanisms to take
15 advantage of other opportunities for coverage available to that
16 enrollee, to access nonstate resources available to fund care for
17 that enrollee, or other mechanisms to minimize state costs.

18 (b) (1) The State Department of Health Care Services, in
19 consultation with the Department of Insurance and the Department
20 of Managed Health Care, shall evaluate and consider the options
21 to effectuate the intent of this section and determine the process
22 and procedures to implement subdivision (a). The departments
23 shall assess the fiscal ramifications and administrative feasibility
24 of potential options, and determine the requirements that best
25 effectuate and implement this section. The department shall report
26 its findings to the Joint Legislative Budget Committee by July 1,
27 2009.

28 (2) Ninety days following the department's notification to the
29 Joint Legislative Budget Committee pursuant to paragraph (1), the
30 departments shall implement the policies, procedures, and
31 requirements described in its report.

32 (c) To the extent necessary to achieve the purposes of
33 subdivision (a), the State Department of Health Care Services may
34 implement Section 1396e of Title 42 of the United States Code.
35 To the extent necessary to achieve the purposes of this section,
36 this option shall be exercised in conjunction with the benchmark
37 authority provided in Section 1396u-7 of Title 42 of the United
38 States Code.

39 (d) To the extent necessary to achieve the purposes of
40 subdivision (a), the Department of Insurance and the Department

1 of Managed Health Care shall establish appropriate licensing
2 requirements for health insurers and health care service plans to
3 permit the state to access funds and contributions available to
4 enrollees to reduce the cost of subsidized coverage.

5 (e) For the purposes of implementing this section, the State
6 Department of Health Care Services, the Department of Insurance,
7 and the Department of Managed Health Care shall promulgate
8 regulations in accordance with the requirements of Chapter 3.5
9 (commencing with Section 11340) of Part 1 of Division 3 of Title
10 2 of the Government Code.

11 (f) For the purposes of this section, “subsidized coverage” means
12 coverage provided under either of the following:

13 (1) Part 6.45 (commencing with Section 12699.201) of Division
14 2 of the Insurance Code through a Cal-CHIPP Healthy Families
15 plan.

16 (2) Section 14005.333 of the Welfare and Institutions Code.

17 (g) This section shall be implemented no later than one year
18 from the date that the act enacting this section becomes operative.

19 ~~SEC. 21. Article 3.11 (commencing with Section 1357.20) is~~
20 ~~added to Chapter 2.2 of Division 2 of the Health and Safety Code,~~
21 ~~to read:~~

22
23 ~~Article 3.11. Insurance Market Reform~~
24

25 ~~1357.20. Effective July 1, 2010, all requirements in Article 3.1~~
26 ~~(commencing with Section 1357) applicable to offering, marketing,~~
27 ~~and selling health care service plan contracts to small employers~~
28 ~~as defined in that article, including, but not limited to, the~~
29 ~~obligation to fairly and affirmatively offer, market, and sell all of~~
30 ~~the plan’s contracts to all employers, guaranteed renewal of all~~
31 ~~health care service plan contracts, use of the risk adjustment factor,~~
32 ~~and the restriction of risk categories to age, geographic region, and~~
33 ~~family composition as described in that article, shall be applicable~~
34 ~~to all health care service plan contracts offered to all employers~~
35 ~~with 100 or fewer eligible employees, except as follows:~~

36 ~~(a) For small employers with 2 to 50, inclusive, eligible~~
37 ~~employees, all requirements in that article shall apply.~~

38 ~~(b) For employers with 51 to 100, inclusive, eligible employees,~~
39 ~~all requirements in that article shall apply, except that the health~~
40 ~~care service plan may develop health care coverage benefit plan~~

1 designs to fairly and affirmatively market only to employer groups
 2 of 51 to 100, inclusive, eligible employees and apply a risk
 3 adjustment factor of no more than 115 percent and no less than 85
 4 percent of the standard employee risk rate.

5 ~~1357.25. The requirements of this article shall not apply to a~~
 6 ~~specialized health care service plan or a Medicare supplement~~
 7 ~~contract.~~

8 ~~SEC. 21.5.~~

9 *SEC. 21.* Section 1357.54 of the Health and Safety Code is
 10 amended to read:

11 1357.54. All individual health benefit plans, except for
 12 short-term limited duration insurance, shall be renewable with
 13 respect to all eligible individuals or dependents at the option of
 14 the individual except as follows:

15 (a) For nonpayment of the required premiums or contributions
 16 by the individual in accordance with the terms of the health
 17 insurance coverage or the timeliness of the payments.

18 (b) For fraud or intentional misrepresentation of material fact
 19 under the terms of the coverage by the individual.

20 (c) Movement of the individual contractholder outside the
 21 service area, but only if the coverage is terminated uniformly
 22 without regard to any health status-related factor of covered
 23 individuals.

24 (d) If the plan ceases to provide or arrange for the provision of
 25 health care services for new individual health benefit plans in this
 26 state; provided, however, that the following conditions are satisfied:

27 (1) Notice of the decision to cease new or existing individual
 28 health benefit plans in the state is provided to the director and to
 29 the individual at least 180 days prior to discontinuation of that
 30 coverage.

31 (2) Individual health benefit plans shall not be canceled for 180
 32 days after the date of the notice required under paragraph (1) and
 33 for that business of a plan that remains in force, any plan that ceases
 34 to offer for sale new individual health benefit plans shall continue
 35 to be governed by this section with respect to business conducted
 36 under this section.

37 (3) A plan that ceases to write new individual health benefit
 38 plans in this state after the effective date of this section shall be
 39 prohibited from offering for sale individual health benefit plans

1 in this state for a period of five years from the date of notice to the
2 director.

3 (e) If the plan withdraws an individual health benefit plan from
4 the market; provided, that the plan notifies all affected individuals
5 and the director at least 90 days prior to the discontinuation of
6 these plans, and that the plan makes available to the individual all
7 health benefit plans that it makes available to new individual
8 business without regard to any health status-related factor of
9 enrolled individuals or individuals who may become eligible for
10 the coverage.

11 This section shall become inoperative on the date that Section
12 1399.829 becomes operative.

13 ~~SEC. 22. Section 1363 of the Health and Safety Code is~~
14 ~~amended to read:~~

15 ~~1363. (a) The director shall require the use by each plan of~~
16 ~~disclosure forms or materials containing information regarding~~
17 ~~the benefits, services, and terms of the plan contract as the director~~
18 ~~may require, so as to afford the public, subscribers, and enrollees~~
19 ~~with a full and fair disclosure of the provisions of the plan in~~
20 ~~readily understood language and in a clearly organized manner.~~
21 ~~The director may require that the materials be presented in a~~
22 ~~reasonably uniform manner so as to facilitate comparisons between~~
23 ~~plan contracts of the same or other types of plans. Nothing~~
24 ~~contained in this chapter shall preclude the director from permitting~~
25 ~~the disclosure form to be included with the evidence of coverage~~
26 ~~or plan contract.~~

27 ~~The disclosure form shall provide for at least the following~~
28 ~~information, in concise and specific terms, relative to the plan,~~
29 ~~together with additional information as may be required by the~~
30 ~~director, in connection with the plan or plan contract:~~

31 ~~(1) The principal benefits and coverage of the plan, including~~
32 ~~coverage for acute care and subacute care.~~

33 ~~(2) The exceptions, reductions, and limitations that apply to the~~
34 ~~plan.~~

35 ~~(3) The full premium cost of the plan.~~

36 ~~(4) Any copayment, coinsurance, or deductible requirements~~
37 ~~that may be incurred by the member or the member's family in~~
38 ~~obtaining coverage under the plan.~~

1 ~~(5) The terms under which the plan may be renewed by the plan~~
2 ~~member, including any reservation by the plan of any right to~~
3 ~~change premiums.~~

4 ~~(6) A statement that the disclosure form is a summary only, and~~
5 ~~that the plan contract itself should be consulted to determine~~
6 ~~governing contractual provisions. The first page of the disclosure~~
7 ~~form shall contain a notice that conforms with all of the following~~
8 ~~conditions:~~

9 ~~(A) (i) States that the evidence of coverage discloses the terms~~
10 ~~and conditions of coverage.~~

11 ~~(ii) States, with respect to individual plan contracts, small group~~
12 ~~plan contracts, and any other group plan contracts for which health~~
13 ~~care services are not negotiated, that the applicant has a right to~~
14 ~~view the evidence of coverage prior to enrollment, and, if the~~
15 ~~evidence of coverage is not combined with the disclosure form,~~
16 ~~the notice shall specify where the evidence of coverage can be~~
17 ~~obtained prior to enrollment.~~

18 ~~(B) Includes a statement that the disclosure and the evidence of~~
19 ~~coverage should be read completely and carefully and that~~
20 ~~individuals with special health care needs should read carefully~~
21 ~~those sections that apply to them.~~

22 ~~(C) Includes the plan's telephone number or numbers that may~~
23 ~~be used by an applicant to receive additional information about~~
24 ~~the benefits of the plan or a statement where the telephone number~~
25 ~~or numbers are located in the disclosure form.~~

26 ~~(D) For individual contracts, and small group plan contracts as~~
27 ~~defined in Article 3.1 (commencing with Section 1357), the~~
28 ~~disclosure form shall state where the health plan benefits and~~
29 ~~coverage matrix is located.~~

30 ~~(E) Is printed in type no smaller than that used for the remainder~~
31 ~~of the disclosure form and is displayed prominently on the page.~~

32 ~~(7) A statement as to when benefits shall cease in the event of~~
33 ~~nonpayment of the prepaid or periodic charge and the effect of~~
34 ~~nonpayment upon an enrollee who is hospitalized or undergoing~~
35 ~~treatment for an ongoing condition.~~

36 ~~(8) To the extent that the plan permits a free choice of provider~~
37 ~~to its subscribers and enrollees, the statement shall disclose the~~
38 ~~nature and extent of choice permitted and the financial liability~~
39 ~~that is, or may be, incurred by the subscriber, enrollee, or a third~~
40 ~~party by reason of the exercise of that choice.~~

- 1 ~~(9) A summary of the provisions required by subdivision (g) of~~
- 2 ~~Section 1373, if applicable.~~
- 3 ~~(10) If the plan utilizes arbitration to settle disputes, a statement~~
- 4 ~~of that fact.~~
- 5 ~~(11) A summary of, and a notice of the availability of, the~~
- 6 ~~process the plan uses to authorize, modify, or deny health care~~
- 7 ~~services under the benefits provided by the plan, pursuant to~~
- 8 ~~Sections 1363.5 and 1367.01.~~
- 9 ~~(12) A description of any limitations on the patient's choice of~~
- 10 ~~primary care physician, specialty care physician, or nonphysician~~
- 11 ~~health care practitioner, based on service area and limitations on~~
- 12 ~~the patient's choice of acute care hospital care, subacute or~~
- 13 ~~transitional inpatient care, or skilled nursing facility.~~
- 14 ~~(13) General authorization requirements for referral by a primary~~
- 15 ~~care physician to a specialty care physician or a nonphysician~~
- 16 ~~health care practitioner.~~
- 17 ~~(14) Conditions and procedures for disenrollment.~~
- 18 ~~(15) A description as to how an enrollee may request continuity~~
- 19 ~~of care as required by Section 1373.96 and request a second opinion~~
- 20 ~~pursuant to Section 1383.15.~~
- 21 ~~(16) Information concerning the right of an enrollee to request~~
- 22 ~~an independent review in accordance with Article 5.55~~
- 23 ~~(commencing with Section 1374.30).~~
- 24 ~~(17) A notice as required by Section 1364.5.~~
- 25 ~~(b) (1) As of July 1, 1999, the director shall require each plan~~
- 26 ~~offering a contract to an individual or small group to provide with~~
- 27 ~~the disclosure form for individual and small group plan contracts~~
- 28 ~~a uniform health plan benefits and coverage matrix containing the~~
- 29 ~~plan's major provisions in order to facilitate comparisons between~~
- 30 ~~plan contracts. The uniform matrix shall include the following~~
- 31 ~~category descriptions together with the corresponding copayments~~
- 32 ~~and limitations in the following sequence:~~
- 33 ~~(A) Deductibles.~~
- 34 ~~(B) Lifetime maximums.~~
- 35 ~~(C) Professional services.~~
- 36 ~~(D) Outpatient services.~~
- 37 ~~(E) Hospitalization services.~~
- 38 ~~(F) Emergency health coverage.~~
- 39 ~~(G) Ambulance services.~~
- 40 ~~(H) Prescription drug coverage.~~

- 1 ~~(I) Durable medical equipment.~~
- 2 ~~(J) Mental health services.~~
- 3 ~~(K) Chemical dependency services.~~
- 4 ~~(L) Home health services.~~
- 5 ~~(M) Other.~~

6 ~~(2) The following statement shall be placed at the top of the~~
7 ~~matrix in all capital letters in at least 10-point boldface type:~~

8 ~~THIS MATRIX IS INTENDED TO BE USED TO HELP YOU~~
9 ~~COMPARE COVERAGE BENEFITS AND IS A SUMMARY~~
10 ~~ONLY. THE EVIDENCE OF COVERAGE AND PLAN~~
11 ~~CONTRACT SHOULD BE CONSULTED FOR A DETAILED~~
12 ~~DESCRIPTION OF COVERAGE BENEFITS AND~~
13 ~~LIMITATIONS.~~

14 ~~(e) Nothing in this section shall prevent a plan from using~~
15 ~~appropriate footnotes or disclaimers to reasonably and fairly~~
16 ~~describe coverage arrangements in order to clarify any part of the~~
17 ~~matrix that may be unclear.~~

18 ~~(d) All plans, solicitors, and representatives of a plan shall, when~~
19 ~~presenting any plan contract for examination or sale to an~~
20 ~~individual prospective plan member, provide the individual with~~
21 ~~a properly completed disclosure form, as prescribed by the director~~
22 ~~pursuant to this section for each plan so examined or sold.~~

23 ~~(e) In the case of group contracts, the completed disclosure form~~
24 ~~and evidence of coverage shall be presented to the contractholder~~
25 ~~upon delivery of the completed health care service plan agreement.~~

26 ~~(f) Group contractholders shall disseminate copies of the~~
27 ~~completed disclosure form to all persons eligible to be a subscriber~~
28 ~~under the group contract at the time those persons are offered the~~
29 ~~plan. If the individual group members are offered a choice of plans,~~
30 ~~separate disclosure forms shall be supplied for each plan available.~~
31 ~~Each group contractholder shall also disseminate or cause to be~~
32 ~~disseminated copies of the evidence of coverage to all applicants,~~
33 ~~upon request, prior to enrollment and to all subscribers enrolled~~
34 ~~under the group contract.~~

35 ~~(g) In the case of conflicts between the group contract and the~~
36 ~~evidence of coverage, the provisions of the evidence of coverage~~
37 ~~shall be binding upon the plan notwithstanding any provisions in~~
38 ~~the group contract that may be less favorable to subscribers or~~
39 ~~enrollees.~~

1 ~~(h) In addition to the other disclosures required by this section,~~
 2 ~~every health care service plan and any agent or employee of the~~
 3 ~~plan shall, when presenting a plan for examination or sale to any~~
 4 ~~individual purchaser or the representative of a group consisting of~~
 5 ~~100 or fewer individuals, disclose in writing the ratio of premium~~
 6 ~~costs to health services paid for plan contracts with individuals~~
 7 ~~and with groups of the same or similar size for the plan's preceding~~
 8 ~~fiscal year. A plan may report that information by geographic area,~~
 9 ~~provided the plan identifies the geographic area and reports~~
 10 ~~information applicable to that geographic area.~~

11 ~~(i) Subdivision (b) shall not apply to any coverage provided by~~
 12 ~~a plan for the Medi-Cal program or the Medicare Program pursuant~~
 13 ~~to Title XVIII and Title XIX of the Social Security Act.~~

14 ~~SEC. 22.5.~~

15 *SEC. 22.* Section 1365 of the Health and Safety Code is
 16 amended to read:

17 1365. (a) An enrollment or a subscription may not be canceled
 18 or not renewed except for the following:

19 (1) Failure to pay the charge for such coverage if the subscriber
 20 has been duly notified and billed for the charge and at least 15
 21 days has elapsed since the date of notification.

22 (2) Fraud or deception in the use of the services or facilities of
 23 the plan or knowingly permitting such fraud or deception by
 24 another.

25 (3) Such other good cause as is agreed upon in the contract
 26 between the plan and a group or the subscriber.

27 (b) An enrollee or subscriber who alleges that an enrollment or
 28 subscription has been canceled or not renewed because of the
 29 enrollee's or subscriber's health status or requirements for health
 30 care services may request a review by the director. If the director
 31 determines that a proper complaint exists under the provisions of
 32 this section, the director shall notify the plan. Within 15 days after
 33 receipt of such notice, the plan shall either request a hearing or
 34 reinstate the enrollee or subscriber. If, after hearing, the director
 35 determines that the cancellation or failure to renew is contrary to
 36 subdivision (a), the director shall order the plan to reinstate the
 37 enrollee or subscriber. A reinstatement pursuant to this subdivision
 38 shall be retroactive to the time of cancellation or failure to renew
 39 and the plan shall be liable for the expenses incurred by the
 40 subscriber or enrollee for covered health care services from the

1 date of cancellation or nonrenewal to and including the date of
2 reinstatement.

3 (c) This section shall not abrogate any preexisting contracts
4 entered into prior to the effective date of this chapter between a
5 subscriber or enrollee and a health care service plan or a specialized
6 health care service plan including, but not limited to, the financial
7 liability of that plan, except that each plan shall, if directed to do
8 so by the director, exercise its authority, if any, under any such
9 preexisting contracts to conform them to the provisions of
10 subdivision (a).

11 (d) On and after the date that Section 1399.829 becomes
12 operative, this section shall not apply to individual health plan
13 contracts.

14 SEC. 22.7. Section 1367.16 is added to the Health and Safety
15 Code, to read:

16 1367.16. For purposes of subdivision (c) of Section 1367.15,
17 “comparable benefits” means any health plan contract in the same
18 coverage choice category, as determined by the department and
19 the Department of Insurance pursuant to Section 1399.832, that a
20 closed block of business would have been in, had that block of
21 business not been closed. If the coverage benefits provided in the
22 closed block of business do not meet or exceed the minimum health
23 care coverage requirements of Section 1399.824, they shall be
24 deemed comparable to the lowest coverage choice category.

25 SEC. 23. Section 1367.205 is added to the Health and Safety
26 Code, to read:

27 1367.205. Commencing on or before January 1, 2010, a health
28 care service plan that provides prescription drug benefits and
29 maintains one or more drug formularies shall make the most current
30 formularies available electronically to prescribers and pharmacies.

31 SEC. 24. Section 1367.38 is added to the Health and Safety
32 Code, to read:

33 1367.38. (a) On and after January 1, 2009, every health care
34 service plan, except for a Medicare supplement plan, that covers
35 hospital, medical, or surgical expenses on a group basis shall offer
36 to include a Healthy Action Incentives and Rewards Program, as
37 described in subdivision (b), to be implemented in connection with
38 a health care service plan, under such terms and conditions as may
39 be agreed upon between the subscriber group and the health care
40 service plan. Every plan shall communicate the availability of that

1 program to all prospective subscriber groups with whom it is
2 negotiating and to existing subscriber groups upon renewal.

3 (b) For purposes of this section, benefits under a Healthy Action
4 Incentives and Rewards Program shall provide for all of the
5 following, where appropriate:

6 (1) Health risk appraisals to be used to assess an individual's
7 overall health status and to identify risk factors, including, but not
8 limited to, smoking and smokeless tobacco use, alcohol abuse,
9 drug use, and nutrition and physical activity practices.

10 (2) Enrollee access to an appropriate health care provider, as
11 medically necessary, to review and address the results of the health
12 risk appraisal. In addition, where appropriate, the Healthy Action
13 Incentives and Rewards Program may include followup through
14 a Web-based tool or a nurse hotline either in combination with a
15 referral to a provider or separately.

16 (3) Incentives or rewards for enrollees to become more engaged
17 in their health care and to make appropriate choices that support
18 good health, including obtaining health risk appraisals, screening
19 services, immunizations, or participating in healthy lifestyle
20 programs and practices. These programs and practices may include,
21 but need not be limited to, smoking cessation, physical activity,
22 or nutrition. Incentives may include, but need not be limited to,
23 health premium reductions, differential copayment or coinsurance
24 amounts, and cash payments. Rewards may include, but need not
25 be limited to, nonprescription pharmacy products or services not
26 otherwise covered under an enrollee's health plan contract, exercise
27 classes, gym memberships, and weight management programs. If
28 a health care service plan elects to offer an incentive in the form
29 of a reduction in the premium amount, the premium reduction shall
30 be standardized and uniform for all groups and subscribers and
31 shall be offered only after the successful completion of the
32 specified program or practice by the enrollee or subscriber.

33 (c) (1) A health care service plan subject to this section shall
34 offer and price all Healthy Action Incentives and Rewards
35 Programs approved by the director consistently across all groups,
36 potential groups, and individuals and offer and price the programs
37 without regard to the health status, prior claims experience, or risk
38 profile of the members of a group. A health plan shall not condition
39 the offer, delivery, or renewal of a contract that covers hospital,
40 medical, or surgical expenses on the group's purchase, acceptance,

1 or enrollment in a Healthy Action Incentives and Rewards Program.
2 Rewards and incentives established in the program may not be
3 designed, provided, or withheld based on the actual health service
4 utilization or health care claims experience of the group, members
5 of the group, or the individual.

6 (2) In order to demonstrate compliance with this section, a health
7 care service plan shall file the program description and design as
8 an amendment to its application for licensure pursuant to
9 subdivision (a) of Section 1352. The director shall disapprove,
10 suspend, or withdraw any product or program developed pursuant
11 to this section if the director determines that the product or product
12 design has the effect of allowing health care service plans to
13 market, sell, or price health coverage for healthier lower risk profile
14 groups in a preferential manner that is inconsistent with the
15 requirement to offer, market, and sell products pursuant to Article
16 3.1 (commencing with Section 1357) and Article 11.6
17 (commencing with Section 1399.820).

18 (d) This section shall supplement, and not supplant, any other
19 section in this chapter concerning requirements for plans to provide
20 health care services, childhood immunizations, adult
21 immunizations, and preventive care services.

22 (e) This section shall only be implemented if and to the extent
23 allowed under federal law. If any portion of this section is held to
24 be invalid, as determined by a final judgment of a court of
25 competent jurisdiction, this section shall become inoperative.

26 SEC. 25. Section 1368.025 is added to the Health and Safety
27 Code, to read:

28 1368.025. In addition to the duties listed in paragraph (3) of
29 subdivision (c) of Section 1368.02, the duties of the Office of
30 Patient Advocate shall include providing access to the public to
31 reports and data obtained by the Office of Statewide Health
32 Planning and Development in a format and through mechanisms,
33 including, but not limited to, the Internet, that allow the public to
34 use the information to assist them in making informed selections
35 of health plans, hospitals, medical groups, nursing homes, and
36 other providers about whom the office has collected information.

37 SEC. 26. Section 1378.1 is added to the Health and Safety
38 Code, to read:

39 1378.1. (a) Except as provided in subdivision (f), a full-service
40 health care service plan shall, on and after July 1, 2010, expend

1 in the form of health care benefits no less than 85 percent of the
2 aggregate dues, fees, premiums, or other periodic payments
3 received by the plan. For purposes of this section, the plan may
4 deduct from the aggregate dues, fees, premiums, or other periodic
5 payments received by the plan the amount of income taxes or other
6 taxes that the plan expensed. For purposes of this section, “health
7 care benefits” shall mean health care services that are either
8 provided by or reimbursed by the plan or its contracted providers
9 as plan benefits.

10 (b) (1) In addition to the health care benefits defined in
11 subdivision (a), health care benefits shall include:

12 (A) The costs of programs or activities, including training and
13 the provision of informational materials that are determined as
14 part of the regulations under subdivision (d) to improve the
15 provision of quality care, improve health care outcomes, or
16 encourage the use of evidence-based medicine.

17 (B) Disease management expenses using cost-effective
18 evidence-based guidelines.

19 (C) Plan medical advice by telephone.

20 (D) Payments to providers as risk pool payments of
21 pay-for-performance initiatives.

22 (2) Health care benefits shall not include administrative costs
23 listed in Section 1300.78 of Title 28 of the California Code of
24 Regulations in effect on January 1, 2007.

25 (c) To assess compliance with this section, a plan licensed to
26 operate in California may average its total costs across all health
27 care service plan contracts issued, amended, or renewed in
28 California, and all health insurance policies issued, amended, or
29 renewed by its affiliated disability insurers with valid California
30 certificates of authority, except for those policies listed in
31 subdivision (f) of Section 10113.10 of the Insurance Code.

32 (d) The department and the Department of Insurance shall jointly
33 adopt and amend regulations to implement this section and Section
34 10113.10 of the Insurance Code to establish uniform reporting by
35 plans and insurers of the information necessary to determine
36 compliance with this section. These regulations may include
37 additional elements in the definition of health care benefits not
38 identified in paragraph (1) of subdivision (b) in order to
39 consistently operationalize the requirements of this section among
40 health plans and health insurers, but such regulatory additions shall

1 be consistent with the legislative intent that health plans expend
2 at least 85 percent of aggregate payments as provided in
3 subdivision (a) on health care benefits.

4 (e) The department may exclude from the determination of
5 compliance with the requirement of subdivision (a) any new health
6 care service plan contracts for up to the first two years that these
7 contracts are offered for sale in California, provided that the
8 director determines that the new contracts are substantially different
9 from the existing contracts being issued, amended, or renewed by
10 the health plan seeking the exclusion.

11 (f) This section shall not apply to Medicare supplement plans
12 or to coverage offered by specialized health care service plans,
13 including, but not limited to, ambulance, dental, vision, behavioral
14 health, chiropractic, and naturopathic.

15 SEC. 27. Section 1395.2 is added to the Health and Safety
16 Code, to read:

17 1395.2. (a) A health care service plan may provide notice by
18 electronic transmission and shall be deemed to have fully complied
19 with the specific statutory or regulatory requirements to provide
20 notice by United States mail to an applicant, enrollee, or subscriber,
21 if it complies with all of the following requirements:

22 (1) Obtains authorization from the applicant, enrollee, or
23 subscriber to provide notices by electronic transmission and to
24 cease providing notices by United States mail. "Authorization"
25 means the agreement by the applicant, enrollee, or subscriber
26 through interactive voice response, the internet or other similar
27 medium, or in writing, to receive notices by electronic transmission.

28 (2) Uses an authorization process, approved by the department,
29 in which the applicant, enrollee, or subscriber confirms
30 understanding of and agreement with the specific notices or
31 materials that will be provided by electronic transmission.

32 (3) Complies with the specific statutory or regulatory
33 requirements as to the content of the notices it sends by electronic
34 transmission.

35 (4) Provides for the privacy of the notice as required by state
36 and federal laws and regulations.

37 (5) Allows the applicant, enrollee, or subscriber at any time to
38 terminate the authorization to provide notices by electronic
39 transmission and receive the notices through the United States

1 mail, if specific statutory or regulatory requirements require notice
2 by mail.

3 (6) Sends the electronic transmission of a notice to the last
4 known electronic address of the applicant, enrollee, or subscriber.
5 If the electronic transmission fails to reach its intended recipient
6 twice, the health care service plan shall resume sending all notices
7 to the last known United States mail address of the applicant,
8 enrollee, or subscriber.

9 (7) Maintains an Internet Web site where the applicant, enrollee,
10 or subscriber may access the notices sent by electronic
11 transmission.

12 (8) Informs the applicant, enrollee, or subscriber how to
13 terminate the authorization to provide notices sent by electronic
14 transmission.

15 (b) A health care service plan shall not use the electronic mail
16 address of an applicant, enrollee, or subscriber that it obtained for
17 the purposes of providing notice pursuant to subdivision (a) for
18 any purpose other than communicating with the enrollee, applicant,
19 or subscriber about his or her policy, plan, or benefits.

20 (c) No person other than the applicant, enrollee, or subscriber
21 to whom the medical information in the notice pertains or a
22 representative lawfully authorized to act on behalf of the applicant,
23 enrollee, or subscriber, may authorize the transmission of medical
24 information by electronic transmission. “Medical information” for
25 these purposes shall have the meaning set forth in subdivision (g)
26 of Section 56.05 of the Civil Code. The transmission of any
27 medical information, as that term is used in subdivision (g) of
28 Section 56.05 of the Civil Code, shall comply with the
29 Confidentiality of Medical Information Act (Part 2.6 (commencing
30 with Section 56) of Division 1 of the Civil Code).

31 (d) A notice transmitted electronically pursuant to this section
32 is a private and confidential communication, and it shall constitute
33 a violation of this chapter for a person, other than the applicant,
34 enrollee, or subscriber to whom the notice is addressed, to read or
35 otherwise gain access to the notice without the express, specific
36 permission of the notice’s addressee. This subdivision shall not
37 apply to a health care provider, health care service plan, or
38 contractor of a health care provider or health care service plan, of
39 an applicant, enrollee, or subscriber if the health care provider,
40 health care service plan, or contractor of a health care provider or

1 health care service plan is authorized to have access to the medical
2 information pursuant to the Confidentiality of Medical Information
3 Act (Part 2.6 (commencing with Section 56) of Division 1 of the
4 Civil Code).

5 (e) A health care service plan shall not impose additional fees
6 or a differential if an applicant, enrollee, or subscriber elects not
7 to receive notices by electronic transmission.

8 (f) Notices that may be made by electronic transmission include
9 an explanation of benefits; responses to inquiries from an applicant,
10 enrollee, or subscriber; underwriting decisions; distribution of plan
11 contracts, including evidence of coverage and disclosure forms
12 pursuant to Sections 1300.63.1 and 1300.63.2 of Title 28 of the
13 California Code of Regulations; a list of contracting providers
14 pursuant to Section 1367.26; and changes in rates or coverage
15 pursuant to Sections 1374.21, 1374.22, and 1374.23. A plan may
16 not transmit through electronic means any notice that may affect
17 the eligibility for, or continued enrollment in, coverage.

18 *SEC. 27.3. Section 1399.56 of the Health and Safety Code is*
19 *amended to read:*

20 1399.56. (a) Compensation of a person retained by a health
21 care service plan to review claims for health care services shall
22 not be based on either of the following:

23 ~~(a)~~
24 (1) A percentage of the amount by which a claim is reduced for
25 payment.

26 ~~(b)~~
27 (2) The number of claims or the cost of services for which the
28 person has denied authorization or payment.

29 (b) *This section shall become inoperative on December 1, 2008,*
30 *and, as of January 1, 2009, is repealed, unless a later enacted*
31 *statute, that becomes operative on or before January 1, 2009,*
32 *deletes or extends the dates on which it becomes inoperative and*
33 *is repealed.*

34 *SEC. 27.5. Section 1399.56 is added to the Health and Safety*
35 *Code, to read:*

36 1399.56. (a) Compensation of a person employed by or
37 contracted with a health care service plan to review claims or
38 eligibility for health care services shall not be based on either of
39 the following:

1 (1) A percentage of the amount by which a claim is reduced for
2 payment.

3 (2) The number of claims or the cost of services for which the
4 person has denied authorization or payment.

5 (b) This section shall become operative on December 1, 2008.

6 SEC. 28. Section 1399.58 is added to the Health and Safety
7 Code, to read:

8 1399.58. (a) No health care service plan shall set performance
9 goals or quotas or provide additional compensation to any person
10 employed by or contracted with the health care service plan based
11 on the number of persons for which coverage is rescinded or the
12 financial savings to the health care service plan associated with
13 the rescission of coverage.

14 (b) This section shall become operative on December 1, 2008.

15 ~~SEC. 28.~~

16 SEC. 28.5. Article 11.6 (commencing with Section 1399.820)
17 is added to Chapter 2.2 of Division 2 of the Health and Safety
18 Code, to read:

19
20 Article 11.6. Individual Market Reform and Guarantee Issue
21

22 1399.820. It is the intent of the Legislature to do both of the
23 following:

24 (a) Guarantee the availability and renewability of health
25 coverage to individuals through the private health insurance market.

26 (b) Require that health care service plans and health insurers
27 issuing coverage in the individual market compete on the basis of
28 price, quality, and service, and not on risk selection.

29 1399.821. For purposes of this article, the following terms shall
30 have the following meanings:

31 (a) "Anniversary date" means the calendar date one year from,
32 and each subsequent year thereafter, the date an individual enrolls
33 in a health plan contract.

34 (b) "Coverage choice category" means the category of health
35 plan contracts and health insurance policies established by the
36 department and the Department of Insurance pursuant to Section
37 1399.832.

38 (c) "Dependent" means the spouse, registered domestic partner,
39 or child of an individual, subject to applicable terms of the health
40 plan contract covering the individual.

- 1 (d) “Health insurance policy” means an individual disability
2 insurance policy offered, sold, amended, or renewed to individuals
3 and their dependents and that provides coverage for hospital,
4 medical, or surgical benefits. The term shall not include any of the
5 following kinds of insurance:
- 6 (1) Accidental death and accidental death and dismemberment.
 - 7 (2) Disability insurance, including hospital indemnity,
8 accident-only, and specified disease insurance that pays benefits
9 on a fixed benefit, cash-payment-only basis.
 - 10 (3) Credit disability, as defined in Section 779.2 of the Insurance
11 Code.
 - 12 (4) Coverage issued as a supplement to liability insurance.
 - 13 (5) Disability income, as defined in subdivision (i) of Section
14 799.01 of the Insurance Code.
 - 15 (6) Insurance under which benefits are payable with or without
16 regard to fault and that is statutorily required to be contained in
17 any liability insurance policy or equivalent self-insurance.
 - 18 (7) Insurance arising out of a workers’ compensation or similar
19 law.
 - 20 (8) Long-term care coverage.
 - 21 (9) Dental coverage.
 - 22 (10) Vision coverage.
 - 23 (11) Medicare supplement, CHAMPUS-supplement or
24 Tricare-supplement, behavioral health-only, pharmacy-only,
25 hospital indemnity, hospital-only, accident-only, or specified
26 disease insurance that does not pay benefits on a fixed benefit,
27 cash-payment-only basis.
- 28 (e) “Health insurer” means a disability insurer that offers and
29 sells health insurance.
- 30 (f) “Health plan” means a health care service plan, as defined
31 in subdivision (f) of Section 1345, that is lawfully engaged in
32 providing, arranging, paying for, or reimbursing the cost of health
33 care services and is offering or selling health care service plan
34 contracts in the individual market. A health plan shall not include
35 a specialized health care service plan.
- 36 (g) “Health plan contract” means an individual health care
37 service plan contract offered, sold, amended, or renewed to
38 individuals and their dependents. The term shall not include
39 long-term care insurance, dental, or vision coverage. In addition,

1 the term shall not include a specialized health care service plan
2 contract, as defined in subdivision (o) of Section 1345.

3 (h) “Purchasing pool” means the program established under
4 Part 6.45 (commencing with Section 12699.201) of Division 2 of
5 the Insurance Code.

6 (i) “Rating period” means the period for which premium rates
7 established by a plan are in effect and shall be no less than 12
8 months beginning on the effective date of the subscriber’s health
9 plan contract.

10 (j) “Risk adjustment factor” means the percentage adjustment
11 to be applied to the standard risk rate for a particular individual,
12 based upon any expected deviations from standard claims due to
13 the health status of the individual.

14 (k) “Risk category” means the following characteristics of an
15 individual: age, geographic region, and family composition of the
16 individual, plus the health plan contract selected by the individual.

17 (1) No more than the following age categories may be used in
18 determining premium rates:

19 Under 1.

20 1-18.

21 19-24.

22 25-29.

23 30-34.

24 35-39.

25 40-44.

26 45-49.

27 50-54.

28 55-59.

29 60-64.

30 65 and over.

31 However, for the 65 and over age category, separate premium
32 rates may be specified depending upon whether coverage under
33 the health plan contract will be primary or secondary to benefits
34 provided by the federal Medicare Program pursuant to Title XVIII
35 of the federal Social Security Act.

36 (2) Health plans shall determine rates using no more than the
37 following family size categories:

38 (A) Single.

39 (B) More than one child 18 years of age or under and no adults.

40 (C) Married couple or registered domestic partners.

- 1 (D) One adult and child.
- 2 (E) One adult and children.
- 3 (F) Married couple and child or children, or registered domestic
- 4 partners and child or children.

5 (3) (A) In determining rates for individuals, a health plan that
6 operates statewide shall use no more than nine geographic regions
7 in the state, have no region smaller than an area in which the first
8 three digits of all its ZIP Codes are in common within a county,
9 and divide no county into more than two regions. Health plans
10 shall be deemed to be operating statewide if their coverage area
11 includes 90 percent or more of the state's population. Geographic
12 regions established pursuant to this section shall, as a group, cover
13 the entire state, and the area encompassed in a geographic region
14 shall be separate and distinct from areas encompassed in other
15 geographic regions. Geographic regions may be noncontiguous.

16 (B) (i) In determining rates for individuals, a plan that does not
17 operate statewide shall use no more than the number of geographic
18 regions in the state that is determined by the following formula:
19 the population, as determined in the last federal census, of all
20 counties that are included in their entirety in a plan's service area
21 divided by the total population of the state, as determined in the
22 last federal census, multiplied by nine. The resulting number shall
23 be rounded to the nearest whole integer. No region may be smaller
24 than an area in which the first three digits of all its ZIP Codes are
25 in common within a county and no county may be divided into
26 more than two regions. The area encompassed in a geographic
27 region shall be separate and distinct from areas encompassed in
28 other geographic regions. Geographic regions may be
29 noncontiguous. No health plan shall have less than one geographic
30 area.

31 (ii) If the formula in clause (i) results in a health plan that
32 operates in more than one county having only one geographic
33 region, then the formula in clause (i) shall not apply and the health
34 plan may have two geographic regions, provided that no county
35 is divided into more than one region.

36 Nothing in this section shall be construed to require a health plan
37 to establish a new service area or to offer health coverage on a
38 statewide basis, outside of the health plan's existing service area.

39 (4) A health plan may rate its entire portfolio of health plan
40 contracts in accordance with expected costs or other market

1 considerations, but the rate for each health plan contract shall be
2 set in relation to the balance of the portfolio, as certified by an
3 actuary.

4 (5) Each health plan contract shall be priced as determined by
5 each health plan to reflect the difference in benefit variation, or
6 the effectiveness of a provider network, and each health plan may
7 adjust the rate for a specific plan contract for risk selection only
8 to the extent permitted by subdivision (d) of Section 1399.840.

9 (l) “Standard risk rate” means the rate applicable to an individual
10 in a particular risk category.

11 (m) “Subscriber” means the individual who is enrolled in a
12 health plan contract, is the basis for eligibility for enrollment in
13 the contract, and is responsible for payment to the health plan.

14 1399.823. On and after March 31, 2009, a health plan shall not
15 offer to an individual a health plan contract that provides less than
16 minimum creditable coverage as defined by the Managed Risk
17 Medical Insurance Board pursuant to Section 12739.50 of the
18 Insurance Code.

19 1399.826. (a) Notwithstanding Chapter 15 (commencing with
20 Section 8899.50) of Division 1 of Title 2 of the Government Code
21 and Section 1399.823, a health plan may renew an individual health
22 care benefit plan for anyone enrolled on March 1, 2009, indefinitely
23 without increasing benefits to meet the required minimum
24 creditable coverage established by the Managed Risk Medical
25 Insurance Board pursuant to Section 12739.50 of the Insurance
26 Code. Those individual health care benefit plans, however, may
27 not be offered to new enrollment, unless they are amended to meet
28 the minimum creditable coverage established by the Managed Risk
29 Medical Insurance Board pursuant to Section 12739.50 of the
30 Insurance Code. In offering those plans for renewal, rates
31 determined by health plans shall meet the requirements of Sections
32 1399.821 and 1399.840. An individual who maintains coverage
33 in a health plan contract pursuant to this section shall be deemed
34 to be in compliance with Section 8899.50 of the Government Code.

35 (b) A health plan shall not cease to renew coverage in an
36 individual health plan contract described in subdivision (a) except
37 as permitted pursuant to Section 1367.15.

38 (c) On and after March 1, 2009, the director shall not approve
39 for offer and sale in this state any *new* individual health plan
40 contract that was not approved prior to that date and that does not

1 meet or exceed the requirements for minimum creditable coverage
2 established by the Managed Risk Medical Insurance Board pursuant
3 to Section 12739.50 of the Insurance Code.

4 (d) Effective July 1, 2010, all individual health plan contracts
5 approved, offered, and sold prior to March 1, 2009, which do not
6 comply with minimum creditable coverage standards adopted by
7 the Managed Risk Medical Insurance Board pursuant to Section
8 12739.50 of the Insurance Code, exclusively because the contract
9 includes a lifetime benefit maximum inconsistent with minimum
10 creditable coverage requirements, shall be modified to comply
11 with the minimum creditable coverage standard.

12 (e) This section shall become operative on January 1, 2009.

13 1399.827. A health plan shall, in addition to complying with
14 this chapter and the rules of the director, comply with this article.

15 1399.828. This article shall not apply to health plan contracts
16 for coverage of Medicare services pursuant to contracts with the
17 United States government, Medicare supplement, Medi-Cal
18 contracts with the State Department of Health Care Services,
19 Healthy Families Program contracts with the Managed Risk
20 Medical Insurance Board, long-term care coverage, specialized
21 health care service plan contracts, as defined in subdivision (o) of
22 Section 1345, or the purchasing pool established under Part 6.45
23 (commencing with Section 12699.201) of Division 2 of the
24 Insurance Code.

25 1399.829. (a) Except for the health plan contracts described
26 in subdivision (a) of Section 1399.826, a health plan shall fairly
27 and affirmatively offer, market, and sell all of the plan's contracts
28 that are sold to individuals to all individuals in each service area
29 in which the health plan provides or arranges for the provision of
30 health care services.

31 (b) A health plan may not reject an application from an
32 individual, or his or her dependents, for a health plan contract, or
33 refuse to renew an individual health plan contract, if all of the
34 following requirements are met:

35 (1) The individual agrees to make the required premium
36 payments.

37 (2) The individual and his or her dependents who are to be
38 covered by the health plan contract work or reside in the service
39 area in which the health plan provides or otherwise arranges for
40 the provision of health care services.

1 (3) The individual provides the information requested on the
2 application to determine the appropriate rate.

3 (c) Notwithstanding subdivision (b), if an individual, or his or
4 her dependents, applies for a health plan contract in a coverage
5 choice category for which he or she is not eligible pursuant to
6 Section 1399.837, the health plan may reject that application
7 provided that the plan also offers the individual and his or her
8 dependents coverage in the appropriate coverage choice category.

9 (d) Notwithstanding subdivision (b), a health plan is not required
10 to renew an individual health plan contract if any of the conditions
11 listed in subdivision (a) of Section 1399.839 are met.

12 (e) Notwithstanding any other provision of this chapter or of a
13 health plan contract, every health plan shall comply with the
14 requirements of Chapter 7 (commencing with Section 3750) of
15 Part 1 of Division 9 of the Family Code and Section 14124.94 of
16 the Welfare and Institutions Code.

17 (f) A health plan may ~~request~~ *require* an individual to provide
18 information on his or her health status or health history, or that of
19 his or her dependents, in the application for enrollment to the extent
20 required to apply the risk adjustment factor permitted pursuant to
21 subdivision (d) of Section 1399.840. The health plan shall use the
22 standardized form and process developed by the department
23 pursuant to Section 1399.840. After the health plan contract's
24 effective date of coverage, a health plan may request that the
25 subscriber provide information voluntarily on his or her health
26 history or health status, or that of his or her dependents, for
27 purposes of providing care management services, including disease
28 management services.

29 (g) Notwithstanding subdivision (b), a health plan may reject
30 an application for any person who has been a resident of California
31 for six months or less unless one of the following applies: (1) the
32 person is a federally eligible defined individual as defined in
33 Section 1399.801 or Section 10785 of the Insurance Code; or (2)
34 the individual can demonstrate a minimum of two years of prior
35 creditable coverage at least equivalent to the minimum creditable
36 coverage developed by the Managed Risk Medical Insurance Board
37 pursuant to Section 12739.50 of the Insurance Code *and provided*
38 *the person applies for coverage in California within 62 days of*
39 *termination or cancellation of the prior creditable coverage.*

1 ~~(h) Notwithstanding subdivision (b), a health plan may reject~~
2 ~~an application for coverage from any person who has been granted~~
3 ~~a temporary or permanent hardship exemption from the requirement~~
4 ~~to maintain minimum creditable coverage by the Managed Risk~~
5 ~~Medical Insurance Board pursuant to Section 12739.501 of the~~
6 ~~Insurance Code during the time period of the exemption, as~~
7 ~~determined by the board.~~

8 *(h) Notwithstanding subdivision (b), a health plan may reject*
9 *an application for coverage from either of the following:*

10 *(1) A person who is exempt from the requirements of Section*
11 *8899.50 of the Government Code because the person or family*
12 *has an income at or below 250 percent of the federal poverty level*
13 *and the person's or family's share of premium for minimum*
14 *creditable coverage exceeds 5 percent of his or her family income,*
15 *except for those individuals meeting the criteria in paragraph (1)*
16 *or (2) of subdivision (g).*

17 *(2) A person exempted from the requirements of Section 8899.50*
18 *of the Government Code pursuant to any exemption authorized or*
19 *granted by the Managed Risk Medical Insurance Board pursuant*
20 *to Section 12739.501 of the Insurance Code, for the time period*
21 *of the exemption, as determined by the board.*

22 (i) Notwithstanding Section 1399.846, this section shall not
23 become operative until Section 12739.51 of the Insurance Code
24 is implemented.

25 1399.831. (a) A health plan shall not impose any preexisting
26 condition exclusions, waived conditions, or postenrollment
27 waiting or affiliation periods on any health plan contract issued,
28 amended, or renewed pursuant to this article, except as provided
29 under subdivision (b) of this section.

30 (b) After the requirement to guarantee issue of coverage under
31 Section 1399.826 has been in effect for nine months, a health plan
32 may impose a preexisting condition exclusion of up to 12 months
33 for any person who fails to comply for more than 62 days with the
34 requirement to maintain coverage under Section 8899.50 of the
35 Government Code, providing, however, that the exclusion may
36 not exceed the length of time that the person failed to comply with
37 the requirements of that section. "Preexisting condition exclusion"
38 means a contract provision that excludes coverage for charges or
39 expenses incurred during a specified period following the
40 individual's effective date of coverage, as to a condition for which

1 medical advice, diagnosis, care, or treatment was recommended
2 or received during a specified period immediately preceding the
3 effective date of coverage. For purposes of this section, preexisting
4 condition provisions contained in plan contracts may relate only
5 to conditions for which medical advice, diagnosis, care, or
6 treatment, including use of prescription drugs, was recommended
7 or received from a licensed health practitioner during the 12 months
8 immediately preceding the effective date of coverage.

9 1399.832. (a) On or before April 1, 2009, the department and
10 the Department of Insurance shall jointly, by regulation, develop
11 a system to categorize all health plan contracts and health insurance
12 policies offered and sold to individuals pursuant to this article and
13 Chapter 9.6 (commencing with Section 10920) of Part 2 of Division
14 2 of the Insurance Code into five coverage choice categories. These
15 coverage choice categories shall do all of the following:

16 (1) Reflect a reasonable continuum between the coverage choice
17 category with the lowest level of health care benefits and the
18 coverage choice category with the highest level of health care
19 benefits.

20 (2) Permit reasonable benefit variation that will allow for a
21 diverse market within each coverage choice category.

22 (3) Be enforced consistently between health plans and health
23 insurers in the same marketplace regardless of licensure.

24 (4) Within each coverage choice category, include one standard
25 health maintenance organization (HMO) and one standard preferred
26 provider organization (PPO), each of which is the health plan
27 contract with the lowest benefit level in that category and for that
28 type of contract.

29 (b) All health plans shall submit filings required pursuant to
30 Section 1399.842 no later than October 1, 2009, for all individual
31 health plan contracts to be offered or sold on or after July 1, 2010,
32 to comply with this article, and thereafter any additional health
33 plan contracts shall be filed pursuant to Section 1399.842. The
34 director shall categorize each health plan contract offered by a
35 health plan into the appropriate coverage choice category on or
36 before March 31, 2010.

37 (c) To facilitate consumer comparison shopping, all health plans
38 that offer coverage on an individual basis shall offer at least one
39 health plan contract in each coverage choice category, including
40 offering at least one of the standard contracts developed pursuant

1 to paragraph (4) of subdivision (a), but a health plan may offer
2 multiple products in each category.

3 (d) If a health plan offers a specific type of health plan contract
4 in one coverage choice category, it must offer that specific type
5 of health plan contract in each coverage choice category. A “type
6 of health plan contract” includes a preferred provider organization,
7 an exclusive provider organization model plan, a point of service
8 model plan, and a health maintenance organization model plan.

9 (e) Health plans shall have flexibility in establishing provider
10 networks, provided that access to care standards pursuant to this
11 chapter are met, and provided that the provider network offered
12 for one health plan contract in one coverage choice category is
13 offered for at least one health plan contract in each coverage choice
14 category.

15 (f) A health plan shall establish prices for its products that reflect
16 a reasonable continuum between the products offered in the
17 coverage choice category with the lowest level of benefits and the
18 products offered in the coverage choice category with the highest
19 level of benefits. A health plan shall not establish a standard risk
20 rate for a product in a coverage choice category at a lower rate
21 than a product offered in a lower coverage choice category.

22 (g) The coverage choice category with the lowest level of
23 benefits shall include the benefits which meet the requirement of
24 minimum creditable coverage as determined by the Managed Risk
25 Medical Insurance Board pursuant to Section 12739.50 of the
26 Insurance Code.

27 1399.833. A health plan shall offer coverage for a Healthy
28 Action Incentives and Rewards Program that complies with the
29 requirements of Section 1367.38 in at least one health plan contract
30 in every coverage choice category.

31 1399.834. The Office of the Patient Advocate shall develop
32 and maintain on its Internet Web site a uniform benefits matrix of
33 all available individual health plan contracts and individual health
34 insurance policies arranged by coverage choice category. This
35 uniform benefit matrix shall include all of the following:

36 (a) Benefit information submitted by health plans pursuant to
37 Section 1399.843 and by health insurers pursuant to Section 10940
38 of the Insurance Code, including, but not limited to, the following
39 category descriptions:

40 (1) Deductibles.

- 1 (2) Copayments or coinsurance, as applicable.
- 2 (3) Annual out-of-pocket maximums.
- 3 (4) Professional services.
- 4 (5) Outpatient services.
- 5 (6) Preventive services.
- 6 (7) Hospitalization services.
- 7 (8) Emergency health services.
- 8 (9) Ambulance services.
- 9 (10) Prescription drug coverage.
- 10 (11) Durable medical equipment.
- 11 (12) Mental health and substance abuse services.
- 12 (13) Home health services.
- 13 (14) Other.

14 (b) The telephone number or numbers that may be used by an
 15 applicant to contact either the department or the Department of
 16 Insurance, as appropriate, for additional assistance.

17 1399.835. When an individual submits a premium payment,
 18 based on the quoted premium charges, and that payment is
 19 delivered or postmarked, whichever occurs earlier, within the first
 20 15 days of the month, coverage under the health plan contract shall
 21 become effective no later than the first day of the following month.
 22 When that payment is either delivered or postmarked after the 15th
 23 day of a month, coverage shall become effective no later than the
 24 first day of the second month following delivery or postmark of
 25 the payment.

26 1399.836. Except as provided in Section 1399.829, a health
 27 plan is not required to offer an individual health plan contract and
 28 may reject an application for an individual health plan contract in
 29 the case of any of the following:

30 (a) The individual and dependents who are to be covered by the
 31 health plan contract do not work or reside in a health plan’s
 32 approved service area.

33 (b) (1) Within a specific service area or portion of a service
 34 area, if a health plan reasonably anticipates and demonstrates to
 35 the satisfaction of the director that it will not have sufficient health
 36 care delivery resources to assure that health care services will be
 37 available and accessible to the eligible individual and dependents
 38 of the individual because of its obligations to existing enrollees.

39 (2) A health plan that cannot offer a health plan contract to
 40 individuals because it is lacking in sufficient health care delivery

1 resources within a service area or a portion of a service area may
2 not offer a health plan contract in the area in which the health plan
3 is not offering coverage to individuals until the health plan notifies
4 the director that it has the ability to deliver services to new
5 enrollees, and certifies to the director that from the date of the
6 notice it will enroll all individuals and groups requesting coverage
7 in that area from the health plan.

8 (c) The plan is licensed in California and meets all of the
9 following criteria: (1) does not offer coverage to individuals in the
10 commercial market; (2) requires that its members qualify through
11 the Medicare Program or Medi-Cal program or their successors;
12 and (3) 75 percent or more of the organization's total enrollment
13 premiums are paid by the Medi-Cal program or Medicare Program,
14 or by a combination of Medi-Cal and Medicare payments. In no
15 event shall this exemption be based upon enrollment in Medicare
16 supplement contracts, as described in Article 3.5 (commencing
17 with Section 1358).

18 (d) Any person who has been a resident of California for six
19 months or less unless one of the following applies: (1) the person
20 is a federally eligible defined individual as defined in Section
21 1399.801 or Section ~~10928~~ 10785 of the Insurance Code, or (2)
22 the person can demonstrate a minimum of two years of prior
23 creditable coverage at least equivalent to the minimum creditable
24 coverage developed by the Managed Risk Medical Insurance Board
25 pursuant to Section 12739.50 of the Insurance Code and providing
26 the person applies for coverage in California within 62 days of
27 termination or cancellation of the prior creditable coverage.

28 (e) Any person who has been granted a temporary or permanent
29 hardship exemption from the requirement to maintain minimum
30 creditable coverage by the Managed Risk Medical Insurance Board
31 pursuant to Section 12739.501 of the Insurance Code during the
32 time period of the exemption as determined by the board.

33 1399.837. (a) If an individual disenrolls from a health plan
34 contract or health insurance policy or if the individual's health
35 plan contract or health insurance policy is canceled pursuant to
36 Section 1399.839 or Section 10936 of the Insurance Code prior to
37 the anniversary date of the health plan contract or health insurance
38 policy, subsequent enrollment in an individual health plan contract
39 or an individual health insurance policy shall be limited to the

1 same coverage choice category the individual was enrolled in prior
2 to disenrollment or cancellation.

3 (b) (1) An individual may change to a health plan contract in
4 a different coverage choice category only on the anniversary date
5 of the subscriber or upon a qualifying event.

6 (2) In no case, however, may an individual move up more than
7 one coverage choice category on the anniversary date of the
8 subscriber unless there is also a qualifying event.

9 (c) An individual health plan contract described in subdivision
10 (a) of Section 1399.826 that does not meet or exceed the
11 requirements for minimum creditable coverage established by the
12 Managed Risk Medical Insurance Board shall be deemed to be the
13 lowest coverage choice category for purposes of this section.

14 (d) On and after January 1, 2011, an individual who fails to
15 comply with the provisions of Chapter 15 (commencing with
16 Section 8899.50) of Division 1 of Title 2 of the Government Code
17 for more than 62 days may only enroll in a health plan contract or
18 health insurance policy in the lowest coverage choice category.
19 Upon the individual’s anniversary date, the individual may move
20 to a higher coverage choice category pursuant to subdivision (b).

21 (e) For purposes of this section, a qualifying event occurs upon
22 any of the following:

23 (1) Upon the death of the subscriber, on whose qualifying
24 coverage an individual was a dependent.

25 (2) Upon marriage of the subscriber or entrance by the subscriber
26 into a domestic partnership pursuant to Section 298.5 of the Family
27 Code.

28 (3) Upon divorce or legal separation of an individual from the
29 subscriber.

30 (4) Upon loss of dependent status by a dependent enrolled in
31 group health care coverage through a health care service plan or
32 a health insurer.

33 (5) Upon the birth or adoption of a child.

34 (6) Upon the loss of minimum creditable coverage as defined
35 by the Managed Risk Medical Insurance Board pursuant to Section
36 12739.50 of the Insurance Code.

37 1399.838. The director may require a health plan to discontinue
38 the offering of contracts or acceptance of applications from any
39 individual upon a determination by the director that the health plan
40 does not have sufficient financial viability, or organizational and

1 administrative capacity to ensure the delivery of health care
2 services to its enrollees.

3 1399.839. (a) All health plan contracts offered pursuant to this
4 article shall be renewable with respect to all individuals and
5 dependents at the option of the subscriber and shall not be canceled
6 except for the following reasons:

7 (1) Failure to pay any charges for coverage provided pursuant
8 to the contract if the subscriber has been duly notified and billed
9 for those charges and at least 15 days has elapsed since the date
10 of notification.

11 (2) Fraud or intentional misrepresentation of material fact under
12 the terms of the health plan contract by the individual.

13 (3) Fraud or deception in the use of the services or facilities of
14 the plan or knowingly permitting that fraud or deception by
15 another.

16 (4) Movement of the subscriber outside the health plan's service
17 area.

18 (5) If the health plan ceases to provide or arrange for the
19 provision of health care services for new or existing individual
20 health plan contracts in this state, provided, however, that the
21 following conditions are satisfied:

22 (A) Notice of the decision to cease new or existing individual
23 health plan contracts in the state is provided to the director and to
24 the individual at least 180 days prior to discontinuation of that
25 coverage.

26 (B) Individual health plan contracts shall not be canceled for
27 180 days after the date of the notice required under subparagraph
28 (A) and for that business of a health plan that remains in force,
29 any health plan that ceases to offer for sale new individual health
30 plan contracts shall continue to be governed by this article with
31 respect to business conducted under this article.

32 (C) A health plan that ceases to write new individual health plan
33 contracts in this state after the effective date of this section shall
34 be prohibited from offering for sale individual health plan contracts
35 in this state for a period of five years from the date of notice to the
36 director. The director may permit a health plan to offer and sell
37 individual health plan contracts in this state before the five-year
38 time period has expired if the director determines that it is in the
39 best interest of the state and necessary to preserve the integrity of
40 the health care market.

1 (6) If the health plan withdraws an individual health plan
2 contract from the market, provided that the health plan notifies all
3 affected individuals and the director at least 90 days prior to the
4 discontinuation of these health plan contracts, and that the health
5 plan makes available to the individual all health plan contracts
6 with comparable benefits that it makes available to new individual
7 business.

8 (b) On or after July 1, 2010, a health plan shall not rescind the
9 health plan contract of any individual.

10 (c) Nothing in this article shall limit any other remedies available
11 at law to a health plan.

12 1399.840. Premiums for health plan contracts offered, renewed,
13 or delivered by health plans on or after the effective date of this
14 article shall be subject to the following requirements:

15 (a) The premium for new or existing business shall be the
16 standard risk rate for an individual in a particular risk category.

17 (b) The premium rates shall be in effect for no less than 12
18 months from the date of the health plan contract.

19 (c) When determining the premium rate for more than one
20 covered individual, the health plan shall determine the rate based
21 on the standard risk rate for the subscriber. If more than one
22 individual is a subscriber, the premium rate shall be based on the
23 age of the youngest spouse or registered domestic partner.

24 (d) (1) Notwithstanding subdivision (a), for the first two years
25 following the implementation of this section, a health plan may
26 apply a risk adjustment factor to the standard risk rate that may
27 not be more than 120 percent or less than 80 percent of the
28 applicable standard risk rate. In determining the risk adjustment
29 factor, a health plan shall use the standardized form and uniform
30 process developed by the director pursuant to subdivision (f).

31 (2) After the first two years following the implementation of
32 this section, the adjustments applicable under paragraph (1) shall
33 not be more than 110 percent or less than 90 percent of the standard
34 risk rate.

35 (3) Upon the renewal of any contract, the risk adjustment factor
36 applied to the individual's rate may not be more than 5 percentage
37 points different than the factor applied to that rate prior to renewal.
38 The same limitation shall be applied to individuals with respect to
39 the risk adjustment factor applicable for the purchase of a new

1 product where the individual's prior health plan has discontinued
2 that product.

3 (4) After the first four years following the implementation of
4 this section, a health plan shall base rates on the standard risk rate
5 with no risk adjustment factor.

6 (e) The director and the Insurance Commissioner shall jointly
7 establish a maximum limit on the ratio between the standard risk
8 rates for contracts for individuals in the 60 to 64 years of age,
9 inclusive, category and contracts for individuals in the 30 to 34
10 years of age, inclusive, category.

11 (f) On or before March 1, 2009, the director shall, in consultation
12 with the Insurance Commissioner and the Managed Risk Medical
13 Insurance Board and using a qualified independent actuary, develop
14 a standardized form and uniform evaluation process to be used by
15 all health care service plans and all disability insurers exclusively
16 for the purpose of determining any risk adjustment rating factor
17 to be applied to an individual's premium rate based on actual or
18 expected health care use. Health plans shall base the risk
19 adjustment factors as authorized in this section solely on the results
20 of the standardized form and uniform evaluation process developed
21 by the director.

22 1399.841. (a) In connection with the offering for sale of any
23 health plan contract to an individual, each health plan shall make
24 a reasonable disclosure, as part of its solicitation and sales
25 materials, of all of the following:

26 (1) The provisions concerning the health plan's right to change
27 premium rates on an annual basis and the factors other than
28 provision of services experience that affect changes in premium
29 rates.

30 (2) Provisions relating to the guaranteed issue and renewal of
31 health plan contracts.

32 (3) Provisions relating to the individual's right to obtain any
33 health plan contract the individual is eligible to enroll in pursuant
34 to Sections 1399.829 and 1399.837.

35 (4) The availability, upon request, of a listing of all the health
36 plan's contracts, including the rates for each health plan contract.

37 (b) Every solicitor or solicitor firm contracting with one or more
38 health plans to solicit enrollments or subscriptions from individuals
39 shall, when providing information on health plan contracts to an

1 individual but making no specific recommendations on particular
2 health plan contracts, do both of the following:

3 (1) Advise the individual of the health plan’s obligation to sell
4 to any individual any health plan contract it offers to individuals
5 and provide him or her, upon request, with the actual rates that
6 would be charged to that individual for a given health plan contract.

7 (2) Notify the individual that the solicitor or solicitor firm will
8 procure rate and benefit information for the individual on any
9 health plan contract offered by a health plan whose contract the
10 solicitor sells.

11 (c) Prior to filing an application for a particular individual health
12 plan contract, the health plan shall obtain a signed statement from
13 the individual acknowledging that the individual has received the
14 disclosures required by this section.

15 1399.842. (a) At least 20 business days prior to offering a
16 health plan contract subject to this article, all health plans shall
17 file a notice of material modification with the director in
18 accordance with the provisions of Section 1352. The notice of
19 material modification shall include a statement certifying that the
20 health plan is in compliance with Sections 1399.821 and 1399.840.
21 The certified statement shall set forth the standard risk rate for
22 each risk category that will be used in setting the rates at which
23 the contract will be offered. Any action by the director, as permitted
24 under Section 1352, to disapprove, suspend, or postpone the health
25 plan’s use of a health plan contract shall be in writing, specifying
26 the reasons that the health plan contract does not comply with the
27 requirements of this article.

28 (b) Prior to making any changes in the standard risk rates filed
29 with the director pursuant to subdivision (a), the health plan shall
30 file as an amendment a statement setting forth the changes and
31 certifying that the health plan is in compliance with Sections
32 1399.821 and 1399.840. If the standard risk rate is being changed,
33 a health plan may commence offering health plan contracts utilizing
34 the changed standard risk rate upon filing the certified statement
35 unless the director disapproves the amendment by written notice.

36 (c) Periodic changes to the standard risk rate that a health plan
37 proposes to implement over the course of up to 12 consecutive
38 months may be filed in conjunction with the certified statement
39 filed under subdivision (a) or (b).

1 (d) Each health plan shall maintain at its principal place of
2 business all of the information required to be filed with the director
3 pursuant to this article.

4 (e) This section shall become operative on July 1, 2009.

5 1399.843. (a) A health plan shall include all of the following
6 in the material modification notice filed pursuant to subdivision
7 (a) of Section 1399.842:

8 (1) A summary explanation of the following for each health
9 plan contract offered to individuals:

10 (A) Eligibility requirements.

11 (B) The full premium cost of each health plan contract in each
12 risk category, as defined in subdivision (k) of Section 1399.821.

13 (C) When and under what circumstances benefits cease.

14 (D) Other coverage that may be available if benefits under the
15 described health plan contract cease.

16 (E) The circumstances under which choice in the selection of
17 physicians and providers is permitted.

18 (F) Deductibles.

19 (G) Annual out-of-pocket maximums.

20 (2) A summary explanation of coverage for the following,
21 together with the corresponding copayments, coinsurance, and
22 applicable limitations for each health plan contract offered to
23 individuals:

24 (A) Professional services.

25 (B) Outpatient services.

26 (C) Preventive services.

27 (D) Hospitalization services.

28 (E) Emergency health coverage.

29 (F) Ambulance services.

30 (G) Prescription drug coverage.

31 (H) Durable medical equipment.

32 (I) Mental health and substance abuse services.

33 (J) Home health services.

34 (3) The telephone number or numbers that may be used by an
35 applicant to access a health plan customer service representative
36 to request additional information about the health plan contract.

37 (b) The department shall share the information provided by
38 health plans pursuant to this article with the Office of the Patient
39 Advocate for purposes of the development, creation, and
40 maintenance of the comparative benefits matrix.

1 1399.844. (a) The Director of the Department of Managed
 2 Health Care shall, in consultation with the Insurance
 3 Commissioner, an outside actuarial firm, and health plans and
 4 insurers participating in the individual market, no later than July
 5 1, 2010, develop and implement mechanisms to assist health plans
 6 and health insurers in managing the risk of providing health
 7 coverage in the individual market on a guarantee issue basis to the
 8 extent that these mechanisms can improve access to individual
 9 coverage.

10 (b) The mechanisms required under subdivision (a) shall include
 11 methods for collecting information regarding the enrollment, prices,
 12 rate variance, and any other information that may be required to
 13 monitor the condition of the individual market, the risk exposure
 14 of individual health plans and insurers, and to implement
 15 subdivisions (c) and (d).

16 (c) (1) The mechanisms developed pursuant to subdivision (a)
 17 shall include a method by which an assessment is made of the
 18 health status risk mix of a plan’s guarantee issue products. To the
 19 extent any plan’s risk mix is disproportionately high compared to
 20 the overall risk mix of all enrollees in guarantee issue products in
 21 the individual market, the mechanisms developed pursuant to
 22 subdivision (a) shall include provisions designed to make
 23 adjustments among plans and insurers based on the relative health
 24 risk of individuals enrolled in different health plans and health
 25 insurers. Methods to compensate for the relative health risk
 26 assumed by health plans and insurers shall include the ability to
 27 spread the costs to all health plan contracts and health insurance
 28 policies in the individual market.

29 (2) The director and the commissioner shall jointly adopt
 30 regulations identifying health plans and insurers that are required
 31 to participate in the mechanisms established pursuant to this
 32 subdivision.

33 (d) (1) The director and the commissioner shall also develop
 34 as part of the mechanisms under subdivision (a) a method for the
 35 provision of reinsurance for health plans or insurers offering
 36 guarantee issue products in the individual market if the age adjusted
 37 marketwide incidence of high cost cases or high risk categories
 38 significantly exceed ~~a normative group’s incidence rate~~ *the*
 39 *incidence of those cases or categories among enrollees of the*
 40 *California Cooperative Health Insurance Purchasing Pool*

1 (*Cal-CHIP*) who are ineligible for the *Cal-CHIP Healthy*
2 *Families plan*. This reinsurance mechanism shall be based on a
3 uniform standard set of service payment levels based on a
4 methodology to be determined by the director and the
5 commissioner.

6 (2) This subdivision shall be implemented on July 1, 2010, or
7 the operative date of this section, whichever is later, and shall
8 continue to be implemented until one year after the implementation
9 of paragraph (4) of subdivision (d) of Section 1399.840.

10 ~~(3) Notwithstanding paragraph (2), implementation of this~~
11 ~~subdivision is contingent on the appropriation of funds for its~~
12 ~~purposes.~~

13 (e) The director and the commissioner may contract with a
14 qualified actuarial firm or other entities to accomplish the
15 requirements of this section.

16 ~~(f) In developing the mechanisms required by this section, the~~
17 ~~director and the commissioner shall take into account the impact~~
18 ~~on the individual market from exemptions from the mandate~~
19 ~~established by the Managed Risk Medical Insurance Board pursuant~~
20 ~~to Section 12739.50 of the Insurance Code, as reported to the~~
21 ~~director by the board. Nine months following the implementation~~
22 ~~of guaranteed issue pursuant to Section 1399.829 and Section~~
23 ~~10928 of the Insurance Code, if the director and the commissioner~~
24 ~~make a finding that the exemptions established have adversely~~
25 ~~affected the relative risk profile of persons enrolled in individual~~
26 ~~coverage such that there is a 7.5 percent to 10 percent higher risk~~
27 ~~profile difference relative to the risk profile of a comparable~~
28 ~~population, as determined by the director and the commissioner,~~
29 ~~the director and the commissioner shall establish a reinsurance~~
30 ~~program for individual market health plans and insurers to~~
31 ~~compensate for the adverse risk selection. The costs for reinsurance~~
32 ~~pursuant to this section shall be funded equally by state funds and~~
33 ~~a broad-based assessment on all health plans and health insurers.~~
34 ~~Implementation of this subdivision is contingent on the~~
35 ~~appropriation of funds for its purposes.~~

36 *(f) No later than two years following implementation of*
37 *guarantee issue pursuant to Section 1399.829 and Section 10928*
38 *of the Insurance Code, the director and the commissioner shall*
39 *make a finding whether and to what extent the relative risk profile*
40 *of persons enrolled in individual coverage is higher than the risk*

1 *profile of those of specified Cal-CHIPP enrollees, based on data*
 2 *following the first nine months of guarantee issue. If the risk profile*
 3 *of those enrolled in individual coverage is more than 5 percent*
 4 *higher than that of the specified Cal-CHIPP enrollees, the director*
 5 *and the commissioner shall establish a reinsurance program for*
 6 *individual market health plans and insurers to compensate for the*
 7 *adverse risk selection. The costs of reinsurance pursuant to this*
 8 *section in order to compensate for risk profile differentials of up*
 9 *to 10 percent shall be funded by a broad-based assessment across*
 10 *health care service plans and health insurers. Funding to*
 11 *compensate for risk profile differentials exceeding 10 percent shall*
 12 *be paid by funds appropriated from the California Health Trust*
 13 *Fund.*

14 1399.845. (a) The director may issue regulations that are
 15 necessary to carry out the purposes of this article.

16 (b) Nothing in this article shall be construed as providing the
 17 director with rate regulation authority.

18 1399.846. Sections—~~1399.826~~ 1399.823, 1399.826, and
 19 1399.832 shall become operative on January 1, 2009, and Section
 20 1399.842 shall become operative on July 1, 2009. The remaining
 21 sections in this article shall become operative on July 1, 2010.

22 SEC. 29. Article 1 (commencing with Section 104250) is added
 23 to Chapter 4 of Part 1 of Division 103 of the Health and Safety
 24 Code, to read:

25
 26 Article 1. California Diabetes Program

27
 28 104250. The State Department of Public Health shall maintain
 29 the California Diabetes Program, including, but not limited to, the
 30 following:

31 (a) Provide information on diabetes prevention and management
 32 to the public, including health care providers.

33 (b) Provide technical assistance to the Medi-Cal program,
 34 including participating providers and Medi-Cal managed care
 35 plans, regarding the proper scope of benefits to be provided to
 36 eligible individuals under Section 14137.10 of the Welfare and
 37 Institutions Code. The assistance may include, but shall not be
 38 limited to, all of the following:

1 (1) Provide information on evidence-based screening guidelines,
2 tools, and protocols, including the distribution of these guidelines,
3 tools, and protocols.

4 (2) Develop, with assistance from the State Department of
5 Health Care Services, the Comprehensive Diabetes Services
6 Program operational screening guidelines and protocols, utilizing
7 the most current American Diabetes Association screening criteria
8 for diabetes testing in adults.

9 (3) Provide the Comprehensive Diabetes Services Program
10 operational screening guidelines, tools, and protocols, including
11 the distribution of those guidelines, tools, and protocols.

12 (4) Provide screening service criteria for diabetes and
13 prediabetes in accordance with the guidelines developed for the
14 Comprehensive Diabetes Services Program.

15 (5) Provide information regarding culturally and linguistically
16 appropriate lifestyle coaching and self-management training for
17 eligible adults with prediabetes and diabetes, in accordance with
18 evidence-based interventions to avoid unhealthy blood sugar levels
19 that contribute to the progression of diabetes and its complications.

20 (c) Provide technical assistance to the State Department of
21 Health Care Services, including assistance on data collection and
22 evaluation of the Medi-Cal program's Comprehensive Diabetes
23 Services Program, established pursuant to Section 14137.10 of the
24 Welfare and Institutions Code.

25 (d) This section shall be implemented only to the extent funds
26 are appropriated for purposes of this section in the annual Budget
27 Act or in another statute.

28 SEC. 30. Section 104376 is added to the Health and Safety
29 Code, to read:

30 104376. (a) (1) The department, in consultation with the
31 Department of Managed Health Care, the State Department of
32 Health Care Services, the Managed Risk Medical Insurance Board,
33 and the Department of Insurance, shall annually identify, on the
34 basis of the number of persons insured, the 10 largest providers
35 of health care coverage, including both public and private entities,
36 and ascertain the smoking cessation benefits provided by each of
37 these coverage providers.

38 (2) The department shall summarize the smoking cessation
39 benefit information gathered under this subdivision and make the

1 benefit summary available on the Internet, including the
 2 department’s Web site.

3 (b) The department shall, where appropriate, include the
 4 smoking cessation benefit information as part of its educational
 5 efforts to prevent tobacco use that it renders to the public and to
 6 health care providers.

7 (c) The department shall conduct an evaluation, commencing
 8 one year following the publication of the smoking cessation benefit
 9 information on the department’s Web site as provided in this
 10 section, to assess all of the following:

11 (1) Any changes in the awareness of the beneficiaries of the 10
 12 largest providers of health care coverage as to the availability of
 13 smoking cessation benefits.

14 (2) Any changes in the awareness of health care providers as to
 15 the availability of smoking cessation benefits.

16 (3) The extent to which smoking cessation benefits are utilized
 17 by beneficiaries of the 10 largest providers of health care coverage,
 18 and any changes in the utilization rate of these benefits as
 19 determined by a comparison with any available preexisting
 20 information.

21 (4) Smoking-related indicators available through the Health
 22 Plan Employer Data and Information Set.

23 (5) Any changes to the smoking cessation benefit coverage of
 24 the 10 largest providers of health care coverage.

25 (6) The impact on smoking rates based on the expansion of
 26 counseling services and the direct provision of tobacco cessation
 27 pharmacotherapy by the California Smokers’ Helpline.

28 (d) To the extent funds are appropriated for these purposes, the
 29 department shall increase its efforts to do all of the following:

30 (1) Reduce smoking by increasing the capacity of effective
 31 cessation services available from the California Smokers’ Helpline,
 32 including tobacco cessation pharmacotherapy.

33 (2) Expand public awareness about the services that are available
 34 through the California Smokers’ Helpline.

35 (3) Expand public awareness and use of existing cessation
 36 benefits that are available to California smokers through their
 37 public and private providers of health care coverage.

38 SEC. 31. Article 3 (commencing with Section 104705) is added
 39 to Chapter 2 of Part 3 of Division 103 of the Health and Safety
 40 Code, to read:

1 Article 3. Community Makeover Grants

2
3 104705. (a) The Community Makeover Grant program is
4 hereby created and shall be administered by the department. The
5 department shall award grants to local health departments to serve
6 as local lead agencies in accordance with this article.

7 (b) For purposes of determining the amount of each grant
8 awarded under this article, local health departments shall be
9 allocated, at a minimum, base funding in proportion to total
10 available funding.

11 (c) Except as provided in subdivision (b), local health
12 departments shall receive an allocation based on each county's or
13 city's proportion of the statewide population, to be expended for
14 purposes that include, but need not be limited to:

15 (1) Creating a community infrastructure that promotes active
16 living and healthy eating.

17 (2) Coordinating with, at minimum, city, county, and school
18 partners to facilitate community level, multisector collaboration
19 for the development and implementation of strategies to facilitate
20 active living and healthy eating.

21 (3) Conducting competitive grant application processes to
22 support local grants. These local grants may be used to develop
23 new programs and improve existing programs to promote physical
24 activity for children, improve access to healthy foods, and better
25 utilize community recreation facilities.

26 (4) Preparing program interventions and materials that will be
27 available in accessible, and culturally and linguistically appropriate,
28 formats.

29 (d) The department shall issue guidelines for local lead agencies
30 on how to prepare a local plan for a comprehensive community
31 intervention program that includes changes to promote active living
32 and healthy eating, and to prevent obesity and other related chronic
33 diseases.

34 (e) The department shall specify data reporting requirements
35 for local lead agencies and their subcontractors.

36 (f) (1) The department shall conduct a fiscal and program
37 review on a regular basis.

38 (2) If the department determines that any local lead agency is
39 not in compliance with any provision of this article, the local lead

1 agency shall submit to the department, within 60 days, a plan for
2 complying with this article.

3 (3) The department may withhold funds allocated under this
4 section from local lead agencies that are not in compliance with
5 this article.

6 (g) For purposes of this article, “department” means the State
7 Department of Public Health.

8 104710. (a) The department may provide a variety of training,
9 consultation, and technical assistance to support local programs.

10 (b) Notwithstanding any other provision of law, the department
11 may use a request for proposal process or may directly award
12 contracts to provide the assistance described in subdivision (a) to
13 another state, federal, or auxiliary organization.

14 (c) Any organization awarded a contract under this section shall
15 demonstrate the ability to provide statewide assistance to accelerate
16 progress, and to ensure the long-term impact of local obesity
17 prevention programs.

18 104715. (a) The department shall track and evaluate obesity
19 related measures, including, but not limited to, active living,
20 healthy eating, and community environment indicators. These
21 tracking and evaluation activities shall utilize scientifically
22 appropriate methods, and may include, but need not be limited to,
23 the following:

- 24 (1) Track statewide health indicators.
- 25 (2) Evaluate funded projects, determining baseline measures
26 and progress toward goals, as well as capturing successes and
27 emerging models.
- 28 (3) Compare the effectiveness of individual programs to inform
29 funding decisions and program modifications.
- 30 (4) Incorporate other aspects into the evaluation that have been
31 identified by the department in consultation with state and local
32 advisory groups, local health departments, and other interested
33 parties.
- 34 (5) Forecast health and economic cost consequences associated
35 with obesity.
- 36 (6) Funds permitting, utilize a sample size that is adequate to
37 produce county-, ethnic-, and disability-specific estimates.

38 (b) The purpose of the evaluation shall be to direct the most
39 efficient allocation of resources appropriated under this article to
40 accomplish the maximum reduction of obesity rates. The

1 comprehensive evaluation shall be designed to measure the extent
2 to which programs funded pursuant to this article promote the
3 goals identified in the California Obesity Prevention Plan.

4 104720. The department shall develop a campaign to educate
5 the public about the importance of obesity prevention that frames
6 active living and healthy eating as “California living.” The
7 campaign-centered efforts shall be closely linked with
8 community-level program change efforts and shall be available in
9 accessible and culturally and linguistically appropriate formats.

10 104721. The department shall provide assistance and other
11 support for schools to promote the availability and consumption
12 of fresh fruits and vegetables and foods with whole grains.

13 104725. The department shall provide technical assistance to
14 help employers integrate wellness policies and programs into
15 employee benefit plans and worksites.

16 104726. Notwithstanding any other provision of law, this article
17 shall be implemented only to the extent funds are appropriated for
18 purposes of this article in the annual Budget Act or in another
19 statute.

20 *SEC. 31.1. Section 124900 of the Health and Safety Code is*
21 *amended to read:*

22 124900. (a) (1) The State Department of Health Care Services
23 shall select primary care clinics that are licensed under paragraph
24 (1) or (2) of subdivision (a) of Section 1204, or are exempt from
25 licensure under subdivision (c) of Section 1206, to be reimbursed
26 for delivering medical services, including preventive health care,
27 and smoking prevention and cessation health education, to program
28 beneficiaries.

29 (2) In order to be eligible to receive funds under this article a
30 clinic shall meet all of the following conditions, at a minimum:

- 31 (A) Provide medical diagnosis and treatment.
- 32 (B) Provide medical support services of patients in all stages of
33 illness.
- 34 (C) Provide communication of information about diagnosis,
35 treatment, prevention, and prognosis.
- 36 (D) Provide maintenance of patients with chronic illness.
- 37 (E) Provide prevention of disability and disease through
38 detection, education, persuasion, and preventive treatment.
- 39 (F) Meet one or both of the following conditions:

1 (i) Are located in an area or a facility federally designated as a
2 health professional shortage area, medically underserved area, or
3 medically underserved population.

4 (ii) Are clinics that are able to demonstrate that at least 50
5 percent of the patients served are persons with incomes at or below
6 ~~200~~ 250 percent of the federal poverty level.

7 (G) *Serve as a designated primary care medical home for*
8 *program beneficiaries, as described in subdivision (c) of Section*
9 *124905.*

10 (3) Notwithstanding the requirements of paragraph (2), all clinics
11 that received funds under this article in the 1997–98 fiscal year
12 shall continue to be eligible to receive funds under this article.

13 (b) As a part of the award process for funding pursuant to this
14 article, the department shall take into account the availability of
15 primary care services in the various geographic areas of the state.
16 The department shall determine which areas within the state have
17 populations which have clear and compelling difficulty in obtaining
18 access to primary care. The department shall consider proposals
19 from new and existing eligible providers to extend clinic services
20 to these populations.

21 (c) Each primary care clinic applying for funds pursuant to this
22 article shall demonstrate that the funds shall be used to expand
23 medical services, including preventive health care, and smoking
24 prevention and cessation health education, for program
25 beneficiaries above the level of services provided in the 1988
26 calendar year or in the year prior to the first year a clinic receives
27 funds under this article if the clinic did not receive funds in the
28 1989 calendar year.

29 (d) (1) The department, in consultation with clinics funded
30 under this article, shall develop a formula for allocation of funds
31 available. It is the intent of the Legislature that the funds allocated
32 pursuant to this article promote stability for those clinics
33 participating in programs under this article as part of the state's
34 health care safety net and at the same time be distributed in a
35 manner that best promotes access to health care to uninsured
36 populations.

37 (2) The formula shall be based on both of the following:

38 (A) A hold harmless for clinics funded in the 1997–98 fiscal
39 year to continue to reimburse them for some portion of their
40 uncompensated care.

1 (B) Demonstrated unmet need by both new and existing clinics,
2 as reflected in their levels of uncompensated care reported to the
3 department. For purposes of this article, “uncompensated care”
4 means clinic patient visits for persons with incomes at or below
5 200 250 percent of the federal poverty level for which there is no
6 encounter-based third-party reimbursement which includes, but is
7 not limited to, unpaid expanded access to primary care claims.

8 (3) The department shall allocate available funds, for a
9 three-year period, as follows:

10 (A) Clinics that received funding in the prior fiscal year shall
11 receive 90 percent of their prior fiscal year allocation, subject to
12 available funds, provided that the funding award is substantiated
13 by the clinics’ reported levels of uncompensated care.

14 (B) The remaining funds beyond 90 percent shall be awarded
15 to new and existing applicants based on the clinics’ reported levels
16 of uncompensated care as verified by the department according to
17 subparagraph (B) of paragraph (4). The department shall seek input
18 from stakeholders to discuss any adjustments to award levels that
19 the department deems reasonable, such as including base amounts
20 for new applicant clinics.

21 (C) New applicants shall be awarded funds pursuant to this
22 subdivision if they meet the minimum requirements for funding
23 under this article based on the clinics’ reported levels of
24 uncompensated care as verified by the department according to
25 subparagraph (A) of paragraph (4). New applicants include
26 applicants for any new site expansions by existing applicants.

27 (4) In assessing reported levels of uncompensated care, the
28 department shall utilize the data available from the Office of
29 Statewide Health Planning and Development’s (OSHPD)
30 completed analysis of the “Annual Report of Primary Care Clinics”
31 for the prior fiscal year, or if more recent data is available, then
32 the most recent data. If this data is unavailable for an existing
33 applicant to assess reported levels of uncompensated care, the
34 existing applicant shall receive an allocation pursuant to
35 subparagraph (A) of paragraph (3).

36 (A) The department shall utilize the most recent data available
37 from OSHPD’s completed analysis of the “Annual Report of
38 Primary Care Clinics” for the prior fiscal year, or if more recent
39 data is available, then the most recent data.

1 (B) If the funds allocated to the program are less than the prior
2 year, the department shall allocate available funds to existing
3 program providers only.

4 (5) The department shall establish a base funding level, subject
5 to available funds, of no less than thirty-five thousand dollars
6 (\$35,000) for frontier clinics and Native American
7 reservation-based clinics. For purposes of this article, “frontier
8 clinics” means clinics located in a medical services study area with
9 a population of fewer than 11 persons per square mile.

10 (6) The department shall develop, in consultation with clinics
11 funded pursuant to this article, a formula for reallocation of unused
12 funds to other participating clinics to reimburse for uncompensated
13 care. The department shall allocate the unused funds remaining
14 on October 30, for the prior fiscal year to other participating clinics
15 to reimburse for uncompensated care.

16 (e) In applying for funds, eligible clinics shall submit a single
17 application per clinic corporation. Applicants with multiple sites
18 shall apply for all eligible clinics, and shall report to the department
19 the allocation of funds among their corporate sites in the prior
20 year. A corporation may only claim reimbursement for services
21 provided at a program-eligible clinic site identified in the corporate
22 entity’s application for funds, and approved for funding by the
23 department. A corporation may increase or decrease the number
24 of its program-eligible clinic sites on an annual basis, at the time
25 of the annual application update for the subsequent fiscal years of
26 any multiple-year application period.

27 (f) Grant allocations pursuant to this article shall be based on
28 the formula developed by the department, notwithstanding a merger
29 of one of more licensed primary care clinics participating in the
30 program.

31 (g) A clinic that is eligible for the program in every other
32 respect, but that provides dental services only, rather than the full
33 range of primary care medical services, shall only be eligible to
34 receive funds under this article on an exception basis. A dental-only
35 provider’s application shall include a memorandum of
36 understanding (MOU) with a primary care clinic funded under this
37 article. The MOU shall include medical protocols for making
38 referrals by the primary care clinic to the dental clinic and from
39 the dental clinic to the primary care clinic, and ensure that case
40 management services are provided and that the patient is being

1 provided comprehensive primary care as defined in subdivision
2 (a).

3 (h) (1) For purposes of this article, an outpatient visit shall
4 include diagnosis and medical treatment services, including the
5 associated pharmacy, X-ray, and laboratory services, and
6 prevention health and case management services that are needed
7 as a result of the outpatient visit. For a new patient, an outpatient
8 visit shall also include a health assessment encompassing an
9 assessment of smoking behavior and the patient's need for
10 appropriate health education specific to related tobacco use and
11 exposure.

12 (2) "Case management" includes, for this purpose, the
13 management of all physician services, both primary and specialty,
14 and arrangements for hospitalization, postdischarge care, and
15 followup care.

16 (i) (1) Payment shall be on a per-visit basis at a rate that is
17 determined by the department to be appropriate for an outpatient
18 visit as defined in this section, and shall be not less than
19 seventy-one dollars and fifty cents (\$71.50).

20 (2) In developing a statewide uniform rate for an outpatient visit
21 as defined in this article, the department shall consider existing
22 rates of payments for comparable outpatient visits. The department
23 shall review the outpatient visit rate on an annual basis.

24 (j) Not later than June 1 of each year, the department shall adopt
25 and provide each licensed primary care clinic with a schedule for
26 programs under this article, including the date for notification of
27 availability of funds, the deadline for the submission of a completed
28 application, and an anticipated contract award date for successful
29 applicants.

30 (k) In administering the program created pursuant to this article,
31 the department shall utilize the Medi-Cal program statutes and
32 regulations pertaining to program participation standards, medical
33 and administrative recordkeeping, the ability of the department to
34 monitor and audit clinic records pertaining to program services
35 rendered to program beneficiaries and take recoupments or
36 recovery actions consistent with monitoring and audit findings,
37 and the provider's appeal rights. Each primary care clinic applying
38 for program participation shall certify that it will abide by these
39 statutes and regulations and other program requirements set forth
40 in this article.

1 SEC. 31.2. Section 124905 of the Health and Safety Code is
2 amended to read:

3 124905. (a) For purposes of this article, a “program
4 beneficiary” is ~~any~~ a person whose income level is at or below
5 200 250 percent of the federal poverty level, as adjusted annually:
6 ~~Program~~, and who meets one of the following requirements:

7 (1) Does not currently have private or employer-based health
8 care coverage.

9 (2) Is not currently enrolled in or does not qualify for public
10 health care coverage programs, including, but not limited to, full
11 scope Medi-Cal, the Healthy Families Program, the benefits
12 package made available under Section 14005.333 of the Welfare
13 and Institutions Code, subsidized coverage provided by the
14 Managed Risk Medical Insurance Board pursuant to Part 6.45
15 (commencing with section 12699.201) of Division 2 of the
16 Insurance Code, or coverage made available through the Major
17 Risk Medical Insurance Program pursuant to Part 6.5
18 (commencing with section 12700) of Division 2 of the Insurance
19 Code.

20 (b) Program beneficiaries shall not be required to provide any
21 copayment for services that are funded pursuant to this article,
22 except that clinics may charge beneficiaries on a sliding fee scale
23 for services, but no beneficiary shall be denied services because
24 of an inability to pay. The department shall annually adjust this
25 income standard to reflect any changes in the federal poverty level.
26 Payment pursuant to this article shall be made only for services
27 for which payment will not be made through any private or public
28 third-party reimbursement.

29 (c) In order to ensure that a program beneficiary has access to
30 appropriate preventive and primary care, the beneficiary shall
31 choose a designated primary care medical home with a primary
32 care provider that shall maintain all of that beneficiary’s medical
33 information.

34 (d) In order to readily access program benefits, a program
35 beneficiary shall be issued a primary care card pursuant to Section
36 124905.1 upon the determination of eligibility.

37 (e) The period of eligibility under this section shall extend for
38 a one-year period from the date that eligibility is established. If
39 the program beneficiary experiences a change in circumstances

1 *which would impact his or her eligibility, the beneficiary shall*
2 *report that change within 10 days of its occurrence.*

3 *SEC. 31.3. Section 124905.1 is added to the Health and Safety*
4 *Code, to read:*

5 *124905.1. On or before July 1, 2010, the department shall*
6 *develop an electronic system to perform all of the following*
7 *functions:*

8 *(a) Provide an eligibility application for primary clinic services*
9 *made available to program beneficiaries under this article. That*
10 *application shall request all information necessary to determine*
11 *eligibility for those services.*

12 *(b) Verify annual income of applicants.*

13 *(c) Issue a primary care clinic card to an applicant who is*
14 *determined eligible for services under this article.*

15 *SEC. 31.4. Section 124910 of the Health and Safety Code is*
16 *amended to read:*

17 *124910. (a) (1) Each licensed primary care clinic, as specified*
18 *in subdivision (a) of Section 124900, applying for funds under this*
19 *article, shall demonstrate in its application that it meets all of the*
20 *following conditions, at a minimum:*

21 *(A) Provides medical diagnosis and treatment.*

22 *(B) Provides medical support services of patients in all stages*
23 *of illness.*

24 *(C) Provides communication of information about diagnosis,*
25 *treatment, prevention, and prognosis.*

26 *(D) Provides maintenance of patients with chronic illness.*

27 *(E) Provides prevention of disability and disease through*
28 *detection, education, persuasion, and preventive treatment.*

29 *(F) Meets one or both of the following conditions:*

30 *(i) Is located in an area or a facility federally designated as a*
31 *health professional shortage area, medically underserved area, or*
32 *medically underserved population.*

33 *(ii) Is a clinic in which at least 50 percent of the patients served*
34 *are persons with incomes at or below ~~200~~ 250 percent of the federal*
35 *poverty level.*

36 *(2) Any applicant who has applied for and received a federal*
37 *or state designation for serving a health professional shortage area,*
38 *medically underserved area, or population shall be deemed to meet*
39 *the requirements of subdivision (a) of Section 124900.*

1 (b) Each applicant shall also demonstrate to the satisfaction of
2 the department that the proposed services supplement, and do not
3 supplant, those primary care services to program beneficiaries that
4 are funded by any county, state, or federal program.

5 (c) Each applicant shall demonstrate that it is an active Medi-Cal
6 provider by being enrolled in Medi-Cal and diligently billing the
7 Medi-Cal program for services rendered to Medi-Cal eligible
8 patients during the past three months prior to the application due
9 date. This subdivision shall not apply to clinics that are not
10 currently Medi-Cal providers, and were funded participants
11 pursuant to this article during the 1993–94 fiscal year.

12 (d) Each application shall be evaluated by the state department
13 prior to funding to determine all of the following:

14 (1) The applicant shall provide its most recently audited financial
15 statement to verify budget information.

16 (2) The applicant’s ability to deliver basic primary care to
17 program beneficiaries.

18 (3) A description of the applicant’s operational quality assurance
19 program.

20 (4) The applicant’s use of protocols for the most common
21 diseases in the population served under this article.

22 *SEC. 31.5. Section 124920 of the Health and Safety Code is*
23 *amended to read:*

24 124920. (a) ~~The department shall utilize existing contractual~~
25 ~~claims processing services in order to promote efficiency and to~~
26 ~~maximize use of funds. In order to implement this section, the~~
27 ~~department may contract with public or private entities or utilize~~
28 ~~existing health care service provider enrollment and payment~~
29 ~~mechanisms, including the fiscal intermediary of the Medi-Cal~~
30 ~~program.~~

31 (b) The department shall certify which primary care clinics are
32 selected to participate in the program for each specific fiscal year,
33 and how much in program funds each selected primary care clinic
34 will be allocated each fiscal year.

35 (c) The department shall pay claims from selected primary care
36 clinics up to each clinic’s annual allocation. Once a clinic has
37 exhausted its annual allocation, the state shall stop paying its
38 program claims.

39 (d) The department may adjust any selected primary care clinic’s
40 allocation to take into account:

1 (1) An increase in program funds appropriated for the fiscal
2 year.

3 (2) A decrease in program funds appropriated for the fiscal year.

4 (3) A clinic’s projected inability to fully spend its allocation
5 within the fiscal year.

6 (4) Surplus funds reallocated from other selected primary care
7 clinics.

8 (e) The department shall notify all affected primary care clinics
9 in writing prior to adjusting selected primary care clinics’
10 allocations.

11 (f) Cessation of program payments under subdivision (e) or
12 adjustment of selected primary care clinic’s allocations under
13 subdivision (d) shall not be subject to the Medi-Cal appeals process
14 referenced in subdivision (g) of Section 124900.

15 (g) A clinic’s allocation under this article shall not be reduced
16 solely because the clinic has engaged in supplemental fundraising
17 drives and activities, the proceeds of which have been used to
18 defray the costs of services to the uninsured.

19 *SEC. 31.6. Section 124946 is added to the Health and Safety
20 Code, to read:*

21 *124946. The department shall seek to maximize the availability
22 of federal funding for services provided pursuant to this article
23 under the terms of any existing waiver, through amendment of any
24 existing waiver, or by means of a new waiver, or any combination
25 thereof.*

26 **SEC. 32.** Section 128745 of the Health and Safety Code is
27 amended to read:

28 128745. (a) Commencing July 1993, and annually thereafter,
29 the office shall publish risk-adjusted outcome reports in accordance
30 with the following schedule:

Publication	Period	Procedures and Conditions
Date	Covered	Covered
July 1993	1988–90	3
July 1994	1989–91	6
July 1995	1990–92	9

38
39 Reports for subsequent years shall include conditions and
40 procedures and cover periods as appropriate.

1 (b) The procedures and conditions required to be reported under
2 this chapter shall be divided among medical, surgical, and obstetric
3 conditions or procedures and shall be selected by the office, based
4 on the recommendations of the commission and the advice of the
5 technical advisory committee set forth in subdivision (j) of Section
6 128725. The office shall publish the risk-adjusted outcome reports
7 for surgical procedures by individual hospital and individual
8 surgeon unless the office in consultation with the technical advisory
9 committee and medical specialists in the relevant area of practice
10 determines that it is not appropriate to report by individual surgeon.
11 The office, in consultation with the technical advisory committee
12 and medical specialists in the relevant area of practice, may decide
13 to report nonsurgical procedures and conditions by individual
14 physician when it is appropriate. The selections shall be in
15 accordance with all of the following criteria:

16 (1) The patient discharge abstract contains sufficient data to
17 undertake a valid risk adjustment. The risk adjustment report shall
18 ensure that public hospitals and other hospitals serving primarily
19 low-income patients are not unfairly discriminated against.

20 (2) The relative importance of the procedure and condition in
21 terms of the cost of cases and the number of cases and the
22 seriousness of the health consequences of the procedure or
23 condition.

24 (3) Ability to measure outcome and the likelihood that care
25 influences outcome.

26 (4) Reliability of the diagnostic and procedure data.

27 (c) (1) In addition to any other established and pending reports,
28 on or before July 1, 2002, the office shall publish a risk-adjusted
29 outcome report for coronary artery bypass graft surgery by hospital
30 for all hospitals opting to participate in the report. This report shall
31 be updated on or before July 1, 2003.

32 (2) In addition to any other established and pending reports,
33 commencing July 1, 2004, and every year thereafter, the office
34 shall publish risk-adjusted outcome reports for coronary artery
35 bypass graft surgery for all coronary artery bypass graft surgeries
36 performed in the state. In each year, the reports shall compare
37 risk-adjusted outcomes by hospital, and in every other year, by
38 hospital and cardiac surgeon. Upon the recommendation of the
39 technical advisory committee based on statistical and technical

1 considerations, information on individual hospitals and surgeons
2 may be excluded from the reports.

3 (3) Unless otherwise recommended by the clinical panel
4 established by Section 128748, the office shall collect the same
5 data used for the most recent risk-adjusted model developed for
6 the California Coronary Artery Bypass Graft Mortality Reporting
7 Program. Upon recommendation of the clinical panel, the office
8 may add any clinical data elements included in the Society of
9 Thoracic Surgeons' data base. Prior to any additions from the
10 Society of Thoracic Surgeons' data base, the following factors
11 shall be considered:

12 (A) Utilization of sampling to the maximum extent possible.

13 (B) Exchange of data elements as opposed to addition of data
14 elements.

15 (4) Upon recommendation of the clinical panel, the office may
16 add, delete or revise clinical data elements, but shall add no more
17 than a net of six elements not included in the Society of Thoracic
18 Surgeons' data base, to the data set over any five-year period. Prior
19 to any additions or deletions, all of the following factors shall be
20 considered:

21 (A) Utilization of sampling to the maximum extent possible.

22 (B) Feasibility of collecting data elements.

23 (C) Costs and benefits of collection and submission of data.

24 (D) Exchange of data elements as opposed to addition of data
25 elements.

26 (5) The office shall collect the minimum data necessary for
27 purposes of testing or validating a risk-adjusted model for the
28 coronary artery bypass graft report.

29 (d) (1) In addition to any other established and pending reports,
30 commencing January 1, 2010, and every year thereafter, the office
31 shall publish risk-adjusted outcome reports for percutaneous
32 coronary interventions, including, but not limited to, the use of
33 angioplasty or stents. In each year, the reports shall compare
34 risk-adjusted outcomes by hospital, and in at least every other year,
35 by hospital and physician. Upon the recommendation of the
36 technical advisory committee based on statistical and technical
37 considerations, information on individual hospitals and surgeons
38 may be excluded from the reports.

39 (2) The office shall establish a clinical data collection program
40 to collect data on percutaneous coronary interventions, including,

1 but not limited to, the use of angioplasty or stents, performed in
2 hospitals. Based upon the recommendation of the clinical advisory
3 panel established pursuant to Section 128748, the office shall
4 establish by regulation the data to be reported by each hospital at
5 which percutaneous coronary interventions are performed.

6 (3) When establishing the clinical data collection program to
7 collect data on percutaneous coronary interventions, the office
8 shall consider all of the following factors:

9 (A) Utilization of sampling to the maximum extent possible.

10 (B) Feasibility of collecting data elements.

11 (C) Costs and benefits of collection and submission of data.

12 (D) Exchange of data elements as opposed to addition of data
13 elements.

14 (4) The office shall collect the minimum data necessary for
15 purposes of testing or validating a risk-adjusted model for the
16 percutaneous coronary intervention report.

17 (e) The annual reports shall compare the risk-adjusted outcomes
18 experienced by all patients treated for the selected conditions and
19 procedures in each California hospital during the period covered
20 by each report, to the outcomes expected. Outcomes shall be
21 reported in the five following groupings for each hospital:

22 (1) "Much higher than average outcomes," for hospitals with
23 risk-adjusted outcomes much higher than the norm.

24 (2) "Higher than average outcomes," for hospitals with
25 risk-adjusted outcomes higher than the norm.

26 (3) "Average outcomes," for hospitals with average risk-adjusted
27 outcomes.

28 (4) "Lower than average outcomes," for hospitals with
29 risk-adjusted outcomes lower than the norm.

30 (5) "Much lower than average outcomes," for hospitals with
31 risk-adjusted outcomes much lower than the norm.

32 (f) For coronary artery bypass graft surgery reports and any
33 other outcome reports for which auditing is appropriate, the office
34 shall conduct periodic auditing of data at hospitals.

35 (g) The office shall publish in the annual reports required under
36 this section the risk-adjusted mortality rate for each hospital and
37 for those reports that include physician reporting, for each
38 physician.

39 (h) The office shall either include in the annual reports required
40 under this section, or make separately available at cost to any

1 person requesting it, risk-adjusted outcomes data assessing the
2 statistical significance of hospital or physician data at each of the
3 following three levels: 99 percent confidence level (0.01 p-value),
4 95 percent confidence level (0.05 p-value), and 90 percent
5 confidence level (.10 p-value). The office shall include any other
6 analysis or comparisons of the data in the annual reports required
7 under this section that the office deems appropriate to further the
8 purposes of this chapter.

9 SEC. 32.5. Section 128748 of the Health and Safety Code is
10 amended to read:

11 128748. (a) This section shall apply to any risk-adjusted
12 outcome report that includes reporting of data by an individual
13 physician.

14 (b) (1) The office shall obtain data necessary to complete a
15 risk-adjusted outcome report from hospitals. If necessary data for
16 an outcome report is available only from the office of a physician
17 and not the hospital where the patient received treatment, then the
18 hospital shall make a reasonable effort to obtain the data from the
19 physician's office and provide the data to the office. In the event
20 that the office finds any errors, omissions, discrepancies, or other
21 problems with submitted data, the office shall contact either the
22 hospital or physician's office that maintains the data to resolve the
23 problems.

24 (2) The office shall collect the minimum data necessary for
25 purposes of testing or validating a risk-adjusted model. Except for
26 data collected for purposes of testing or validating a risk-adjusted
27 model, the office shall not collect data for an outcome report nor
28 issue an outcome report until the clinical panel established pursuant
29 to this section has approved the risk-adjusted model.

30 (c) For each risk-adjusted outcome report on a medical, surgical,
31 or obstetric condition or procedure that includes reporting of data
32 by an individual physician, the office director shall appoint a
33 clinical panel, which shall have nine members. Three members
34 shall be appointed from a list of three or more names submitted
35 by the physician specialty society that most represents physicians
36 performing the medical, surgical, and obstetric procedure for which
37 data is collected. Three members shall be appointed from a list of
38 three or more names submitted by the California Medical
39 Association. Three members shall be appointed from lists of names
40 submitted by consumer organizations. At least one-half of the

1 appointees from the lists submitted by the physician specialty
2 society and the California Medical Association, and at least one
3 appointee from the lists submitted by consumer organizations,
4 shall be experts in collecting and reporting outcome measurements
5 for physicians or hospitals. The panel may include physicians from
6 another state. The panel shall review and approve the development
7 of the risk-adjustment model to be used in preparation of the
8 outcome report.

9 (d) For the clinical panels authorized by subdivision (c) for
10 coronary artery bypass graft surgery and percutaneous coronary
11 intervention, three members shall be appointed from a list of three
12 or more names submitted by the California Chapter of the
13 American College of Cardiology. Three members shall be
14 appointed from list of three or more names submitted by the
15 California Medical Association. Three members shall be appointed
16 from lists of names submitted by consumer organizations. At least
17 one-half of the appointees from the lists submitted by the California
18 Chapter of the American College of Cardiology, and the California
19 Medical Association, and at least one appointee from the lists
20 submitted by consumer organizations, shall be experts in collecting
21 and reporting outcome measurements for physicians and surgeons
22 or hospitals. The panels may include physicians from another state.
23 The panels shall review and approve the development of the
24 risk-adjustment model to be used in preparation of the outcome
25 report.

26 (e) Any report that includes reporting by an individual physician
27 shall include, at a minimum, the risk-adjusted outcome data for
28 each physician. The office may also include in the report, after
29 consultation with the clinical panel, any explanatory material,
30 comparisons, groupings, and other information to facilitate
31 consumer comprehension of the data.

32 (f) Members of a clinical panel shall serve without
33 compensation, but shall be reimbursed for any actual and necessary
34 expenses incurred in connection with their duties as members of
35 the clinical panel.

36 SEC. 33. Chapter 4 (commencing with Section 128850) is
37 added to Part 5 of Division 107 of the Health and Safety Code, to
38 read:

1 CHAPTER 4. HEALTH CARE COST AND QUALITY TRANSPARENCY

2
3 Article 1. General Provisions
4

5 128850. The Legislature hereby finds and declares all of the
6 following:

7 (a) The steady rise in health costs is eroding health access,
8 straining public health and finance systems, and placing an undue
9 burden on the state's economy.

10 (b) The effective use and distribution of health care data and
11 meaningful analysis of that data will lead to greater transparency
12 in the health care system resulting in improved health care quality
13 and outcomes, more cost-effective care, improvements in life
14 expectancy, reduced preventable deaths, and improved overall
15 public health.

16 (c) Hospitals, physicians, health care providers, and health
17 insurers who have access to system-wide performance data can be
18 called upon to use the information to improve patient safety,
19 efficiency of health care delivery, and quality of care, leading to
20 quality improvement and costs savings throughout the health care
21 system.

22 (d) The State of California is uniquely positioned to collect,
23 analyze, and report data on health care utilization, quality, and
24 costs in the state in order to facilitate value-based purchasing of
25 health care and to support and promote continuous quality
26 improvement among health plans and providers.

27 (e) Establishing statewide data and common measurement and
28 analysis of health care costs, quality, and outcomes will identify
29 appropriate health care utilization and ensure the highest quality
30 of health care services for all Californians.

31 (f) Comprehensive statewide data and common measurement
32 will allow analysis on the provision of care so that efforts can be
33 undertaken to improve health outcomes for all Californians,
34 including those groups with demonstrated health disparities.

35 (g) It is therefore the intent of the Legislature that the State of
36 California assume a leadership role in measuring performance and
37 value in the health care system. By establishing the primary
38 statewide data and common measurement and analyses of health
39 care costs, quality, and outcomes, and by providing sufficient
40 revenues to adequately analyze and report meaningful performance

1 measures related to health care costs, safety, and quality, the
2 Legislature intends to promote competition, identify appropriate
3 health care utilization, and ensure the highest quality of health care
4 services for all Californians.

5 (h) The Legislature further intends to reduce duplication and
6 inconsistency in the collection, analysis, and dissemination of
7 health care performance information within state government and
8 among both public and private entities by coordinating health care
9 data development, collection, analysis, evaluation, and
10 dissemination.

11 (i) It is further the intent of the Legislature that the data collected
12 be used for the transparent public reporting of quality and cost
13 efficiency information regarding all levels of the health care
14 system, including health care service plans and health insurers,
15 hospitals and other health facilities, and medical groups, physicians,
16 and other licensed health professionals in independent practice,
17 so that health care plans and providers can improve their
18 performance and deliver safer, better health care more affordably;
19 so that purchasers can know which health care services reduce
20 morbidity, mortality, and other adverse health outcomes; so that
21 consumers can choose whether and where to have health care
22 provided; and so that policymakers can effectively monitor the
23 health care delivery system to ensure quality and value for all
24 purchasers and consumers.

25 (j) The Legislature further intends that all existing duties,
26 powers, and authority relating to health care cost, quality, and
27 safety data collection and reporting under current state law continue
28 in full effect.

29 128851. As used in this chapter, the following terms mean:

30 (a) “Administrative claims data” means data that are submitted
31 electronically or otherwise to, or collected by, health insurers,
32 health care service plans, administrators, or other payers of health
33 care services and that are submitted to, or collected for, the
34 purposes of payment to any licensed physician, medical provider
35 group, laboratory, pharmacy, hospital, imaging center, or any other
36 facility or person who is requesting payment for the provision of
37 medical care.

38 (b) “Committee” means the Health Care Cost and Quality
39 Transparency Committee.

1 (c) “Licensed health professional in independent practice” means
2 those licensed health professionals who can order or direct health
3 services or expenditures for patients ~~are who are~~ *who are in a*
4 *category* eligible to bill Medi-Cal for services. This includes, but
5 is not limited to, nurse practitioners, physician assistants, dentists,
6 chiropractors, and pharmacists.

7 (d) “Data source” may include any of the following: a licensed
8 physician, other licensed health professional in independent
9 practice, medical provider group, health facility, health care service
10 plan licensed by the Department of Managed Health Care, insurer
11 certificated by the Insurance Commissioner to sell health insurance,
12 any state agency providing or paying for health care or collecting
13 health care data or information, or any other payer for health care
14 services in California.

15 (e) “Encounter data” means data relating to treatment or services
16 rendered by providers to patients and which may be reimbursed
17 on a fee-for-service or capitation basis.

18 (f) “Group” or “medical provider group” means an affiliation
19 of physicians and other health care professionals, whether a
20 partnership, corporation, or other legal form, with the primary
21 purpose of providing medical care.

22 (g) “Health facility” or “health facilities” means health facilities
23 required to be licensed pursuant to Chapter 2 (commencing with
24 Section 1250) of Division 2.

25 (h) “Office” means the Office of Statewide Health Planning and
26 Development.

27 (i) “Risk-adjusted outcomes” means the clinical outcomes of
28 patients grouped by diagnoses or procedures that have been
29 adjusted for demographic and clinical factors.

30 (j) “Secretary” is the Secretary of California Health and Human
31 Services.

32 128852. Any limitations on the addition of data elements
33 pursuant to Chapter 1 (commencing with section 128675) shall be
34 inapplicable to the extent determined necessary to implement the
35 responsibilities under this chapter. All data collected by the office
36 shall be available to the committee and secretary for the purposes
37 of carrying out their responsibilities under this chapter. The office
38 shall make available to the committee any and all data files,
39 information, and staff resources as may be necessary to assist in
40 and support the responsibilities of the committee.

Article 2. Health Care Cost and Quality Transparency
Committee

12855. There is hereby created in the California Health and Human Services Agency the California Health Care Cost and Quality Transparency Committee composed of sixteen members.

The appointments shall be made as follows:

(a) The Governor shall appoint ten members as follows:

(1) One researcher with experience in health care data and cost efficiency research.

(2) One representative of private hospitals.

(3) One representative of public hospitals.

(4) One representative of ~~an integrated~~ a multi-specialty medical group.

(5) One representative of health insurers or health care service plans.

(6) One representative of licensed health professionals in independent practice.

(7) One representative of large employers that purchase group health care coverage for employees and that is not also a supplier or broker of health care coverage.

(8) One representative of a labor union.

(9) One representative of employers that purchase group health care coverage for their employees or a representative of a nonprofit organization that demonstrates experience working with employers to enhance value and affordability of health care coverage.

(10) One representative of pharmacists.

(b) The Senate Committee on Rules shall appoint three members as follows:

(1) One representative of a labor union.

(2) One representative of consumers with a demonstrated record of advocating health care issues on behalf of consumers.

(3) One representative of physicians and surgeons who is a practicing patient-care physician licensed in the state of California.

(c) The Assembly Speaker shall appoint three members as follows:

(1) One representative of consumers with a demonstrated record of advocating health care issues on behalf of consumers.

1 (2) One representative of small employers that purchase group
2 health care coverage for employees and that is not also a supplier
3 or broker in health care coverage.

4 (3) One representative of a nonprofit labor-management
5 purchaser coalition that has a demonstrated record of working with
6 employers and employee associations to enhance value and
7 affordability in health care.

8 (d)The following members shall serve in an ex officio, nonvoting
9 capacity:

10 (1) The Executive Officer of the California Public Employees
11 Retirement System or a designee.

12 (2) The Director of the Department of Managed Health Care or
13 a designee.

14 (3) The Insurance Commissioner or a designee.

15 (4) The Director of the Department of Public Health or a
16 designee.

17 (5) The Director of the State Department of Health Care Services
18 or a designee.

19 (e) The Governor shall designate a member to serve as
20 chairperson for a two-year term. No member may serve more than
21 two, two-year terms as chairperson. All appointments shall be for
22 four-year terms; provided, however, that the initial term shall be
23 two years for members initially filling the positions set forth in
24 paragraphs 1, 2,4, and 6 of subdivision (a), paragraph 2 of
25 subdivision (b), and paragraph 2 of subdivision (c).

26 128856. The committee shall meet at least once every two
27 months, or more often if necessary to fulfill its duties.

28 128857. The members of the committee shall be reimbursed
29 for any actual and necessary expenses incurred in connection with
30 their duties as members of the committee.

31 128858. The secretary shall provide or contract for
32 administrative support for the committee.

33 128859. The committee shall do all of the following:

34 (a) Develop and recommend to the secretary the Health Care
35 Cost and Quality Transparency Plan, as provided in Article 3
36 (commencing with Section 128865).

37 (b) Monitor the implementation of the Health Care Cost and
38 Quality Transparency Plan.

39 (c) Issue an annual public report, on or before March 1, on the
40 status of implementing this chapter, the resources necessary to

1 fully implement this chapter, and any recommendations for changes
2 to the statutes, regulations, or the transparency plans that would
3 advance the purposes of this chapter.

4 128860. (a) The committee shall appoint at least one technical
5 committee, and may appoint additional technical committees as
6 the committee deems appropriate, and shall include on each such
7 committee academic and professional experts with expertise related
8 to the activities of the committee.

9 (b) (1) The committee shall appoint at least one clinical panel
10 and may appoint additional panels specific to issues that require
11 additional or different clinical expertise. Each clinical panel shall
12 contain a majority of clinicians with expertise related to the
13 activities of the committee and any issue under consideration and
14 shall also include experts in collecting and reporting data. Each
15 clinical panel shall also include two members of the committee,
16 one of whom shall be a representative of hospitals or health
17 professionals and the other of whom shall be a representative of
18 consumers, purchasers or labor unions.

19 (2) For the initial plan, the committee shall appoint at least one
20 clinical panel that shall do all of the following:

21 (i) Issue a written report of recommendations to implement the
22 goals set forth by the committee, including how to measure quality
23 improvement, necessary data elements, and appropriate
24 risk-adjustment methodology. The report shall be submitted to the
25 committee within the time period specified by the committee. The
26 committee shall either adopt the recommendations of the clinical
27 panel or by a two-thirds vote of the committee reject the
28 recommendations. If the committee rejects the recommendations,
29 it shall issue a written finding and rationale for rejecting the
30 recommendations. If the committee rejects the recommendations,
31 it shall refer the issue back to the clinical panel and request
32 additional or modified recommendations in specific areas in which
33 the committee found the recommendations deficient.

34 (ii) Make recommendations to the committee concerning the
35 specific data to be collected and the methods of collection to
36 implement this chapter, assure that the results are statistically valid
37 and accurate, and state any limitations on the conclusions that can
38 be drawn from the data.

39 (iii) Make recommendations concerning the measures necessary
40 to implement the reporting requirements in a manner that is

1 cost-effective and reasonable for data sources and is reliable,
2 timely, and relevant to consumers, purchasers, and health providers.

3 (c) The members of the technical committees and clinical
4 advisory panels shall be reimbursed for any actual and necessary
5 expenses incurred in connection with their duties as members of
6 the technical committee or clinical advisory panel.

7 (d) The committee shall provide opportunities for participation
8 from consumers and patients as well as purchasers and providers
9 at all committee meetings.

10 128861. The committee, technical committee, and clinical
11 panel members, and any contractors, shall be subject to the
12 conflict-of-interest policy of the California Health and Human
13 Services Agency.

14
15 Article 3. Health Care Cost and Quality Transparency Plan

16
17 128865. (a) (1) The committee shall, within one year after its
18 first meeting, develop and recommend to the secretary an initial
19 Health Care Cost and Quality Transparency Plan.

20 (2) The committee shall periodically review and recommend
21 updates to the Health Care Cost and Quality Transparency Plan.
22 The committee shall conduct a full review every three years, and
23 any recommendations resulting from the review shall be subject
24 to Section 128866.

25 (3) The initial plan and updates to the plan shall result in public
26 reporting of safety, quality and cost efficiency information on the
27 health care system. The purpose of the plan shall be to improve
28 health care cost efficiency, improve health system performance,
29 and promote quality patient outcomes.

30 (4) In developing the initial plan and updates to the plan, the
31 committee shall review existing data gathering and reporting,
32 including existing voluntary efforts.

33 (5) In developing the initial plan and updates to the plan, the
34 committee shall obtain the recommendation of the relevant clinical
35 panel or panels, if any, on the measures to be reported.

36 (b) The plan shall include, but not be limited to, strategies to:

37 (1) Measure, and collect data related to, health care safety and
38 quality, utilization, health outcomes, and cost of health care
39 services from health plans and insurers, medical groups, health

1 facilities, licensed physicians and other licensed health
2 professionals in independent practice.

3 (2) Measure each of the performance domains, including, but
4 not limited to, safety, timeliness, effectiveness, efficiency, quality,
5 equity, and other domains as appropriate.

6 (3) Develop a valid and reliable methodology for collecting and
7 reporting cost and quality information to ensure the integrity of
8 the data and reflect the intensity, cost, and scope of services
9 provided and that the data is collected from the most appropriate
10 data source.

11 (4) Measure and collect data related to disparities in health
12 outcomes among various populations and communities, including
13 racial and ethnic groups.

14 (5) Use and build on existing data collection standards, methods,
15 and definitions to the greatest extent possible to accomplish the
16 goals of this chapter in an efficient and effective manner, including
17 those data collected by the state and federal governments.

18 (6) Incorporate and utilize administrative claims data to the
19 extent that it is the most efficient method of collecting valid and
20 reliable data.

21 (7) Improve coordination, alignment, and timeliness of data
22 collection, state and federal reporting practices and standards, and
23 existing mandatory and voluntary measurement and reporting
24 activities by existing public and private entities, taking into account
25 the reporting burden on providers.

26 (8) Provide public reports, analyses, and data on the health care
27 quality, safety, and performance measures of health plans and
28 insurers, medical groups, health facilities, licensed physicians, and
29 other licensed health professionals in independent practice, that
30 are accurate, statistically valid, and descriptive of how the data
31 were derived.

32 (9) Maintain patient confidentiality consistent with state and
33 federal medical and patient privacy laws.

34 (10) Coordinate and streamline existing related data collection
35 and reporting activities within state government.

36 (11) Participate in the monitoring of implementation of the plan,
37 including a timeline and prioritization of the planned data
38 collection, analyses and reports.

39 (12) Participate in the monitoring of data collection, continuous
40 quality improvement, and reporting functions.

1 (13) Assess compliance with data collection requirements
2 needed to implement this chapter.

3 (14) Recommend a fee schedule sufficient to fund the
4 implementation of this chapter.

5 (c) The secretary may contract with a qualified public or private
6 agency or academic institution to assist in the review of existing
7 data collection programs or to conduct other research or analysis
8 deemed necessary for the committee or secretary to complete and
9 implement the Health Care Cost and Quality Transparency Plan
10 or to meet the obligations of this chapter.

11 128866. (a) Within 60 days of receipt of the Health Care Cost
12 and Quality Transparency Plan recommended by the committee,
13 the secretary shall do one of the following:

14 (1) Advise the committee that the recommended plan is accepted
15 and implementing regulations shall be drafted and submitted to
16 the Office of Administrative Law pursuant to the Administrative
17 Procedures Act, Chapter 3.5 (commencing with section 11340) of
18 Part 1 of Division 3 of Title 2 of the Government Code.

19 (2) Refer the plan back to the committee and request additional
20 or modified recommendations in specific areas in which the
21 secretary finds the plan is deficient. If referred back to the
22 committee, the secretary shall respond to any modified
23 recommendation in the manner provided in this section.

24 (b) Every six years after implementation, commencing with
25 2014, the secretary shall report to the Legislature on the work of
26 the committee and whether the committee should be continued in
27 the manner described in this article or whether changes should be
28 made to the law.

29

30 Article 4. Implementation of Health Care Cost and Quality
31 Transparency Plan

32

33 128867. (a) After acceptance of the plan pursuant to Section
34 128866, the secretary shall be responsible for timely
35 implementation of the approved plan. The secretary shall assure
36 timely implementation by the office, which shall include, but not
37 be limited to, the following:

38 (1) Provide data, information, and reports as may be required
39 by the committee to assist in its responsibilities under this chapter

- 1 (2) Determine the specific data to be collected and the methods
2 of collection to implement this chapter, consistent with the
3 approved plan, and assure that the results are statistically valid and
4 accurate as well as risk-adjusted where appropriate.
- 5 (3) Determine the measures necessary to implement the reporting
6 requirements in a manner that is cost-effective and reasonable for
7 data sources and is reliable, timely, and relevant for consumers,
8 purchasers, and providers.
- 9 (4) Collect the data consistent with the data reporting
10 requirements of the approved plan including, but not limited to,
11 data on quality, health outcomes, cost, and utilization.
- 12 (5) Audit, as necessary, the accuracy of any and all data
13 submitted pursuant to this chapter.
- 14 (6) Seek to establish agreements for voluntary reporting of health
15 care claims and data from any and all health care data sources that
16 are not subject to mandatory reporting pursuant to this chapter in
17 order to assure the most comprehensive system-wide data on health
18 care costs and quality.
- 19 (7) Fully protect patient privacy and confidentiality, in
20 compliance with state and federal privacy laws, while preserving
21 the ability to analyze the data. Any individual patient information
22 obtained pursuant to this chapter shall be exempt from the
23 disclosure requirements of the Public Records Act (Chapter 3.5
24 commencing with Section 6250) of Division 7 of Title 1 of the
25 Government Code.
- 26 (9) Adopt the same procedures for health care providers as those
27 specified in Section 128750 and adopt substantially similar
28 procedures for other data sources to ensure that all data sources
29 identified in any outcome report have a reasonable opportunity to
30 review, comment on, and appeal any outcome report in which the
31 data source is identified before it is released to the public.
- 32 (b) The secretary and office shall consult with the committee
33 in implementing this chapter, and shall cooperate with the
34 committee in fulfilling the committee's responsibility to monitor
35 implementation activities.
- 36 (c) All state agencies shall cooperate with the secretary and the
37 office to implement the Health Care Cost and Quality Transparency
38 Plan approved by the secretary.
- 39 (d) The secretary or the office shall adopt regulations necessary
40 to carry out the intent of this chapter.

1 128868. Nothing in this chapter shall be construed to authorize
2 the disclosure of any confidential information concerning
3 contracted rates between health care providers and payers or any
4 other data source, but nothing in this section shall prevent the
5 disclosure of information on the relative or comparative cost to
6 payers or purchasers of health care services, consistent with the
7 requirements of this chapter.

8 128869. (a) Patient social security numbers and any other data
9 elements that the office believes could be used to determine the
10 identity of an individual patient shall be exempt from the disclosure
11 requirements of the California Public Records Act (Chapter 3.5
12 (commencing with Section 6250) of Division 7 of Title 1 of the
13 Government Code).

14 (b) No person reporting data pursuant to this section shall be
15 liable for damages in any action based on the use or misuse of
16 patient-identifiable data that has been mailed or otherwise
17 transmitted to the office pursuant to the requirements of this
18 chapter.

19 (c) No communication of data or information by a data source
20 to the committee, the secretary or the office shall constitute a
21 waiver of privileges preserved by Sections 1156, 1156.1, or 1157
22 of the Evidence Code or of Section 1370 of the Health and Safety
23 Code.

24 (d) Information, documents or records from original sources
25 otherwise subject to discovery or introduction into evidence shall
26 not be immune from discovery or introduction into evidence merely
27 because they were also provided to the committee or office
28 pursuant to this chapter.

29 128870. The office shall solicit input from interested
30 stakeholders and convene meetings to receive input on the creation
31 of a fee schedule to implement the provisions of this section. This
32 stakeholder process shall occur in a manner that allows for
33 meaningful review of the information and fiscal projections by the
34 interested stakeholders. After the stakeholder process has been
35 convened and used in the development of a proposal, the office
36 shall provide the secretary with a proposal that will, to the extent
37 possible, identify a fee schedule and other financial resources for
38 the implementation of this chapter and allow for the recovery of
39 costs of implementing centralized data collection, and effective
40 analysis and reporting activities under this chapter.

1 (b) The schedule of fees, including specific fees charged to each
 2 data source and user, shall be approved by the Legislature and
 3 Governor in the annual Budget Act. The annual budget of the
 4 committee shall be presented and justified to the Legislature with
 5 an annual work plan including a description of the data sources,
 6 data, elements, use of the data and the number and frequency of
 7 reports to be made available.

8 (c) The total amount of fees charged by the office to a hospital
 9 to recover the costs of implementing this chapter, and the fees
 10 charged to that hospital pursuant to Section 127280 of the Health
 11 and Safety Code shall not exceed 0.06 percent of the gross
 12 operating cost of the hospital for the provision of health care
 13 services for its last fiscal year that ended on or before June 30 of
 14 the preceding calendar year.

15 128871. There is hereby established in the State Treasury the
 16 Health Care Cost and Quality Transparency Fund to support the
 17 implementation of this chapter. All fees and contributions collected
 18 by the office pursuant to Section 128870 shall be deposited in this
 19 fund and used to support the implementation of this chapter.
 20 Expenditures shall be subject to appropriation in the annual Budget
 21 Act.

22 SEC. 34. Section 130545 is added to the Health and Safety
 23 Code, to read:

24 130545. (a) The State Department of Health Care Services
 25 shall identify best practices related to e-prescribing modalities and
 26 standards and shall make recommendations for statewide adoption
 27 of e-prescribing on or before January 1, 2009.

28 (b) The State Department of Health Care Services shall develop
 29 a pilot program to foster the adoption and use of electronic
 30 prescribing by health care providers that contract with Medi-Cal.
 31 The implementation of this Medi-Cal pilot is contingent upon the
 32 availability of FFP or federal grant funds. The department may
 33 provide electronic prescribing technology, including equipment
 34 and software, to participating Medi-Cal prescribers.

35 *SEC. 34.3. Section 796.02 of the Insurance Code is amended*
 36 *to read:*

37 796.02. (a) Compensation of a person retained by a disability
 38 insurer to review claims for health care services shall not be based
 39 on either of the following:

40 (a)

1 (1) A percentage of the amount by which a claim is reduced for
2 payment.

3 ~~(b)~~

4 (2) The number of claims or the cost of services for which the
5 person has denied authorization or payment.

6 (b) *This section shall become inoperative on December 1, 2008,*
7 *and, as of January 1, 2009, is repealed, unless a later enacted*
8 *statute, that becomes operative on or before January 1, 2009,*
9 *deletes or extends the dates on which it becomes inoperative and*
10 *is repealed.*

11 SEC. 34.5. Section 796.02 is added to the Insurance Code, to
12 read:

13 796.02. (a) *Compensation of a person employed by or*
14 *contracted with a disability insurer to review claims or eligibility*
15 *for health care services shall not be based on either of the*
16 *following:*

17 (1) *A percentage of the amount by which a claim is reduced for*
18 *payment.*

19 (2) *The number of claims or the cost of services for which the*
20 *person has denied authorization or payment.*

21 (b) *This section shall become operative on December 1, 2008.*

22 SEC. 34.7. Section 796.05 is added to the Insurance Code, to
23 read:

24 796.05. (a) *No disability insurer shall set performance goals*
25 *or quotas or provide additional compensation to any person*
26 *employed by or contracted with the disability insurer based on the*
27 *number of persons for which coverage is rescinded or the financial*
28 *savings to the disability insurer associated with the rescission of*
29 *coverage.*

30 (b) *This section shall become operative on December 1, 2008.*

31 SEC. 35. Section 10113.10 is added to the Insurance Code, to
32 read:

33 10113.10. (a) *Notwithstanding Section 10270.95 and except*
34 *as provided in subdivision (f), a health insurer selling health*
35 *insurance shall, on and after July 1, 2010, expend in the form of*
36 *health care benefits no less than 85 percent of the aggregate dues,*
37 *fees, premiums, or other periodic payments received by the insurer.*
38 *For purposes of this section, the insurer may deduct from the*
39 *aggregate dues, fees, premiums, or other periodic payments*
40 *received by the insurer the amount of income taxes or other taxes*

1 that the insurer expensed. For purposes of this section, “health care
2 benefits” shall mean health care services that are either provided
3 or reimbursed by the insurer or its contracted providers as benefits
4 to its policyholders and insurers.

5 (b) (1) In addition to the health care benefits defined in
6 subdivision (a), health care benefits shall include:

7 (A) The costs of programs or activities, including training and
8 the provision of informational materials that are determined as
9 part of the regulation under subdivision (d) to improve the
10 provision of quality care, improve health care outcomes, or
11 encourage the use of evidence-based medicine.

12 (B) Disease management expenses using cost-effective
13 evidence-based guidelines.

14 (C) Plan medical advice by telephone.

15 (D) Payments to providers as risk pool payments of
16 pay-for-performance initiatives.

17 (2) Health care benefits shall not include administrative costs
18 listed in Section 1300.78 of Title 28 of the California Code of
19 Regulations in effect on January 1, 2007.

20 (c) To assess compliance with this section, an insurer with a
21 valid certificate of authority may average its total costs across all
22 health insurance policies issued, amended, or renewed in
23 California, and all health care service plan contracts issued,
24 amended, or renewed by its affiliated health care service plans
25 which are licensed to operate in California, except for those
26 contracts listed in subdivision (f) of Section 1378.1 of the Health
27 and Safety Code.

28 (d) The department and the Department of Managed Health
29 Care shall jointly adopt and amend regulations to implement this
30 section and Section 1378.1 of the Health and Safety Code to
31 establish uniform reporting by health care service plans and
32 insurers of the information necessary to determine compliance
33 with this section. These regulations may include additional
34 elements in the definition of health care benefits not identified in
35 paragraph (1) of subdivision (b) in order to consistently
36 operationalize the requirements of this section among health
37 insurers and health plans, but such regulatory additions shall be
38 consistent with the legislative intent that health insurers expend at
39 least 85 percent of aggregate payments as provided in subdivision
40 (a) on health care benefits.

1 (e) The department may exclude from the determination of
2 compliance with the requirement of subdivision (a) any new health
3 insurance policies for up to the first two years that these policies
4 are offered for sale in California, provided that the commissioner
5 determines that the new policies are substantially different from
6 the existing policies being issued, amended, or renewed by the
7 insurer seeking the exclusion.

8 (f) This section shall not apply to Medicare supplement policies,
9 short-term limited duration health insurance policies, vision-only,
10 dental-only, behavioral health-only, pharmacy-only policies,
11 CHAMPUS-supplement or TRICARE-supplement insurance
12 policies, or to hospital indemnity, hospital-only, accident-only, or
13 specified disease insurance policies that do not pay benefits on a
14 fixed benefit, cash payment only basis.

15 SEC. 36. Section 10113.11 is added to the Insurance Code, to
16 read:

17 10113.11. (a) A health insurer may provide notice by electronic
18 transmission and shall be deemed to have fully complied with the
19 specific statutory or regulatory requirements to provide notice by
20 United States mail to an applicant or insured if it complies with
21 all of the following requirements:

22 (1) Obtains authorization from the applicant or insured to
23 provide notices by electronic transmission and to cease providing
24 notices by United States mail. "Authorization" means the
25 agreement by the applicant, enrollee, or subscriber through
26 interactive voice response, the Internet or other similar medium,
27 or in writing, to receive notices by electronic transmission.

28 (2) Uses an authorization process, approved by the department,
29 in which the applicant or insured confirms understanding of and
30 agreement with the specific notices or materials that will be
31 provided by electronic transmission.

32 (3) Complies with the specific statutory or regulatory
33 requirements as to the content of the notices it sends by electronic
34 transmission.

35 (4) Provides for the privacy of the notice as required by state
36 and federal laws and regulations.

37 (5) Allows the applicant or insured at any time to terminate the
38 authorization to provide notices by electronic transmission and
39 receive the notices through the United States mail, if specific
40 statutory or regulatory requirements require notice by mail.

1 (6) Sends the electronic transmission of a notice to the last
 2 known electronic address of the applicant or insured. If the
 3 electronic transmission of the notice fails to reach its intended
 4 recipient twice, the health insurer shall resume sending all notices
 5 to the last known United States mail address of the applicant or
 6 insured.

7 (7) Maintains an Internet Web site where the applicant or insured
 8 may access the notices sent by electronic transmission.

9 (8) Informs the applicant, enrollee, or subscriber how to
 10 terminate the authorization to provide notices sent by electronic
 11 transmission.

12 (b) A health insurer shall not use the electronic mail address of
 13 an applicant or insured that it obtained for the purposes of
 14 providing notice pursuant to subdivision (a) for any purpose other
 15 than communicating with the enrollee, applicant, or subscriber
 16 about his or her policy, plan, or benefits.

17 (c) No person other than the applicant or insured to whom the
 18 medical information in the notice pertains or a representative
 19 lawfully authorized to act on behalf of the applicant or insured,
 20 may authorize the transmission of medical information by
 21 electronic transmission. "Medical information" for these purposes
 22 shall have the meaning set forth in subdivision (g) of Section 56.05
 23 of the Civil Code. The transmission of any medical information,
 24 as that term is used in subdivision (g) of Section 56.05 of the Civil
 25 Code, shall comply with the Confidentiality of Medical Information
 26 Act (Part 2.6 (commencing with Section 56) of Division 1 of the
 27 Civil Code).

28 (d) A notice transmitted electronically pursuant to this section
 29 is a private and confidential communication, and it shall be
 30 unlawful for a person, other than the applicant or insured to whom
 31 the notice is addressed, to read or otherwise gain access to the
 32 notice without the express, specific permission of the notice's
 33 addressee. This subdivision shall not apply to a health care
 34 provider, health insurer, or contractor of a health care provider or
 35 health insurer of an applicant or insured if the health care provider,
 36 health care insurer, or contractor of a health care provider or health
 37 insurer is authorized to have access to the medical information
 38 pursuant to the Confidentiality of Medical Information Act (Part
 39 2.6 (commencing with Section 56) of Division 1 of the Civil Code).

1 (e) A health insurer may not impose additional fees or a
2 differential if an applicant or insured elects not to receive notices
3 by electronic transmissions.

4 (f) Notices that may be made by electronic transmission include
5 explanation of benefits; distribution of the insurer's policies and
6 certificates of coverage; a list of contracting providers; responses
7 to inquiries from insureds; changes in rates pursuant to Sections
8 10113.7 and 10901.3; and notices related to underwriting decisions
9 pursuant to Section 791.10. A health insurer may not transmit
10 through electronic means any notice that may affect the eligibility
11 for, or continued enrollment in, coverage.

12 SEC. 37. Section 10123.56 is added to the Insurance Code, to
13 read:

14 10123.56. (a) On and after January 1, 2009, every policy of
15 health insurance, except for a Medicare supplement policy, that
16 covers hospital, medical, or surgical expenses on a group basis
17 shall offer to include a Healthy Action Incentives and Rewards
18 Program, as described in subdivision (b), to be implemented in
19 connection with a health insurance policy, under such terms and
20 conditions as may be agreed upon between the group policyholder
21 and the health insurer. Every insurer shall communicate the
22 availability of that program to all prospective group policyholders
23 with whom it is negotiating and to existing group policyholders
24 upon renewal.

25 (b) For purposes of this section, benefits under a Healthy Action
26 Incentives and Rewards Program shall provide for all of the
27 following where appropriate:

28 (1) Health risk appraisals to be used to assess an individual's
29 overall health status and to identify risk factors, including, but not
30 limited to, smoking and smokeless tobacco use, alcohol abuse,
31 drug use, and nutrition and physical activity practices.

32 (2) Enrollee access to an appropriate health care provider, as
33 medically necessary, to review and address the results of the health
34 risk appraisal. In addition, where appropriate, the Healthy Action
35 Incentives and Rewards Program may include follow-up through
36 a Web-based tool or a nurse hotline either in combination with a
37 referral to a provider or separately.

38 (3) Incentives or rewards for policyholders to become more
39 engaged in their health care and to make appropriate choices that
40 support good health, including obtaining health risk appraisals,

1 screening services, immunizations, or participating in healthy
2 lifestyle programs and practices. These programs and practices
3 may include, but need not be limited to, smoking cessation,
4 physical activity, or nutrition. Incentives may include, but need
5 not be limited to, health premium reductions, differential
6 copayment or coinsurance amounts, and cash payments. Rewards
7 may include, but need not be limited to, nonprescription pharmacy
8 products or services not otherwise covered under a policyholder's
9 health insurance policy, exercise classes, gym memberships, and
10 weight management programs. If an insurer elects to offer an
11 incentive in the form of a reduction in the premium amount, the
12 premium reduction shall be standardized and uniform for all groups
13 and policyholders and shall be offered only after the successful
14 completion of the specified program or practice by the insured or
15 policyholder.

16 (c) (1) An insurer subject to this section shall offer and price
17 all Healthy Action Incentives and Rewards Programs approved by
18 the commissioner consistently across all groups, potential groups,
19 and individuals and offer and price the programs without regard
20 to the health status, prior claims experience, or risk profile of the
21 members of a group. An insurer shall not condition the offer,
22 delivery, or renewal of a policy that covers hospital, medical or
23 surgical expenses on the group's purchase, acceptance or
24 enrollment in a Healthy Action Incentives and Rewards Program.
25 Rewards and incentives established in the program may not be
26 designed, provided, or withheld based on the actual health service
27 utilization or health care claims experience of the group, members
28 of the group, or the individual.

29 (2) In order to demonstrate compliance with this section, a health
30 insurer shall file the program description and design with the
31 commissioner. The commissioner shall disapprove, suspend, or
32 withdraw any product or program developed pursuant to this
33 section if the commissioner determines that the product or product
34 design has the effect of allowing insurers to market, sell, or price
35 health coverage for healthier lower risk profile groups in a
36 preferential manner that is inconsistent with the requirement to
37 offer, market and sell products pursuant to Chapter 8 (commencing
38 with Section 10700) and Chapter 9.6 (commencing with Section
39 10919).

1 (d) This section shall supplement, and not supplant, any other
2 section in this chapter concerning requirements for insurers to
3 provide health care services, childhood immunizations, adult
4 immunizations, and preventive care services.

5 (e) This section shall only be implemented if and to the extent
6 allowed under federal law. If any portion of this section is held to
7 be invalid, as determined by a final judgment of a court of
8 competent jurisdiction, this section shall become inoperative.

9 SEC. 38. Section 10176.15 is added to the Insurance Code, to
10 read:

11 10176.15. For purposes of subdivision (d) of Section 10176.10,
12 “comparable benefits” means any health insurance policy in the
13 same coverage choice category, as determined by the department
14 and the Department of Managed Health Care pursuant to Section
15 10930, that a closed block of business would have been in had that
16 block of business not been closed. If the coverage benefits provided
17 in the closed block of business do not meet or exceed the minimum
18 health care coverage requirements of Section 10923, they shall be
19 deemed comparable to the lowest coverage choice category.

20 SEC. 39. Section 10273.6 of the Insurance Code is amended
21 to read:

22 10273.6. All individual health benefit plans, except for
23 short-term limited duration insurance, shall be renewable with
24 respect to all eligible individuals or dependents at the option of
25 the individual except as follows:

26 (a) For nonpayment of the required premiums or contributions
27 by the individual in accordance with the terms of the health
28 insurance coverage or the timeliness of the payments.

29 (b) For fraud or intentional misrepresentation of material fact
30 under the terms of the coverage by the individual.

31 (c) Movement of the individual contractholder outside the
32 service area but only if coverage is terminated uniformly without
33 regard to any health status-related factor of covered individuals.

34 (d) If the disability insurer ceases to provide or arrange for the
35 provision of health care services for new individual health benefit
36 plans in this state; provided, however, that the following conditions
37 are satisfied:

38 (1) Notice of the decision to cease new or existing individual
39 health benefit plans in this state is provided to the commissioner

1 and to the individual policy or contractholder at least 180 days
2 prior to discontinuation of that coverage.

3 (2) Individual health benefit plans shall not be canceled for 180
4 days after the date of the notice required under paragraph (1) and
5 for that business of a disability insurer that remains in force, any
6 disability insurer that ceases to offer for sale new individual health
7 benefit plans shall continue to be governed by this section with
8 respect to business conducted under this section.

9 (3) A disability insurer that ceases to write new individual health
10 benefit plans in this state after the effective date of this section
11 shall be prohibited from offering for sale individual health benefit
12 plans in this state for a period of five years from the date of notice
13 to the commissioner.

14 (e) If the disability insurer withdraws an individual health benefit
15 plan from the market; provided, that the disability insurer notifies
16 all affected individuals and the commissioner at least 90 days prior
17 to the discontinuation of these plans, and that the disability insurer
18 makes available to the individual all health benefit plans that it
19 makes available to new individual businesses without regard to a
20 health status-related factor of enrolled individuals or individuals
21 who may become eligible for the coverage.

22 This section shall become inoperative on the date that Section
23 10937 becomes operative.

24 ~~SEC. 40. Section 10607 of the Insurance Code is amended to~~
25 ~~read:~~

26 ~~10607. In addition to the other disclosures required by this~~
27 ~~chapter, every insurer and their employees or agents shall, when~~
28 ~~presenting a plan for examination or sale to any individual or the~~
29 ~~representative of a group consisting of 100 or fewer individuals,~~
30 ~~disclose in writing the ratio of incurred claims to earned premiums~~
31 ~~(loss-ratio) for the insurer's preceding calendar year for policies~~
32 ~~with individuals and with groups of the same or similar size for~~
33 ~~the insurer's preceding fiscal year.~~

34 ~~SEC. 41. Chapter 8.1 (commencing with Section 10760) is~~
35 ~~added to Part 2 of Division 2 of the Insurance Code, to read:~~

36

37 ~~CHAPTER 8.1. INSURANCE MARKET REFORM~~

38

39 ~~10760. On and after July 1, 2010, all requirements in Chapter~~
40 ~~8 (commencing with Section 10700) applicable to offering,~~

1 marketing, and selling health benefit plans to small employers as
 2 defined in that chapter, including, but not limited to, the obligation
 3 to fairly and affirmatively offer, market, and sell all of the carrier's
 4 health benefit plan designs to all employers, guaranteed renewal
 5 of all health benefit plan designs, use of the risk adjustment factor,
 6 and the restriction of risk categories to age, geographic region, and
 7 family composition as described in that chapter, shall be applicable
 8 to all health benefit plan designs offered to all employers with 100
 9 or fewer eligible employees, except as follows:

10 (a) For small employers with 2 to 50, inclusive, eligible
 11 employees, all requirements in that chapter shall apply.

12 (b) For employers with 51 to 100, inclusive, eligible employees,
 13 all requirements in that chapter shall apply, except that the carrier
 14 may develop health care coverage benefit plan designs to fairly
 15 and affirmatively market only to employer groups of 51 to 100
 16 eligible employees and apply a risk adjustment factor of no more
 17 than 115 percent and no less than 85 percent of the standard
 18 employee risk rate.

19 10765. (a) As used in this chapter, "health insurance" shall
 20 have the same meaning as in subdivision (b) of Section 106.

21 (b) The requirements of this chapter shall not apply to a
 22 Medicare supplement, vision-only, dental-only, or
 23 CHAMPUS-supplement insurance or to hospital indemnity,
 24 hospital-only, accident-only, or specified disease insurance that
 25 does not pay benefits on a fixed benefit, cash payment only basis.

26 SEC. 42. Chapter 9.6 (commencing with Section 10919) is
 27 added to Part 2 of Division 2 of the Insurance Code, to read:

28
 29 CHAPTER 9.6. INDIVIDUAL MARKET REFORM AND GUARANTEE
 30 ISSUE

31
 32 10919. It is the intent of the Legislature to do both of the
 33 following:

34 (a) Guarantee the availability and renewability of health
 35 coverage through the private health insurance market to individuals.

36 (b) Require that health care service plans and health insurers
 37 issuing coverage in the individual market compete on the basis of
 38 price, quality, and service, and not on risk selection.

39 10920. For purposes of this chapter, the following terms shall
 40 have the following meanings:

1 (a) “Anniversary date” means the calendar date one year from,
2 and each subsequent year thereafter, the date an individual enrolls
3 in a health insurance policy.

4 (b) “Coverage choice category” means the category of health
5 insurance policies and health plan contracts established by the
6 department and the Department of Managed Health Care pursuant
7 to Section 10930.

8 (c) “Dependent” means the spouse, registered domestic partner,
9 or child of an individual, subject to applicable terms of the health
10 insurance policy covering the individual.

11 (d) “Health insurance policy” means an individual disability
12 insurance policy offered, sold, amended, or renewed to individuals
13 and their dependents that provides coverage for hospital, medical,
14 or surgical benefits. The term shall not include any of the following
15 kinds of insurance:

16 (1) Accidental death and accidental death and dismemberment.

17 (2) Disability insurance, including hospital indemnity,
18 accident-only, and specified disease insurance that pays benefits
19 on a fixed benefit, cash-payment-only basis.

20 (3) Credit disability, as defined in Section 779.2.

21 (4) Coverage issued as a supplement to liability insurance.

22 (5) Disability income, as defined in subdivision (i) of Section
23 799.01.

24 (6) Insurance under which benefits are payable with or without
25 regard to fault and that is statutorily required to be contained in
26 any liability insurance policy or equivalent self-insurance.

27 (7) Insurance arising out of a workers’ compensation or similar
28 law.

29 (8) Long-term care coverage.

30 (9) Dental coverage.

31 (10) Vision coverage.

32 (11) Medicare supplement, CHAMPUS-supplement or
33 Tricare-supplement, behavioral health-only, pharmacy-only,
34 hospital indemnity, hospital-only, accident-only, or specified
35 disease insurance that does not pay benefits on a fixed benefit,
36 cash-payment-only basis.

37 (e) “Health insurer” means a disability insurer that offers and
38 sells health insurance.

39 (f) “Health plan” means a health care service plan, as defined
40 in subdivision (f) of Section 1345 of the Health and Safety Code,

1 that is lawfully engaged in providing, arranging, paying for, or
2 reimbursing the cost of health care services and is offering or
3 selling health care service plan contracts in the individual market.
4 A health plan shall not include a specialized health care service
5 plan.

6 (g) "Health plan contract" means an individual health care
7 service plan contract offered, sold, amended, or renewed to
8 individuals and their dependents and shall not include long-term
9 care insurance, dental, or vision coverage. In addition, the term
10 shall not include a specialized health care service plan contract,
11 as defined in subdivision (o) of Section 1345 of the Health and
12 Safety Code.

13 (h) "Purchasing pool" means the program established under
14 Part 6.45 (commencing with Section 12699.201).

15 (i) "Rating period" means the period for which premium rates
16 established by an insurer are in effect and shall be no less than 12
17 months beginning on the effective date of the subscriber's health
18 insurance policy.

19 (j) "Risk adjustment factor" means the percentage adjustment
20 to be applied to the standard risk rate for a particular individual,
21 based upon any expected deviations from standard claims due to
22 the health status of the individual.

23 (k) "Risk category" means the following characteristics of an
24 individual: age, geographic region, and family composition of the
25 individual, plus the health insurance policy selected by the
26 individual.

27 (1) No more than the following age categories may be used in
28 determining premium rates:

- 29 Under 1.
- 30 1-18.
- 31 19-24.
- 32 25-29.
- 33 30-34.
- 34 35-39.
- 35 40-44.
- 36 45-49.
- 37 50-54.
- 38 55-59.
- 39 60-64.
- 40 65 and over.

1 However, for the 65 and over age category, separate premium
2 rates may be specified depending upon whether coverage under
3 the health insurance policy will be primary or secondary to benefits
4 provided by the federal Medicare Program pursuant to Title XVIII
5 of the federal Social Security Act.

6 (2) Health insurers shall determine rates using no more than the
7 following family size categories:

8 (A) Single.

9 (B) More than one child 18 years of age or under and no adults.

10 (C) Married couple or registered domestic partners.

11 (D) One adult and child.

12 (E) One adult and children.

13 (F) Married couple and child or children, or registered domestic
14 partners and child or children.

15 (3) (A) In determining rates for individuals, a health insurer
16 that operates statewide shall use no more than nine geographic
17 regions in the state, have no region smaller than an area in which
18 the first three digits of all its ZIP Codes are in common within a
19 county, and divide no county into more than two regions. Health
20 insurers shall be deemed to be operating statewide if their coverage
21 area includes 90 percent or more of the state's population.
22 Geographic regions established pursuant to this section shall, as a
23 group, cover the entire state, and the area encompassed in a
24 geographic region shall be separate and distinct from areas
25 encompassed in other geographic regions. Geographic regions
26 may be noncontiguous.

27 (B) (i) In determining rates for individuals, a health insurer that
28 does not operate statewide shall use no more than the number of
29 geographic regions in the state that is determined by the following
30 formula: the population, as determined in the last federal census,
31 of all counties that are included in their entirety in a health insurer's
32 service area divided by the total population of the state, as
33 determined in the last federal census, multiplied by nine. The
34 resulting number shall be rounded to the nearest whole integer.
35 No region may be smaller than an area in which the first three
36 digits of all its ZIP Codes are in common within a county and no
37 county may be divided into more than two regions. The area
38 encompassed in a geographic region shall be separate and distinct
39 from areas encompassed in other geographic regions. Geographic

1 regions may be noncontiguous. No health insurer shall have less
2 than one geographic area.

3 (ii) If the formula in clause (i) results in a health insurer that
4 operates in more than one county having only one geographic
5 region, then the formula in clause (i) shall not apply and the health
6 insurer may have two geographic regions, provided that no county
7 is divided into more than one region.

8 Nothing in this section shall be construed to require a health
9 insurer to establish a new service area or to offer health insurance
10 on a statewide basis, outside of the health insurer's existing service
11 area.

12 (4) A health insurer may rate its entire portfolio of health
13 insurance policies in accordance with expected costs or other
14 market considerations, but the rate for each health insurance policy
15 shall be set in relation to the balance of the portfolio, as certified
16 by an actuary.

17 (5) Each health insurance policy shall be priced as determined
18 by each health insurer to reflect the difference in benefit variation,
19 or the effectiveness of a provider network, and each insurer may
20 adjust the rate for a specific policy for risk selection only to the
21 extent permitted by subdivision (d) of Section 10937.

22 (l) "Standard risk rate" means the rate applicable to an individual
23 in a particular risk category.

24 (m) "Subscriber" means the individual who is enrolled in a
25 health insurance policy, is the basis for eligibility for enrollment
26 in the policy, and is responsible for payment to the health insurer.

27 10922. On and after March 31, 2009, a health insurer shall not
28 offer to an individual a health insurance policy that provides less
29 than minimum creditable coverage, as defined by the Managed
30 Risk Medical Insurance Board pursuant to Section 12739.50.

31 10925. (a) Notwithstanding Chapter 15 (commencing with
32 Section 8899.50) of Division 1 of Title 2 of the Government Code
33 and Section 10922, a health insurer may renew an individual health
34 insurance policy for anyone enrolled on March 1, 2009, indefinitely
35 without increasing benefits to meet the required minimum
36 creditable coverage established by the Managed Risk Medical
37 Insurance Board pursuant to Section 12739.50. Those individual
38 health insurance policies, however, may not be offered to new
39 enrollment, unless they are amended to meet the minimum
40 creditable coverage established by the Managed Risk Medical

1 Insurance Board pursuant to Section 12739.50. In offering those
2 policies for renewal, rates determined by health insurers shall meet
3 the requirements of Sections 10920 and 10937. An individual who
4 maintains coverage in a health insurance policy pursuant to this
5 section shall be deemed to be in compliance with Section 8899.50
6 of the Government Code.

7 (b) A health insurer shall not cease to renew coverage in an
8 individual health insurance policy described in subdivision (a)
9 except as permitted pursuant to Section 10176.10.

10 (c) On and after March 1, 2009, the director shall not approve
11 for offer and sale in this state any *new* individual health insurance
12 policy ~~that was not approved prior to that date and~~ that does not
13 meet or exceed the minimum creditable coverage requirements
14 established by the Managed Risk Medical Insurance Board pursuant
15 to Section 12739.50.

16 (d) Effective July 1, 2010, all individual health insurance
17 policies approved, offered, and sold prior to March 1, 2009, that
18 do not comply with minimum creditable coverage standards
19 adopted by the Managed Risk Medical Insurance Board pursuant
20 to Section 12739.50, exclusively because the policy includes a
21 lifetime benefit maximum inconsistent with the standard minimum
22 creditable coverage shall be modified to comply with the standards
23 for minimum creditable coverage.

24 (e) This section shall become operative on January 1, 2009.

25 10926. A health insurer shall, in addition to complying with
26 the applicable provisions of this code and the applicable rules of
27 the commissioner, comply with this chapter.

28 10927. This chapter shall not apply to health insurance policies
29 for coverage of Medicare services pursuant to contracts with the
30 United States government, Medicare supplement, Medi-Cal
31 contracts with the State Department of Health Care Services,
32 Healthy Families Program contracts with the Managed Risk
33 Medical Insurance Board, long-term care coverage, specialized
34 health care service plan contracts, as defined in subdivision (o) of
35 Section 1345 of the Health and Safety Code, or the purchasing
36 pool established under Part 6.45 (commencing with Section
37 12699.201).

38 10928. (a) Except for the health insurance policies described
39 in subdivision (a) of Section 10925, a health insurer shall fairly
40 and affirmatively offer, market, and sell all of the insurer's policies

1 that are sold to individuals to all individuals in each service area
2 in which the health insurer provides or arranges for the provision
3 of health care services.

4 (b) A health insurer may not reject an application from an
5 individual, or his or her dependents, for an individual health
6 insurance policy, or refuse to renew an individual health insurance
7 policy, if all of the following requirements are met:

8 (1) The individual agrees to make the required premium
9 payments.

10 (2) The individual and his or her dependents who are to be
11 covered by the health insurance policy work or reside in the service
12 area in which the health insurer provides or otherwise arranges for
13 the provision of health care services.

14 (3) The individual provides the information requested on the
15 application to determine the appropriate rate.

16 (c) Notwithstanding subdivision (b), if an individual, or his or
17 her dependents, applies for a health insurance policy in a coverage
18 choice category for which he or she is not eligible pursuant to
19 Section 10934, the health insurer may reject that application
20 provided that the insurer also offers the individual and his or her
21 dependents coverage in the appropriate coverage choice category.

22 (d) Notwithstanding subdivision (b), a health insurer is not
23 required to renew an individual health insurance policy if any of
24 the conditions listed in subdivision (a) of Section 10936 are met.

25 (e) Notwithstanding any other provision of this chapter or of a
26 health insurance policy, every health insurer shall comply with the
27 requirements of Chapter 7 (commencing with Section 3750) of
28 Part 1 of Division 9 of the Family Code and Section 14124.94 of
29 the Welfare and Institutions Code.

30 (f) A health insurer may ~~request~~ *require* an individual to provide
31 information on his or her health status or health history, or that of
32 his or her dependents, in the application for enrollment to the extent
33 required to apply the risk adjustment factor permitted pursuant to
34 subdivision (d) of Section 10937. The health insurer shall use the
35 standardized form and uniform evaluation process developed for
36 this purpose by the Director of the Department of Managed Health
37 Care pursuant to Section 1399.840 of the Health and Safety Code.
38 After the individual health insurance policy's effective date of
39 coverage, a health insurer may request that the enrollee provide
40 information voluntarily on his or her health history or health status,

1 or that of his or her dependents, for purposes of providing care
 2 management services, including disease management services.

3 (g) Notwithstanding subdivision (b), a health insurer may reject
 4 an application for any person who has been a resident of California
 5 for six months or less unless one of the following applies: (1) the
 6 person is a federally eligible defined individual pursuant to Section
 7 10785 or Section 1399.801 of the Health and Safety Code; or (2)
 8 the person can demonstrate a minimum of two years of prior
 9 creditable coverage at least equivalent to the minimum creditable
 10 coverage developed by the Managed Risk Medical Insurance Board
 11 pursuant to Section 12739.50 and providing the person applies for
 12 coverage in California within 62 days of termination or cancellation
 13 of the prior creditable coverage.

14 ~~(h) Notwithstanding subdivision (b), a health insurer may reject~~
 15 ~~an application for coverage from any person who has been granted~~
 16 ~~a temporary or permanent hardship exemption from the requirement~~
 17 ~~to maintain minimum creditable coverage by the Managed Risk~~
 18 ~~Medical Insurance Board pursuant to Section 12739.501 during~~
 19 ~~the time period of the exemption, as determined by the board.~~

20 (h) *Notwithstanding subdivision (b), a health plan may reject*
 21 *an application for coverage from either of the following:*

22 (1) *A person who is exempt from the requirements of Section*
 23 *8899.50 of the Government Code because the person or family*
 24 *has an income at or below 250 percent of the federal poverty level*
 25 *and the person's or family's share of premium for minimum*
 26 *creditable coverage exceeds 5 percent of his or her family income,*
 27 *except for those individuals meeting the criteria in paragraph (1)*
 28 *or (2) of subdivision (g).*

29 (2) *A person exempted from the requirements of Section 8899.50*
 30 *of the Government Code pursuant to any exemption authorized or*
 31 *granted by the Managed Risk Medical Insurance Board pursuant*
 32 *to Section 12739.501, for the time period of the exemption, as*
 33 *determined by the board.*

34 (i) Notwithstanding Section 10944, this section shall not become
 35 operative until the authority under Section 12739.51 is
 36 implemented.

37 10929. (a) A health insurer shall not impose any preexisting
 38 condition exclusions, waived conditions, or postenrollment
 39 waiting or affiliation periods on any health insurance policy issued,

1 amended, or renewed pursuant to this chapter, except as provided
2 under subdivision (b) of this section.

3 (b) After the requirement to guarantee issue of coverage under
4 Section 10928 has been in effect for nine months, a health insurer
5 may impose a preexisting condition exclusion of up to 12 months
6 for any person who fails to comply for more than 62 days with the
7 requirement to maintain coverage under Section 8899.50 of the
8 Government Code, providing, however, that the exclusion may
9 not exceed the length of time that the person failed to comply with
10 the requirements of that section. "Preexisting condition exclusion"
11 means a contract provision that excludes coverage for charges or
12 expenses incurred during a specified period following the
13 individual's effective date of coverage, as to a condition for which
14 medical advice, diagnosis, care, or treatment was recommended
15 or received during a specified period immediately preceding the
16 effective date of coverage. For purposes of this section, preexisting
17 condition provisions contained in individual health insurance
18 policies may relate only to conditions for which medical advice,
19 diagnosis, care, or treatment, including use of prescription drugs,
20 was recommended or received from a licensed health practitioner
21 during the 12 months immediately preceding the effective date of
22 coverage.

23 10930. (a) On or before April 1, 2009, the department and the
24 Department of Managed Health Care shall jointly, by regulation,
25 develop a system to categorize all health insurance policies and
26 health plan contracts offered and sold to individuals pursuant to
27 this chapter and Article 11.6 (commencing with Section 1399.820)
28 of Chapter 2.2 of Division 2 of the Health and Safety Code into
29 five coverage choice categories. These coverage choice categories
30 shall do all of the following:

31 (1) Reflect a reasonable continuum between the coverage choice
32 category with the lowest level of health care benefits and the
33 coverage choice category with the highest level of health care
34 benefits.

35 (2) Permit reasonable benefit variation that will allow for a
36 diverse market within each coverage choice category.

37 (3) Be enforced consistently between health insurers and health
38 plans in the same marketplace regardless of licensure.

39 (4) Within each coverage choice category, include one standard
40 health maintenance organization (HMO) and one standard preferred

1 provider organization (PPO), each of which is the health insurance
2 policy with the lowest benefit level in that category and for that
3 type of contract.

4 (b) All health insurers shall submit the filings required pursuant
5 to Section 10939 no later than October 1, 2009, for all individual
6 health insurance policies to be sold on or after July 1, 2010, to
7 comply with this chapter, and thereafter any additional health
8 insurance policies shall be filed pursuant to Section 10939. The
9 commissioner shall categorize each health insurance policy offered
10 by a health insurer into the appropriate coverage choice category
11 on or before March 31, 2010.

12 (c) To facilitate consumer comparison shopping, all health
13 insurers that offer coverage on an individual basis shall offer at
14 least one health insurance policy in each coverage choice category,
15 including offering at least one of the standard contracts developed
16 pursuant to paragraph (4) of subdivision (a), but a health insurer
17 may offer multiple products in each category.

18 (d) If a health insurer offers a specific type of health insurance
19 policy in one coverage choice category, it must offer that specific
20 type of health insurance policy in each coverage choice category.
21 A “type of health insurance policy” includes a health maintenance
22 organization model, a preferred provider organization model, an
23 exclusive provider organization model, a traditional indemnity
24 model, and a point of service model.

25 (e) Health insurers shall have flexibility in establishing provider
26 networks, provided that access to care standards pursuant to Section
27 10133.5 are met, and provided that the provider network offered
28 for one health insurance policy in one coverage choice category
29 is offered for at least one health insurance policy in each coverage
30 choice category.

31 (f) A health insurer shall establish prices for its products that
32 reflect a reasonable continuum between the products offered in
33 the coverage choice category with the lowest level of benefits and
34 the products offered in the coverage choice category with the
35 highest level of benefits. A health plan shall not establish a standard
36 risk rate for a product in a coverage choice category at a lower rate
37 than a product offered in a lower coverage choice category.

38 (g) The coverage choice category with the lowest level of
39 benefits shall include the benefits that meet the requirements of

1 minimum creditable coverage as determined by the Managed Risk
2 Medical Insurance Board pursuant to Section 12739.50.

3 10931. A health insurer shall offer coverage for a Healthy
4 Action Incentives and Rewards Program that complies with the
5 requirements of Section 10123.56 in at least one health insurance
6 policy in every coverage choice category.

7 10932. When an individual submits a premium payment, based
8 on the quoted premium charges, and that payment is delivered or
9 postmarked, whichever occurs earlier, within the first 15 days of
10 the month, coverage under the health insurance policy shall become
11 effective no later than the first day of the following month. When
12 that payment is either delivered or postmarked after the 15th day
13 of a month, coverage shall become effective no later than the first
14 day of the second month following delivery or postmark of the
15 payment.

16 10933. Except as provided in Section 10928, a health insurer
17 is not required to offer an individual health insurance policy and
18 may reject an application for an individual health insurance policy
19 in the case of either of the following:

20 (a) The individual and dependents who are to be covered by the
21 health insurance policy do not work or reside in a health insurer's
22 approved service area.

23 (b) (1) Within a specific service area or portion of a service
24 area, if a health insurer reasonably anticipates and demonstrates
25 to the satisfaction of the commissioner that it will not have
26 sufficient health care delivery resources to assure that health care
27 services will be available and accessible to the eligible individual
28 and dependents of the individual because of its obligations to
29 existing enrollees.

30 (2) A health insurer that cannot offer a health insurance policy
31 to individuals because it is lacking in sufficient health care delivery
32 resources within a service area or a portion of a service area may
33 not offer a health insurance policy in the area in which the health
34 insurer is not offering coverage to individuals until the health
35 insurer notifies the commissioner that it has the ability to deliver
36 services to new enrollees, and certifies to the commissioner that
37 from the date of the notice it will enroll all individuals and groups
38 requesting coverage in that area from the health insurer.

39 (c) A person who has been a resident of California for six
40 months or less unless one of the following applies: (1) the person

1 is a federally eligible defined individual as defined in Section
2 10785 or Section 1399.801 of the Health and Safety Code; or (2)
3 the person can demonstrate a minimum of two years of prior
4 creditable coverage at least equivalent to the minimum creditable
5 coverage developed by the Managed Risk Medical Insurance Board
6 pursuant to Section 12739.50 and providing the person applies for
7 coverage in California within 62 days of termination or cancellation
8 of the prior creditable coverage.

9 (d) Any person who has been granted a temporary or permanent
10 hardship exemption from the requirement to maintain minimum
11 creditable coverage by the Managed Risk Medical Insurance Board
12 pursuant to subdivision (e) of Section 12739.50, during the time
13 period of the exemption, as determined by the board.

14 10934. (a) If an individual disenrolls from a health insurance
15 policy or health plan contract or if the individual's health insurance
16 policy or health plan contract is canceled pursuant to Section 10936
17 or Section 1399.839 of the Health and Safety Code prior to the
18 anniversary date of the health insurance policy or health plan
19 contract, subsequent enrollment in an individual health insurance
20 policy or individual health plan contract shall be limited to the
21 same coverage choice category the individual was enrolled in prior
22 to disenrollment or cancellation.

23 (b) (1) An individual may change to a health insurance policy
24 in a different coverage choice category only on the anniversary
25 date of the subscriber or upon a qualifying event.

26 (2) In no case, however, may an individual move up more than
27 one coverage choice category on the anniversary date of the
28 subscriber unless there is also a qualifying event.

29 (c) An individual health insurance policy described in
30 subdivision (a) of Section 10925 that does not meet or exceed the
31 minimum health care coverage requirements of Section 12739.50
32 shall be deemed to be the lowest coverage choice category for
33 purposes of this section.

34 (d) On and after January 1, 2011, an individual who fails to
35 comply with the provisions of Chapter 15 (commencing with
36 Section 8899.50) of Division 1 of Title 2 of the Government Code
37 for more than 62 days may only enroll in a health insurance policy
38 or health plan contract in the lowest coverage choice category.
39 Upon the individual's anniversary date, the individual may move
40 to a higher coverage choice category pursuant to subdivision (b).

1 (e) For purposes of this section, a qualifying event occurs upon
2 any of the following:

3 (1) Upon the death of the subscriber, on whose qualifying
4 coverage an individual was a dependent.

5 (2) Upon marriage of the subscriber or entrance by the subscriber
6 into a domestic partnership pursuant to Section 298.5 of the Family
7 Code.

8 (3) Upon divorce or legal separation of an individual from the
9 subscriber.

10 (4) Upon loss of dependent status by a dependent enrolled in
11 group health care coverage through a health care service plan or
12 a health insurer.

13 (5) Upon the birth or adoption of a child.

14 (6) Upon loss of minimum creditable coverage as defined by
15 the Managed Risk Medical Insurance Board pursuant to Section
16 12739.50.

17 10935. The commissioner may require a health insurer to
18 discontinue the offering of policies or acceptance of applications
19 from any individual upon a determination by the commissioner
20 that the health insurer does not have sufficient financial viability,
21 or organizational and administrative capacity to ensure the delivery
22 of health care services to its enrollees.

23 10936. All health insurance policies offered pursuant to this
24 chapter shall be renewable with respect to all individuals and
25 dependents at the option of the subscriber and shall not be canceled
26 except for the following reasons:

27 (a) Failure to pay any charges for coverage provided pursuant
28 to the contract if the subscriber has been duly notified and billed
29 for those charges and at least 15 days has elapsed since the date
30 of notification.

31 (b) Fraud or intentional misrepresentation of material fact under
32 the terms of the health insurance policy by the individual.

33 (c) Fraud or deception in the use of the services or facilities of
34 the health insurer or knowingly permitting that fraud or deception
35 by another.

36 (d) Movement of the subscriber outside the health insurer's
37 service area.

38 (e) If the health insurer ceases to provide or arrange for the
39 provision of health care services for new or existing individual

1 health insurance policies in this state, provided, however, that the
 2 following conditions are satisfied:

3 (1) Notice of the decision to cease new or existing individual
 4 health insurance policies in the state is provided to the
 5 commissioner and to the individual at least 180 days prior to
 6 discontinuation of that coverage.

7 (2) Individual health insurance policies shall not be canceled
 8 for 180 days after the date of the notice required under paragraph
 9 (1) and for that business of a health insurer that remains in force,
 10 any health insurer that ceases to offer for sale new individual health
 11 insurance policies shall continue to be governed by this chapter
 12 with respect to business conducted under this chapter.

13 (3) A health insurer that ceases to write new individual health
 14 insurance policies in this state after the effective date of this section
 15 shall be prohibited from offering for sale individual health
 16 insurance policies in this state for a period of five years from the
 17 date of notice to the commissioner. The commissioner may permit
 18 a health insurer to offer and sell individual health insurance policies
 19 in this state before the five-year time period has expired if the
 20 commissioner determines that it is in the best interest of the state
 21 and necessary to preserve the integrity of the health care market.

22 (f) If the health insurer withdraws an individual health insurance
 23 policy from the market, provided that the health insurer notifies
 24 all affected individuals and the commissioner at least 90 days prior
 25 to the discontinuation of these health insurance policies, and that
 26 the health insurer makes available to the individual all health
 27 insurance policies with comparable benefits that it makes available
 28 to new individual business.

29 (g) *On or after July 1, 2010, a health insurer shall not rescind*
 30 *the health insurance policy of any individual.*

31 (h) *Nothing in this article shall limit any other remedies*
 32 *available at law to a health insurer.*

33 10937. Premiums for health insurance policies offered or
 34 delivered by health insurers on or after the effective date of this
 35 chapter shall be subject to the following requirements:

36 (a) The premium for new or existing business shall be the
 37 standard risk rate for an individual in a particular risk category.

38 (b) The premium rates shall be in effect for no less than 12
 39 months from the date of the health insurance policy.

1 (c) When determining the premium rate for more than one
2 covered individual, the health insurer shall determine the rate based
3 on the standard risk rate for the subscriber. If more than one
4 individual is a subscriber, the premium rate shall be based on the
5 age of the youngest spouse or registered domestic partner.

6 (d) (1) Notwithstanding subdivision (a), for the first two years
7 following the implementation of this section, a health insurer may
8 apply a risk adjustment factor to the standard risk rate that may
9 not be more than 120 percent or less than 80 percent of the
10 applicable standard risk rate. In determining the risk adjustment
11 factor, a health insurer shall use the standardized form and process
12 developed by the Director of the Department of Managed Health
13 Care pursuant to subdivision (f) of Section 1399.840 of the Health
14 and Safety Code.

15 (2) After the first two years following the implementation of
16 this section, the adjustments applicable under paragraph (1) shall
17 not be more than 110 percent or less than 90 percent of the standard
18 risk rate.

19 (3) Upon the renewal of any contract, the risk adjustment factor
20 applied to the individual's rate may not be more than 5 percentage
21 points different than the factor applied to that rate prior to renewal.
22 The same limitation shall be applied to individuals with respect to
23 the risk adjustment factor applicable for the purchase of a new
24 product where the individual's prior health insurer has discontinued
25 that product.

26 (4) After the first four years following the implementation of
27 this section, a health insurer shall base rates on the standard risk
28 rate with no risk adjustment factor.

29 (e) The commissioner and the Director of the Department of
30 Managed Health Care shall jointly establish a maximum limit on
31 the ratio between the standard risk rates for contracts for individuals
32 in the 60 to 64 years of age, inclusive, category and contracts for
33 individuals in the 30 to 34 years of age, inclusive, category.

34 10938. (a) In connection with the offering for sale of any health
35 insurance policy to an individual, each health insurer shall make
36 a reasonable disclosure, as part of its solicitation and sales
37 materials, of all of the following:

38 (1) The provisions concerning the health insurer's right to
39 change premium rates on an annual basis and the factors other than

1 provision of services experience that affect changes in premium
2 rates.

3 (2) Provisions relating to the guaranteed issue and renewal of
4 individual health insurance policies.

5 (3) Provisions relating to the individual’s right to obtain any
6 health insurance policy the individual is eligible to enroll in
7 pursuant to Sections 10928 and 10934.

8 (4) The availability, upon request, of a listing of all the
9 individual health insurance policies offered by the health insurer,
10 including the rates for each health insurance policy.

11 (b) Every solicitor or solicitor firm contracting with one or more
12 health insurers to solicit enrollments or subscriptions from
13 individuals shall, when providing information on health insurance
14 policies to an individual but making no specific recommendations
15 on particular health insurance policies, do both of the following:

16 (1) Advise the individual of the health insurer’s obligation to
17 sell to any individual any health insurance policy it offers to
18 individuals and provide him or her, upon request, with the actual
19 rates that would be charged to that individual for a given health
20 insurance policy.

21 (2) Notify the individual that the solicitor or solicitor firm will
22 procure rate and benefit information for the individual on any
23 health insurance policy offered by a health insurer whose policy
24 the solicitor sells.

25 (c) Prior to filing an application for a particular individual health
26 insurance policy, the health insurer shall obtain a signed statement
27 from the individual acknowledging that the individual has received
28 the disclosures required by this section.

29 10939. (a) At least 20 business days prior to offering a health
30 insurance policy subject to this chapter, all health insurers shall
31 file with the commissioner a statement certifying that the health
32 insurer is in compliance with Sections 10920 and 10937. The
33 certified statement shall set forth the standard risk rate for each
34 risk category that will be used in setting the rates at which the
35 contract will be offered. Any action by the commissioner to
36 disapprove, suspend, or postpone the health insurer’s use of a
37 health insurance policy shall be in writing, specifying the reasons
38 that the health insurance policy does not comply with the
39 requirements of this chapter.

1 (b) Prior to making any changes in the standard risk rates filed
2 with the commissioner pursuant to subdivision (a), the health
3 insurer shall file as an amendment a statement setting forth the
4 changes and certifying that the health insurer is in compliance with
5 Sections 10920 and 10937. If the standard risk rate is being
6 changed, a health insurer may commence offering health insurance
7 policies utilizing the changed standard risk rate upon filing the
8 certified statement unless the commissioner disapproves the
9 amendment by written notice.

10 (c) Periodic changes to the standard risk rate that a health insurer
11 proposes to implement over the course of up to 12 consecutive
12 months may be filed in conjunction with the certified statement
13 filed under subdivision (a) or (b).

14 (d) Each health insurer shall maintain at its principal place of
15 business all of the information required to be filed with the
16 commissioner pursuant to this chapter.

17 (e) This section shall become operative on July 1, 2009.

18 10940. (a) A health insurer shall include all of the following
19 in the statement filed pursuant to subdivision (a) of Section 10939:

20 (1) A summary explanation of the following for each health
21 insurance policy offered to individuals:

22 (A) Eligibility requirements.

23 (B) The full premium cost of each health insurance policy in
24 each risk category, as defined in subdivision (k) of Section 10920.

25 (C) When and under what circumstances benefits cease.

26 (D) Other coverage that may be available if benefits under the
27 described health insurance policy cease.

28 (E) The circumstances under which choice in the selection of
29 physicians and providers is permitted.

30 (F) Deductibles.

31 (G) Annual out-of-pocket maximums.

32 (2) A summary explanation of coverage for the following,
33 together with the corresponding copayments, coinsurance, and
34 applicable limitations for each health insurance policy offered to
35 individuals:

36 (A) Professional services.

37 (B) Outpatient services.

38 (C) Preventive services.

39 (D) Hospitalization services.

40 (E) Emergency health coverage.

- 1 (F) Ambulance services.
- 2 (G) Prescription drug coverage.
- 3 (H) Durable medical equipment.
- 4 (I) Mental health and substance abuse services.
- 5 (J) Home health services.

6 (3) The telephone number or numbers that may be used by an
 7 applicant to access a health insurer customer service representative
 8 to request additional information about the health insurance policy.

9 (b) If any information provided pursuant to subdivision (a)
 10 changes, the health insurer shall provide to the commissioner, on
 11 an annual basis, an update of that information.

12 10941. The commissioner shall share the information provided
 13 by health insurers pursuant to this article with the Office of the
 14 Patient Advocate for purposes of the development, creation, and
 15 maintenance of the comparative benefits matrix described in
 16 Section 1399.834 of the Health and Safety Code.

17 10943. (a) The commissioner may issue regulations that are
 18 necessary to carry out the purposes of this chapter.

19 (b) Nothing in this chapter shall be construed as providing the
 20 commissioner with rate regulation authority.

21 10944. Sections ~~10925~~ 10922, 10925, and 10930 shall become
 22 operative on January 1, 2009, and Section 10939 shall become
 23 operative on July 1, 2009. All remaining sections of this chapter
 24 shall become operative on July 1, 2010.

25 SEC. 43. Section 12693.43 of the Insurance Code is amended
 26 to read:

27 12693.43. (a) Applicants applying to the purchasing pool shall
 28 agree to pay family contributions, unless the applicant has a family
 29 contribution sponsor. Family contribution amounts consist of the
 30 following two components:

- 31 (1) The flat fees described in subdivision (b) or (d).
- 32 (2) Any amounts that are charged to the program by participating
 33 health, dental, and vision plans selected by the applicant that exceed
 34 the cost to the program of the highest cost family value package
 35 in a given geographic area.

36 (b) In each geographic area, the board shall designate one or
 37 more family value packages for which the required total family
 38 contribution is:

- 39 (1) Seven dollars (\$7) per child with a maximum required
 40 contribution of fourteen dollars (\$14) per month per family for

1 applicants with annual household incomes up to and including 150
2 percent of the federal poverty level.

3 (2) Nine dollars (\$9) per child with a maximum required
4 contribution of twenty-seven dollars (\$27) per month per family
5 for applicants with annual household incomes greater than 150
6 percent and up to and including 200 percent of the federal poverty
7 level and for applicants on behalf of children described in clause
8 (ii) of subparagraph (A) of paragraph (6) of subdivision (a) of
9 Section 12693.70.

10 (3) On and after July 1, 2005, fifteen dollars (\$15) per child
11 with a maximum required contribution of forty-five dollars (\$45)
12 per month per family for applicants with annual household income
13 to which subparagraph (B) of paragraph (6) of subdivision (a) of
14 Section 12693.70 is applicable. Notwithstanding any other
15 provision of law, if an application with an effective date prior to
16 July 1, 2005, was based on annual household income to which
17 subparagraph (B) of paragraph (6) of subdivision (a) of Section
18 12693.70 is applicable, then this paragraph shall be applicable to
19 the applicant on July 1, 2005, unless subparagraph (B) of paragraph
20 (6) of subdivision (a) of Section 12693.70 is no longer applicable
21 to the relevant family income. The program shall provide prior
22 notice to any applicant for currently enrolled subscribers whose
23 premium will increase on July 1, 2005, pursuant to this paragraph
24 and, prior to the date the premium increase takes effect, shall
25 provide that applicant with an opportunity to demonstrate that
26 subparagraph (B) of paragraph (6) of subdivision (a) of Section
27 12693.70 is no longer applicable to the relevant family income.
28 On and after July 1, 2009, this paragraph shall only apply to
29 individuals to which clause (i), but not clause (ii), of subparagraph
30 (B) of paragraph (6) of subdivision (a) of Section 12693.70 is
31 applicable.

32 (4) On and after July 1, 2009, twenty-five dollars (\$25) per child
33 with a maximum required contribution of seventy-five dollars
34 (\$75) per month per family for applicants with annual household
35 income to which clause (ii) of subparagraph (B) of paragraph (6)
36 of subdivision (a) of Section 12693.70 is applicable.

37 (c) Combinations of health, dental, and vision plans that are
38 more expensive to the program than the highest cost family value
39 package may be offered to and selected by applicants. However,
40 the cost to the program of those combinations that exceeds the

1 price to the program of the highest cost family value package shall
2 be paid by the applicant as part of the family contribution.

3 (d) The board shall provide a family contribution discount to
4 those applicants who select the health plan in a geographic area
5 that has been designated as the Community Provider Plan. The
6 discount shall reduce the portion of the family contribution
7 described in subdivision (b) to the following:

8 (1) A family contribution of four dollars (\$4) per child with a
9 maximum required contribution of eight dollars (\$8) per month
10 per family for applicants with annual household incomes up to and
11 including 150 percent of the federal poverty level.

12 (2) Six dollars (\$6) per child with a maximum required
13 contribution of eighteen dollars (\$18) per month per family for
14 applicants with annual household incomes greater than 150 percent
15 and up to and including 200 percent of the federal poverty level
16 and for applicants on behalf of children described in clause (ii) of
17 subparagraph (A) of paragraph (6) of subdivision (a) of Section
18 12693.70.

19 (3) On and after July 1, 2005, twelve dollars (\$12) per child
20 with a maximum required contribution of thirty-six dollars (\$36)
21 per month per family for applicants with annual household income
22 to which subparagraph (B) of paragraph (6) of subdivision (a) of
23 Section 12693.70 is applicable. Notwithstanding any other
24 provision of law, if an application with an effective date prior to
25 July 1, 2005, was based on annual household income to which
26 subparagraph (B) of paragraph (6) of subdivision (a) of Section
27 12693.70 is applicable, then this paragraph shall be applicable to
28 the applicant on July 1, 2005, unless subparagraph (B) of paragraph
29 (6) of subdivision (a) of Section 12693.70 is no longer applicable
30 to the relevant family income. The program shall provide prior
31 notice to any applicant for currently enrolled subscribers whose
32 premium will increase on July 1, 2005, pursuant to this paragraph
33 and, prior to the date the premium increase takes effect, shall
34 provide that applicant with an opportunity to demonstrate that
35 subparagraph (B) of paragraph (6) of subdivision (a) of Section
36 12693.70 is no longer applicable to the relevant family income.
37 On and after July 1, 2009, this paragraph shall only apply to
38 individuals to which clause (i) but not clause (ii) of subparagraph
39 (B) of paragraph (6) of subdivision (a) of Section 12693.70 is
40 applicable.

1 (4) On and after July 1, 2009, twenty-two dollars (\$22) with a
2 maximum required contribution of sixty-six dollars (\$66) per month
3 per family for applicants with annual household income to which
4 clause (ii) of subparagraph (B) of paragraph (6) of subdivision (a)
5 of Section 12693.70 is applicable.

6 (e) Applicants, but not family contribution sponsors, who pay
7 three months of required family contributions in advance shall
8 receive the fourth consecutive month of coverage with no family
9 contribution required.

10 (f) Applicants, but not family contribution sponsors, who pay
11 the required family contributions by an approved means of
12 electronic fund transfer shall receive a 25-percent discount from
13 the required family contributions.

14 (g) It is the intent of the Legislature that the family contribution
15 amounts described in this section comply with the premium cost
16 sharing limits contained in Section 2103 of Title XXI of the Social
17 Security Act. If the amounts described in subdivision (a) are not
18 approved by the federal government, the board may adjust these
19 amounts to the extent required to achieve approval of the state
20 plan.

21 (h) The adoption and one readoption of regulations to implement
22 paragraph (3) of subdivision (b) and paragraph (3) of subdivision
23 (d) shall be deemed to be an emergency and necessary for the
24 immediate preservation of public peace, health, and safety, or
25 general welfare for purposes of Sections 11346.1 and 11349.6 of
26 the Government Code, and the board is hereby exempted from the
27 requirement that it describe specific facts showing the need for
28 immediate action and from review by the Office of Administrative
29 Law. For purposes of subdivision (e) of Section 11346.1 of the
30 Government Code, the 120-day period, as applicable to the
31 effective period of an emergency regulatory action and submission
32 of specified materials to the Office of Administrative law, is hereby
33 extended to 180 days.

34 SEC. 44. Section 12693.56 is added to the Insurance Code, to
35 read:

36 12693.56. (a) The board may provide or arrange for the
37 provision of an electronic personal health record for enrollees
38 receiving health care benefits, to the extent funds are appropriated
39 for this purpose. The record shall be provided for the purpose of
40 providing enrollees with information to assist them in

1 understanding their coverage benefits and managing their health
2 care.

3 (b) At a minimum, the personal health record shall provide
4 access to real-time, patient-specific information regarding
5 eligibility for covered benefits and cost sharing requirements. The
6 access may be provided through the use of an Internet-based
7 system.

8 (c) In addition to the data required pursuant to subdivision (b),
9 the board may determine that the personal health record shall also
10 incorporate additional data, including, but not limited to, laboratory
11 results, prescription history, claims history, and personal health
12 information authorized or provided by the enrollee. Inclusion of
13 this additional data shall be at the option of the enrollee.

14 (d) Systems or software that pertain to the personal health record
15 shall adhere to accepted national standards for interoperability,
16 privacy, and data exchange, or shall be certified by a nationally
17 recognized certification body.

18 (e) The personal health record shall comply with applicable
19 state and federal confidentiality and data security requirements.

20 SEC. 45. Section 12693.57 is added to the Insurance Code, to
21 read:

22 12693.57. Every person administering or providing benefits
23 under the program shall not elicit any information from the
24 applicant or subscriber that is not required to carry out the
25 provisions of law applicable to the program.

26 SEC. 46. Section 12693.58 is added to the Insurance Code, to
27 read:

28 12693.58. (a) All types of information, whether written or
29 oral, concerning an applicant, subscriber, or household member,
30 made or kept by any public officer or agency in connection with
31 the administration of any provision of this part shall be confidential,
32 and shall not be open to examination other than for purposes
33 directly connected with the administration of the Healthy Families
34 Program or the Medi-Cal program.

35 (b) Except as provided in this section and to the extent permitted
36 by federal law or regulation, all information about applicants,
37 subscribers, and household members to be safeguarded as provided
38 for in subdivision (a) includes, but is not limited to, names and
39 addresses, medical services provided, social and economic
40 conditions or circumstances, agency evaluation of personal

1 information, and medical data, including diagnosis and past history
2 of disease or disability.

3 (c) Purposes directly connected with the administration of the
4 Healthy Families Program encompass all activities and
5 responsibilities in which the Managed Risk Medical Insurance
6 Board and its agents, officers, trustees, employees, consultants,
7 and contractors are engaged to conduct program operations.
8 Purposes directly connected with the administration of the
9 Medi-Cal program encompass all activities and responsibilities in
10 which the State Department of Health Care Services and its agents,
11 officers, trustees, employees, consultants, and contractors are
12 engaged to conduct program operations.

13 (d) Nothing in this section shall be construed to prohibit the
14 disclosure of information about the applicant, subscriber, or
15 household member when the applicant, subscriber, or household
16 member to whom the information pertains or the parent or adult
17 with legal custody provides express written authorization.

18 (e) Nothing in this part shall prohibit the disclosure of protected
19 health information as provided in Section 164.512 of Title 45 of
20 the Code of Federal Regulations.

21 (f) In the event of a conflict between this section and Section
22 14100.2 of the Welfare and Institutions Code, the latter section
23 shall control.

24 SEC. 47. Section 12693.59 is added to the Insurance Code, to
25 read:

26 12693.59. Nothing in this part shall preclude the board from
27 soliciting voluntary participation by applicants and subscribers in
28 communicating with the board, or with any other party, concerning
29 their needs as well as the needs of others who are not adequately
30 covered by existing private and public health care delivery systems
31 or concerning means of ensuring the availability of adequate health
32 care services. The board shall inform applicants and subscribers
33 that their participation is voluntary and shall inform them of the
34 uses for which the information is intended.

35 SEC. 48. Section 12693.70 of the Insurance Code is amended
36 to read:

37 12693.70. To be eligible to participate in the program, an
38 applicant shall meet all of the following requirements:

39 (a) Be an applicant applying on behalf of an eligible child, which
40 means a child who is all of the following:

- 1 (1) Less than 19 years of age. An application may be made on
2 behalf of a child not yet born up to three months prior to the
3 expected date of delivery. Coverage shall begin as soon as
4 administratively feasible, as determined by the board, after the
5 board receives notification of the birth. However, no child less
6 than 12 months of age shall be eligible for coverage until 90 days
7 after the enactment of the Budget Act of 1999.
- 8 (2) Not eligible for no-cost full-scope Medi-Cal or Medicare
9 coverage at the time of application.
- 10 (3) In compliance with Sections 12693.71 and 12693.72.
- 11 (4) A child who meets citizenship and immigration status
12 requirements that are applicable to persons participating in the
13 program established by Title XXI of the Social Security Act, except
14 as specified in Section 12693.76.
- 15 (5) A resident of the State of California pursuant to Section 244
16 of the Government Code; or, if not a resident pursuant to Section
17 244 of the Government Code, is physically present in California
18 and entered the state with a job commitment or to seek
19 employment, whether or not employed at the time of application
20 to or after acceptance in, the program.
- 21 (6) (A) In either of the following:
- 22 (i) In a family with an annual or monthly household income
23 equal to or less than 200 percent of the federal poverty level.
- 24 (ii) When implemented by the board, subject to subdivision (b)
25 of Section 12693.765 and pursuant to this section, a child under
26 the age of two years who was delivered by a mother enrolled in
27 the Access for Infants and Mothers Program as described in Part
28 6.3 (commencing with Section 12695). Commencing July 1, 2007,
29 eligibility under this subparagraph shall not include infants during
30 any time they are enrolled in employer-sponsored health insurance
31 or are subject to an exclusion pursuant to Section 12693.71 or
32 12693.72, or are enrolled in the full scope of benefits under the
33 Medi-Cal program at no share of cost. For purposes of this clause,
34 any infant born to a woman whose enrollment in the Access for
35 Infants and Mothers Program begins after June 30, 2004, shall be
36 automatically enrolled in the Healthy Families Program, except
37 during any time on or after July 1, 2007, that the infant is enrolled
38 in employer-sponsored health insurance or is subject to an
39 exclusion pursuant to Section 12693.71 or 12693.72, or is enrolled
40 in the full scope of benefits under the Medi-Cal program at no

1 share of cost. Except as otherwise specified in this section, this
2 enrollment shall cover the first 12 months of the infant's life. At
3 the end of the 12 months, as a condition of continued eligibility,
4 the applicant shall provide income information. The infant shall
5 be disenrolled if the gross annual household income exceeds the
6 income eligibility standard that was in effect in the Access for
7 Infants and Mothers Program at the time the infant's mother
8 became eligible, or following the two-month period established
9 in Section 12693.981 if the infant is eligible for Medi-Cal with no
10 share of cost. At the end of the second year, infants shall again be
11 screened for program eligibility pursuant to this section, with
12 income eligibility evaluated pursuant to clause (i), subparagraphs
13 (B) and (C), and paragraph (2) of subdivision (a).

14 (B) (i) All income over 200 percent of the federal poverty level
15 but less than or equal to 250 percent of the federal poverty level
16 shall be disregarded in calculating annual or monthly household
17 income.

18 (ii) On and after July 1, 2009, all income over 250 percent of
19 the federal poverty level but less than or equal to 300 percent of
20 the federal poverty level shall also be disregarded in calculating
21 annual or monthly household income.

22 (C) Prior to July 1, ~~2010~~ 2009, in a family with an annual or
23 monthly household income greater than 250 percent of the federal
24 poverty level, any income deduction that is applicable to a child
25 under Medi-Cal shall be applied in determining the annual or
26 monthly household income. If the income deductions reduce the
27 annual or monthly household income to 250 percent or less of the
28 federal poverty level, subparagraph (B) shall be applied.

29 (D) On and after July 1, 2009, in a family with an annual or
30 monthly household income greater than 300 percent of the federal
31 poverty level, any income deduction that is applicable to a child
32 under Medi-Cal shall be applied in determining the annual or
33 monthly household income. If the income deductions reduce the
34 annual or monthly household income to 300 percent or less of the
35 federal poverty level, subparagraph (B) shall be applied.

36 (b) The applicant shall agree to remain in the program for six
37 months, unless other coverage is obtained and proof of the coverage
38 is provided to the program.

39 (c) An applicant shall enroll all of the applicant's eligible
40 children in the program.

1 (d) In filing documentation to meet program eligibility
2 requirements, if the applicant's income documentation cannot be
3 provided, as defined in regulations promulgated by the board, the
4 applicant's signed statement as to the value or amount of income
5 shall be deemed to constitute verification.

6 (e) An applicant shall pay in full any family contributions owed
7 in arrears for any health, dental, or vision coverage provided by
8 the program within the prior 12 months.

9 (f) By January 2008, the board, in consultation with
10 stakeholders, shall implement processes by which applicants for
11 subscribers may certify income at the time of annual eligibility
12 review, including rules concerning which applicants shall be
13 permitted to certify income and the circumstances in which
14 supplemental information or documentation may be required. The
15 board may terminate using these processes not sooner than 90 days
16 after providing notification to the Chair of the Joint Legislative
17 Budget Committee. This notification shall articulate the specific
18 reasons for the termination and shall include all relevant data
19 elements that are applicable to document the reasons for the
20 termination. Upon the request of the Chair of the Joint Legislative
21 Budget Committee, the board shall promptly provide any additional
22 clarifying information regarding implementation of the processes
23 required by this subdivision.

24 SEC. 49. Section 12693.73 of the Insurance Code is amended
25 to read:

26 12693.73. (a) Notwithstanding any other provision of law,
27 children excluded from coverage under Title XXI of the Social
28 Security Act are not eligible for coverage under the program, except
29 as specified in clause (ii) of subparagraph (A) of paragraph (6) of
30 subdivision (a) of Section 12693.70 and Section 12693.76.

31 (b) On and after July 1, 2009, children who otherwise meet
32 eligibility requirements for the program but for their immigration
33 status are eligible for the program.

34 SEC. 50. Section 12693.76 of the Insurance Code is amended
35 to read:

36 12693.76. (a) Notwithstanding any other provision of law, a
37 child who is a qualified alien as defined in Section 1641 of Title
38 8 of the United States Code Annotated shall not be determined
39 ineligible solely on the basis of his or her date of entry into the
40 United States.

1 (b) Notwithstanding any other provision of law, subdivision (a)
2 may only be implemented to the extent provided in the annual
3 Budget Act.

4 (c) Notwithstanding any other provision of law, any uninsured
5 parent or responsible adult who is a qualified alien, as defined in
6 Section 1641 of Title 8 of the United States Code, shall not be
7 determined to be ineligible solely on the basis of his or her date
8 of entry into the United States.

9 (d) Notwithstanding any other provision of law, subdivision (c)
10 may only be implemented to the extent of funding provided in the
11 annual Budget Act.

12 (e) Notwithstanding any other provision of law, on and after
13 July 1, 2009, a child who is otherwise eligible to participate in the
14 program shall not be determined ineligible solely on the basis of
15 his or her immigration status.

16 SEC. 51. Section 12693.766 is added to the Insurance Code,
17 to read:

18 12693.766. (a) To establish that the individual meets the
19 requirements under subdivision (b) of Section 12693.73 and
20 subdivision (e) of Section 12693.76, the parent or caretaker relative
21 shall sign under penalty of perjury an attestation that the individual
22 is not described in any of the categories enumerated on the
23 attestation for which federal financial participation for full-scope
24 services is available.

25 (b) In implementing this section, the board shall consult with
26 stakeholders, including, but not limited to, consumer advocates
27 and counties.

28 (c) Nothing in this section shall be construed to limit a child's
29 access to Medi-Cal or Healthy Families eligibility under existing
30 law.

31 (d) This section shall become operative July 1, 2009.

32 ~~SEC. 52. Section 12694.5 is added to the Insurance Code, to~~
33 ~~read:~~

34 ~~12694.5. Upon implementation of Section 14005.311 of the~~
35 ~~Welfare and Institutions Code, a county may make determinations~~
36 ~~of eligibility for the Healthy Families Program and for the~~
37 ~~Cal-CHIPP Healthy Families Plan provided by the program~~
38 ~~established pursuant to Part 6.45 (commencing with Section~~
39 ~~12699.201).~~

1 SEC. 53. Part 6.45 (commencing with Section 12699.201) is
2 added to Division 2 of the Insurance Code, to read:

3
4 PART 6.45. THE CALIFORNIA COOPERATIVE HEALTH
5 INSURANCE PURCHASING PROGRAM

6
7 CHAPTER 1. GENERAL PROVISIONS

8
9 12699.201. For the purposes of this part, the following terms
10 have the following meanings:

11 (a) “Benefit plan design” means a specific health coverage
12 product offered for sale and includes services covered and the
13 levels of copayments, deductibles, and annual out-of-pocket
14 expenses, and may include the professional providers who are to
15 provide those services and the sites where those services are to be
16 provided. A benefit plan design may also be an integrated system
17 for the financing and delivery of quality health care services that
18 has significant incentives for the covered individuals to use the
19 system.

20 (b) “Board” means the Managed Risk Medical Insurance Board.

21 (c) “California Cooperative Health Insurance Purchasing
22 Program” or “Cal-CHIPP” means the statewide purchasing pool
23 established pursuant to this part and administered by the board.

24 (d) “Dependent” means the spouse, child, or registered domestic
25 partner of an individual, subject to applicable terms of the health
26 plan contract covering the individual.

27 (e) “Enrollee” means an individual who is eligible for, and
28 participates in, Cal-CHIPP.

29 (f) “Fund” means the California Health Trust Fund established
30 pursuant to Section 12699.212.

31 (g) “Cal-CHIPP Healthy Families plan” shall mean health care
32 coverage provided through a health care service plan or a health
33 insurer that provides for individuals eligible pursuant to Section
34 12699.211.01 of the Insurance Code, or Section 14005.301 or
35 14005.305 of the Welfare and Institutions Code, coverage that, at
36 a minimum, provides the same covered services and benefits
37 required under the Knox-Keene Health Care Service Plan Act of
38 1975 (Chapter 2.2 (commencing with Section 1340) of Division
39 2 of the Health and Safety Code) plus prescription drug benefits.
40 Prescription drug benefits shall, at minimum, provide coverage

1 for outpatient generic prescription drugs and brand name drugs
2 when a prescription drug that is prescribed has no generic
3 equivalent or when an individual is unable to achieve the desired
4 therapeutic result with a generic drug. Prescription drug coverage
5 may be subject to utilization controls.

6 (h) “Participating dental plan” means either a dental insurer
7 holding a valid certificate of authority from the commissioner or
8 a specialized health care service plan, as defined by subdivision
9 (o) of Section 1345 of the Health and Safety Code, that contracts
10 with the board to provide or to sell dental coverage to enrollees.

11 (i) “Participating health plan” means either a private health
12 insurer holding a valid outstanding certificate of authority from
13 the commissioner or a health care service plan as defined under
14 subdivision (f) of Section 1345 of the Health and Safety Code that
15 contracts with the board to provide or to sell coverage in
16 Cal-CHIPP and, pursuant to its contract with the board, provides,
17 arranges, pays for, or reimburses the costs of health services for
18 Cal-CHIPP enrollees.

19 (j) “Participating vision care plan” means either an insurer
20 holding a valid certificate of authority from the commissioner that
21 issues vision-only coverage or a specialized health care service
22 plan, as defined by subdivision (o) of Section 1345 of the Health
23 and Safety Code, that contracts with the board to provide or to sell
24 vision coverage to enrollees.

25
26 CHAPTER 2. ADMINISTRATION
27

28 12699.202. (a) The board shall be responsible for establishing
29 Cal-CHIPP and administering this part.

30 (b) The board may do all of the following consistent with the
31 standards of this part:

32 (1) Determine eligibility, enrollment, and disenrollment criteria
33 and processes for Cal-CHIPP consistent with the eligibility
34 standards in Chapter 3 (commencing with Section 12699.211) and,
35 for Cal-CHIPP Healthy Families plan enrollees, the enrollment
36 process developed pursuant to Section 12699.211.04.

37 (2) Determine the participation requirements for enrollees.

38 (3) Determine the participation requirements and the standards
39 and selection criteria for participating health, dental, and vision

- 1 care plans, including reasonable limits on a plan’s administrative
- 2 costs.
- 3 (4) Determine when an enrollee’s coverage commences and the
- 4 extent and scope of coverage.
- 5 (5) Determine premium schedules, collect the premiums, and
- 6 administer subsidies to eligible enrollees.
- 7 (6) Determine rates paid to participating health, dental, and
- 8 vision care plans.
- 9 (7) Provide, or make available, coverage through participating
- 10 health plans in Cal-CHIPP.
- 11 (8) Provide, or make available, coverage through participating
- 12 dental and vision care plans in Cal-CHIPP.
- 13 (9) Provide for the processing of applications and the enrollment
- 14 and disenrollment of enrollees.
- 15 (10) Determine and approve the benefit designs and cost-sharing
- 16 provisions for participating health, dental, and vision care plans.
- 17 (11) Enter into contracts.
- 18 (12) Sue and be sued.
- 19 (13) Employ necessary staff.
- 20 (14) Authorize expenditures, as necessary, from the fund to pay
- 21 program expenses that exceed enrollee contributions and to
- 22 administer Cal-CHIPP.
- 23 (15) Issue rules and regulations, as necessary.
- 24 (16) Maintain enrollment and expenditures to ensure that
- 25 expenditures do not exceed the amount of revenue available in the
- 26 fund, and if sufficient revenue is not available to pay the estimated
- 27 expenditures, the board shall institute appropriate measures to
- 28 ensure fiscal solvency. This paragraph shall not be construed to
- 29 allow the board to deny enrollment of a person who otherwise
- 30 meets the eligibility requirements of Chapter 3 (commencing with
- 31 Section 12699.211) in order to ensure the fiscal solvency of the
- 32 fund.
- 33 (17) Establish the criteria and procedures through which
- 34 employers direct employees’ premium dollars, withheld under the
- 35 terms of a cafeteria plan pursuant to Section 4801 of the
- 36 Unemployment Insurance Code, to Cal-CHIPP to be credited
- 37 against the employees’ premium obligations.
- 38 (18) Share information obtained pursuant to this part with the
- 39 Employment Development Department solely for the purpose of
- 40 the administration and enforcement of this part.

1 (19) Exercise all powers reasonably necessary to carry out the
2 powers and responsibilities expressly granted or imposed by this
3 part.

4 12699.203. In developing the benefit plan designs, the board
5 shall comply with all of the following:

6 (a) The board shall take into consideration the levels of health
7 care coverage provided in the state and medical economic factors
8 as may be deemed appropriate.

9 (b) The Cal-CHIP Healthy Families plan shall meet the
10 requirements of the Knox-Keene Health Care Service Plan Act of
11 1975 (Chapter 2.2 (commencing with Section 1340) of Division
12 2 of the Health and Safety Code), and shall include prescription
13 drug benefits, combined with enrollee cost-sharing levels that
14 promote prevention and health maintenance, including appropriate
15 cost-sharing for physician office visits, diagnostic laboratory
16 services, and maintenance medications to manage chronic diseases.
17 Prescription drug benefits shall, at minimum, provide coverage
18 for outpatient generic prescription drugs and brand name drugs
19 when a prescription drug that is prescribed has no generic
20 equivalent or when an individual is unable to achieve the desired
21 therapeutic result with a generic drug. Prescription drug coverage
22 may be subject to utilization controls.

23 (c) For individuals ineligible for a Cal-CHIP Healthy Families
24 plan, the board shall make available, at a minimum, one product
25 that offers the same benefits as the minimum health care coverage
26 defined in Section 12739.50 and one product each from coverage
27 choice categories 3 and 5, established pursuant to Section 10930
28 and Section 1399.832 of the Health and Safety Code.
29 Notwithstanding Section 1399.828 of the Health and Safety Code
30 and Section 10927, this coverage shall be subject to the same rules
31 as set forth in Article 11.6 (commencing with Section 1399.820)
32 of Chapters 2.2 of Division 2 of the Health and Safety Code or as
33 set forth in Chapter 9.6 (commencing with Section 10919) of Part
34 2.

35 (d) The board may make available, through the program, dental
36 and vision coverage for individuals eligible for and enrolled in
37 other health benefit coverage through the pool under this part, if
38 the board makes all of the following determinations:

39 (1) Making that coverage available will provide a significant
40 benefit for the health coverage marketplace in the state.

1 (2) Making that coverage available will be cost effective.
 2 (3) The board can make that coverage available on a guarantee
 3 issue basis without undue risk of adverse selection.

4 (e) In determining enrollee and dependent cost-sharing for the
 5 Cal-CHIPP Healthy Families plan, the board shall consider whether
 6 those costs would deter an enrollee or his or her dependents from
 7 obtaining appropriate and timely care, including those enrollees
 8 with a low or moderate family income. The board shall also
 9 consider the impact of these costs on an enrollee’s ability to afford
 10 health care services.

11 (f) The board shall consult with the Insurance Commissioner,
 12 the Director of the Department of Managed Health Care, and the
 13 Director of Health Care Services. As a condition of eligibility for
 14 the Cal-CHIPP Healthy Families plan, enrollees shall provide all
 15 necessary information and documentation to meet the minimum
 16 federal requirements necessary for federal claiming.

17 12699.204. (a) The board may adjust premiums at a public
 18 meeting of the board after providing, at minimum, 60 days’ public
 19 notice of the adjustment. In making the adjustment, the board shall
 20 take into account the costs of health care typically paid for by
 21 employers and employees in California.

22 (b) The following premiums shall apply to coverage under this
 23 part for the population eligible for coverage pursuant to Section
 24 12699.211.01 of the Insurance Code and Sections 14005.301 and
 25 14005.305 of the Welfare and Institutions Code.

26 (1) For individuals with a family income less than or equal to
 27 150 percent of the federal poverty level, no premiums or
 28 out-of-pocket costs shall be allowed.

29 (2) For individuals with a family income above 150 percent but
 30 less than or equal to 250 percent of the federal poverty level
 31 premiums shall not exceed 5 percent of the family income net of
 32 applicable deductions.

33 (c) For health care coverage made available pursuant to this
 34 part for enrollees ineligible for a Cal-CHIPP Healthy Families
 35 plan, the applicable premiums shall be commensurate with the full
 36 premium cost of the coverage choice made by the enrollee.
 37 However, enrollees eligible for the state health care tax credit
 38 established pursuant to Section 17052.30 of the Revenue and
 39 Taxation Code may reduce their premiums by the value of the
 40 credit. The board shall provide an additional contribution equal to

1 20 percent of the premium of a tier 1 product in the pool, at a
2 minimum, to employees with incomes at or above 250 percent of
3 the federal poverty level whose employers pay into the fund. The
4 amount of this contribution may be applied to any product offered
5 by the California Cooperative Health Insurance Purchasing
6 Program except the Cal-CHIPP Healthy Families plan.

7 ~~(d) For dental and vision coverage made available pursuant to
8 this part, the applicable premiums shall be commensurate with the
9 cost of obtaining the coverage from participating plans, and the
10 administrative cost associated with providing the coverage.~~

11 (e)

12 (d) An employer may pay all, or a portion of, the premium
13 payment required of its employees enrolled in Cal-CHIPP.

14 12699.204.1. The board shall limit enrollment in the Cal-CHIPP
15 Healthy Families plan to individuals who are eligible under Sections
16 14005.301 and 14005.305 of the Welfare and Institutions Code
17 and to individuals eligible under Section 12699.211.01 with a
18 family income greater than 100 percent of the federal poverty level.

19 12699.206. (a) The board shall negotiate with Medi-Cal
20 managed care plans to obtain affordable coverage for eligible
21 enrollees. *Nothing in this subdivision shall limit the ability of the
22 board to contract with other licensed health care service plans or
23 health insurers holding a valid certificate of authority.*

24 (b) The board, in consultation with the State Department of
25 Health Care Services, shall take all reasonable steps necessary to
26 maximize federal funding and support federal claiming in the
27 administration of the purchasing pool created pursuant to this part.

28 12699.206.1. (a) To provide prescription drug coverage for
29 Cal-CHIPP enrollees, the board may take any of the following
30 actions:

31 (1) Contract directly with health care service plans or health
32 insurers for prescription drug coverage as a component of a health
33 care service plan contract or a health insurance policy.

34 (2) Procure products directly through the prescription drug
35 purchasing program established pursuant to Chapter 12
36 (commencing with Section 14977) of Part 5.5 of Division 3 of
37 Title 2 of the Government Code.

38 (b) The board may engage in any of the activities described in
39 subdivision (a), or in any cost-effective combination of those
40 activities.

1 (c) If the board enters into a prescription drug purchasing
2 arrangement pursuant to paragraph (2) of subdivision (a), the board
3 may allow any of the following entities to participate in that
4 arrangement:

5 (1) Any state, district, county, city, municipal, or other public
6 agency or governmental entity.

7 (2) A board of trustees or plan administrator responsible for
8 providing or delivering health care coverage pursuant to a collective
9 bargaining agreement, memorandum of understanding, or other
10 similar agreement with a labor organization. Nothing in this section
11 shall modify, alter or amend the fiduciary duties of these entities
12 under applicable federal and state laws.

13 (d) Notwithstanding this section, any licensed health care service
14 plan shall be subject to all statutory and regulatory requirements
15 applicable to coverage for prescription drugs under the Knox-Keene
16 Health Care Service Plan Act of 1975.

17 12699.206.2. (a) All information, whether written or oral,
18 concerning an applicant to Cal-CHIPP, an enrollee in Cal-CHIPP,
19 or a household member of the applicant or enrollee, created or
20 maintained by a public officer or agency in connection with the
21 administration of this part shall be confidential and shall not be
22 open to examination other than for purposes directly connected
23 with the administration of this part. "Purposes directly connected
24 with the administration of this part" includes all activities and
25 responsibilities in which the board or the State Department of
26 Health Care Services and their agents, officers, trustees, employees,
27 consultants, and contractors engage to conduct program operations.

28 (b) Information subject to the provisions of this section includes,
29 but is not limited to, names and addresses, medical services
30 provided to an enrollee, social and economic conditions or
31 circumstances, agency evaluation of personal information, and
32 medical data, such as diagnosis and health history.

33 (c) Nothing in this section shall be construed to prohibit the
34 disclosure of information about applicants and enrollees, or their
35 household members, if express written authorization for the
36 disclosure has been provided by the person to whom the
37 information pertains or, if that person is a minor, authorization has
38 been provided by the minor's parent or other adult with legal
39 custody of the minor.

1 (d) The use and disclosure of information concerning an
2 applicant or enrollee in the program who is a beneficiary in the
3 Medi-Cal program or an applicant to the Medi-Cal program shall
4 be strictly limited to the circumstances described in Section
5 14100.2 of the Welfare and Institutions Code.

6 (e) Except as provided in subdivision (d), nothing in this part
7 shall prohibit the disclosure of protected health information as
8 provided in Section 164.152 of Title 45 of the Code of Federal
9 Regulations.

10 12699.207. (a) Notwithstanding any other provision of law,
11 the board shall not be subject to licensure or regulation by the
12 Department of Insurance or the Department of Managed Health
13 Care.

14 (b) Participating health, dental, and vision care plans that
15 contract with the board shall be regulated by either the Department
16 of Insurance or the Department of Managed Health Care and shall
17 be licensed and in good standing with their respective licensing
18 agency. In their application to Cal-CHIPP and upon request by the
19 board, the participating health, dental, and vision care plans shall
20 provide assurance of their licensure and standing with the
21 appropriate licensing agency.

22 12699.208. The board shall collect and disseminate, as
23 appropriate and to the extent possible, information on the quality
24 of participating health, dental, and vision care plans and each plan's
25 cost-effectiveness to assist enrollees in selecting a plan.

26 *12699.208.01. Participating carriers may contract with agents
27 or brokers to provide marketing and servicing of health benefits
28 coverage offered through the program. Any commissions set and
29 paid pursuant to this section shall be determined by the
30 participating carrier and the agent or broker.*

31 *12699.208.02. (a) In addition to the duties specified in Section
32 12699.202, the board shall coordinate with the Franchise Tax
33 Board in the administration of the tax credit established by Section
34 17052.30 of the Revenue and Taxation Code.*

35 *(b) The board shall, on behalf of an enrollee who is a qualified
36 taxpayer as defined in Section 17052.30 of the Revenue and
37 Taxation Code, pay any premium credit advance that may be
38 authorized to that qualified taxpayer or to the participating health
39 plan in which the enrollee receives coverage for himself or herself
40 or for his or her dependents.*

1 (c) A participating health plan providing coverage pursuant to
2 this part shall credit payments under this section against the
3 enrollee's premium.

4 (d) In administering this section the board shall:

5 (1) Exchange information, including the total amount of
6 qualified premiums paid by each taxpayer during the calendar
7 year, total amount of any premium credit advances paid to or on
8 behalf of each taxpayer during the calendar year, the specific
9 average premium amounts by age category for a plan from
10 coverage choice category 3 offered pursuant to subdivision (c) of
11 Section 12699.203, and other necessary or appropriate
12 information, with the Franchise Tax Board solely for the purpose
13 of the administration and enforcement of Section 17052.30 of the
14 Revenue and Taxation Code and any premium credit advance that
15 may be authorized.

16 (2) Administer any premium credit advance that may be
17 authorized.

18 (3) Establish the form and manner by which a qualified taxpayer
19 applies for any premium credit advance that may be authorized,
20 which shall include the provision of the applicant's social security
21 number or other taxpayer identification number.

22 (4) Provide each qualified taxpayer an annual statement
23 regarding premiums paid and any premium credit advances that
24 may be authorized to be paid to the qualified taxpayer or to a
25 participating plan on behalf of the qualified taxpayer.

26 (e) For purposes of this section, "premium credit advance"
27 means any premium credit advance that may be authorized in
28 accordance with the intent reflected in Section 17052.31 of the
29 Revenue and Taxation Code.

30 12699.209. The board shall consult and coordinate with the
31 State Department of Health Care Services in seeking federal
32 financial support for Cal-CHIP Healthy Families coverage
33 provided pursuant to this part. To the extent that the state obtains
34 federal financial support for that subsidized coverage, the coverage
35 shall be subject to the terms, conditions, and duration of any
36 applicable state plan amendment or waiver. To the extent required
37 to obtain federal financial support, the board shall apply citizenship,
38 immigration, and identity documentation standards required in
39 Title XIX of the federal Social Security Act.

1 12699.210. The provisions of Section 12693.54 shall apply to
2 a contract entered into pursuant to this part.

3
4 CHAPTER 3. ELIGIBILITY
5

6 12699.211. To be eligible to enroll in Cal-CHIPP, an individual
7 must be a resident of the state pursuant to Section 244 of the
8 Government Code or physically present in the state, having entered
9 the state with an employment commitment or to obtain
10 employment, whether or not employed at the time of application
11 to Cal-CHIPP or after enrollment in Cal-CHIPP. In addition, to
12 be eligible to enroll in Cal-CHIPP, an individual must meet one
13 of the following requirements:

14 (a) Be an employee or a dependent of an employee of an
15 employer who elected to pay into the California Health Trust Fund.

16 (b) Be an individual eligible for coverage pursuant to Section
17 14005.301 or 14005.305 of the Welfare and Institutions Code.

18 (c) Be an individual described in Section 12699.211.01.

19 ~~(d) Be an individual enrolled in coverage pursuant to subdivision~~
20 ~~(e) of Section 12739.51.~~

21 (e)

22 (d) Be an employee or his or her dependent paying the full cost
23 of health care coverage through an employee tax savings plan
24 established pursuant to Section 4801 of the Unemployment
25 Insurance Code, where the employer designates Cal-CHIPP in the
26 cafeteria plan.

27 (f)

28 (e) Be eligible for a state tax credit made available pursuant to
29 Section 17052.30 of the Revenue and Taxation Code.

30 12699.211.01. (a) Eligibility for *coverage under this part shall*
31 *be available through* enrollment in the Cal-CHIPP Healthy
32 Families plan ~~under this part shall be available~~ to a population
33 composed of individuals who meet all of the following
34 requirements:

35 (1) Is a resident of the state pursuant to Section 244 of the
36 Government Code or is physically present in the state, having
37 entered the state with an employment commitment or to obtain
38 employment, whether or not employed at the time of application
39 to the program.

1 (2) Is a citizen or national of the United States or a qualified
2 alien without regard to date of entry.

3 (3) Is 19 years of age or older and is ineligible for Medicare
4 Parts A and B.

5 (4) Has family income, less applicable deductions, greater than
6 100 percent of the federal poverty level but less than or equal to
7 250 percent of the federal poverty level.

8 (5) Is ineligible for the Medi-Cal program.

9 ~~(6) Is eligible to participate in a benchmark package pursuant
10 to Section 14005.306 of the Welfare and Institutions Code.~~

11 ~~(7) Does not have access to employer-sponsored health care
12 coverage. However, this provision shall not apply to a person with
13 coverage under Section 14005.301 or 14005.305 of the Welfare
14 and Institutions Code.~~

15 *(6) Is not offered employer-sponsored health care coverage or
16 where there is no financial contribution toward the premium by
17 the employer on behalf of the employee.*

18 (b) ~~(1)~~ Implementation of this section is contingent on the
19 establishment of a county share of cost.

20 ~~(2) The provisions of paragraph (1) shall not apply to a person
21 with coverage under Section 14005.301 or 14005.305 of the
22 Welfare and Institutions Code.~~

23 12699.211.02. (a) The following program decisions may be
24 appealed to the board:

25 (1) A decision that an individual is not qualified to participate
26 or continue to participate in the program.

27 (2) A decision that an individual is not eligible for enrollment
28 or continuing enrollment in the program.

29 (3) A decision as to the effective date of coverage.

30 (b) An applicant or subscriber who appeals one of the decisions
31 listed in subdivision (a) shall be accorded an opportunity for an
32 administrative hearing. The hearing shall be conducted, insofar as
33 practicable, pursuant to Chapter 5 (commencing with Section
34 11500) of Part 1 of Division 3 of the Government Code.

35 (c) To the extent required by law, the board shall implement
36 this section consistent with applicable federal law.

37 12699.211.03. The board may, through regulations adopted
38 pursuant to Chapter 3.5 (commencing with Section 11340) of Part
39 1 of Division 3 of Title 2 of the Government Code, allow
40 individuals who enrolled in coverage under this chapter and who

1 would be otherwise ineligible to continue that coverage, to be
2 eligible for extended coverage for a period of time established by
3 the board, not to exceed 18 months from the date of ineligibility,
4 if the individual pays the entire cost for the coverage. Coverage
5 extension policies under this section may not increase coverage
6 costs for other pool participants. The board may differentiate or
7 delimit eligibility or conditions for such continuation coverage, as
8 well as the rating factors used, depending on the basis of initial
9 eligibility and the coverage options available to that person.

10 12699.211.04. The State Department of Health Care Services,
11 in consultation with the board, shall convene a stakeholders group
12 to develop an outreach and enrollment process for the purchasing
13 pool program that is cost effective and coordinated with the
14 Medi-Cal and Healthy Families programs, in order to ensure
15 seamless access to coverage through these programs for eligible
16 Californians. The process and procedures shall be subject to
17 implementation through future legislative action. The involved
18 stakeholders shall include, but not be limited to, legislative staff,
19 counties, consumer organizations, labor organizations, and others
20 as appropriate. In developing the procedures, items to be considered
21 shall include, but not be limited to, simplicity and ease of
22 enrollment, current enrollment practices, quality, accuracy,
23 competence, customer service, cost-effectiveness, need for
24 automation, problem resolution, timeliness, and ensuring that
25 federal requirements regarding screening and enrollment processes
26 and procedures are met. Implementation of the process shall be
27 contingent on funding being appropriated for this purpose.

28
29 CHAPTER 4. FISCAL
30

31 12699.212. (a) The California Health Trust Fund is hereby
32 ~~created in the State Treasury. Notwithstanding Section 13340 of~~
33 ~~the Government Code, the moneys in the fund shall be continuously~~
34 ~~appropriated to the board, without regard to fiscal year, for the~~
35 ~~purposes of providing health care coverage pursuant to this part.~~
36 *created in the State Treasury for the purpose of the Health Care*
37 *Security and Cost Reduction Act.* Any moneys in the fund that are
38 unexpended or unencumbered at the end of a fiscal year, may be
39 carried forward to the next succeeding fiscal year.

40 (b) The board shall establish a prudent reserve in the fund.

1 (c) Notwithstanding Section 16305.7 of the Government Code,
2 all interest earned on the moneys that have been deposited into the
3 fund shall be retained in the fund.

4 ~~12699.214. The board shall authorize, for the purposes of this~~
5 ~~part, the expenditure from the fund of any state or federal revenue~~
6 ~~or other revenue received from any source.~~

7 12699.216. The board, subject to federal approval *and an*
8 *appropriation therefor*, shall pay the nonfederal share of cost from
9 the fund for individuals eligible under that federal approval.
10 Revenues in the fund shall be used, *upon appropriation*, to the
11 extent allowable under federal law, as state matching funds for
12 receipt of federal funds.

13 12699.217. This part shall become operative on January 1,
14 2009. The board shall provide health coverage pursuant to this
15 part on and after July 1, 2010.

16 SEC. 54. Part 6.7 (commencing with Section 12739.50) is
17 added to Division 2 of the Insurance Code, to read:

18

19 PART 6.7. MINIMUM CREDITABLE COVERAGE

20

21 12739.50. (a) On or before March 1, 2009, the Managed Risk
22 Medical Insurance Board shall establish, by regulation, the
23 definition of minimum creditable coverage for purposes of
24 compliance with the requirement in Section 8899.50 of the
25 Government Code. On or before March 1, 2009, the board shall
26 also establish, by regulation, ~~the definition of standards for~~
27 ~~minimum creditable coverage for purposes of~~ *that at a minimum*
28 *apply to* the individual health insurance market. The standards set
29 by the board pursuant to this section shall ensure that minimum
30 creditable coverage at least includes coverage for physician,
31 hospital, and preventive services and is at a minimum inclusive of
32 existing coverage requirements under law.

33 (b) The board shall consult with the Director of the Department
34 of Managed Health Care and the Insurance Commissioner in
35 developing the standards for minimum creditable coverage.

36 (c) In establishing the standards for minimum creditable
37 coverage, including the scope of services, enrollee and dependent
38 deductible, copayment requirements, and coverage of services
39 outside the deductible, the board shall consider all of the following:

1 (1) The degree to which minimum creditable coverage protects
2 individuals subject to the requirement of Section 8899.50 of the
3 Government Code and health purchasers from catastrophic medical
4 costs.

5 (2) The extent to which cost sharing, including any deductible,
6 coinsurance, or copayment requirements, would deter an enrollee
7 or his or her dependents from obtaining appropriate and timely
8 care, including consideration of coverage for prevention services
9 that would not be subject to any deductible. The board shall
10 consider the importance of encouraging periodic health evaluations
11 and the use of services that have been shown to be effective in
12 detecting or preventing serious illness.

13 (3) The affordability of the minimum policy for individuals who
14 are subject to the requirements of Section 8899.50 of the
15 Government Code, taking into account deductibles, coinsurance,
16 copayments, and total out-of-pocket costs, and the extent to which
17 the resulting premium cost would prevent an individual from
18 obtaining coverage at a reasonable price.

19 (4) *The extent to which and under what circumstances benefits*
20 *offered or provided by a bona fide church, sect, denomination, or*
21 *organization whose principles include healing entirely by prayer*
22 *or spiritual means may be included in or qualify as meeting the*
23 *requirement to maintain minimum creditable coverage under*
24 *Section 8899.50 of the Government Code.*

25 12739.501. (a) A person or family who has an income at or
26 below 250 percent of the federal poverty level shall be exempt
27 from the requirements established in Section 8899.50 of the
28 Government Code if the person's or family's share of the premium
29 for 8899.50 minimum creditable coverage exceeds 5 percent of
30 his or her family's income.

31 (b) In addition to the exemption pursuant to subdivision (a), the
32 board shall adopt regulations by January 1, 2010, to establish
33 affordability and hardship standards for purposes of the
34 requirements in Section 8899.50 of the Government Code. In
35 developing these standards, the board shall consider all of the
36 following:

37 (1) The availability of public coverage, subsidies, and tax credits
38 for low-income individuals and families.

1 (2) Total out-of-pocket costs associated with minimum
2 creditable coverage, including premiums, co-pays, coinsurance,
3 and deductibles.

4 (3) The percentage or amount of a taxpayer's adjusted gross
5 income that the individual would be required to contribute toward
6 premiums for health care.

7 (4) The percentage of family income that persons insured across
8 all health care markets currently spend on their health care
9 premiums, copays, coinsurance, and deductibles.

10 (5) The percentage of insured persons who meet or exceed their
11 deductibles.

12 (6) The impact of the premium amount on the ability of an
13 individual or family to afford other necessities of life, including,
14 but not limited to, expenses for housing, utilities, food, clothing,
15 child care, transportation, education, and taxes. It is the intent of
16 the Legislature that an individual's contributions toward health
17 care coverage premiums not interfere with his or her ability to pay
18 for basic necessities of life.

19 (7) The effect of the exemption criteria on premium levels for
20 all health care coverage purchasers.

21 (8) Specific circumstances and conditions that could make it a
22 temporary hardship for an individual to be required to purchase
23 minimum creditable coverage, such as significant increases in
24 basic living expenses because of unexpected changes in family
25 circumstances, expenses or living arrangements or hardship that
26 results from a fire, flood, natural disaster or other unexpected
27 natural or human-caused event causing substantial household or
28 personal damage.

29 (c) The board shall develop a process for considering requests
30 for exemptions for affordability and hardship and for granting
31 those exemptions if the board determines that the purchase or
32 continuation of minimum creditable coverage would create an
33 undue hardship on an individual or family. The board shall consider
34 the offering of both temporary and continuing hardship exemptions
35 and shall establish the timelines and the process whereby an
36 individual and family must obtain coverage after the expiration of
37 a temporary exemption and the board shall establish an individual's
38 rights and responsibilities related to obtaining that coverage.
39 Individuals who are granted an exemption by the board shall not

1 be subject to the requirements of Section 8899.50 of the
2 Government Code for the period prescribed by the board.

3 (d) The board shall track and identify, to the extent feasible, the
4 number of individuals who are exempted from the mandate to
5 maintain minimum creditable coverage in Section 8899.50 of the
6 Government Code as a result of the exemptions developed by the
7 board, including the specific types and categories of those
8 exemptions, and report the information to the Legislature and to
9 the Director of the Department of Managed Health Care to be used
10 in establishing the reinsurance mechanisms in Section 1399.844
11 of the Health and Safety Code.

12 12739.51. (a) On or before January 1, 2010, the Managed Risk
13 Medical Insurance Board shall establish and maintain an active
14 statewide education and awareness program to inform all California
15 residents of their obligation under Section 8899.50 of the
16 Government Code, including informing them of the options
17 available to obtain affordable coverage through public programs,
18 the state purchasing pool, and commercial coverage.

19 (b) The board, in consultation with the State Department of
20 Health Care Services, shall identify and implement methods and
21 strategies to establish multiple entry points and opportunities for
22 enrollment in public or private coverage, as appropriate, for
23 individuals subject to Section 8899.50 of the Government Code.
24 The board shall work with state and local agencies, health care
25 providers, health plans, employers, consumer groups, community
26 organizations, and other appropriate stakeholders to establish
27 point-of-service methods to facilitate enrollment of individuals
28 who do not have or maintain minimum creditable coverage as
29 required under Section 8899.50 of the Government Code. The
30 board shall identify and implement in state-administered health
31 care programs, to the greatest extent practicable and permissible
32 under federal law, best practices for streamlined eligibility and
33 enrollment.

34 (c) The board shall establish methods by which individuals who
35 have not obtained health care coverage shall be informed of the
36 method available to obtain affordable coverage through public
37 programs, the program established pursuant to Part 6.45
38 (commencing with Section 12699.201) of Division 2 of the
39 Insurance Code, and commercial coverage. The board shall also
40 establish methods to ensure that uninsured individuals obtain the

1 minimum creditable coverage. The board shall pay the cost of
2 health care coverage on behalf of ~~an~~ a previously uninsured
3 individual who is enrolled in minimum *creditable coverage* by the
4 board after being ~~creditable coverage~~ uninsured for at least 62
5 days, and the board shall establish methods by which funds
6 advanced for coverage may be recouped by the state from
7 individuals for whom coverage is purchased. The board may enter
8 into an agreement with the Franchise Tax Board to use the
9 Franchise Tax Board's civil authority and procedures in compliance
10 with notice and other due process requirements imposed by law
11 to collect funds owed to the state that were advanced to individuals
12 pursuant to this subdivision.

13 (d) To the extent possible, activities undertaken pursuant to
14 subdivision (c) shall be based on existing reporting processes
15 employed throughout the state to report on the employment and
16 tax status of individuals and other existing mechanisms. Relevant
17 state agencies shall cooperate with the board and other responsible
18 entities in undertaking these activities and implementing this
19 section.

20 (e) The board may enter into agreements with other agencies
21 or departments to perform the activities required under this section.
22 Prior to entering into any agreements, the board shall report to the
23 Legislature on the activities to be undertaken pursuant to
24 subdivision (c). The report shall include the method by which
25 individuals with and without coverage are identified, the method
26 by which persons are to be given notice of the availability of
27 coverage and the timeframe to enroll, the actions that will be taken
28 to enroll uninsured persons, and the actions that will be taken if
29 persons do not enroll in minimum creditable coverage. The board
30 shall submit the required report by March 15, 2010.

31 (f) The board shall adopt regulations, as appropriate, to
32 implement this section.

33 (g) Implementation of this section shall be contingent on the
34 appropriation of funds for the purposes of this section in the annual
35 Budget Act or another statute.

36 SEC. 55. Section 12886 is added to the Insurance Code, to
37 read:

38 12886. It shall constitute an unfair labor practice contrary to
39 public policy, and enforceable under Section 95 of the Labor Code,
40 for an employer to refer an individual employee or employee's

1 dependent to the program established pursuant to Part 6.45
2 (commencing with Section 12699.201), or to arrange for an
3 individual employee or employee's dependent to apply to that
4 program, for the purpose of separating that employee or employee's
5 dependent from group health coverage provided in connection
6 with the employee's employment. An employer who pays the
7 premium for the employee in the program established pursuant to
8 Part 6.45 (commencing with Section 12699.201) shall not, on the
9 basis of that action, be deemed to be in violation of this section.

10 SEC. 56. Section 12887 is added to the Insurance Code, to
11 read:

12 12887. It shall constitute an unfair labor practice contrary to
13 public policy and enforceable under Section 95 of the Labor Code
14 for an employer to change the employee-employer share-of-cost
15 ratio based upon the employee's wage base or job classification
16 or to make any modification of coverage for employees and
17 employees' dependents in order that the employees or employees'
18 dependents enroll in the program established pursuant to Part 6.45
19 (commencing with Section 12699.201).

20 SEC. 57. Section 96.8 is added to the Labor Code, to read:

21 96.8. (a) Notwithstanding any other provision in this chapter,
22 an employer may provide health coverage that includes a Healthy
23 Action Incentives and Rewards Program that meets the
24 requirements of Section 1367.38 of the Health and Safety Code,
25 or Section 10123.56 of the Insurance Code, to the employer's
26 employees.

27 (b) A Healthy Action Incentives and Rewards Program offered
28 pursuant to this section may include, but need not be limited to,
29 monetary incentives and health coverage premium cost reductions
30 for employees for nonsmokers and smoking cessation.

31 SEC. 57.1. Section 17052.30 is added to the Revenue and
32 Taxation Code, to read:

33 17052.30. (a) (1) For each taxable year beginning on or after
34 January 1, 2010, and before January 1, 2015, there shall be
35 allowed as a credit against the "net tax," as defined in Section
36 17039, an amount equal to those qualified health care plan
37 premium costs that are in excess of 5.5 percent of a qualified
38 taxpayer's adjusted gross income for the taxable year.

39 (2) The amount of credit otherwise allowed under paragraph
40 (1) shall be reduced by 1 percent for every 2 percent by which the

1 *qualified taxpayer's adjusted gross income exceeds 300 percent*
 2 *of the applicable federal poverty level.*

3 *(3) No credit shall be allowed under this section to a qualified*
 4 *taxpayer with adjusted gross income in excess of 400 percent of*
 5 *the applicable federal poverty level.*

6 *(4) (A) In the case of any taxpayer who is not a qualified*
 7 *taxpayer for the entire taxable year, the allowable credit under*
 8 *paragraph (1) shall be computed by first dividing the total adjusted*
 9 *gross income of the qualified taxpayer by 12, and then multiplying*
 10 *that amount by the number of months during the taxable year that*
 11 *the taxpayer is a qualified taxpayer.*

12 *(B) Paragraphs (2) and (3) shall apply to any taxpayer described*
 13 *in subparagraph (A), without the adjustment required under*
 14 *subparagraph (A).*

15 *(C) The maximum amount of credit for any month computed*
 16 *pursuant to this paragraph shall not exceed the maximum monthly*
 17 *credit amount prescribed in paragraph (5).*

18 *(5) (A) The maximum annual and monthly allowable credit*
 19 *amounts for health care premiums shall be as follows:*

20
 21 *Maximum Annual Credit Amount*

Age	Single	Subscriber	Subscriber	Subscriber	Family
		& Spouse	& Child	& Children	
19-29	\$0	\$665	\$629	\$816	\$1,500

16 (B) For each taxable year beginning on or after January 1,
 17 2010, the Franchise Tax Board shall recompute the maximum
 18 annual and monthly credit amounts reflected in subparagraph (A)
 19 to reflect the change in the California Consumer Price Index, U
 20 Medical Care, from July 1, 2007, to June 30 of the calendar year
 21 immediately preceding the beginning of the taxable year for which
 22 the recomputation is to be made.

23 (C) The Department of Industrial Relations shall transmit
 24 annually to the Franchise Tax Board, no later than August 1 of
 25 the current calendar year, the percentage change in the California
 26 Consumer Price Index, U Medical Care, from July 1 of the prior
 27 calendar year to June 30 of the current calendar year.

28 (D) Notwithstanding any other provision of this section or any
 29 premium credit advance that may be authorized in accordance
 30 with the intent reflected in Section 17052.31, the maximum
 31 allowable amount of either of those credits shall not exceed the
 32 applicable maximum credit amounts identified in subparagraph
 33 (A), as recomputed in accordance with subparagraph (B).

34 (b) For purposes of this section:

35 (1) "Adjusted gross income" means adjusted gross income as
 36 computed for purposes of Section 17072.

37 (2) (A) "Federal poverty level" has the same meaning as
 38 poverty guidelines updated periodically in the Federal Register
 39 by the United States Department of Health and Human Services
 40 pursuant to Section 9902(2) of Title 42 of the United States Code.

1 (B) For purposes of determining the applicable federal poverty
2 level, family size equals the sum of the number of individuals,
3 including a taxpayer, spouse, and each dependent reported on the
4 return for the taxable year.

5 (3) “MRMIB” means the Managed Risk Medical Insurance
6 Board in its capacity in administering the program established
7 pursuant to Article 6.45 (commencing with Section 12699.201) of
8 Division 2 of the Insurance Code.

9 (4) “Premium for a plan from coverage choice category 3”
10 means the monthly average cost, as determined and updated
11 annually by the MRMIB, of a health care service plan contract or
12 health insurance policy from coverage choice category 3 of the
13 products offered by MRMIB pursuant to subdivision (c) of Section
14 12699.203 of the Insurance Code for the applicable age category.
15 The MRMIB shall provide to the Franchise Tax Board the specific
16 premium amounts for this plan for purposes of determining the
17 qualified health care plan premium cost, as described in paragraph
18 (6) of this subdivision.

19 (5) “Qualified health care plan” means any health plan, other
20 than a Cal-CHIPP Healthy Families Plan, purchased through the
21 MRMIB pursuant to subdivision (c) of Section 12699.203 of the
22 Insurance Code that provides health care coverage to satisfy the
23 requirements established pursuant to Section 8899.50 of the
24 Government Code for a qualified taxpayer, his or her spouse, or
25 their dependents, including any health insurance policy or health
26 care service plan contract.

27 (6) “Qualified health care plan premium costs” means amounts
28 paid by the qualified taxpayer during the taxable year for a
29 qualified health care plan that are equal to 75 percent of the lesser
30 of either of the following:

31 (A) The qualified premiums paid during the taxable year by the
32 qualified taxpayer.

33 (B) The monthly premium for a plan from coverage choice
34 category 3 multiplied by the number of months during the taxable
35 year that the taxpayer is a qualified taxpayer.

36 (7) “Qualified premiums” means the amounts paid by a
37 qualified taxpayer to purchase a qualified health care plan through
38 the MRMIB for coverage for the period during which the taxpayer
39 is a qualified taxpayer. Any premium credit advance, as may be
40 authorized in accordance with the intent reflected in Section

1 17052.31, used by the MRMIB to pay all or a portion of premiums
2 payable of a qualified taxpayer, shall be considered “qualified
3 premiums.”

4 (8) (A) “Qualified taxpayer” means any taxpayer whose
5 adjusted gross income for the taxable year is at least 250 percent,
6 but not in excess of 400 percent, of the applicable federal poverty
7 level for the calendar year that begins in the taxable year for which
8 the credit is claimed.

9 (B) (i) Except as provided in clause (ii), any taxpayer who is
10 eligible to receive coverage under a group health plan that is
11 offered through the taxpayer’s employment or through the
12 employment of the taxpayer’s spouse for which the employer pays
13 any portion of the cost is not a qualified taxpayer under
14 subparagraph (A) during any period that the taxpayer is eligible
15 to receive coverage as described in this subparagraph.

16 (ii) A taxpayer shall be considered a qualified taxpayer if the
17 group health plan described in clause (i) does not provide coverage
18 with respect to one or more dependents of the taxpayer, but only
19 to the extent of the qualified health care plan premium costs paid
20 by the taxpayer with respect to those dependents.

21 (C) Any taxpayer who is eligible to receive coverage under the
22 Cal-CHIPP Healthy Families Plan pursuant to Part 6.45
23 (commencing with Section 12699.201) of Division 2 of the
24 Insurance Code or the Medi-Cal program established pursuant to
25 Chapter 7 (commencing with Section 14000) of Part 3 of Division
26 9 of the Welfare and Institutions Code is not a qualified taxpayer
27 under subparagraph (A) during any period that the taxpayer is
28 eligible to receive coverage as described in this subparagraph.

29 (9) “Dependent” means dependent as defined in Section 8899.50
30 of the Government Code.

31 (c) In the case of a married couple, the credit allowed by this
32 section shall be claimed on a joint return.

33 (d) In the case where the credit allowed under this section
34 exceeds the “net tax,” the excess shall be credited against other
35 amounts due, if any, by the qualified taxpayer and the balance, if
36 any, shall, upon appropriation by the Legislature, be refunded to
37 the qualified taxpayer.

38 (e) The Franchise Tax Board, in consultation with the MRMIB,
39 may prescribe those regulations as may be necessary or
40 appropriate to carry out the purposes of this section.

1 (f) (1) All amounts deposited into the California Health Trust
2 Fund established pursuant to Section 12699.212 of the Insurance
3 Code shall, upon appropriation by the Legislature, be transferred
4 as follows:

5 (A) To the MRMIB for purposes of advancing the refundable
6 credit for the purchase of health care plan premiums.

7 (B) To the Franchise Tax Board for the purpose of recovering
8 the amounts expended from the Tax Relief and Refund Account
9 for amounts claimed as credits against tax liability and amounts
10 in excess of tax liability as authorized under subdivision (d).

11 (2) The Franchise Tax Board shall notify the MRMIB of the
12 aggregate amount of tax credits allowed pursuant to subdivision
13 (a) in each fiscal quarter.

14 (g) (1) No credit shall be allowed under this section for any
15 taxable year in the disallowance period.

16 (2) For purposes of this section, the “disallowance period” is
17 either of the following:

18 (A) The period of two taxable years after the most recent taxable
19 year for which there was a final determination that the taxpayer’s
20 claim of credit under this section was due to fraud.

21 (B) The period of two taxable years after the most recent taxable
22 year for which there was a final determination that the taxpayer’s
23 claim of credit under this section was due to reckless or intentional
24 disregard of rules and regulations, but not due to fraud.

25 (h) This section shall remain in effect only until December 31,
26 2015, and as of that date is repealed.

27 SEC. 57.2. Section 17052.31 is added to the Revenue and
28 Taxation Code, to read:

29 17052.31. It is the intent of the Legislature to enact legislation
30 to authorize the credit under Section 17052.30 to be advanceable.

31 SEC. 57.3. Section 17052.32 is added to the Revenue and
32 Taxation Code, to read:

33 17052.32. It is the intent of the Legislature to enact legislation
34 to authorize a health care coverage credit for persons who are
35 between the ages of 50 and 64, inclusive, and are not qualified
36 taxpayers as defined in paragraph (8) of subdivision (b) of Section
37 17052.30, to the extent fiscal resources are available, not to exceed
38 fifty million dollars (\$50,000,000) annually, subject to an
39 appropriation.

1 *SEC. 57.4. Section 19167 of the Revenue and Taxation Code*
2 *is amended to read:*

3 19167. A penalty shall be imposed under this section for any
4 of the following:

5 (a) In accordance with Section 6695(a) of the Internal Revenue
6 Code, for failure to furnish a copy of the return to the taxpayer, as
7 required by Section 18625.

8 (b) In accordance with Section 6695(c) of the Internal Revenue
9 Code, for failure to furnish an identifying number, as required by
10 Section 18624.

11 (c) In accordance with Section 6695(d) of the Internal Revenue
12 Code, for failure to retain a copy or list, as required by Section
13 18625 or for failure to retain an electronic filing declaration, as
14 required by Section 18621.5.

15 (d) Failure to register as a tax preparer with the California Tax
16 Education Council, as required by Section 22253 of the Business
17 and Professions Code, unless it is shown that the failure was due
18 to reasonable cause and not due to willful neglect.

19 (1) The amount of the penalty under this subdivision for the
20 first failure to register is two thousand five hundred dollars
21 (\$2,500). This penalty shall be waived if proof of registration is
22 provided to the Franchise Tax Board within 90 days from the date
23 notice of the penalty is mailed to the tax preparer.

24 (2) The amount of the penalty under this subdivision for a failure
25 to register, other than the first failure to register, is five thousand
26 dollars (\$5,000).

27 (e) The Franchise Tax Board shall not impose the penalties
28 authorized by subdivision (d) until either one of the following has
29 occurred:

30 (1) Commencing January 1, 2006, and continuing each year
31 thereafter, there is an appropriation in the Franchise Tax Board's
32 annual budget to fund the costs associated with the penalty
33 authorized by subdivision (d).

34 (2) (A) An agreement has been executed between the California
35 Tax Education Council and the Franchise Tax Board that provides
36 that an amount equal to all first year costs associated with the
37 penalty authorized by subdivision (d) shall be received by the
38 Franchise Tax Board. For purposes of this subparagraph, first year
39 costs include, but are not limited to, costs associated with the

1 development of processes or systems changes, if necessary, and
2 labor.

3 (B) An agreement has been executed between the California
4 Tax Education Council and the Franchise Tax Board that provides
5 that the annual costs incurred by the Franchise Tax Board
6 associated with the penalty authorized by subdivision (d) shall be
7 reimbursed by the California Tax Education Council to the
8 Franchise Tax Board.

9 (C) Pursuant to the agreement described in subparagraph (A),
10 the Franchise Tax Board has received an amount equal to the first
11 year costs described in that subparagraph.

12 (f) (1) *In accordance with Section 6695(g) of the Internal*
13 *Revenue Code, as modified by paragraphs (2) and (3), for failure*
14 *to be diligent in determining eligibility for the refundable credit*
15 *authorized under Section 17052.30.*

16 (2) *The amount of the penalty imposed under this subdivision*
17 *shall be one thousand dollars (\$1,000) for each failure.*

18 (3) *For purposes of the penalty imposed under this subdivision,*
19 *the due diligence requirements imposed by the Secretary of the*
20 *Treasury under Section 6695(g) of the Internal Revenue Code,*
21 *and any regulations promulgated thereunder, shall be modified*
22 *by the Franchise Tax Board through instructions or notices.*

23 SEC. 57.5. *Section 19528.5 is added to the Revenue and*
24 *Taxation Code, to read:*

25 19528.5. (a) *Notwithstanding any other law, the Franchise*
26 *Tax Board may establish an agreement with the Managed Risk*
27 *Medical Insurance Board under which the MRMIB provides a*
28 *report to the Franchise Tax Board, at a time and in the manner*
29 *prescribed by the Franchise Tax Board, the following information*
30 *with respect to every individual that purchased a health care plan*
31 *through the MRMIB in the calendar year:*

32 (1) *Name.*

33 (2) *Address or addresses of record.*

34 (3) *Social security number or other taxpayer identification*
35 *number.*

36 (4) *Total amount of health care plan premiums paid in the*
37 *calendar year.*

38 (5) *Total amount of premium credit advances, as may be*
39 *authorized in accordance with the intent reflected in Section*
40 *17052.31, for purchase of premiums in the calendar year.*

1 (b) *The reports required under this section shall be transmitted*
2 *through a secure electronic process in a form and manner as shall*
3 *be jointly determined by the MRMIB and the Franchise Tax Board.*

4 (c) *Information provided to the Franchise Tax Board by the*
5 *MRMIB shall be used only for tax administration purposes and*
6 *shall be deemed to be return information within the meaning of*
7 *Section 19549.*

8 *SEC. 57.6. Section 19553.5 is added to the Revenue and*
9 *Taxation Code, to read:*

10 19553.5. (a) *Subject to the limitations of this section and*
11 *federal law, including Section 6103 of the Internal Revenue Code,*
12 *the Franchise Tax Board may provide the Managed Risk Medical*
13 *Insurance Board with information obtained from a state income*
14 *tax return for purposes of verifying income, filing status, and*
15 *number of dependents of an applicant for health care plan coverage*
16 *obtained through the MRMIB. Use of the information provided*
17 *under this section shall be limited to determining eligibility for*
18 *premium credit advances, as may be authorized in accordance*
19 *with the intent reflected in Section 17052.31.*

20 (b) *Neither the MRMIB nor any officer, employee, or agent, or*
21 *former officer, employee, or agent, of the MRMIB may disclose*
22 *or use any information obtained from the Franchise Tax Board*
23 *pursuant to this section except for the purposes of administering*
24 *health care plan coverage for taxpayers.*

25 *SEC. 57.7. Section 19611 of the Revenue and Taxation Code*
26 *is amended to read:*

27 19611. (a) *The Tax Relief and Refund Account is hereby*
28 *created in the General Fund. Notwithstanding Section 13340 of*
29 *the Government Code, all moneys in the Tax Relief and Refund*
30 *Account are hereby continuously appropriated, without regard to*
31 *fiscal year, to the Franchise Tax Board for purposes of making all*
32 *payments as provided in this section.*

33 (b) *Notwithstanding any other law, all payments required to be*
34 *made to taxpayers or other persons from the Personal Income Tax*
35 *Fund shall be paid from the Tax Relief and Refund Account.*

36 (c) *The Controller shall transfer, as needed, to the Tax Relief*
37 *and Refund Account:*

38 (1) *From the unexpended balance of the annual Budget Act*
39 *appropriation for Item 9100-101-001, Schedule 80-Renter's Tax*
40 *Relief, an amount determined by the Franchise Tax Board to be*

1 equivalent to the total amount of renters’ assistance credits and
 2 refunds allowed under Section 17053.5.

3 (A) If there is no unexpended balance of the appropriation, as
 4 provided for in paragraph (1), the Controller shall transfer sufficient
 5 moneys from the Personal Income Tax Fund to make the renters’
 6 assistance credits and refunds until there is an unexpended balance.

7 (B) Subsequent to there being no unexpended balance of the
 8 appropriation, as provided for in paragraph (1), and there being a
 9 transfer of moneys from the Personal Income Tax Fund to make
 10 the renters’ assistance credits and refunds, reimbursement shall be
 11 made from the unexpended balance of the appropriation as provided
 12 for in paragraph (1) to the Personal Income Tax Fund. However,
 13 if no such appropriation is subsequently made, reimbursement
 14 shall be made from the General Fund.

15 (2) From the disability fund, the amount transferable to the
 16 General Fund pursuant to subdivision (a) of Section 1176.5 of the
 17 Unemployment Insurance Code.

18 (3) From the Personal Income Tax Fund, such additional
 19 amounts as determined by the Franchise Tax Board to be necessary
 20 to make the payments required under this section.

21 (4) *Upon appropriation by the Legislature, the following*
 22 *transfers shall be made:*

23 (A) *From the unexpended balance of the California Health Trust*
 24 *Fund established pursuant to Section 12699.215 of the Insurance*
 25 *Code, an amount determined by the Franchise Tax Board to be*
 26 *equivalent to the total amount of health care premium credits*
 27 *allowed under Section 17052.30.*

28 (B) *If there is no unexpended balance of the California Health*
 29 *Trust Fund, as provided for in this paragraph, the Controller shall,*
 30 *upon appropriation by the Legislature, transfer sufficient moneys*
 31 *from the Personal Income Tax Fund for credits allowed under*
 32 *Section 17052.30.*

33 (C) *Subsequent to there being no unexpended balance of the*
 34 *California Health Trust Fund, as provided for in this paragraph,*
 35 *and there being a transfer of moneys from the Personal Income*
 36 *Tax Fund to allow the health care premium credits, reimbursement*
 37 *shall, upon appropriation by the Legislature, be made from the*
 38 *unexpended balance of the California Health Trust Fund, as*
 39 *provided for in this paragraph, to the Personal Income Tax Fund.*
 40 *However, if no such appropriation is subsequently made,*

1 reimbursement shall, upon appropriation by the Legislature, be
2 made from the General Fund.

3 SEC. 58. Section 301.1 is added to the Unemployment
4 Insurance Code, to read:

5 301.1. (a) The Employment Development Department shall
6 establish data collection and reporting methods and requirements,
7 compatible with existing forms and filings that employers submit
8 to the department, to collect and report information related to
9 employer health expenditures on behalf of their employees.

10 (b) The Employment Development Department shall report on
11 the data collected pursuant to subdivision (a) to the Managed Risk
12 Medical Insurance Board and to the Legislature on an annual
13 basis commencing April 1, 2011.

14 (c) The Employment Development Department may adopt
15 regulations to implement this section as needed.

16 ~~SEC. 58.~~

17 SEC. 58.5. Section 1120 is added to the Unemployment
18 Insurance Code, to read:

19 1120. Any employer who fails to establish or maintain a
20 cafeteria plan as required by Section 4801 shall pay a penalty of
21 one hundred dollars (\$100) per employee for the failure to establish
22 or maintain a cafeteria plan without good cause, or five hundred
23 dollars (\$500) per employee if the failure to establish or maintain
24 a cafeteria plan is willful.

25 SEC. 59. Division 1.2 (commencing with Section 4800) is
26 added to the Unemployment Insurance Code, to read:

27

28 DIVISION 1.2. HEALTH CARE TAX SAVINGS PLAN

29

30 4800. This division shall be known and may be cited as the
31 Health Care Tax Savings Plan.

32 4801. (a) Each employer of one or more employees in this
33 state shall, beginning January 1, 2010, adopt and maintain a
34 cafeteria plan, within the meaning of Section 125 of the Internal
35 Revenue Code, to allow all employees to pay premiums for health
36 care coverage to the extent amounts for that coverage are
37 excludable from the gross income of the employee under Section
38 106 of the Internal Revenue Code.

39 (b) The establishment or maintenance of a cafeteria plan shall
40 neither be inconsistent with Section 125 of Title 26 of the United

1 States Code, nor require any employer to take any action that would
2 violate Section 125 of Title 26 of the United States Code.

3 (c) For the purposes of this division, the following definitions
4 apply:

5 (1) “Employee” means an employee as defined in Article 1.5
6 (commencing with Section 621) of Chapter 3 of Part 1 of Division
7 1.

8 (2) “Employer” means an employer as defined in Article 3
9 (commencing with Section 675) of Chapter 3 of Part 1 of Division
10 1, except as described in subdivision (a) of Section 683 and in
11 subdivision (a) of Section 685.

12 (3) “Employing unit” means an “employing unit” as defined in
13 Section 135.

14 (4) “Employment” means employment as defined in Article 1
15 (commencing with Section 601) of Chapter 3 of Part 1 of Division
16 1. “Employment” does not include services excluded under Section
17 632, subdivision (c) of Section 634.5, and Sections 640, 641, 643,
18 644, and 644.5.

19 (d) The department shall promulgate rules and regulations to
20 implement the provisions of this division.

21 ~~SEC. 60. Section 14005.01 is added to the Welfare and
22 Institutions Code, to read:~~

23 ~~14005.01. (a) Notwithstanding any other provision of law, the
24 department may make statewide determinations and
25 redeterminations of eligibility and may contract with a county or
26 counties to perform these functions on its behalf regardless of
27 whether the applicant or beneficiary is a resident of the county
28 making the determination.~~

29 ~~(b) The department may apply subdivision (a) to any group or
30 subgroup of applicants or recipients, provided that the eligibility
31 of that group or subgroup is not based on its status as aged, blind,
32 or disabled.~~

33 ~~(c) The department may contract with an agent or agents to
34 make preliminary eligibility determinations and redeterminations
35 under this section.~~

36 ~~SEC. 60. Section 12306.1 of the Welfare and Institutions Code
37 is amended to read:~~

38 ~~12306.1. (a) When any increase in provider wages or benefits
39 is negotiated or agreed to by a public authority or nonprofit
40 consortium under Section 12301.6, then the county shall use~~

1 county-only funds to fund both the county share and the state share,
2 including employment taxes, of any increase in the cost of the
3 program, unless otherwise provided for in the annual Budget Act
4 or appropriated by statute. No increase in wages or benefits
5 negotiated or agreed to pursuant to this section shall take effect
6 unless and until, prior to its implementation, the department has
7 obtained the approval of the State Department of Health Services
8 for the increase pursuant to a determination that it is consistent
9 with federal law and to ensure federal financial participation for
10 the services under Title XIX of the federal Social Security Act,
11 and unless and until all of the following conditions have been met:

12 (1) Each county has provided the department with
13 documentation of the approval of the county board of supervisors
14 of the proposed public authority of nonprofit consortium rate,
15 including wages and related expenditures. The documentation shall
16 be received by the department before the department and the State
17 Department of Health Services may approve the increase.

18 (2) Each county has met department guidelines and regulatory
19 requirements as a condition of receiving state participation in the
20 rate.

21 (b) Any rate approved pursuant to subdivision (a) shall take
22 effect commencing on the first day of the month subsequent to the
23 month in which final approval is received from the department.
24 The department may grant approval on a conditional basis, subject
25 to the availability of funding.

26 (c) The state shall pay 65 percent, and each county shall pay 35
27 percent, of the nonfederal share of wage and benefit increases
28 negotiated by a public authority or nonprofit consortium pursuant
29 to Section 12301.6 and associated employment taxes, only in
30 accordance with subdivisions (d) to (f), inclusive.

31 (d) (1) The state shall participate as provided in subdivision (c)
32 in wages up to seven dollars and fifty cents (\$7.50) per hour and
33 individual health benefits up to sixty cents (\$0.60) per hour for all
34 public authority or nonprofit consortium providers. This paragraph
35 shall be operative for the 2000–01 fiscal year and each year
36 thereafter unless otherwise provided in paragraphs (2), (3), (4),
37 and (5), and without regard to when the wage and benefit increase
38 becomes effective.

39 (2) The state shall participate as provided in subdivision (c) in
40 a total of wages and individual health benefits up to nine dollars

1 and ten cents (\$9.10) per hour, if wages have reached at least seven
2 dollars and fifty cents (\$7.50) per hour. Counties shall determine,
3 pursuant to the collective bargaining process provided for in
4 subdivision (c) of Section 12301.6, what portion of the nine dollars
5 and ten cents (\$9.10) per hour shall be used to fund wage increases
6 above seven dollars and fifty cents (\$7.50) per hour or individual
7 health benefit increases, or both. This paragraph shall be operative
8 for the 2001–02 fiscal year and each fiscal year thereafter, unless
9 otherwise provided in paragraphs (3), (4), and (5).

10 (3) The state shall participate as provided in subdivision (c) in
11 a total of wages and individual health benefits up to ten dollars
12 and ten cents (\$10.10) per hour, if wages have reached at least
13 seven dollars and fifty cents (\$7.50) per hour. Counties shall
14 determine, pursuant to the collective bargaining process provided
15 for in subdivision (c) of Section 12301.6, what portion of the ten
16 dollars and ten cents (\$10.10) per hour shall be used to fund wage
17 increases above seven dollars and fifty cents (\$7.50) per hour or
18 individual health benefit increases, or both. This paragraph shall
19 be operative commencing with the next state fiscal year for which
20 the May Revision forecast of General Fund revenue, excluding
21 transfers, exceeds by at least 5 percent, the most current estimate
22 of revenue, excluding transfers, for the year in which paragraph
23 (2) became operative.

24 (4) The state shall participate as provided in subdivision (c) in
25 a total of wages and individual health benefits up to eleven dollars
26 and ten cents (\$11.10) per hour, if wages have reached at least
27 seven dollars and fifty cents (\$7.50) per hour. Counties shall
28 determine, pursuant to the collective bargaining process provided
29 for in subdivision (c) of Section 12301.6, what portion of the eleven
30 dollars and ten cents (\$11.10) per hour shall be used to fund wage
31 increases or individual health benefits, or both. This paragraph
32 shall be operative commencing with the next state fiscal year for
33 which the May Revision forecast of General Fund revenue,
34 excluding transfers, exceeds by at least 5 percent, the most current
35 estimate of revenues, excluding transfers, for the year in which
36 paragraph (3) became operative.

37 (5) (A) The state shall participate as provided in subdivision
38 (c) in a total cost of wages and individual health benefits up to
39 twelve dollars and ten cents (\$12.10) per hour, if wages have
40 reached at least seven dollars and fifty cents (\$7.50) per hour.

1 Counties shall determine, pursuant to the collective bargaining
2 process provided for in subdivision (c) of Section 12301.6, what
3 portion of the twelve dollars and ten cents (\$12.10) per hour shall
4 be used to fund wage increases above seven dollars and fifty cents
5 (\$7.50) per hour or individual health benefit increases, or both.
6 ~~This paragraph shall be operative commencing with the next state
7 fiscal year for which the May Revision forecast of General Fund
8 revenue, excluding transfers, exceeds by at least 5 percent, the
9 most current estimate of revenues, excluding transfers, for the year
10 in which paragraph (4) became operative.~~

11 *(B) In addition to participating in a total cost of wages and
12 individual health benefits up to twelve dollars and ten cents
13 (\$12.10) per hour as provided for in subparagraph (A), and in
14 addition to the amount up to sixty cents (\$0.60) per hour provided
15 for in paragraph (1), the state shall participate in an additional
16 twenty-five cents (\$0.25) per hour so long as the additional funds
17 under this subparagraph are used to increase funding for
18 individual health benefits. This subparagraph shall become
19 inoperative when subparagraph (C) goes into effect.*

20 *(C) In addition to participating in a total cost of wages and
21 individual health benefits up to twelve dollars and ten cents
22 (\$12.10) per hour as provided for in subparagraph (A), and in
23 addition to the amount up to sixty cents (\$0.60) per hour provided
24 for in paragraph (1), the state shall participate in an additional
25 fifty cents (\$0.50) per hour so long as the additional funds under
26 this subparagraph are used to increase funding for individual
27 health benefits. This subparagraph shall be operative commencing
28 with the next state fiscal year for which the May Revision forecast
29 of General Fund revenue, excluding transfers, exceeds by at least
30 5 percent, the most current estimate of revenue, excluding transfers,
31 for the year in which subparagraph (B) became operative. This
32 subparagraph shall become inoperative when subparagraph (D)
33 goes into effect.*

34 *(D) In addition to participating in a total cost of wages and
35 individual health benefits up to twelve dollars and ten cents
36 (\$12.10) per hour as provided for in subparagraph (A), and in
37 addition to the amount up to sixty cents (\$0.60) per hour provided
38 for in paragraph (1), the state shall participate in an additional
39 seventy-five cents (\$0.75) per hour so long as the additional funds
40 under this subparagraph are used to increase funding for*

1 *individual health benefits. This subparagraph shall be operative*
 2 *commencing with the next state fiscal year for which the May*
 3 *Revision forecast of General Fund revenue, excluding transfers,*
 4 *exceeds by at least 5 percent, the most current estimate of revenue,*
 5 *excluding transfers, for the year in which subparagraph (C)*
 6 *became operative.*

7 (e) (1) On or before May 14 immediately prior to the fiscal
 8 year for which state participation is provided under paragraphs (2)
 9 to (5), inclusive, of subdivision (d), the Director of Finance shall
 10 certify to the Governor, the appropriate committees of the
 11 Legislature, and the department that the condition for each
 12 subdivision to become operative has been met.

13 (2) For purposes of certifications under paragraph (1), the
 14 General Fund revenue forecast, excluding transfers, that is used
 15 for the relevant fiscal year shall be calculated in a manner that is
 16 consistent with the definition of General Fund revenues, excluding
 17 transfers, that was used by the Department of Finance in the
 18 2000–01 Governor’s Budget revenue forecast as reflected on
 19 Schedule 8 of the Governor’s Budget.

20 (f) Any increase in overall state participation in wage and benefit
 21 increases under paragraphs (2) to (5), inclusive, of subdivision (d),
 22 shall be limited to a wage and benefit increase of one dollar (\$1)
 23 per hour with respect to any fiscal year. With respect to actual
 24 changes in specific wages and health benefits negotiated through
 25 the collective bargaining process, the state shall participate in the
 26 costs, as approved in subdivision (c), up to the maximum levels
 27 as provided under paragraphs (2) to (5), inclusive, of subdivision
 28 (d).

29 (g) *In any county with employee representation, the employee*
 30 *representative may elect to provide health benefits through a trust*
 31 *fund and the public authority or nonprofit consortium shall agree*
 32 *to those terms.*

33 (h) *The recipient of in-home supportive services shall not be*
 34 *deemed the employer for purposes of any employer fee that may*
 35 *be established to finance the expansion of health care coverage*
 36 *to provide coverage to all Californians.*

37 SEC. 61. Section 14005.30 of the Welfare and Institutions
 38 Code is amended to read:

39 14005.30. (a) (1) To the extent that federal financial
 40 participation is available, Medi-Cal benefits under this chapter

1 shall be provided to individuals eligible for services under Section
2 1396u-1 of Title 42 of the United States Code, including any
3 options under Section 1396u-1(b)(2)(C) made available to and
4 exercised by the state.

5 (2) The department shall exercise its option under Section
6 1396u-1(b)(2)(C) of Title 42 of the United States Code to adopt
7 less restrictive income and resource eligibility standards and
8 methodologies to the extent necessary to allow all recipients of
9 benefits under Chapter 2 (commencing with Section 11200) to be
10 eligible for Medi-Cal under paragraph (1).

11 (3) To the extent federal financial participation is available, the
12 department shall exercise its option under Section 1396u-1(b)(2)(C)
13 of Title 42 of the United States Code authorizing the state to
14 disregard all changes in income or assets of a beneficiary until the
15 next annual redetermination under Section 14012. The department
16 shall implement this paragraph only if, and to the extent that the
17 State Child Health Insurance Program waiver described in Section
18 12693.755 of the Insurance Code extending Healthy Families
19 Program eligibility to parents and certain other adults is approved
20 and implemented.

21 (b) (1) To the extent that federal financial participation is
22 available, the department shall exercise its option under Section
23 1396u-1(b)(2)(C) of Title 42 of the United States Code as necessary
24 to expand eligibility for Medi-Cal under subdivision (a) by
25 establishing the amount of countable resources individuals or
26 families are allowed to retain at the same amount medically needy
27 individuals and families are allowed to retain, except that a family
28 of one shall be allowed to retain countable resources in the amount
29 of three thousand dollars (\$3,000). This paragraph shall not be
30 operative during implementation of paragraph (2).

31 (2) To the extent that federal financial participation is available,
32 the department shall exercise its option under Section
33 1396u-1(b)(2)(C) of Title 42 of the United States Code as necessary
34 to simplify eligibility for Medi-Cal under subdivision (a) by
35 exempting all resources for applicants and recipients, commencing
36 July 1, 2010.

37 (c) To the extent federal financial participation is available, the
38 department shall, commencing March 1, 2000, adopt an income
39 disregard for applicants equal to the difference between the income
40 standard under the program adopted pursuant to Section 1931(b)

1 of the federal Social Security Act (42 U.S.C. Sec. 1396u-1) and
 2 the amount equal to 100 percent of the federal poverty level
 3 applicable to the size of the family. A recipient shall be entitled
 4 to the same disregard, but only to the extent it is more beneficial
 5 than, and is substituted for, the earned income disregard available
 6 to recipients.

7 (d) For purposes of calculating income under this section during
 8 any calendar year, increases in social security benefit payments
 9 under Title II of the federal Social Security Act (42 U.S.C. Sec.
 10 401 and following) arising from cost-of-living adjustments shall
 11 be disregarded commencing in the month that these social security
 12 benefit payments are increased by the cost-of-living adjustment
 13 through the month before the month in which a change in the
 14 federal poverty level requires the department to modify the income
 15 disregard pursuant to subdivision (c) and in which new income
 16 limits for the program established by this section are adopted by
 17 the department.

18 (e) Notwithstanding Chapter 3.5 (commencing with Section
 19 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
 20 the department shall implement, without taking regulatory action,
 21 subdivisions (a) and (b) of this section by means of an all county
 22 letter or similar instruction. Thereafter, the department shall adopt
 23 regulations in accordance with the requirements of Chapter 3.5
 24 (commencing with Section 11340) of Part 1 of Division 3 of Title
 25 2 of the Government Code. Beginning six months after the effective
 26 date of this section, the department shall provide a status report to
 27 the Legislature on a semiannual basis until regulations have been
 28 adopted.

29 SEC. 62. Section 14005.301 is added to the Welfare and
 30 Institutions Code, to read:

31 14005.301. (a) The department shall provide benefits pursuant
 32 to Section 14005.306 to a population composed of parents and
 33 other caretaker relatives who meet all of the following
 34 requirements:

35 (1) Net family income is at or below 250 percent of the federal
 36 poverty level.

37 (2) The individual is not otherwise eligible for full-scope
 38 benefits under Section 14005.30 but would be eligible for these
 39 benefits if family income were at or below 100 percent of the
 40 federal poverty level.

1 (3) The individual is a citizen, national, or qualified alien without
2 regard to date of entry.

3 (b) The eligibility determination under this section shall not
4 include an asset test.

5 (c) The department shall implement this section by means of a
6 state plan amendment under Section 1902(a)(10)(A)(ii)(I) of the
7 federal Social Security Act (Title 42 U.S.C. Sec.
8 1396a(a)(10)(A)(ii)(I)), or by any other state plan amendment or
9 waiver, or combination thereof, as is necessary to accomplish the
10 intent of this section.

11 (d) The department shall seek federal approval to utilize the
12 same premiums and copayments for the population described in
13 this section as are applied to the population eligible for the
14 Cal-CHIPP Healthy Families plan established pursuant to Section
15 12699.204 of the Insurance Code.

16 (e) To the extent necessary to implement this section and Section
17 14005.305, the department shall seek federal approval to waive
18 the deprivation requirement or to modify the definition of
19 unemployed parent provided in Section 14008.85.

20 (f) This section shall be implemented only if and to the extent
21 that federal approval to provide benchmark benefits in a manner
22 consistent with Section 14005.306 has been obtained.

23 (g) The income test for eligibility determinations under this
24 section shall be the same test used for the federal poverty level
25 programs, but shall not include any income disregards available
26 under those programs.

27 (h) This section shall become operative on July 1, 2010, or on
28 the date that the authority under Section 12739.51 is implemented,
29 whichever is later.

30 SEC. 63. Section 14005.305 is added to the Welfare and
31 Institutions Code, to read:

32 14005.305. (a) The department shall provide benefits to a
33 population composed of individuals who are either 19 or 20 years
34 of age and who meet all of the following requirements:

35 (1) Net family income is at or below 250 percent of the federal
36 poverty level.

37 (2) The individual is not otherwise eligible for full-scope
38 benefits in one of the federal poverty level programs for children,
39 but would be eligible for those benefits if he or she were under 19

1 years of age with income at or below 100 percent of the federal
2 poverty level.

3 (3) The individual is a citizen, national, or qualified alien without
4 regard to date of entry.

5 (b) The eligibility determination under this section shall not
6 include an asset test.

7 (c) The department shall implement this section by means of a
8 state plan amendment under Section 1902(a)(10)(A)(ii)(I) of the
9 federal Social Security Act (Title 42 U.S.C. Sec.
10 1396a(a)(10)(A)(ii)(I)), or by any other state plan amendment or
11 waiver, or combination thereof, as is necessary to accomplish the
12 intent of this section.

13 (d) The department shall seek federal approval to utilize the
14 same premiums and copayments for the population to whom this
15 section applies as are applied to the population established pursuant
16 to Section 12699.211.01 of the Insurance Code.

17 (e) This section shall be implemented only if, and to the extent
18 that federal approval has been obtained to provide benchmark
19 benefits for individuals made eligible under this section with net
20 income over 100 percent of the federal poverty level in a manner
21 consistent with Section 14005.306.

22 (f) The income methodology for eligibility determinations under
23 this section shall be the methodology used for the federal poverty
24 level programs, but shall not include any income disregards
25 available under those programs.

26 (g) This section shall become operative on July 1, 2010, or on
27 the date that Section ~~12739.50~~ 12739.51 of the Insurance Code is
28 implemented, whichever is later, but only to the extent federal
29 financial participation is available.

30 SEC. 64. Section 14005.306 is added to the Welfare and
31 Institutions Code, to read:

32 14005.306. (a) Subject to the limitations provided in
33 subdivisions (b) and (c), a Medi-Cal beneficiary with a net family
34 income above 100 percent of the federal poverty level whose
35 eligibility is based on Section 14005.301 or Section 14005.305
36 and who is otherwise eligible for full-scope benefits, shall receive
37 his or her benefits by means of a benchmark package pursuant to
38 Section 1937 of the federal Social Security Act. This package shall
39 be the Cal-CHIPP Healthy Families benefit package established

1 for the program established pursuant to Part 6.45 (commencing
2 with Section 12699.201) of Division 2 of the Insurance Code.

3 (b) To the extent required by federal law, the categories of
4 beneficiaries listed in Section 1937(a)(2)(B) of the federal Social
5 Security Act (Title 42 U.S.C. Sec. 1396u-7(a)(2)(B)), are exempt
6 from mandatory enrollment in the benchmark package described
7 in subdivision (a).

8 (c) The department, with the concurrence of the Managed Risk
9 Medical Insurance Board, may identify groups of otherwise exempt
10 individuals that will be allowed a choice, at the beneficiary's
11 option, to participate in a benchmark package.

12 (d) The department, with concurrence of the Managed Risk
13 Medical Insurance Board, may exempt other groups or categories
14 of beneficiaries from the requirements provided in subdivision (a).

15 (e) To the extent federal approval is obtained, the appeals
16 process for issues relating to receipt of benefits through the
17 benchmark package shall be the process prescribed by the Managed
18 Risk Medical Insurance Board for the program established pursuant
19 to Part 6.45 (commencing with Section 12699.201) of Division 2
20 of the Insurance Code.

21 (f) This section shall be implemented only if and to the extent
22 that federal financial participation is available and all necessary
23 federal approvals have been obtained.

24 (g) The department shall accomplish the intent of this section
25 by means of a state plan amendment or by a waiver. If this section
26 is implemented in whole or in part by means of a state plan
27 amendment, all applicable federal requirements not otherwise
28 waived, including, but not limited to, requirements related to cost
29 sharing, shall apply.

30 SEC. 65. Section 14005.310 is added to the Welfare and
31 Institutions Code, to read:

32 14005.310. The department shall seek federal approval to utilize
33 an interval of one year in determining the cost amounts specified
34 in Section 12699.204 of the Insurance Code for persons receiving
35 benchmark benefits pursuant to Sections 14005.301 and 14005.305.

36 SEC. 66. Section 14005.311 is added to the Welfare and
37 Institutions Code, to read:

38 14005.311. (a) The department and the Managed Risk Medical
39 Insurance Board shall enter into an interagency agreement under
40 which the board shall have authority and responsibility for

1 administering benchmark benefits under Sections 14005.301 and
2 14005.305 and for prescribing all rules and procedures necessary
3 for administering these benefits subject to the single state agency
4 oversight responsibilities of the department and consistent with
5 the process developed pursuant to Section 12699.211.04 of the
6 Insurance Code.

7 (b) This section shall be implemented only to the extent that
8 federal financial participation is not jeopardized.

9 SEC. 67. Section 14005.331 is added to the Welfare and
10 Institutions Code, to read:

11 14005.331. (a) An individual under the age of 19 years who
12 would be eligible for full-scope Medi-Cal benefits without a share
13 of cost, if not for his or her immigration status, shall be eligible
14 for full-scope Medi-Cal services under this section.

15 (b) To establish that the individual meets the immigration
16 requirements under this section, the parent or caretaker relative
17 shall sign under penalty of perjury an attestation that the individual
18 is not described in any of the categories enumerated on the
19 attestation for which federal financial participation for full-scope
20 services is available.

21 (c) In implementing this section, the department shall consult
22 with stakeholders, including, but not limited to, consumer
23 advocates and counties.

24 (d) Nothing in this section shall be construed to limit a child's
25 access to Medi-Cal or Healthy Families eligibility under existing
26 law.

27 (e) Implementation of this section is contingent upon an
28 appropriation for the purposes of this section in the annual Budget
29 Act or another statute.

30 (f) This section shall become operative on July 1, 2009.

31 SEC. 68. Section 14005.333 is added to the Welfare and
32 Institutions Code, to read:

33 14005.333. (a) The department shall design and implement a
34 program to provide the benefits described in subdivision (d) to the
35 population described in subdivision (c).

36 (b) The department shall seek to maximize the availability of
37 federal funding for this section under the terms of any existing
38 waiver, through amendment of any existing waiver, or by means
39 of a new waiver, or any combination thereof.

1 (c) The population eligible to receive benefits under this section
2 shall consist of all residents 21 years of age or older who meet all
3 of the following requirements.

4 (1) Their family income is at or below 100 percent of the federal
5 poverty level.

6 (2) They are not otherwise eligible for the Medi-Cal program.

7 (3) They would be eligible for full-scope Medi-Cal without a
8 share of cost if they had a categorical linkage.

9 (4) They are citizens, nationals, or qualified aliens without
10 regard to date of entry.

11 ~~(5) They do not have access to employer-sponsored health care~~
12 ~~coverage.~~

13 *(5) They are not offered employer-sponsored health care*
14 *coverage or where there is no financial contribution toward the*
15 *premium by the employer on behalf of the employee.*

16 (d) Benefits available under this section shall consist of a benefit
17 package that is designed by the department and is equivalent to
18 the Cal-CHIPP Healthy Families plan coverage defined in
19 subdivision (g) of Section 12699.201 that is made available in the
20 purchasing pool established pursuant to Part 6.45 (commencing
21 with Section 12699.201) of Division 2 of the Insurance Code. To
22 the extent that specific services are excluded from the subsidized
23 package, these services are not required to be provided under this
24 section to the population described under subdivision (c). These
25 excluded services shall include, but are not limited to, long-term
26 care services, nursing home care, personal care services, in-home
27 supportive services, and home- and community-based or other
28 waiver services.

29 (e) In determining eligibility for benefits under this section, the
30 department shall use the application requirements and the income
31 methodology of the federal poverty level programs for pregnant
32 women and children, including the income deductions and
33 exemptions applicable under those programs, but shall not include
34 any income disregards available under those programs.

35 (f) Notwithstanding Section 14007.2 or any other provision of
36 law, this section creates no right or entitlement for any individual
37 to receive any service including any emergency service, unless
38 that individual has been determined to meet all of the eligibility
39 requirements in subdivision (c) and the documentation and
40 verification requirements in subdivision (g).

1 (g) In order for an otherwise eligible individual to be eligible
2 for, or to receive, any service, including, but not limited to, any
3 emergency service under this section, the individual shall be
4 required to meet all of the minimum federal requirements necessary
5 for federal claiming by furnishing all necessary information and
6 providing all necessary documentation.

7 (h) Except to the extent required by the terms of any applicable
8 federal waiver, federal Medicaid rights, including the right to
9 retroactive eligibility, do not apply to persons or services under
10 this section.

11 (i) Nothing in this section is intended to affect or modify the
12 availability of the eligibility category described in Section 14052
13 or the application process, documentation requirements,
14 methodology, or benefits available pursuant to that section.

15 (j) Implementation of this section is contingent on the
16 establishment of a county share of cost.

17 (k) This section shall become operative on July 1, 2010, or on
18 the date that the authority under Section 12739.51 of the Insurance
19 Code is implemented, whichever is later.

20 SEC. 69. Section 14011.16 of the Welfare and Institutions
21 Code is amended to read:

22 14011.16. (a) Commencing August 1, 2003, the department
23 shall implement a requirement for beneficiaries to file semiannual
24 status reports as part of the department’s procedures to ensure that
25 beneficiaries make timely and accurate reports of any change in
26 circumstance that may affect their eligibility. The department shall
27 develop a simplified form to be used for this purpose. The
28 department shall explore the feasibility of using a form that allows
29 a beneficiary who has not had any changes to so indicate by
30 checking a box and signing and returning the form.

31 (b) Beneficiaries who have been granted continuous eligibility
32 under Section 14005.25 shall not be required to submit semiannual
33 status reports. To the extent federal financial participation is
34 available, all children under 19 years of age shall be exempt from
35 the requirement to submit semiannual status reports.

36 (c) Beneficiaries whose eligibility is based on a determination
37 of disability or on their status as aged or blind shall be exempt
38 from the semiannual status report requirement described in
39 subdivision (a). The department may exempt other groups from

1 the semiannual status report requirement as necessary for simplicity
2 of administration.

3 (d) When a beneficiary has completed, signed, and filed a
4 semiannual status report that indicated a change in circumstance,
5 eligibility shall be redetermined.

6 (e) Notwithstanding Chapter 3.5 (commencing with Section
7 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
8 the department shall implement this section by means of all county
9 letters or similar instructions without taking regulatory action.
10 Thereafter, the department shall adopt regulations in accordance
11 with the requirements of Chapter 3.5 (commencing with Section
12 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

13 (f) This section shall be implemented only if and to the extent
14 federal financial participation is available.

15 (g) This section shall become inoperative upon implementation
16 of Section 14011.16.1 and shall remain inoperative for as long as
17 that section continues to be implemented.

18 SEC. 70. Section 14011.16.1 is added to the Welfare and
19 Institutions Code, to read:

20 14011.16.1. (a) Commencing July 1, 2010, the department
21 shall implement a requirement for any beneficiary who is not
22 required to make premium payments to file a semiannual address
23 verification report. The department shall develop a simplified form
24 to be used for this purpose so that a beneficiary who has not had
25 a change of address can so indicate by checking a box and returning
26 the form.

27 (b) When a beneficiary who is required to complete and return
28 the form described in subdivision (a) fails to do so, the county
29 shall follow up by attempting to contact the individual using the
30 last known phone number or numbers. If the attempted phone
31 contact fails to resolve the issue by providing confirmation of the
32 current address, the county shall search available files to determine
33 if an alternate or new address has been used by the beneficiary and
34 shall send a form to that address that is required to be returned. In
35 the absence of a new or alternate address, a form shall be sent to
36 the last known address. If the form is not returned, or if it is
37 returned under circumstances indicating that the individual no
38 longer resides at the address last provided by the individual and
39 no forwarding address is provided, eligibility shall be terminated
40 for loss of contact.

1 (c) Whenever Medi-Cal eligibility is terminated based on a loss
2 of contact as described in this section, the entity responsible for
3 redeterminations of eligibility for the affected beneficiary shall
4 document the facts causing the eligibility termination in the
5 beneficiary's file. Following this written certification, a notice of
6 action specifying that Medi-Cal eligibility was terminated based
7 on loss of contact shall be sent to the beneficiary.

8 (d) A beneficiary whose eligibility is based on a determination
9 of disability or on his or her status as aged or blind shall be exempt
10 from the requirements of subdivision (a).

11 (e) Children under 19 years of age and pregnant women shall
12 be exempt from the requirements of this section.

13 (f) The department may exempt categories or groups of
14 individuals from the requirement to file an address verification as
15 necessary for simplicity of administration.

16 (g) This section shall be implemented only if and to the extent
17 that its implementation does not jeopardize federal financial
18 participation.

19 SEC. 71. Section 14074.5 is added to the Welfare and
20 Institutions Code, to read:

21 14074.5. The department shall seek to maximize the availability
22 of federal funding for the costs of providing Cal-CHIP Healthy
23 Families coverage to non-Medi-Cal beneficiaries through the
24 program established pursuant to Part 6.45 (commencing with
25 Section 12699.201) of Division 2 of the Insurance Code.

26 SEC. 72. Section 14081.6 is added to the Welfare and
27 Institutions Code, to read:

28 14081.6. If Article 5.21 (commencing with Section 14167.1)
29 or Article 5.22 (commencing with Section 14167.31), or both,
30 become inoperative, hospitals shall be paid for services rendered
31 to Medi-Cal beneficiaries at the rates that were in effect on June
32 30, 2010, including the rates paid pursuant to the provisions of
33 this article.

34 SEC. 73. Section 14092.5 is added to the Welfare and
35 Institutions Code, to read:

36 14092.5. (a) (1) The director shall establish a local coverage
37 option program to provide Medi-Cal coverage for low-income
38 adults eligible pursuant to Section 14005.333. The program shall
39 meet the requirements of this section.

1 (2) *For a four-year period beginning with the first month of*
2 *operation of a local coverage option program in a county under*
3 *this section, the local coverage option program shall be the*
4 *exclusive Medi-Cal coverage available for the individuals who*
5 *reside in the county and who are eligible Medi-Cal beneficiaries*
6 *under Section 14005.333.*

7 (b) Local coverage option programs shall only be implemented
8 in counties that operate designated public hospitals where the
9 county elects to operate a local coverage option program and the
10 department approves the county’s application. Counties operating
11 a local coverage option shall provide coverage for those eligible
12 individuals described in Section 14005.333 who reside in the
13 county.

14 (1) All covered services shall be provided by designated public
15 hospitals, their affiliated public providers, ~~and community clinics~~
16 *primary care clinics licensed under subdivision (a) of Section 1204*
17 *of the Health and Safety Code*, except with respect to those
18 medically necessary services that are not available or accessible
19 through these providers. Local coverage option programs shall
20 contract with ~~federally qualified health centers in the county~~
21 *primary care clinics licensed under subdivision (a) of Section 1204*
22 *of the Health and Safety Code in the county and provide*
23 *reimbursement for covered services to the extent and as required*
24 *by federal law. Each enrollee shall be assigned a medical home at*
25 *a public provider affiliated with a public hospital or at a ~~community~~*
26 *clinic primary care clinic licensed under subdivision (a) of Section*
27 *1204 of the Health and Safety Code. Local coverage option*
28 *programs shall contract with additional providers, including safety*
29 *net providers such as disproportionate share hospitals, for services*
30 *to enrollees in order as necessary to comply with the Knox-Keene*
31 *Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing*
32 *with Section 1340) of Division 2 of the Health and Safety Code)*
33 *or other provisions of law.*

34 (2) Counties may only provide coverage in a local coverage
35 option through a health care service plan licensed under the
36 Knox-Keene Health Care Service Plan Act of 1975. The local
37 coverage option may include any one of the following:

38 (A) Direct operation through a county-operated licensed health
39 care service plan.

1 (B) Operation through a local initiative, created pursuant to
2 Section 14087.31, 14087.35, or 14087.38 that is licensed as a
3 health care service plan.

4 (C) Operation through a county organized health system
5 described in Section 14087.51 or 14087.54 that is licensed as a
6 health care service plan.

7 (3) The department shall issue a request for applications from
8 applicable counties and shall approve applications based on the
9 criteria set forth in subdivisions (g) and (h).

10 (4) The department shall enter into contracts with those counties
11 that have had their applications approved by the department.

12 (5) In implementing this section, the department may enter into
13 contracts for the provision of essential administrative and other
14 services.

15 (6) (A) If a county elects to provide coverage through a local
16 initiative or county organized health system, the director shall
17 contract with, and make the payments required under this section
18 to, the designated local initiative or county organized health system
19 in the county.

20 (B) An entity receiving payment under subparagraph (A),
21 including a unit or subunit of county government, shall not transfer
22 any portion of the payments received to the county or to any other
23 unit of government; provided, however, that retention of those
24 funds by the entity receiving payments under subparagraph (A)
25 for use in either the current or subsequent fiscal year is allowable.
26 Retained funds may be commingled with county funds for cash
27 management or related purposes, provided that those funds are
28 appropriately tracked and only the depositing entity is authorized
29 to expend them.

30 (c) A county may offer enrollment in its local coverage option
31 program to employers and individuals.

32 (d) In consultation with participating counties, the director shall
33 design a common identification card to be provided by the county
34 to each enrollee in a local coverage option program.

35 (e) Each county, local initiative, or county organized health
36 system that operates a local coverage option program shall be
37 entitled to periodic payments per individual who resides in the
38 county who is an eligible Medi-Cal beneficiary under Section
39 14005.333 and is enrolled in the local coverage option program.
40 Rates for those payments shall be determined by the department

1 and shall meet the requirements of Section 14301.1. During the
2 first three years of operation, the department shall offer the local
3 coverage option program the option of a contract provision that
4 sets a specified dollar threshold that, if exceeded, allows the local
5 coverage option program to share with the state the risk and gains
6 of providing coverage through a risk corridor agreement that sets
7 boundaries on profits or losses by the local coverage option
8 program above and below the specified dollar thresholds as set
9 forth in the contract between the department and the local coverage
10 option program. The risk corridor agreement shall provide that if
11 the profits or losses incurred by the local coverage option program
12 exceed an initial specified dollar threshold, the local coverage
13 option program and the state shall share in the profits or losses,
14 and that if the profits or losses incurred by the local coverage option
15 program exceed a final specified dollar threshold such profits or
16 losses shall be allocated entirely to the state. The dollar thresholds
17 and corridors for profits and losses shall be the same amount.

18 (f) All providers that provide out of network emergency services
19 to local coverage option program enrollees shall accept as payment
20 in full payments they receive from the local coverage option
21 program that comply with Section 1396u-2(b)(2)(D) of Title 42
22 of the United States Code regarding maximum payments for those
23 services.

24 (g) In consultation with the participating counties, by January
25 1, 2010, the department shall contract with an independent third
26 party to develop a local coverage option program assessment tool
27 to measure the extent to which the counties are providing quality,
28 coordinated care to eligible individuals. The local coverage option
29 program assessment tool shall be designed to evaluate the following
30 for each local coverage option program:

- 31 (1) Enrolled patient population.
- 32 (2) The use of medical services.
- 33 (3) Access and barriers to health care.
- 34 (4) Processes and quality of care for selected medical conditions,
35 as appropriate for the population enrolled in the program.
- 36 (5) Patient satisfaction.

37 (h) The following elements shall be evaluated using the local
38 coverage option program assessment tool developed under
39 subdivision (g):

- 1 (1) Designation of a medical home and assignment of eligible
2 individuals to a primary care provider within 60 days of enrollment.
3 For purposes of this paragraph, “medical home” means a single
4 provider or facility that maintains all of an individual’s medical
5 information. The primary care provider shall be a provider from
6 which the enrollee can access primary and preventive care, or
7 specialty care as determined appropriate by a medical professional.
- 8 (2) An enrollment process that includes a patient identification
9 system to demonstrate enrollment into the program.
- 10 (3) A screening process for individuals who may qualify for
11 enrollment into the Healthy Families Program and the Access for
12 Infants and Mothers Program prior to enrollment into the local
13 coverage option program.
- 14 (4) Use of a medical record system, which may include
15 electronic medical records.
- 16 (5) Demonstrated progress in meeting industry-accepted quality
17 monitoring processes to assess the health care outcomes of
18 individuals with chronic conditions who are enrolled in the local
19 coverage option program, including HEDIS and NCQA standards.
- 20 (6) Promotion of the use of preventive services and early
21 intervention.
- 22 (7) The ability to demonstrate how the local coverage option
23 program will promote the viability of the existing safety net health
24 care system.
- 25 (8) Demonstration of how the program will provide consumer
26 assistance to individuals applying to, participating in, or accessing
27 services in the local coverage option program. For purposes of this
28 paragraph, “consumer assistance” includes specific processes to
29 address consumer grievances and patient advocacy.
- 30 (i) After three years of operation of a local coverage option
31 program in a county, the department shall conduct a review using
32 the local coverage option program assessment tool to evaluate each
33 county’s performance against the benchmarks established under
34 subdivisions (g) and (h). If the department determines that the local
35 coverage option program in a particular county has substantially
36 met the benchmarks, the director shall extend the local coverage
37 option program in that county for an additional two years. If the
38 department concludes that a county failed to substantially meet
39 the benchmarks, the county’s local coverage option program shall
40 ~~terminate~~ *cease to be the exclusive coverage option as provided*

1 *in paragraph (2) of subdivision (a).* The county shall have the
2 opportunity for an administrative hearing pursuant to Section
3 100171 of the Health and Safety Code, and for judicial review of
4 the department’s determination.

5 (j) (1) After four years of operation of a local coverage option
6 ~~program in a county, if the director extends the local coverage~~
7 ~~option program in that county for an additional two years pursuant~~
8 *program in a county, if the local coverage option program in a*
9 *county substantially met the benchmarks pursuant to subdivision*
10 (i), Medi-Cal beneficiaries enrolled in the local coverage option
11 program shall have the ability to disenroll from the local coverage
12 option program and enroll in either the county organized health
13 system or one of the two-plan contractors in the county.

14 (2) After five years of operation of a local coverage option
15 program in a county, newly enrolled Medi-Cal beneficiaries
16 described in Section 14005.333 shall have the ability to enroll in
17 either the local coverage option program or the county organized
18 health system or one of the two-plan contractors in the county, if
19 available in the county. *If the newly eligible Medi-Cal beneficiary*
20 *fails to select a health plan within the time specified by the director,*
21 *the beneficiary shall be enrolled in the local coverage program,*
22 *if available in the county.*

23 ~~(k) (1) For the first five years of operation of the local coverage~~
24 ~~option, the director may exempt local coverage option programs~~
25 ~~from the Medi-Cal managed care program requirements of Chapters~~
26 ~~4 and 4.1 of Title 22 of the California Code of Regulations to~~
27 ~~implement the limited network of providers authorized under this~~
28 ~~section.~~

29 ~~(2) Consistent with the authority and requirements of subdivision~~
30 ~~(a) of Section 1344 of the Health and Safety Code, the Director of~~
31 ~~Managed Health Care may waive or exempt local coverage options~~
32 ~~programs from the requirements of Chapter 2.2 (commencing with~~
33 ~~Section 1340) of Division 2 of the Health and Safety Code to~~
34 ~~implement the limited network of providers authorized under this~~
35 ~~section.~~

36 (k) (1) *Notwithstanding the Medi-Cal managed care program*
37 *requirements of Chapters 4 and 4.1 of Title 22 of the California*
38 *Code of Regulations, the director may authorize local coverage*
39 *option programs to offer a limited network of providers pursuant*
40 *to this section.*

1 (2) *Notwithstanding the requirements of Chapter 2.2*
 2 *(commencing with Section 1340) of Division 2 of the Health and*
 3 *Safety Code, and if consistent with the authority and requirements*
 4 *of subdivision (a) of Section 1344 of the Health and Safety Code,*
 5 *the Director of Managed Health Care may authorize local*
 6 *coverage option programs to offer a limited network of providers*
 7 *pursuant to this section.*

8 (3) In implementing this subdivision, the directors shall find
 9 the action to be in the public interest and not detrimental to the
 10 protection of patients.

11 (l) The local coverage option program shall become operational
 12 for services rendered on and after July 1, 2010.

13 (m) The department shall seek any federal waivers or obtain
 14 approval from the Centers for Medicare and Medicaid Services of
 15 a state plan amendment as necessary to allow for federal financial
 16 participation under this section. This section shall only be
 17 implemented if and to the extent that federal financial participation
 18 is available.

19 (n) Implementation of this section is contingent on establishment
 20 of a county share of cost.

21 SEC. 74. Section 14132.105 is added to the Welfare and
 22 Institutions Code, to read:

23 14132.105. (a) (1) The department shall establish a Healthy
 24 Action Incentives and Rewards Program to be provided as a
 25 covered benefit under the Medi-Cal program.

26 (2) The benefits described in this section shall only be provided
 27 under the terms and conditions determined by the department, and
 28 shall meet all the requirements described in subdivision (b).

29 (b) For purposes of this section, the Healthy Action Incentives
 30 and Rewards Program shall include, but need not be limited to, all
 31 of the following:

32 (1) Health risk appraisals that collect information from eligible
 33 beneficiaries to assess overall health status and identify risk factors,
 34 including, but not limited to, smoking and smokeless tobacco use,
 35 alcohol abuse, drug use, nutrition, and physical activity practices.

36 (2) A followup appointment with a licensed health care
 37 professional acting within his or her scope of practice to review
 38 the results of the health risk appraisal and discuss any
 39 recommended actions.

1 (3) Incentives or rewards or both for eligible beneficiaries to
2 become more engaged in their health care and to make appropriate
3 choices that support good health, including obtaining health risk
4 appraisals, screening services, immunizations, or participating in
5 health lifestyle programs or practices. These programs or practices
6 may include, but need not be limited to, smoking cessation,
7 physical activity, or nutrition. Incentives may include, but need
8 not be limited to, nonmedical pharmacy products or services not
9 otherwise covered under this chapter, gym memberships, and
10 weight management programs.

11 (c) The department shall seek and obtain federal financial
12 participation and secure all federal approvals, including all required
13 state plan amendments or waivers, necessary to implement and
14 fund the services authorized under this section.

15 (d) This section shall be implemented only if and to the extent
16 that federal financial participation is available and has been
17 obtained.

18 SEC. 75. Section 14137.10 is added to the Welfare and
19 Institutions Code, to read:

20 14137.10. (a) (1) There is hereby established in the department
21 the Comprehensive Diabetes Services Program to provide
22 comprehensive diabetes prevention and management services to
23 any individual who meets the requirements set forth in paragraph
24 (2). For purposes of this subdivision, “comprehensive diabetes
25 prevention and management services” shall be defined by the
26 department based on consultation pursuant to subdivision (b).
27 Services may include, but need not be limited to, all of the
28 following:

29 (A) Screening for diabetes and prediabetes in accordance with
30 the operational screening guidelines and protocols developed for
31 the Comprehensive Diabetes Services Program utilizing the most
32 current American Diabetes Association criteria for diabetes in
33 adults.

34 (B) Providing visits by certified practitioners in accordance with
35 the operational protocols developed for the Comprehensive
36 Diabetes Service Program for eligible beneficiaries who have been
37 diagnosed with prediabetes.

38 (C) Providing culturally and linguistically appropriate lifestyle
39 coaching and self-management training for eligible adult
40 beneficiaries with prediabetes and diabetes, in accordance with

1 evidence-based interventions, to avoid unhealthy blood sugar levels
2 that contribute to the progression of diabetes and its complications.

3 (D) Conducting regular and timely laboratory evaluations, by
4 the primary care physician of the eligible beneficiary, in
5 conjunction with a program of blood sugar level self-management
6 education and training for eligible adult beneficiaries who have
7 been diagnosed with prediabetes and diabetes.

8 (2) A beneficiary is eligible for services pursuant to this section
9 if he or she is all of the following:

10 (A) Between 18 and 64 years of age.

11 (B) Not dually enrolled in the Medi-Cal program and the federal
12 Medicare program.

13 (C) Diagnosed with prediabetes or diabetes.

14 (D) Otherwise eligible for full scope of benefits under this
15 chapter but not enrolled in a Medi-Cal managed care plan.

16 (b) The department shall seek and obtain federal financial
17 participation and secure all federal approvals, including all required
18 state plan amendments or waivers, necessary to implement and
19 fund the services authorized under this section.

20 (c) For the purposes of implementation of this section, the
21 director may enter into contracts for the purposes of providing the
22 benefits offered under the Comprehensive Diabetes Services
23 Program.

24 (d) This section shall be implemented only if and to the extent
25 that federal financial participation is available and has been
26 obtained.

27 (e) The Comprehensive Diabetes Services Program shall be
28 developed and implemented only to the extent that state funds are
29 appropriated annually for the services provided under this section.

30 (f) The department shall develop and implement incentives for
31 Medi-Cal fee-for-service eligible beneficiaries who participate in
32 the Comprehensive Diabetes Services Program and are compliant
33 with program requirements for screening and self-management
34 activities.

35 (g) The department shall develop and implement financial
36 incentives for Medi-Cal fee-for-service providers who participate
37 in the Comprehensive Diabetes Services Program and are compliant
38 with program requirements in the screening and management of
39 eligible beneficiaries who have been diagnosed with prediabetes
40 and diabetes.

1 (h) The department shall collect data including, but not be
2 limited to, laboratory values from screening and diagnostic tests
3 for the individual beneficiaries participating in the Comprehensive
4 Diabetes Services Program and monitor the health outcomes of
5 the participating individual beneficiaries.

6 (i) The department shall, in consultation with the California
7 Diabetes Program in the State Department of Public Health,
8 contract with an independent organization to:

9 (1) Evaluate and report the health outcomes and cost savings
10 of the Comprehensive Diabetes Services program.

11 (2) Estimate the short- and long-term cost savings of expanding
12 the strategies of the Comprehensive Diabetes Services Program
13 statewide through the private or commercial insurance markets.

14 SEC. 76. Article 5.21 (commencing with Section 14167.1) is
15 added to Chapter 7 of Part 3 of Division 9 of the Welfare and
16 Institutions Code, to read:

17
18 Article 5.21. Medi-Cal Hospital Rate Stabilization Act

19
20 14167.1. For purposes of this article, the following definitions
21 shall apply:

22 (a) “Acute inpatient day” means a fee-for-service day, as defined
23 for purposes of the Office of Statewide Health Planning and
24 Development reporting by hospitals, for which the hospital has
25 been paid by the Medi-Cal program where the Medi-Cal program
26 is the primary payer.

27 (b) “Base period” means the 12-month period ending on the
28 base period ending date. However, in the case of a hospital that
29 terminates a contract for the provision of hospital inpatient services
30 negotiated with the California Medical Assistance Commission
31 after the date this article is enacted and prior to the base period
32 ending date, the base period shall be the 12-calendar months prior
33 to the contract termination date.

34 (c) “Base period ending date” means the last day of the sixth
35 month immediately preceding the implementation date.

36 (d) “Contract hospital” means a hospital that has a written
37 contract with a managed health care plan to provide hospital
38 services to the plan’s subscribers or enrollees.

39 (e) “Designated public hospital” means any one of the following
40 hospitals:

- 1 (1) UC Davis Medical Center.
- 2 (2) UC Irvine Medical Center.
- 3 (3) UC San Diego Medical Center.
- 4 (4) UC San Francisco Medical Center.
- 5 (5) UC Los Angeles Medical Center, including Santa
- 6 Monica/UCLA Medical Center.
- 7 (6) LA County Harbor/UCLA Medical Center.
- 8 (7) LA County Olive View UCLA Medical Center.
- 9 (8) LA County Rancho Los Amigos National Rehabilitation
- 10 Center.
- 11 (9) LA County University of Southern California Medical
- 12 Center.
- 13 (10) Alameda County Medical Center.
- 14 (11) Arrowhead Regional Medical Center.
- 15 (12) Contra Costa Regional Medical Center.
- 16 (13) Kern Medical Center.
- 17 (14) Natividad Medical Center.
- 18 (15) Riverside County Regional Medical Center.
- 19 (16) San Francisco General Hospital.
- 20 (17) San Joaquin General Hospital.
- 21 (18) San Mateo Medical Center.
- 22 (19) Santa Clara Valley Medical Center.
- 23 (20) Ventura County Medical Center.
- 24 (f) “Hospital community” means the California Hospital
- 25 Association and any other hospital industry organization or system
- 26 that represents children’s hospitals, nondesignated public hospitals,
- 27 designated public hospitals, private safety net hospitals, and other
- 28 public or private hospitals.
- 29 (g) “Hospital inpatient services” means all services covered
- 30 under the Medi-Cal program and furnished by hospitals to patients
- 31 who are admitted as hospital inpatients and reimbursed on a
- 32 fee-for-service basis by the department directly or through its fiscal
- 33 intermediary. Hospital inpatient services include outpatient services
- 34 furnished by a hospital to a patient who is admitted to that hospital
- 35 within 24 hours of the provision of the outpatient services that are
- 36 related to the condition for which the patient is admitted. Hospital
- 37 inpatient services include physician services only if the service is
- 38 furnished to a hospital inpatient, the physician is compensated by
- 39 the hospital for the service, and the service is billed to the Medi-Cal
- 40 program by the hospital under a provider number assigned to the

1 hospital. Hospital inpatient services do not include inpatient mental
2 health services for which a county is financially responsible or
3 services furnished under a managed health care plan.

4 (h) “Hospital outpatient services” means all services covered
5 under the Medi-Cal program furnished by hospitals to patients
6 who are registered as hospital outpatients and reimbursed by the
7 department on a fee-for-service basis directly or through its fiscal
8 intermediary. Hospital outpatient services include physician
9 services only if the service is furnished to a hospital outpatient,
10 the physician is compensated by the hospital for the service, and
11 the service is billed to the Medi-Cal program by the hospital under
12 a provider number assigned to the hospital. Hospital outpatient
13 services do not include outpatient mental health services for which
14 a county is financially responsible or services furnished under a
15 managed health care plan.

16 (i) “Implementation date” means the first day on which hospitals
17 provide health care services to Medi-Cal beneficiaries that are
18 reimbursed under this article.

19 (j) “Inpatient base rate” means the per diem rate, or per discharge
20 rate if used by the department, established pursuant to Section
21 14167.4.

22 (k) “Managed health care plan” means a health care delivery
23 system that manages the provision of health care and receives
24 prepaid capitated payments from the state in return for providing
25 services to Medi-Cal beneficiaries. Managed health care plans
26 include, but are not limited to, county organized health systems
27 and entities contracting with the department to provide services
28 pursuant to two-plan models, geographic managed care, and
29 prepaid plans. Entities providing these services contract with the
30 department pursuant to Article 2.7 (commencing with Section
31 14087.3), Article 2.8 (commencing with Section 14087.5), or
32 Article 2.91 (commencing with Section 14089) of Chapter 7, or
33 Article 1 (commencing with Section 14200) or Article 7
34 (commencing with Section 14490) of Chapter 8.

35 (l) “Market basket index” means the percentage increase used
36 by the Medicare Program for the purpose of determining payment
37 rates for acute care inpatient hospital services as described in
38 Section 1886(b)(3)(B)(ii) of the federal Social Security Act.

39 (m) “Medi-Cal fee-for-service payments” means all payments
40 made by the Medi-Cal program to hospitals as reimbursement for

1 hospital inpatient services furnished with respect to acute inpatient
2 days, including payments for both routine and ancillary services,
3 and payments described in subdivision (e) of Section 14167.4, but
4 excluding payments described in subdivision (f) of Section
5 14167.4.

6 (n) “New hospital” means a hospital that did not provide hospital
7 inpatient services to Medi-Cal beneficiaries under current or prior
8 ownership and has no history of Medi-Cal reimbursement.

9 (o) “Nondesignated public hospital” means a public hospital
10 that is licensed under subdivision (a) of Section 1250 of the Health
11 and Safety Code and is defined in paragraph (25) of subdivision
12 (a) of Section 14105.98, excluding designated public hospitals.

13 (p) “Outpatient base rates” means the Medi-Cal payment rates
14 for hospital outpatient services in effect on the date immediately
15 preceding the implementation date.

16 (q) “Private hospital” means a hospital licensed under
17 subdivision (a) of Section 1250 of the Health and Safety Code that
18 is a nonpublic hospital, nonpublic-converted hospital, or converted
19 hospital as those terms are defined in paragraphs (26) to (28),
20 inclusive, respectively, of subdivision (a) of Section 14105.98.

21 (r) “Safety net care pool” means the federal funds available to
22 ensure continued government support for the provision of health
23 care services to uninsured populations, as described in subdivision
24 (k) of Section 14166.1.

25 14167.2. (a) The department shall determine outpatient base
26 rates for hospital outpatient services furnished by nondesignated
27 public hospitals based on the payment methodology in effect on
28 the day immediately preceding the implementation date until the
29 department has developed new methods and standards for payment
30 of hospital outpatient services under subdivision (b). The
31 department shall increase the outpatient base rates by the
32 percentage the department determines is necessary to comply with
33 subdivision (c) so that each outpatient base rate is increased by
34 the same percentage, except as may be necessary to comply with
35 federal Medicaid law.

36 (b) The department, in consultation with the hospital community,
37 and with input from others as deemed necessary and appropriate,
38 shall develop new methods and standards of payment for hospital
39 outpatient services. These new methods and standards shall

1 implement subdivision (c) and take into consideration factors such
2 as acuity and the cost incurred by hospitals in providing services.

3 (c) Medi-Cal rates for hospital outpatient services furnished by
4 nondesignated public hospitals during a fiscal year shall be set to
5 result in aggregate payments equal to the maximum permitted by
6 federal Medicaid law.

7 (d) The department shall establish rates of payment pursuant to
8 this section prior to the implementation date and prior to the
9 beginning of each state fiscal year commencing on or after the
10 implementation date. The department shall monitor payments
11 during the fiscal year and may make adjustments as may be
12 necessary to comply with subdivision (c).

13 14167.3. (a) The department shall determine outpatient base
14 rates for hospital outpatient services furnished by private hospitals
15 based on the payment methodology in effect on the day
16 immediately preceding the implementation date until the
17 department has developed new methods and standards for payment
18 of hospital outpatient services under subdivision (b). The
19 department shall increase the outpatient base rates by the
20 percentage the department determines is necessary to comply with
21 subdivision (c) so that each outpatient base rate is increased by
22 the same percentage, except as may be necessary to comply with
23 federal Medicaid law.

24 (b) The department, in consultation with the hospital community,
25 and with input from others as deemed necessary and appropriate,
26 shall develop new methods and standards of payments for hospital
27 outpatient services. These new methods and standards shall
28 implement subdivision (c) and take into consideration factors such
29 as acuity and the cost incurred by hospitals in providing services.

30 (c) Medi-Cal rates for hospital outpatient services furnished by
31 private hospitals during a fiscal year shall be set to result in
32 aggregate payments equal to the maximum permitted by federal
33 Medicaid law.

34 (d) The department shall establish rates of payment pursuant to
35 this section prior to the implementation date and prior to the
36 beginning of each state fiscal year commencing on or after the
37 implementation date. The department shall monitor payments
38 during the fiscal year and may make adjustments as may be
39 necessary to comply with subdivision (c).

1 14167.4. (a) The department shall determine an inpatient base
2 rate for each private hospital and nondesignated public hospital.
3 (b) The inpatient base rate shall be an estimate of the hospital's
4 Medi-Cal fee-for-service payments per acute inpatient day, or per
5 acute inpatient discharge if used by the department, as of the day
6 immediately preceding the implementation date.
7 (c) Each hospital's inpatient base rate shall be determined as
8 follows:
9 (1) The department shall determine the hospital's total Medi-Cal
10 fee-for-service payments for services furnished during the base
11 period.
12 (2) The department shall determine the hospital's total Medi-Cal
13 acute inpatient days, or the number of acute inpatient discharges
14 if used by the department, for the base period.
15 (3) The department shall divide the result of paragraph (1) by
16 the result of paragraph (2).
17 (4) The department shall adjust the result of paragraph (3) by
18 the rate of increase in the market basket index from the midpoint
19 of the base period to the implementation date. The result shall be
20 the hospital's inpatient base rate.
21 (d) The department shall make available a paid claims summary
22 for each hospital that sets forth all of the Medi-Cal fee-for-service
23 payments made for services furnished during the hospital's base
24 period and the hospital's fee-for-service Medi-Cal acute inpatient
25 days for the base period, and any other data the department may
26 require to determine each hospital's base rate. The Medi-Cal
27 fee-for-service payments for hospitals reimbursed on a cost basis
28 shall be the hospital's interim payments. The department shall use
29 this data to compute the inpatient base rate.
30 (e) The department shall add to each hospital's Medi-Cal
31 fee-for-service payments set forth in the paid claims summary
32 prepared pursuant to subdivision (d) the supplemental payments
33 under Section 14166.12 or Section 14166.17 made by the
34 department to the hospital with respect to the state fiscal year
35 ending during the base period.
36 (f) In determining each hospital's inpatient base rate, the
37 department shall exclude payments made pursuant to Sections
38 14085.5, 14166.11, 14166.16, 14166.21, and 14166.23, payments
39 by a managed health care plan or one of its contractors, payments
40 resulting from an intergovernmental transfer, or payments made

1 where the Medi-Cal program is not the primary payer, such as
2 services covered under Medicare Part A and Part B where the
3 individual receiving the services is a Medi-Cal beneficiary.

4 (g) The department shall make available a preliminary list of
5 each hospital's inpatient base rate and provide each hospital with
6 the data used to compute its base rate no later than 90 days before
7 the implementation date. The department shall make available a
8 final list of each hospital's inpatient base rate 30 days prior to the
9 implementation date.

10 (h) A hospital's base rate shall be corrected if the hospital
11 demonstrates any of the following:

12 (1) The department made a mathematical error.

13 (2) The data used by the department is inaccurate based on the
14 data in the possession of the department or its fiscal intermediary
15 at the time the paid claims summary under subdivision (d) was
16 prepared. Payments made after the date of the preparation of the
17 paid claims summary under subdivision (d) shall not be a ground
18 for correction.

19 (3) The department failed to include payments described in
20 subdivision (e).

21 (4) The department included payments described in subdivision
22 (f).

23 (i) The inpatient base rate for a new hospital shall be the median
24 base rate of hospitals in the peer group to which the new hospital
25 is assigned by the department. The peer groups are those groupings
26 of hospitals described in Section 51553 of Title 22 of the California
27 Code of Regulations.

28 (j) The department shall review and issue a determination
29 concerning a hospital's request for a correction under subdivision
30 (h) within 30 days of receipt of the request. Any correction that is
31 made shall be applied prospectively, beginning the first day of the
32 first calendar quarter beginning after the date of the department's
33 determination. However, if the department receives a hospital's
34 request for a correction no later than 30 days after the department
35 publishes the preliminary list under subdivision (g), any correction
36 shall be effective as of the implementation date.

37 (k) The department shall develop an informal process for
38 reviewing and making decisions promptly concerning disputes by
39 hospitals of the department's action or proposed action under this
40 section or Section 14167.5, consistent with the provisions of this

1 section and Section 14167.5. The process shall be exempt from
2 the provisions of the Administrative Procedure Act.

3 (l) Notwithstanding any other provision of law, no change to a
4 hospital's base rate shall be applied to payments for services
5 rendered prior to the effective date of the change to the base rate.

6 14167.5. To the extent feasible, the department shall develop
7 a case mix adjustment factor to apply to inpatient base rates for
8 private and nondesignated public hospitals. If developed, the
9 department shall take all of the following steps:

10 (a) Each private and nondesignated public hospital's inpatient
11 base rate shall be adjusted to reflect changes in the hospital's
12 Medi-Cal case mix for fee-for-service Medi-Cal inpatients as
13 compared to the base period.

14 (b) Case mix adjustments shall be applied prospectively at the
15 beginning of each state fiscal year beginning with the first state
16 fiscal year that begins no less than 12 months after the
17 implementation date.

18 (c) The department shall compute a case mix adjustment factor
19 for each hospital for each state fiscal year. The case mix adjustment
20 factor shall be the hospital's case mix index for the most recent
21 calendar year divided by the case mix index for the base period.

22 (d) The department, in consultation with the hospital community,
23 and with input from others as deemed necessary and appropriate,
24 shall develop the methodology for computing the case mix index,
25 including the data to be used and the sources of the data. In
26 developing the case mix index methodology, the department shall
27 consider, at minimum, the following factors:

28 (1) The development of a methodology that reasonably measures
29 the relative cost that would be expected to be incurred in treating
30 different types of cases.

31 (2) The use of an approach using diagnosis related groups and
32 relative weights for those groups used by the Medicare Program
33 under the Medicare inpatient prospective payment system.

34 (3) The accuracy of applying weights used by the Medicare
35 Program for the purpose of measuring the Medi-Cal case mix.

36 (4) The available data.

37 (5) The comparability of the data available for the base period
38 and the data available for later years.

39 (6) The development of accurate measures of relative case mix
40 for pediatric patients.

1 (e) No later than 90 days prior to the beginning of the fiscal
2 period to which a case mix adjustment factor is applied, the
3 department shall determine each hospital's case mix adjustment
4 factor, advise each hospital of its case mix adjustment factor and
5 the case mix index factors used to compute the case mix adjustment
6 factor, and provide each hospital with the data used to compute
7 the case mix adjustment factor.

8 (f) A hospital's case mix adjustment factor shall be corrected
9 if the hospital demonstrates any of the following:

- 10 (1) The department made a mathematical error.
11 (2) The data used by the department is inaccurate.
12 (3) More accurate data is available.

13 (g) The department shall review and issue a determination
14 concerning a hospital's request for a correction under subdivision
15 (f) within 30 days of receipt of the request. Any correction that is
16 made shall be applied prospectively, beginning the first day of the
17 first calendar quarter beginning after the date of the department's
18 determination.

19 (h) (1) The department may make adjustments to a hospital's
20 base rate to take into account an event or series of events that may
21 significantly affect a hospital's costs of furnishing hospital inpatient
22 services that is not reflected in the case mix adjustment, such as a
23 merger or consolidation of hospitals, a substantial change in the
24 types of services furnished by a hospital, or a substantial change
25 in the acuity of the hospital's patients. An event or series of events
26 shall be deemed to significantly affect a hospital's costs only if
27 the department determines that the hospital's cost per day has
28 increased or decreased by 10 percent or more as a result of the
29 event or series of events. Events that are generally applicable to
30 multiple hospitals, such as a market basket increase in the costs
31 of goods or services purchased by hospitals, shall not be a basis
32 for an adjustment under this subdivision.

33 (2) The department shall notify the hospital in writing of any
34 adjustment it proposes to make under this subdivision. The notice
35 shall include an explanation of the department's reasons for making
36 the adjustment, the computation of the adjustment, and the data
37 relied on by the department in making the adjustment. The hospital
38 may dispute an adjustment within 30 days after receipt of the notice
39 described in this paragraph by providing written notice to the
40 person identified by the department in the notice. The hospital

1 shall include in the written notice of dispute the reasons the hospital
2 believes the adjustment should not be made as proposed by the
3 department, including all data supporting the hospital's position.
4 The department may not implement any adjustment under this
5 subdivision until it makes a final determination concerning a notice
6 of dispute.

7 (3) Any adjustment under this subdivision shall be made
8 prospectively beginning the first day of the calendar quarter
9 beginning no sooner than 60 days after the department issues a
10 notice to the hospital of the proposed adjustment. However, if the
11 hospital timely disputes the proposed adjustment, as specified in
12 paragraph (2), the proposed adjustment shall not be implemented
13 until the first day of the first calendar quarter beginning after the
14 department issues its decision concerning the dispute.

15 14167.6. (a) The department shall determine inpatient base
16 rates pursuant to Section 14167.4 for hospital inpatient services
17 provided by nondesignated public hospitals based on the payment
18 methodologies in effect on the day immediately preceding the
19 implementation date until the department has developed new
20 methods and standards under subdivision (b). The department shall
21 increase each hospital's inpatient base rate by the percentage the
22 department determines is necessary to comply with subdivision
23 (c), taking into account the additional payments made pursuant to
24 subdivision (e), so that each hospital's inpatient base rate is
25 increased by the same percentage, except as may be necessary to
26 comply with federal Medicaid law. The department shall pay each
27 nondesignated public hospital for hospital inpatient services
28 provided prior to the implementation of new methods and standards
29 of payment developed pursuant to subdivision (b) based on its
30 inpatient base rate as increased pursuant to this subdivision.

31 (b) The department, in consultation with the hospital community,
32 and with input from others as deemed necessary and appropriate,
33 shall develop new methods and standards of payments for hospital
34 inpatient services provided by nondesignated public hospitals.
35 These new methods and standards shall implement subdivision (c)
36 and take into consideration factors such as patient acuity, the cost
37 incurred by hospitals in providing services, and equitable payment
38 for outlier patients.

39 (c) Medi-Cal rates for hospital inpatient services furnished by
40 nondesignated public hospitals during a state fiscal year shall be

1 set at an amount that results in aggregate payments equal to the
2 maximum permitted by federal Medicaid law.

3 (d) The department shall establish rates of payment pursuant to
4 this section prior to the implementation date and prior to the
5 beginning of each state fiscal year beginning on or after the
6 implementation date. The department shall monitor payments
7 during the fiscal year, and may make adjustments that may be
8 necessary to comply with subdivision (c).

9 (e) The department shall develop a reimbursement methodology
10 to equitably compensate nondesignated public hospitals for the
11 delivery of Medi-Cal acute inpatient psychiatric services.

12 14167.7. (a) The department shall determine inpatient base
13 rates pursuant to Section 14167.4 for hospital inpatient services
14 provided by private hospitals based on the payment methodologies
15 in effect on the day immediately preceding the implementation
16 date until the department has developed new methods and standards
17 under subdivision (b). The department shall increase each hospital's
18 inpatient base rate by the percentage the department determines
19 is necessary to comply with subdivision (c), taking into account
20 the additional payments made under subdivision (f), so that each
21 hospital's inpatient base rate is increased by the same percentage,
22 except as may be necessary to comply with federal Medicaid law.
23 The department shall pay each private hospital for hospital
24 inpatient services provided prior to the implementation of new
25 methods and standards of payment developed pursuant to
26 subdivision (b) based on its inpatient base rate as increased
27 pursuant to this subdivision.

28 (b) The department, in consultation with the hospital community,
29 and with input from others as deemed necessary and appropriate,
30 shall develop new methods and standards of payments for hospital
31 inpatient services provided by private hospitals. These new
32 methods and standards shall implement subdivision (c) and take
33 into consideration factors such as patient acuity, the cost incurred
34 by hospitals in providing services, and equitable payment for outlier
35 patients.

36 (c) Medi-Cal rates for hospital inpatient services furnished by
37 private hospitals during a state fiscal year shall be set to result in
38 aggregate payments equal to the maximum permitted by federal
39 Medicaid law.

1 (d) The department shall establish rates of payment pursuant to
 2 this section prior to the implementation date and prior to the
 3 beginning of each state fiscal year beginning on or after the
 4 implementation date. The department shall monitor payments
 5 during the fiscal year and may make such adjustments as may be
 6 necessary to comply with subdivision (c).

7 (e) Subject to subdivision (c) of Section 14167.12, the
 8 department shall establish rates of payment to major teaching
 9 institutions that have a formal academic affiliation with a
 10 designated public hospital or a private or public California medical
 11 school that take into consideration the cost of medical education
 12 programs.

13 (f) The department shall develop a reimbursement methodology
 14 to equitably compensate private hospitals for the delivery of
 15 Medi-Cal acute inpatient psychiatric services.

16 14167.8. (a) The amount of any increased payments made
 17 under this article to private hospitals in excess of the payments
 18 that would have been made under the payment rates in effect on
 19 the day immediately prior to the implementation date, including
 20 the amount of increased payments to hospitals by managed health
 21 care plans pursuant to Section 14167.9, shall not be included in
 22 the calculation of the numerator or denominator of the low-income
 23 percent of the OBRA limit for purposes of the disproportionate
 24 share hospital replacement fund payments pursuant to Section
 25 14166.11.

26 (b) The department shall continue to make payments to private
 27 and nondesignated public hospitals pursuant to Sections 14085.5,
 28 14105.17, 14105.97, 14166.11, and 14166.16, in addition to other
 29 payments made under this article. The department shall take all of
 30 these payments into account in determining whether an applicable
 31 federal limitation is satisfied only if, and to the extent, required
 32 by federal Medicaid law.

33 (c) Each private and nondesignated public hospital, as a
 34 condition of receiving reimbursement under this section, shall
 35 keep, maintain, and have readily retrievable, any records specified
 36 by the department to fully support reimbursement amounts to
 37 which the hospital is entitled, and any other records required by
 38 the federal Centers for Medicare and Medicaid Services.

39 14167.9. (a) The director shall increase reimbursement rates
 40 to managed health care plans by the actuarial equivalent amount

1 necessary to ensure that managed health care plans increase rates
2 of payments to hospitals under their contracts by the same
3 percentage that Medi-Cal fee-for-service rates to hospitals are
4 increased pursuant to this article, subject to the limitations of
5 federal Medicaid law, if any.

6 (b) Subject to subdivision (c), as applicable, the department
7 shall further increase payments to managed health care plans, in
8 addition to any increased payments made under subdivision (a),
9 as may be necessary to ensure that the full amount of the revenue
10 arising from payments of a fee from all hospitals subject to the fee
11 for patient days in a fiscal year is expended after making the
12 expenditures for the payments under Sections 14167.2, 14167.3,
13 14167.6, 14167.7, and 14167.10.

14 (c) (1) The amount of increased payments under this section
15 shall not exceed either of the following limits:

16 (A) The maximum amount, if any, for which federal financial
17 participation may be claimed.

18 (B) The sum of available revenue derived from a fee, as
19 described in subdivision (l) of Section 14167.12, plus interest,
20 penalties, and federal financial participation.

21 (2) The revenue derived from a fee, as described in subdivision
22 (l) of Section 14167.12, that is made available for purposes of this
23 section shall be 23.29 percent of the total fees that are assessed on
24 nondesignated public and private hospitals with respect to any
25 fiscal year.

26 (d) A Medi-Cal managed care plan shall equitably expend, in
27 the form of increased rates to all private hospitals, nondesignated
28 public hospitals, and designated public hospitals, for providing
29 services to Medi-Cal patients, 100 percent of any rate increase it
30 receives under this section. Managed health care plans shall submit
31 documentation as the department may require to demonstrate
32 compliance with the provisions of this subdivision.

33 14167.10. (a) (1) Commencing July 1, 2010, designated public
34 hospitals shall receive Medi-Cal reimbursement as specified in
35 this section.

36 (2) For purposes of this section, “hospital services” means
37 inpatient services and services rendered in the outpatient
38 department of the hospital, excluding services rendered by a
39 hospital-based federally qualified health center for which
40 reimbursement is received pursuant to Section 14132.100.

1 (b) Notwithstanding Article 2.6 (commencing with Section
2 14081), Sections 14166.35 to 14166.9, inclusive, and any other
3 provision of law, each of the designated public hospitals shall be
4 paid for those hospital services provided to Medi-Cal beneficiaries
5 on a fee-for-service basis during any fiscal year as follows:

6 (1) Except as provided in paragraph (5), each of the designated
7 public hospitals shall receive, as payment for inpatient hospital
8 services provided to Medi-Cal beneficiaries during any fiscal year,
9 amounts based on the hospital's allowable costs incurred in
10 providing those services. These costs shall be determined annually
11 by the department making use of the data provided pursuant to
12 subdivision (c).

13 (2) Except as provided in paragraph (5), for the 2010–11 fiscal
14 year, and each fiscal year thereafter, each of the designated public
15 hospitals shall receive a reimbursement rate, limited to the
16 payments funded using state funds as provided in paragraph (3),
17 for the estimated cost of inpatient and outpatient hospital services
18 rendered to Medi-Cal beneficiaries based upon claims filed by the
19 hospital in accordance with the claims process set forth in Division
20 3 (commencing with Section 50000) of Title 22 of the California
21 Code of Regulations. Estimated costs shall be derived pursuant to
22 the process set forth in subdivision (b) of Section 14166.4. Costs
23 not reimbursed pursuant to this paragraph shall be reimbursed
24 pursuant to paragraph (7). Inpatient hospital rates may be on a per
25 diem or per discharge basis as determined by the department.

26 (3) (A) (i) The nonfederal share of the reimbursement specified
27 in paragraph (2) shall consist of state funds, which shall be
28 established for fiscal year 2010–11 through and including fiscal
29 year 2012–13 at the nonfederal share of the full cost incurred by
30 the particular hospital in the 2009–10 fiscal year, adjusted annually
31 by the percentage increase in the medical component of the
32 Consumer Price Index-Urban for the United States, but not to
33 exceed the nonfederal share of allowable, actual costs. For purposes
34 of this paragraph, the 2009–10 fiscal year shall be the hospital's
35 initial base year.

36 (ii) *Notwithstanding clause (i), the nonfederal share of*
37 *reimbursement available for the purposes of paragraph (2) shall*
38 *be reduced annually by the amount of twenty-five million dollars*
39 *(\$25,000,000), which amount of state funds shall be made available*
40 *for purposes of subdivision (g).*

1 (B) For purposes of this paragraph, the nonfederal share shall
2 be calculated by subtracting the federal medical assistance
3 percentage in effect for the particular fiscal year from 100 percent.

4 (C) (i) For fiscal year 2013–14 and each fiscal year thereafter,
5 the nonfederal share of the reimbursement specified in paragraph
6 (2), *as reduced pursuant to clause (ii) of subparagraph (A)*, shall
7 consist of state funds, which shall be established at the nonfederal
8 share of the full cost incurred by the particular hospital in the
9 hospital’s base year, adjusted annually by the percentage increase
10 in the medical component of the Consumer Price Index-Urban for
11 the United States, but not to exceed the nonfederal share of
12 allowable, actual costs.

13 (ii) At the beginning of each three-year period beginning with
14 the three-year period commencing on July 1, 2013, each hospital’s
15 costs incurred, for purposes of clause (i), shall be determined to
16 be the full cost incurred by the particular hospital in the fiscal year
17 beginning two years prior to the beginning of the new three-year
18 period, which fiscal year shall be the hospital’s new base year.

19 (4) For the 2010–11 fiscal year, and each fiscal year thereafter,
20 each designated public hospital shall receive supplemental federal
21 reimbursement pursuant to Section 14105.96, in addition to the
22 reimbursement received by each hospital for outpatient services
23 pursuant to paragraph (2).

24 (5) Reimbursement paid to Federally Qualified Health Centers
25 shall continue pursuant to Section 14132.100 for those hospitals
26 that were designated by the state as Federally Qualified Health
27 Centers as of July 1, 2007.

28 (6) The cost data and the resulting estimated costs submitted
29 pursuant to this section shall be certified as accurate by the unit
30 of government that owns or operates the hospital submitting the
31 estimated costs. Certifications required by this paragraph shall
32 comply with the requirements of subdivision (e) of Section
33 14166.8.

34 (7) (A) To the extent that the amount of the estimated allowable
35 costs for each designated public hospital determined pursuant to
36 paragraph (1) exceeds the amounts actually paid pursuant to
37 paragraph (2), the hospital shall receive a quarterly supplemental
38 payment equal to the federal reimbursement received as a result
39 of the amounts claimed by the department to the federal

1 government based on the total amounts certified pursuant to
2 paragraph (6).

3 (B) Services provided by clinics and hospital outpatient
4 departments for which reimbursement is made under a cost-based
5 methodology pursuant to Section 14105.24 shall continue to be
6 reimbursed under that methodology.

7 (C) The supplemental Medi-Cal reimbursement provided by
8 this paragraph shall be distributed quarterly under a payment
9 methodology based on inpatient services provided to Medi-Cal
10 patients at the eligible facility, either on a per-visit basis,
11 per-procedure basis, or any other federally permissible basis.

12 (D) Payments made pursuant to this paragraph shall be subject
13 to reconciliation pursuant to subdivision (f), and pursuant to any
14 other applicable requirement of state or federal law.

15 (c) (1) Within five months after the end of each fiscal year,
16 each designated public hospital shall submit to the department
17 both of the following reports:

18 (A) The hospital’s Medi-Cal cost report for the fiscal year.

19 (B) Other cost reporting and statistical data necessary for the
20 determination of amounts due the hospital, as requested by the
21 department.

22 (2) For each fiscal year, the reports shall identify the costs
23 incurred in providing inpatient hospital services to Medi-Cal
24 beneficiaries on a fee-for-service basis.

25 (3) Reports submitted under this subdivision shall include all
26 allowable costs.

27 (d) Designated public hospitals shall receive disproportionate
28 share hospital payments pursuant to Section 14166.6.

29 (e) In the event of a conflict between the provisions of this
30 section and any provision of Article 5.2 (commencing with Section
31 14166), the provisions of this section shall govern. In addition to
32 direct conflicts, if continuing the implementation or application
33 of any of the provisions of Article 5.2 (commencing with Section
34 14166) leads to results that are inconsistent with the payment
35 methodology established in this section, after consultation with
36 representatives of the designated public hospitals, the director shall
37 not implement or apply any provision of Article 5.2 (commencing
38 with Section 14166) that the director determines has those results.

39 (f) No later than April 1 following the end of the fiscal year,
40 the department shall undertake an interim reconciliation of

1 payments made pursuant to this section based on the hospitals’
2 Medi-Cal cost reports and other cost and statistical data submitted
3 by the hospitals for the fiscal year and shall adjust payments to
4 each hospital accordingly.

5 (g) (1) (A) *The amount of twenty-five million dollars*
6 *(\$25,000,000), made available pursuant to subparagraph (A) of*
7 *paragraph (3) of subdivision (b), shall be transferred to the*
8 *Workforce Development Program Fund established pursuant to*
9 *subparagraph (B).*

10 (B) *The Workforce Development Program Fund is hereby*
11 *established in the State Treasury. For purposes of this subdivision,*
12 *“fund” means the Workforce Development Program Fund.*

13 (1) *Moneys in the fund shall, upon appropriation, be used*
14 *exclusively for retraining county hospital and clinic systems’ health*
15 *care workers.*

16 (2) *Any moneys remaining in the fund at the end of a fiscal year*
17 *shall be carried forward for use in the following fiscal year.*

18 (3) *Moneys in the fund shall, upon appropriation, be allocated*
19 *from the fund by the Office of Statewide Health Planning and*
20 *Development.*

21 (4) *By May 1, 2010, counties shall develop and submit work*
22 *plans to the Office of Statewide Health Planning and Development*
23 *for the implementation of programs and needed investments for*
24 *workforce training that are consistent with the implementation of*
25 *health care reform at the county level. The Office of Statewide*
26 *Health Planning and Development shall provide comments on the*
27 *work plan within 45 days from the date of submission of the work*
28 *plan and allocate funds from the fund within 90 days.*

29 (5) *Allocations from the fund shall recognize successful training*
30 *programs, either through existing labor-management training*
31 *partnerships, or emerging intracounty labor*
32 *management-initiatives.*

33 (6) *Federal financial participation shall be claimed for*
34 *expenditures under this subdivision only as authorized by federal*
35 *law and regulations.*

36 ~~(g)~~

37 (h) *This section shall be implemented only to the extent that*
38 *counties with designated public hospitals seeking reimbursement*
39 *under this section contribute toward the cost of care through a*
40 *county share of cost.*

1 14167.11. (a) Notwithstanding Article 5.2 (commencing with
 2 Section 14166), for the period of time during which this article is
 3 operative, safety net care pool funds, as defined in subdivision (r)
 4 of Section 14167.1, shall be paid to the designated public hospitals,
 5 as defined in subdivision (e) of Section 14167.1, in accordance
 6 with this section, to the extent that those funds are available.

7 (b) (1) Each designated public hospital, or the governmental
 8 entity with which it is affiliated, that operates nonhospital clinics
 9 or provides other health care services that are not identified as
 10 hospital services, may report and certify, in accordance with
 11 Section 14166.8, all or a portion of its uncompensated costs of the
 12 services furnished to the uninsured. Each designated public
 13 hospital, or the governmental entity with which it is affiliated, shall
 14 receive from the safety net care pool for each fiscal year an amount
 15 equal to the federal funds derived from the certification of
 16 uncompensated care costs pursuant to the preceding sentence. The
 17 maximum amount payable pursuant to this paragraph shall be one
 18 hundred million dollars (\$100,000,000).

19 (2) If, for any fiscal year, the amount payable from the safety
 20 net care pool is insufficient for purposes of the payments described
 21 in paragraph (1), each designated public hospital, or governmental
 22 entity with which it is affiliated, shall receive a pro rata share of
 23 the amount specified in paragraph (1). The pro rata amount
 24 determined for purposes of this paragraph shall be based on the
 25 percentage that each designated public hospital's certified
 26 uncompensated medical care costs of medical services provided
 27 to uninsured individuals bears to the total amount of the costs
 28 certified by all of the participating designated public hospitals or
 29 governmental entity with which it is affiliated.

30 (3) Safety net care pool funds above one hundred million dollars
 31 (\$100,000,000) in any state fiscal year shall be claimed by the
 32 director for the state's expenditures under Section 14005.333 and
 33 under Part 6.45 (commencing with Section 12699. 201) of Division
 34 2 of the Insurance Code.

35 (4) If the expenditures specified in paragraph (3) are insufficient
 36 to claim the full amount of safety net care pool funds available in
 37 any state fiscal year, and the designated public hospitals, or
 38 governmental entities with which they are affiliated, have certified
 39 expenditures in the aggregate in excess of the amount necessary
 40 to make the payments required by this subdivision, the department

1 shall seek Medicaid federal financial participation from the safety
2 net care pool to the maximum extent possible based on the
3 remaining certified public expenditures of the designated public
4 hospitals and governmental entities with which they are affiliated,
5 and shall distribute the funds to the designated public hospitals,
6 or governmental entities with which they are affiliated, based on
7 the amount of each entity’s certified expenditures. If the designated
8 public hospitals’ remaining certified public expenditures exceed
9 the amount of available safety net care pool funds, the amounts
10 remaining in the safety net care pool, when claimed, shall be
11 distributed on a pro rata basis.

12 (5) Subdivision (a) of Section 14166.21 shall remain operative
13 for the period of time during which this article is operative, but
14 subdivision (b) of Section 14166.21 shall be inoperative for the
15 period of time during which this article is operative.

16 (c) Except as provided in subdivision (b), subdivision (g) of
17 Section 14166.8 shall be inoperative for the period of time during
18 which this article is operative. The department shall seek Medicaid
19 federal financial participation from the safety net care pool based
20 on qualifying expenditures from the designated public hospitals
21 or governmental entity with which it is affiliated.

22 (d) Payments and funding described in this section shall be
23 subject to the availability of federal funds through a demonstration
24 project approved by the federal government pursuant to Section
25 1115 of the federal Social Security Act.

26 (e) The director may suspend, modify, or adjust any
27 methodology or computation required by Article 5.2 (commencing
28 with Section 14166) that is necessary to implement this section.

29 14167.12. (a) The department shall consult with the hospital
30 community, and shall receive input from others as deemed
31 necessary and appropriate, in developing and implementing any
32 and all payment methodologies developed or implemented for
33 purposes of this article. The consultation, with input from others
34 as deemed necessary and appropriate, shall occur sufficiently in
35 advance of the publication of any proposed regulation pertaining
36 to any such payment methodology so as to allow the hospital
37 community, and others as deemed necessary and appropriate, to
38 have meaningful participation and offer comments as well as to
39 allow the department an opportunity to consider additional
40 information and engage in follow-up discussions.

1 (b) The director shall seek federal approval of each payment
2 methodology set forth in this article. The director, in consultation
3 with the hospital community, and with input from others as deemed
4 necessary and appropriate, may alter any methodology specified
5 in this article to the extent necessary to meet the requirements of
6 federal law or regulations or to obtain federal approval. If, after
7 seeking federal approval, federal approval is not obtained, that
8 methodology shall not be implemented.

9 (c) Payments made pursuant to this article are contingent on the
10 receipt of federal reimbursement.

11 (d) In implementing this article, the department may utilize the
12 services of the Medi-Cal fiscal intermediary through a change
13 order to the fiscal intermediary contract to administer this program,
14 consistent with the requirements of Sections 14104.6, 14104.7,
15 14104.8, and 14104.9. Contracts entered into with any Medicare
16 fiscal intermediary shall not be subject to Part 2 (commencing with
17 Section 10100) of Division 2 of the Public Contract Code.

18 (e) Except as otherwise provided in this article, Sections
19 14166.11 to 14166.14, inclusive, Sections 14166.17 to 14166.20,
20 inclusive, and Sections 14166.22 and 14166.23, shall be inoperative
21 for the period of time during which this article is operative.

22 (f) This article shall become inoperative five years after the
23 implementation date of this article and as of January 1, 2016, is
24 repealed, unless a later enacted statute that is enacted on or before
25 January 1, 2016, extends or deletes the dates on which it becomes
26 inoperative and is repealed.

27 (g) This article shall be applicable to services rendered to
28 Medi-Cal beneficiaries on and after July 1, 2010. For services that
29 are paid under this article, any other provider rate methodology,
30 including those established by the California Medical Assistance
31 Commission pursuant to Article 2.6 (commencing with Section
32 14081), shall become inoperative for those services on and after
33 that date.

34 (h) This article shall not apply to any service furnished prior to
35 the effective date of any federal approvals that may be required to
36 ensure the availability of federal financial participation for
37 expenditures made pursuant to this article.

38 (i) This article shall become inoperative in the event, and on
39 the effective date, of a final judicial determination by any court of
40 appellate jurisdiction or a final determination by the federal

1 Department of Health and Human Services or the Centers for
2 Medicare and Medicaid Services that any element of this article
3 cannot be implemented.

4 (j) The department shall implement this article only to the extent
5 that state funds are appropriated for the nonfederal share of the
6 rate increases provided in this article.

7 (k) If this article becomes inoperative, hospitals shall be paid
8 the rates that were in effect on June 30, 2010, including the rates
9 paid pursuant to the provision of Article 2.6 (commencing with
10 Section 14081).

11 (l) This article shall be implemented only during those fiscal
12 years in which a 4 percent fee is imposed on the net patient revenue
13 of general acute care hospitals.

14 SEC. 77. Article 5.215 (commencing with Section 14167.22)
15 is added to Chapter 7 of Part 3 of Division 9 of the Welfare and
16 Institutions Code, to read:

17
18 Article 5.215. Medi-Cal Physician Services Rate Increase Act
19

20 14167.22. (a) The director shall seek federal approval of the
21 rate methodology set forth in this article. The director may alter
22 any methodology specified in this article, to the extent necessary
23 to meet the requirements of federal law or regulations or to obtain
24 federal approval. If, after seeking federal approval, federal approval
25 is not obtained, that methodology shall not be implemented.

26 (b) Payments made pursuant to this article are contingent on
27 the receipt of federal reimbursement. Unless otherwise expressly
28 provided in this article, nothing in this article shall create an
29 obligation on the part of the department to fund any payment from
30 state funds in the absence of, or on account of a shortfall in, federal
31 funding.

32 (c) The director shall increase reimbursement rates to managed
33 health care plans by the actuarially equivalent amount necessary
34 to ensure that managed health care plans increase rates of payment
35 to the classes of providers whose rates are governed by this article
36 at the same percentage increase that Medi-Cal fee-for-service rates
37 are increased to the same classes of providers pursuant to this
38 article, subject to the limitations of federal law, if any.

39 14167.23. For purposes of this article, the following definitions
40 shall apply:

1 (a) “Nonphysician medical practitioner” means a physician’s
2 assistant, a certified nurse midwife, or a nurse practitioner,
3 ~~including a certified family nurse practitioner and a certified~~
4 ~~pediatric nurse practitioner~~, who provides primary care services,
5 as defined in Section 51170.5 of Title 22 of the California Code
6 of Regulations, who is an enrolled Medi-Cal provider eligible to
7 receive Medi-Cal payments, and who provides physician services
8 to Medi-Cal beneficiaries. Primary care physician services rendered
9 by nonphysician medical practitioners are covered as physician
10 services to the extent permitted by applicable licensing statutes
11 and regulations. The terms “physician’s assistant,” “nurse
12 midwife,” and “nurse practitioner” are defined for purposes of this
13 article in Sections 51170.1, 51170.2, and 51170.3 of Title 22 of
14 the California Code of Regulations, respectively.

15 (b) “Physician” means a practitioner meeting the requirements
16 of Section 51228 of Title 22 of the California Code of Regulations
17 who is an enrolled Medi-Cal provider eligible to receive Medi-Cal
18 payments and who provides physician services to Medi-Cal
19 beneficiaries.

20 (c) “Physician group” means two or more physicians legally
21 organized as a partnership, professional corporation, foundation,
22 not-for-profit corporation, or similar association that meets the
23 requirements of Section 51000.16 of Title 22 of the California
24 Code of Regulations and that is an enrolled Medi-Cal provider
25 eligible to receive Medi-Cal payments and provides physician
26 services to Medi-Cal beneficiaries.

27 (d) “Physician services” means those services as described in
28 Section 51305 of Title 22 of the California Code of Regulations.

29 (e) “Podiatrist” means a person as defined in Section 51075 of
30 Title 22 of the California Code of Regulations who is an enrolled
31 Medi-Cal provider eligible to receive Medi-Cal payments and who
32 provides physician services to Medi-Cal beneficiaries.

33 (f) “Clinic” means an organized outpatient health facility as
34 defined in Section 1200 of the Health and Safety Code.

35 14167.24. (a) A physician, physician group, clinic, podiatrist,
36 or nonphysician medical practitioner shall receive Medi-Cal
37 reimbursement to the extent provided in this section.

38 (b) Physician services, including those rendered by physicians,
39 physician groups, podiatrists, and nonphysician medical
40 practitioners, shall be calculated and paid as follows:

1 (1) Except as provided under Section 14167.25, and only to the
2 extent that state funds are appropriated in the annual Budget Act,
3 commencing on July 1, 2010, reimbursement shall be established
4 at a percentage of the amount that the federal Medicare Program
5 would pay for the same physician service rendered on the same
6 date; provided, however, that such increased reimbursement shall
7 not exceed 100 percent of the amount that Medicare would pay.
8 *This paragraph shall not reduce physician service rates currently*
9 *reimbursed at or above 100 percent of the Medicare reimbursement*
10 *rate or the rate that the department determines to be equivalent*
11 *to the Medicare rate pursuant to paragraph (3). In determining*
12 *the amounts to be paid pursuant to this paragraph, the department*
13 *shall ensure that the equivalent Medicare rate to be used takes into*
14 *account all of the factors, supplemental payments, and other*
15 *variables that are used to determine the Medicare rate.*

16 (2) The supplemental rate augmentation paid for physician
17 services in California Children Services, as established in the
18 annual Budget Act, shall continue and be paid in addition to the
19 rate established in this section.

20 (3) Subject to the funding limitation set forth in paragraph (1),
21 the department shall establish a rate for physician services for
22 which Medicare does not provide a comparable physician service,
23 or for which the Medicare payment for the physician service cannot
24 be separately determined, which shall be the department's best
25 estimate of what Medicare would pay for that physician service,
26 to be set at the percentage established in paragraph (1).

27 (4) Physician services that are reimbursable under this section
28 may be provided in any service location, including in clinics, except
29 for hospitals when the hospital bills for the services, federally
30 qualified health centers, and rural health centers. Notwithstanding
31 the provisions of Section 14167.23, physicians, physician groups,
32 podiatrists, and nonphysician medical practitioners that provide
33 physician services in clinics shall not be required to be enrolled
34 as Medi-Cal providers in order for a clinic to receive
35 reimbursement for those services pursuant to this section.

36 (5) Claims for payment of services rendered by a nonphysician
37 medical practitioner, where the rate is established pursuant to this
38 section, shall comply with the provisions of subdivision (d) of
39 Section 51503.1 of Title 22 of the California Code of Regulations.

1 (c) As a condition of receiving reimbursement under this section,
2 a physician, physician group, clinic, podiatrist, or nonphysician
3 medical practitioner shall keep, maintain, and have readily
4 retrievable, any records specified by the department to fully
5 disclose reimbursement amounts to which the physician, physician
6 group, clinic, podiatrist, or nonphysician medical practitioner is
7 entitled, and any other records required by the federal Centers for
8 Medicare and Medicaid Services.

9 (d) This section shall apply to all services specified in this
10 section that are rendered to Medi-Cal beneficiaries on and after
11 July 1, 2010. With respect to all services that are paid under this
12 section, any other provider rate methodology that is inconsistent
13 or duplicative of the rates paid pursuant to this section shall become
14 inoperative for those services to the extent that the rates are
15 inconsistent or duplicative.

16 14167.25. (a) (1) Notwithstanding Section 14105 or any other
17 provision of law, on or after July 1, 2010, the director may
18 designate up to 25 percent of the rate increase paid to Medi-Cal
19 fee-for-service providers pursuant to subdivision (b) of Section
20 14167.24, to be directly linked to performance measures developed
21 pursuant to subdivisions (c) and (d), including a demonstrated
22 showing of continued performance improvement.

23 (2) For purposes of paragraph (1), the percentage of the rate
24 that is linked to performance measures shall be established by the
25 director such that physicians, physician groups, clinics, podiatrists,
26 and nonphysician medical practitioners will be sufficiently
27 reimbursed for implementing performance measures, including
28 continued performance improvement.

29 (b) The performance measures shall be developed by the
30 department in consultation with stakeholders, including, but not
31 limited to, representatives of patients, physicians, podiatrists,
32 nonphysician medical practitioners, managed care plans, payers,
33 and other appropriate stakeholders.

34 (c) The department, in consultation with the stakeholders
35 identified in subdivision (b), shall develop a comprehensive list
36 of performance measures relying, in part, on existing quality and
37 performance measures endorsed by national organizations, such
38 as the Ambulatory Quality Alliance, the Hospital Quality Alliance,
39 and the National Quality Forum.

1 (d) In developing the performance measures pursuant to
2 subdivision (c), the following performance measures may be taken
3 into consideration in determining the appropriate percentage rate
4 increases:

5 (1) Reporting of health care outcomes, including the cost of that
6 health care.

7 (2) Improvements in health care efficiency.

8 (3) Improvements in health care safety.

9 (4) The efficient exchange of health information data through
10 technology.

11 (5) The quality assurance requirements set forth in Section
12 1300.70 of Title 28 of the California Code of Regulations.

13 (6) Efforts to promote healthy behaviors among Medi-Cal
14 beneficiaries pursuant to the Healthy Incentives and Rewards
15 Program described in Section 14132.105.

16 (7) The extent to which purchasers, payers, providers, and
17 consumers are able to monitor the quality and cost of health care
18 utilizing public reporting information published by the Office of
19 the Patient Advocate.

20 (8) The extent to which physicians, physician groups, clinics,
21 podiatrists, and nonphysician medical practitioners that provide
22 services to Medi-Cal beneficiaries on a fee-for-service basis
23 implement activities, such as telemedicine, electronic prescribing
24 and the electronic exchange of health information among various
25 payers and providers for the purpose of attaining health care safety
26 and quality improvements, informed clinical care decisions, the
27 increased use of interoperable platforms for the exchange of
28 relevant health care data, and more accurate and timely diagnosis
29 and treatment.

30 (9) Compliance with the federal Health Insurance Portability
31 and Accountability Act (HIPAA) (42 U.S.C. Sec. 300gg).

32 (e) The department shall consult with stakeholders, including,
33 but not limited to, representatives of patients, physicians, managed
34 care plans, payers, and other appropriate stakeholders, to determine
35 the means to measure and document implementation by each
36 physician, physician group, clinic, podiatrist, and nonphysician
37 medical practitioner of the performance measures developed
38 pursuant to subdivisions (c) and (d).

39 (f) The department may exempt classes of physicians, physician
40 groups, clinics, podiatrists, and nonphysician medical practitioners

1 and specific services from this section, if necessary to comply with
2 the requirements of federal law or regulations.

3 (g) The department may file one or more state plan amendments
4 to implement this section.

5 (h) The department shall seek necessary federal approvals for
6 implementation of this section. The department shall implement
7 this section only in a manner that is consistent with federal
8 Medicaid law and regulations. This section shall be implemented
9 only to the extent that federal approval is obtained and federal
10 financial participation is available.

11 (i) The department shall implement this section only to the
12 extent that state funds are appropriated for the nonfederal share of
13 the rate increases provided under this section.

14 (j) The provisions of this section shall be implemented in such
15 a manner that they are appropriately integrated with the
16 pay-for-performance model described in subdivision (a) of Section
17 12803.2 of the Government Code.

18 SEC. 78. The State Department of Health Care Services, in
19 consultation with the Managed Risk Medical Insurance Board,
20 shall take all reasonable steps that are required to obtain the
21 maximum amount of federal funds and to support federal claiming
22 procedures in the administration of this act.

23 ~~SEC. 79. Notwithstanding Chapter 3.5 (commencing with~~
24 ~~Section 11340) of Part 1 of Division 3 of Title 2 of the Government~~
25 ~~Code, during the period January 1, 2008, to December 31, 2011,~~
26 ~~inclusive, the State Department of Health Care Services may~~
27 ~~implement this act by means of all county letters or similar~~
28 ~~instructions without taking regulatory action. After December 31,~~
29 ~~2011, the department shall adopt all necessary regulations in~~
30 ~~accordance with the requirements of Chapter 3.5 (commencing~~
31 ~~with Section 11340) of Part 1 of Division 3 of Title 2 of the~~
32 ~~Government Code.~~

33 SEC. 80. Notwithstanding any other provision of law, the
34 Managed Risk Medical Insurance Board may implement the
35 provisions of this act expanding the Healthy Families Program
36 only to the extent that funds are appropriated for those purposes
37 in the annual Budget Act or in another statute.

38 SEC. 81. (a) In order to achieve the purposes of this act, the
39 State Department of Health Care Services, after consultation with
40 the Department of Finance, may utilize either state plan

1 amendments or waivers, or combination thereof, as necessary to
2 implement this act, to maximize the availability of federal financial
3 participation, and to maximize the number of persons for whom
4 that federal financial participation is available to cover the cost of
5 health care services.

6 (b) The flexibility authorized by this act shall include
7 modification of the requirements, standards, and methodologies
8 for expansion categories or populations created by this act in order
9 to maximize the availability of federal financial participation.
10 When exercising this flexibility, the State Department of Health
11 Care Services shall not make changes that would do any of the
12 following:

13 (1) Make otherwise eligible individuals ineligible for health
14 coverage under the Medi-Cal program and the Healthy Families
15 Program.

16 (2) Increase cost-sharing amounts beyond levels established in
17 this act.

18 (3) Reduce benefits below those provided for in this act.

19 (4) Otherwise disadvantage applicants or recipients in a way
20 not contemplated by this act.

21 (c) The department shall take all reasonable steps necessary to
22 maximize federal financial participation and to support federal
23 claiming in the implementation of this act.

24 (d) It is the intent of the Legislature that the provisions of this
25 act shall be implemented simultaneously to the extent possible in
26 order to harmonize and best effectuate the purposes and intent of
27 this act.

28 (e) The Director of Health Care Services shall notify the Chair
29 of the Joint Legislative Budget Committee in any case when it is
30 necessary to exercise the flexibility provided under this section.
31 This notification shall be provided 30 days prior to exercising that
32 flexibility.

33 SEC. 82. It is the intent of the Legislature that provisions of
34 this act shall be financed by contributions from employers;
35 individuals; federal, state, and local governments; and health care
36 providers. Specifically financial support shall include:

37 (a) Federal financial participation through the federal Medicaid
38 and S-CHIP programs.

1 (b) Revenue from counties to support the cost of enrolling
 2 persons who would otherwise be entitled to county-funded care if
 3 not for this act.

4 (c) Fees paid by acute care hospitals at a rate of 4 percent of
 5 patient revenues.

6 (d) Fees paid by employers ~~not expending an equivalent amount~~
 7 ~~for health care expenditures at a rate ranging from 2 to 6.5 percent~~
 8 ~~of total payroll, based on social security wages.~~

9 (e) Premium contributions from currently offering employers
 10 when employees, eligible for employer-based coverage, choose
 11 to enroll in public programs.

12 (f) Premium payments for individuals enrolled in publicly
 13 subsidized coverage and coverage purchased in the individual
 14 market.

15 (g) Additional public funds obtained through increasing the
 16 ~~taxes by two dollars (\$2) on the sale of each package of cigarettes~~
 17 ~~and by an equivalent amount on other tobacco products; tax on the~~
 18 ~~sale of each package of cigarettes.~~

19 (h) Other state funds made available through savings generated
 20 through reduced demand for existing health care programs.

21 ~~SEC. 84.~~

22 *SEC. 83.* (a) Notwithstanding any other provision of this act,
 23 the implementation of the provisions of this act other than this
 24 section, including, but not limited to, the expansion of eligibility
 25 for publicly funded or subsidized health care coverage, the increase
 26 in the Medi-Cal program’s provider rates, the requirements
 27 imposed on the offering and sale of health plan contracts or health
 28 insurance policies in the state, and the requirement that individuals
 29 enroll in and maintain health care coverage, shall be contingent
 30 on a finding by the Director of Finance under subdivision (b) that
 31 the financial resources necessary to implement those provisions
 32 are available.

33 (b) Except as otherwise provided in subdivision (d), this act
 34 shall become operative upon the date that the Director of Finance
 35 files a finding with the Secretary of State that all of the following
 36 circumstances exist:

37 (1) Based on reasonable financial projections, sufficient state
 38 resources will exist in the Health Care Trust Fund to implement
 39 the act. This determination shall be based on the projected amounts
 40 of revenue that will be available to support the act and the projected

1 costs required by the act. These projections shall consider the
2 sufficiency of resources that will be available during the first three
3 years of operation under the act.

4 (2) The required federal approvals for program changes under
5 the act have been obtained or can reasonably be expected to be
6 obtained by the time those programs are implemented.

7 (3) Required federal resources will be available to implement
8 the act based on the anticipated schedule of review and approval
9 of state plan amendments and waivers applicable to the act.

10 (c) At least 90 days prior to filing the finding with the Secretary
11 of State, the Director of Finance shall transmit the finding described
12 in subdivision (b) to the Chief Clerk of the Assembly, the Secretary
13 of the Senate, and the chairs of the appropriate committees of the
14 Legislature.

15 (d) If any operative date specified in this act is later than the
16 date of the filing of the finding described in subdivision (b), that
17 later date shall apply.

18 (e) Nothing in this section shall be construed to prevent the
19 appropriation of funds for the support of the activities necessary
20 to prepare for the implementation of this act prior to the filing of
21 the finding described in subdivision (b).

22 ~~SEC. 84. It is the intent of the Legislature that the rates paid
23 pursuant to the Medi-Cal program for inpatient and outpatient
24 hospital services be increased.~~

25 *SEC. 84. It is the intent of the Legislature that the state shall
26 develop and effectively implement a transition plan, by July 1,
27 2010, that will allow for payment of the premium and cost-sharing
28 burdens associated with insurance coverage with funding under
29 the federal Ryan White Comprehensive AIDS Resources Emergency
30 (CARE) Act of 1990 (42 U.S.C. Sec. 201) and other funding.*

31 *SEC. 84.5. The Legislature finds and declares that each
32 provision of this act is an integral part of a comprehensive health
33 care reform effort and that no provision of this act is intended to
34 be severable from the remaining provisions. If any provision of
35 this act is held to be invalid, as determined by a final judgment of
36 a court of competent jurisdiction, the entire act shall become
37 inoperative, and those provisions of law amended by this act that
38 were in effect and operative immediately prior to the operative
39 date of this act shall again be operative.*

1 SEC. 85. No reimbursement is required by this act pursuant to
2 Section 6 of Article XIII B of the California Constitution for certain
3 costs that may be incurred by a local agency or school district
4 because, in that regard, this act creates a new crime or infraction,
5 eliminates a crime or infraction, or changes the penalty for a crime
6 or infraction, within the meaning of Section 17556 of the
7 Government Code, or changes the definition of a crime within the
8 meaning of Section 6 of Article XIII B of the California
9 Constitution.

10 However, if the Commission on State Mandates determines that
11 this act contains other costs mandated by the state, reimbursement
12 to local agencies and school districts for those costs shall be made
13 pursuant to Part 7 (commencing with Section 17500) of Division
14 4 of Title 2 of the Government Code.

O
